Incident Location:*

Lot

Date of Incident:

1/28/13

Time of Incident:

Daytime

Explain the circumstances on why you are paying this compliment:*

Upon returning to my car from my job downtown, I found a note from Deputy Drahos saying someone reported my door being ajar. The Deputy checked my car over and said it appeared nothing was taken and no sign of suspicious activity. I want to thank Deputy Drahos for his concern and appreciation for the well being of my property, I'm sure he has many more important things to attend to, and given he took the time to ensure my vehicle was safe is greatly appreciated. Deputy Drahos is the kind of officer I would want close by in a time of need.

Lt. Schleiden,

We can treat this email the same as a Compliment Form. I will prepare a letter on behalf of the Sheriff and he will review and sign. However, I will need [REDACTED]. I would imagine that should be on some document he completed with Records.

Thanks,
Karen

Karen,

Does the Sheriff send an acknowledgement letter for commendations such as this? If so, this is a good example of professionalism by Deputy Ashley Standerfer, who is on TRD in Records (handling online, phone and walk-in reports). I have also cc'd Ashley's supervisor on this for inclusion in her squad file. Thanks.

All,

Law enforcement (local and government) is one of the most important jobs on the planet. How many people rely on you for comfort, guidance, and protection. Above all an expectation from the public - professionalism.

With everyone of my interactions with your department - the members have been absolutely professional. From folks stopping by to investigate my "false" alarms, to getting my fingerprints done (in a good way--lol), and my last interaction with Deputy Ashley Standerfer yesterday

...ive, engaging, respectful, and professionalism personified. Keep up the great work folks and
- pass along this laudatory email to your superiors. Why? In general, folks find it easier to complain;
however, one rule we live by - the same energy you would use to complain - double the energy to recognize
good work and people!

Lastly, I am hoping we stop the not too smart charecter from using other people's credit cards. I look forward to
your help!

Explain the circumstances on why you are paying this compliment:*

I'd like to extend my gratitude to the dispatcher (female) who promptly accepted my call/report and dispatched a Deputy (male). The Deputy arrived on location within 5 minutes and was very courteous and prompt. I reported a suspicious vehicle and suspect driving in the neighborhood. The Deputy said he would scout around the area for anything suspicious activities. I appreciate the professionalism of these two individuals... I wish I had gotten both their names to thank them. Sheriff Chapman and your staff continue to exceed my expectations. Thank you, and God Bless! Explain the circumstances on why you are paying this compliment:*

I was driving a vehicle involved in an earlier accident to the body shop and didn't realize the full extent of the damage. Deputy Fognano pulled me over and after some discussion, he agreed to escort me safely from Leesburg to Purcellville. I sincerely appreciate his flexibility in helping me get to my destination safely and without additional incident. He could have just written a ticket and told me to call a wrecker, but he chose instead to help me out. That kind of flexibility and willingness to be of service rather than just an enforcer of laws goes a long way. BZ, Kudos, and Thanks to Deputy Fognano for being the Good Guy with a badge last night.

Major Tate,

Do you have the incident report? I am working on the letter and unsure if DFC Sloan approached the scene and observed this activity or was called to the scene. Any insight would be appreciated ☺

We at JSC Concrete Construction want to thank Deputy Solan for apprehending the person who he caught in the act of stealing our aluminum panels from the subdivision Willowsford early this morning. This would have been the fourth time in the last six months that we have had our panels stolen, two incidents within the past month.

Hopefully this is the same culprit who stole our other panels. We are out several hundred thousand dollars for these thefts and it really makes us proud that you have caught the individual and hopefully this will lead to the arrests of all involved!

... the great work and if there is anything you should need from us, please do not hesitate to call or email.

I attended part 2 of the Internet Safety seminar last night at Stone Bridge High School. Unfortunately, I was not available to attend part 1, but after last night, I definitely will. I was convinced that I knew how to keep my kids safe in this world of rapidly advancing technology and I couldn't have been more wrong. It was an eye opener! It was a fantastic presentation that I have since been recommending to everyone that will listen. Great job and thanks so much for your candor and for sharing your knowledge, tips and suggestions with us.

Sgt. Davis,

I would like to commend Deputy Roy Ortutay for a very enjoyable and educational night last Friday and thank you and the Loudoun County Sheriff's Office for the opportunity to participate in the ride along program. Roy is not only a great deputy with a wealth of knowledge about his community, but is also very well respected. His presence goes a long way with the business community. The smiles and the waves when he goes by or visits the establishments speak for themselves.

His patrol vehicle was spotless inside and out and he treats it with pride and it shows. His uniform was perfect. His Navy heritage shows with pride as it should. He was very informative when I had specific questions on observations or situations. Roy uses common sense as he conducts his shift when interfacing with the public. We are very fortunate to have him as our community officer and has been a big help to me in the past as well.

Thanks again to LCSO for the opportunity for a very enjoyable evening. While there was no "excitement" as Roy put it, it was interesting, enjoyable and important to see what all his activities entail and what he has to contend with on his shift over the vast area that he has as our community officer.

Shadowing the Deputies and the Auxiliary for a small part of the evening gave me additional validation in my decision to sign up for the training for the Auxiliary starting this month. I look forward to learning what I can to give back to our community and to the Sheriff Deputies of Loudoun County that are doing such a great job in keeping our community and neighborhoods safe with their presence and hard work..

If you have any questions or need any more information, please do not hesitate to call me.

All the best

Dear Sgt. Salamida -

I know how hard the Sheriff's Office works to protect and serve in our great County of Loudoun, but I wanted to take the time to let you know about one deputy in particular, Deputy Moats, who was very helpful with a troubling situation my daughters and I had just before Christmas.

We live at Camden Ashburn Farm apartments in Ashburn, and we have a lot of neighbors that have come and gone since we moved in here during the spring of 2010. Many of our neighbors like to keep to themselves, but those of us who have lived here for awhile have come to enjoy the comfort of seeing familiar faces as we carry on with our day-to-day activities, the friendships of a few including the staff that work here, and the safe and clean surroundings we are blessed with here at Camden.
