Yesterday (3/26) I noticed an officer had pulled someone over in front of my house on Black Branch Pkwy around 5:20pm in the Green Mill Preserve Neighborhood. I did not have the opportunity to speak to the officer but I wanted to thank him or her for taking the time to patrol our neighborhood. I believe it is likely the officer was monitoring speed and pulled the car over for this reason. We routinely have people who speed past my house going well over the posted 25ph speed limit. As a mother to a 4 year old, I am very much concerned about this and I can not voice enough how much I appreciate the time your department takes to help "remind" my neighbors/cut through drivers that the posted speed is 25 mph.

Hello Christopher Hines,

I wanted to thank you for all of your efforts in helping to reduce the excessive speeding on Forest Ridge Road. My family and I truly appreciate it especially our four year old who likes to play out in front of our home.

We had three of your officers respond to our home for an alarm while we were not home. Each of your officers were extremely polite, professional and courteous. I know you must be very proud of your officers and we are too. It feels good to live in this county and know that we have you and your agency looking out for our safety.

Thanks,
