Greetings once again to our lovely officers. This morning I saw a Sheriff in Aldie radaring people. Thank you!! I would once again like to invite you out to sit in my driveway at [REDACTED] John Mosby Highway. The last time you guys were out you were skeptical of the success to be had in pulling over speeding vehicles coming through town and in less than 2 hours of standing in my driveway on foot, more than 10 people (if memory serves) were pulled over for speeding through Aldie. I was lucky enough the day you guys came out to be home on paid time off from work and got to watch. My husband and I are one of the youngest home owners in Aldie and I am the daughter of retired [REDACTED] and we want to help however we can get the speeding under control in Aldie. As last time you have our explicit consent to use our property at [REDACTED] John Mosby Highway to radar oncoming traffic from both directions (it's a near perfect spot we think based on what we saw last time). If you need to call me for any reason due to protocol before coming out, you may do so at [REDACTED]. Otherwise note we will probably not be home when you come out to sit and that is okay by us.

Sincerely, [REDACTED]

Explain the circumstances on why you are paying this compliment:

Early evening on March 25, 2016 I was on my way to a friend's house when I discovered that my front license plate was missing. It hadn't fallen off but was clearly removed - screws were cleanly removed and no visible scrapes or dents were left around where the plate had been. I arrived at my friend's house frustrated and upset and I was explaining this to another person, Deputy Harwood (badge #2504) arrived to visit the same friend. As people were trying to explain what I should do Deputy Harwood realized I was becoming confused and offered to complete a report and provided instruction of what my next steps would be. First I'd like to say thank you to her and second, I'd like your office to know how helpful she was! Not only was she off duty, it was also the beginning of the weekend and I'm sure the last thing she would want to be doing is more work on a Friday night. So please, pass along my gratitude to her. While it was just a stolen license plate, it was upsetting to think that it happened right where I live - very unsettling. She made a frustrating situation for me much easier to deal with. So thankful she was there and offered her assistance.

Dear Sheriff Chapman:

I wanted to take the opportunity to extend my sincere gratitude and appreciation to Deputy First Class Josh Brumbaugh for his assistance on February 25, 2016. Chief Price's retirement announcement and his celebration ceremony occurred during a hectic time for our organization. When I contacted the Sheriff's office for assistance, your department did not hesitate in offering DFC Brumbaugh's talent. Having him sing the national anthem brought the ceremony to a more professional level, and I'm very grateful for his willingness to participate.

Please pass along my appreciation to DFC Brumbaugh for his valuable contribution to an important event. The Leesburg Police Department looks forward to strengthening our professional relationship, and please don't hesitate if we can ever be of assistance to your agency.

Sincerely,

Captain Vanessa Grigsby

Re: Assessor Commendation

Dear Sheriff Chapman: *MIKE*

On February 8th through the 12th, the City of Fairfax Police Department conducted a promotional assessment center for the ranks of sergeant and lieutenant. Upon our request, your agency was kind enough to send Lieutenant Rudolph Landon to serve as an assessor during our process.

I wish to personally commend Lieutenant Landon for his efforts during this assessment process. As you know serving as an assessor is time consuming and labor intensive. I feel confident that Lieutenant Landon provided our candidates with accurate and fair evaluations.

I ask that you convey my thanks to Lieutenant Landon. I also thank you for supporting our department during this process. If we can reciprocate in any way, please do not hesitate to let me know.

Sincerely,

Sergeant Nugent

Thank you very much for the very quick response and action. I saw you out there this morning. I hope this person has learned to drive a bit slower. I think the driver was slowed down a little bit today by the car going up the hill. The car is usually going much faster. Thank you again for the great service and protecting us in the neighborhoods. You all do a great job.

At approximately 1215 today while I was on my lunch break, I observed several LCSO deputies on scene in the Country side area of sterling making an arrest of an individual who ran from them. The officers, from what I could hear during the arrest, where not only cordial to this subject but concerned about him. I write this to say not all LEOs are given the appropriate recognition of the work or actions taken while performing their duty day to day. ALL of the deputies where cordial and respectful to this individual and I applaud the Supervisors and Sheriff Chapman for their leadership.

Explain the circumstances I was involved in an automobile accident Friday morning,

on why you are paying
this compliment:

February 26, 2016 in Lansdowne and three of your deputies rendered assistance and I wanted to compliment their courteousness and professionalism. Two deputies, Deputy First Class M.E. Bell, #2759 and Deputy Armstrong, #3683, literally witnessed the accident and immediately rendered aid to both me and the other vehicle's occupants. They were courteous and helpful in a stressful situation. They ensured I was safe and had everything needed and even provided a ride to my home. Additionally, Deputy D.S. Lake, #2117, responded to the incident. He was completely professional and courteous as well. This was my first interaction with the Loudoun County Sheriff's and I was very appreciative of these Deputies and they represented your Office well. It was a pleasure meeting your Deputies under this stressful situation. Please pass on my compliments to your Deputies.

This has been much needed on Center St as this has been an issue lately with drivers not obeying the speed limit. I was able to speak with Deputy Ambroise a few hours later to thank him, and I had the most enjoyable conversation with him. He was warm, friendly and professional at all times, and he is a definite asset to the department. We appreciated his presence today!
