Incident Location: Brambleton
Date of Incident: *Field not completed.*
Time of Incident: *Field not completed.*

Explain the circumstances on why you are paying this compliment:

I work for the HOA and we had a concern regarding a van that had been left on one of our streets. I reached out to Sgt. Mastandrea to possibly ticket the vehicle for lack of county stickers and missing inspections stickers and he went above and beyond what was expected. I've met multiple Deputies, and they've all been extremely wonderful and helpful, but Sgt. Mastandrea went out of his way to make sure I was regularly updated on the status of the vehicle every time he was on shift and followed up with me when he saw that the van had been removed prior to having the van towed. I was very impressed with how much dedication and effort Sgt. Mastandrea put into his work.

Project Lifesaver
P O Box 7200
Leesburg, Va., 20177

Team Project Lifesaver:

I wanted to take a moment to thank everyone on this specialized team who participated in locating my Husband [REDACTED], on Monday October 31st.

As you know [REDACTED] suffers from Alzheimer's and became disoriented when walking home from Tammy's Diner.

Only recently did I learn of Project Lifesaver and requested a locator bracelet to be placed on [REDACTED] arm. Little did I think, I'd have to use this service, but it gave me comfort.

Not only are you a "special" part of search and rescue, but a group of dedicated, professional, and compassionate people. Also, a thank you to Fairfax Search and Rescue helicopter, who was instrumental in detecting the first signal. More work was to be done, knocking on doors, questioning people, and ending up in the woods where the signal became stronger. Imagine how long it would have taken [REDACTED] were not wearing that bracelet. I was also impressed with the amount of Officers who responded to the call. They all are serious about their jobs.

Again, a heartfelt thanks for a job well done. You are my heroes!

Sincerely,

[REDACTED]

Incident Location: Gloucester Parkway
Date of Incident: Thursday, November 17
Time of Incident: 6am - 2pm

Explain the circumstances on why you are paying this compliment:

Greetings LCSO, I am sending my compliments for the radar operation executed on Gloucester Parkway in Ashburn on Thursday, November 17. Since the Gloucester Parkway expansion last August, the traffic has tremendously increased on Gloucester Parkway. As a result, there has been a significant increase in excessive speeding. This concerns me because there are many families with young children in my neighborhood (including my family). So many people treat Gloucester like the speed limit is 65mph. Additionally, they zoom in and out of traffic with no regard for others. Therefore, I really appreciate the increased presence of deputies who seemed to enforce traffic laws yesterday! Keep up the good work. Regards [REDACTED]

Sterling, Va. 20164
November 15, 2016

Sheriff Michael Chapman
Loudoun County Sheriff
P.O. Box 7200
Leesburg, VA 20177

Dear Sheriff Chapman:

My purpose in writing to you is to commend Deputy Phung Tou for his assistance in the early morning hours while he was on patrol in the Sterling Park area.

Our miniature, fourteen year old miniature Dachshund, Kaiya, somehow found a way out of our fenced in backyard after being let out at around 3am. My daughter thought Kaiya had come back into the house, but it wasn't until Deputy Tou called us a couple of hours later that we realized Kaiya was loose.

He said he found her running up and down the streets. After several attempts, he managed to pick her up, then called us to say he had her. Fortunately, he caught her close to my house.

I don't know if you are a dog lover, but if you are I don't have to explain how grateful I was to Deputy Tou for safely bringing home a member of our family.

With all that our police officers have to deal with these days in their jobs, I am truly grateful that one took the time to perform a service for which we are deeply indebted.

Sincerely
[REDACTED]

Dear Sheriff Chapman:

On Thursday, November 3, 2016, two of your officers visited Community Baptist Church to conduct a courtesy physical security and crime prevention inspection. Our church is located at 43100 Center Street in South Riding, Virginia. We are writing to express our appreciation to you and your law enforcement team for the excellent work that you do and to call special attention to Sergeant James D. Spurlock and Deputy First Class Ethan Martin.

*John Colantonio

As we live in an uncertain time in our history, we decided that it was time to take a closer look at the physical security of our church so that we can better assure that all of our congregation can worship safely and securely. Sergeant Spurlock and Deputy First Class Martin spent nearly an hour with us, inspecting each room and our auditorium and provided excellent advice on how we can make our church more secure. Based on their expertise and years of experience, they told us ways to secure all entrances and to establish procedures for keeping harmful people away from the congregation.

On behalf of all the members of Community Baptist Church, please express our appreciation to Sergeant Spurlock and Deputy First Class Martin.

Dear Sherriff Chapman,

I wanted to let you know that your two deputy sheriffs handled evictions proceedings today in a professional, courteous and friendly manner. The lead deputy was there 15 minutes early and we chatted until the appointed time for entry. The 2nd deputy arrived and continued to chitchat awaiting the locksmith arrival.

They cleared the house and stayed until the locksmith completed his work.

As a former battalion commander in the Marines, it was always nice to hear something complimentary about my Marines. As a civilian, I pass along the same courtesy to you.

Thanks for your service.

Incident Information

Please enter the deputy(s) / employee(s) names: Deputy First Class Jason Leydig

Incident Location: Ryan Road
Date of Incident: 11/3/2016
Time of Incident: 11AM

Explain the circumstances on why you are paying this compliment:

Dear Sheriff and the Loudoun County Police Department, Thank you so much to Officer Leydig for pulling me over this morning for speeding and forever changing my impression of the brave men and women in blue! Yes, I was running late and very much guilty for speeding on Ryan Rd this morning when I was directed to pull over. As I rolled down my window and exchanged words as to the reason why I might be in a hurry, I decided to take a huge risk and mention that I didn't need to be shouted at with directions to pull over and that there was reason behind people having bad impressions of police officers in general. I was more than half expecting to be laughed at, blown off and given a big old ticket. Wow! Imagine my surprise when Officer Leydig gently tilted his head, looked me in the eye and asked if he could explain why he had to raise his voice when giving directions to pull a car over ~ the loud noise of surrounding traffic, rolled up windows, inside car noises among other reasons that made total sense. He then humbly apologized for raising his voice to me, what in the world?! I felt so guilty for complaining about something that now seemed so small and now made so much sense that I literally wanted to melt into the floor of my car. In a blurry stupor, I went a little further and talked about a few nights before when a bad accident occurred and shut down route 7E completely. All cars were directed to detour on to Dry Mill Rd. I had rolled my window down that night because I wanted to know if I could still get home from this unfamiliar detour. The officer told me to keep it moving. To my surprise, Officer Leydig apologized again if I felt brushed off and took a few more moments to explain how terrible the accident had been and that when you're redirecting 25,000 cars, it's not humanly possible to answer every single driver's questions. Another eye opening and teachable moment that I totally needed to hear. Officer Leydig was the utmost professional ~ kind, caring and genuinely understanding. I am in the teaching profession and I want to share that Officer Leydig is a far better human being and teacher than I can ever hope to be. He shared one last story with me at the close of our conversation that has now completely and forever changed my impression of police officers and how they truly do protect the public and make it possible to live in safety. I will never forget Officer Leydig's face and his words of wisdom at a most likely younger age than I am :) As I pulled away, I promised myself that I'd commit to

praying for him and his fellow colleagues' safety in Loudoun County and across the country as they bravely go about their jobs everyday. I am truly, deeply sorry for the way that I have felt in the past about policemen/women, being judgmental and so easily influenced and swayed by the media. I used to think that people can't change in their perceptions so why even try and that society was worsening by the day. But, I was proven completely wrong this morning, November 3, 2016. Thank you, Officer Leydig, it's people like you who change the world one person at a time and make society a much safer place :) yes, God bless you and your fellow police officers, His favor and protection over you all each and every day...

I recently moved from the Pittsburgh area and before retirement worked in the public mental health system. I cannot say enough positive about the training initiative Loudoun has undertaken. I know the cost to train officers is significant but the training is so valuable. I had worked with several smaller departments and saw first hand the benefit to the client, the police and the community. Keep up the excellent work!!!
