

Dear Sterling District Residents,

I will be holding a pair of community meetings in the coming days on two important projects. The first is about West Poplar Road and the second Augusta Drive (aerial photos of both can be found below). These meetings are an opportunity to receive updates from Loudoun County officials and other stakeholders on the status of the projects and the latest planning. Most importantly, they allow members of the public to directly provide input and express concerns. I hope as many of you can attend as possible. Community input is vital to these type of projects. If you cannot attend, feel free to contact me at [Koran.Saines@loudoun.gov](mailto:Koran.Saines@loudoun.gov) or by calling 703.771.5819.
