

Richland Acres Community Meeting

Tuesday, November 27, 2018

6:30 pm - 8:30 pm

Dominion High School Library

(21326 Augusta Drive, Sterling, Virginia 20164)

Dear Sterling District Residents,

I will be holding a community meeting on November 27 (Tuesday), along with Supervisor Volpe, to focus on the concerns raised by the Richland Acres community. For many years there have been issues with cut-through traffic on Thomas Avenue, which created a heavy traffic volume on a residential road and presented a safety risk to neighborhood residents. Previously Loudoun County ("Loudoun") installed speed humps and multi-way stop signs to help alleviate the situation. However, the issue persisted and the Board authorized a study of the situation earlier this year.

At the meeting Loudoun transportation staff will unveil the findings of the study and recommendations. They also will provide an update on activity in the area by Fairfax County, which has jurisdiction over a portion of Richland Acres (including the entrance point on Algonkian Parkway) and VDOT.

In addition to Loudoun transportation staff, representatives from both the Fairfax County and state transportation departments have been invited to attend.

This is an opportunity to learn about what is happening and provide input and express concerns. I hope many of you can attend since community input is an

important part of the process. If you cannot attend, feel free to contact me at Koran.Saines@loudoun.gov or by calling 703.771.5819.
