

**Sheriff Lopreto**

I wanted to thank you in particular and the Sheriff's office in general for your diligence in getting to the bottom of this situation, which I realize is minor in the grand scheme of things but was troubling to me. I was grateful for you taking me seriously, working with me in collecting the data, doing all that paperwork, and for your recommendations for how to keep me safer living alone.

You certainly have earned my trust, gratitude and a gold star for community relations.

**Warmest Regards**

**Explain the circumstances on why you are paying this compliment:**

I don't know her name but I wanted to compliment the Crossing Guard at Leesburg ES who helps on Plaza St. at the school driveway entrance. I have worked at Leesburg ES the past 3 months as a sub and this crossing guard does an excellent job! I feel she goes above and beyond in that at the end of every school day, long past the main dismissal time, she is still at the corner helping any "stragglers" that might need to cross. She stands at the corner, waves and smiles to EACH car that leaves the school property. EACH one!! Whether parent, teacher, or whomever...she is one of the friendliest crossing guards that I have come across in the schools where I work and I wanted to recognize her for this.

Incident Information

Please enter the deputy(s) / employee(s) names: *Field not completed.*

Incident Location: Snickersville Turnpike

Date of Incident: 12/1/2018

Time of Incident: 4:30 PM ?

Explain the circumstances on why you are paying this compliment:

Today, three horses got out of the pasture and I called 911 for help. Several cars stopped to help, and the neighbors helped, but the deputy who came got the traffic stopped and got everything under control. The farm owners (my family) got there about the same time and got the horses under control and then home. I just want to thank the lady on 911 who listened to me and sent help, and thank, especially, the deputy, who helped me. This is the second time I have had to call for help. The first time was to have a deputy check out an unidentified car parked on the farm. In both cases, the deputies were so nice and got the job done. Thanks a million.

**Incident Information**

**Please enter the deputy(s) / employee(s) names:** Ryan Thomasson

**Incident Location:** Trailside Middle School

**Date of Incident:** Ongoing

**Time of Incident:** Always

**Explain the circumstances on why you are paying this compliment:**

Ryan is the absolute SRO! In addition to supporting students during lunch and recess, morning walkabout and dismissal, he has singularly improved processes to make students more safe with activities such as parking his car close to student and traffic activity. Initially, his presence at arrival each day was startling to the community who was not used to seeing LCSO actively engaged at school. As he has established his routines, parents and staff have complimented his practices and noticed more safe behavior for drivers and school visitors. Ryan has volunteered to help with traffic flow and parking challenges for crowded events such as back to school night and Grandparent's Thanksgiving Luncheon when our school is bursting with guests. Ryan's knowledgeable nature is continually evident in his clear communication with school administrators and parents on each issue he partners on. Ryan goes above and beyond by supporting evening events, celebrating student success in concerts and continuity in the

cluster by supporting SBHS events as the TMS SRO. We appreciate Ryan every day!
