Sterling, VA 20164**

Those attending the event are encouraged to use on-street parking on Seneca Ridge Drive in the Seneca Ridge neighborhood.

The project included improvements to Seneca Ridge Drive, between South Cottage Road and Augusta Drive, designed to reduce congestion and improve pedestrian safety.

The work included:

- Widening the roadway,
- Adding a turn lane and improving drainage
- Curb ramp upgrades,
- New pavement markings, and
- Signage in compliance with the Americans with Disabilities Act requirements

The traffic calming measures will benefit area residents and schools, including Meadowland Elementary School, Seneca Ridge Middle School and Dominion High School. Traffic volume on this section of Seneca Ridge Road is about 6,000 vehicles a day.

The budget for the Seneca Ridge Drive improvements was \$1.54 million in local tax funding.
