

The solid waste collectors included in this table are currently permitted to operate in Loudoun County.

Loudoun County recommends contacting the collection company for service area and specific service information. For further assistance, contact the Department of Planning and Zoning at 703-777-0246, option 5, or at dpz@loudoun.gov.

Note: Major collectors are required to provide recycling services.

More information about trash collectors and solid waste collection permits can be found at loudoun.gov/trashproviders.
