This right is non-negotiable and the Contractor agrees to this condition by accepting this Agreement. Further, the County may, from time to time, make inspections of the work performed under the Agreement. Any inspection by the County does not relieve the Contractor of any responsibility in meeting the Agreement requirements.

The Contractor will have all employees working at County sites wear a uniform and have photo identification (frontal face). This identification must be prominently displayed at all times. No one with a felony conviction may be employed under this Agreement. The Contractor MUST remove any employee from County service who is convicted of a felony during his or her employment.

However, this exemption does not apply to the Contractor, and the Contractor shall be responsible for the payment of any sales, use, or excise tax it incurs in providing the goods required by the Contract, including, but not limited to, taxes on materials purchased by a Contractor for incorporation in or use on a construction project. Nothing in this section shall prohibit the Contractor from including its own sales tax expense in connection with the Contract in its Contract price.

The Contractor's obligation to pay an interest charge to a subcontractor pursuant to this provision may not be construed to be an obligation of the County.

#### 6.25 Assignment

The Agreement may not be assigned in whole or in part without the prior written consent of the Division of Procurement. The rights and obligations of the Contractor are personal and may be performed only by the Contractor. Any purported assignment that does not comply with this provision is void. This Agreement is binding upon and inures to the benefit of the parties and their respective permitted successors and assigns

#### 6.26 Termination

Subject to the provisions below, this Contract may be terminated by the County upon thirty (30) days advance written notice to the Contractor; but if any work or service hereunder is in progress, but not completed as of the date of termination, then the Contract may be extended upon written approval of the County until said work or services are completed and accepted.

##### A. Termination for Convenience

6.27 Contractual Disputes

The Contractor shall give written notice to the Purchasing Agent of intent to file a claim for money or other relief within ten (10) calendar days of the occurrence giving rise to the claim or at the beginning of the work upon which the claim is to be based, whichever is earlier.

The Contractor shall submit its invoice for final payment within thirty (30) days after completion or delivery.

The claim, with supporting documentation, shall be submitted to the Purchasing Agent by US Mail, courier, or overnight delivery service, no later than sixty (60) days after final payment. If the claim is not disposed of by agreement, the Purchasing Agent shall reduce his/her decision to writing and mail or otherwise forward a copy thereof to the Contractor within thirty (30) days of the County's receipt of the claim.

The Purchasing Agent's decision shall be final unless the Contractor appeals within thirty (30) days by submitting a written letter of appeal to the County Administrator, or his designee. The County Administrator shall render a decision within sixty (60) days of receipt of the appeal.

No Contractor shall institute any legal action until all statutory requirements have been met. Each party shall bear its own costs and expenses resulting from any litigation, including attorney's fees.

6.28 Severability

In the event that any provision shall be adjudged or decreed to be invalid, by a court of competent jurisdiction, such ruling shall not invalidate the entire Agreement but shall pertain only to the provision in question and the remaining provisions shall continue to be valid, binding and in full force and effect.

6.29 Governing Law/Forum

This Agreement shall be governed and construed in all respects by its terms and by the laws of the Commonwealth of Virginia, without giving effect to its conflicts of laws provisions. 6.31 Licensure

To the extent required by the Commonwealth of Virginia (see e.g. 54.1-1100 *et seq.* of the Code of Virginia) or the County, the Contractor shall be duly licensed to perform the services required to be delivered pursuant to this Contract.

6.32 Authority to Transact Business in Virginia

A Contractor organized as a stock or nonstock corporation, limited liability company, business trust, or limited partnership or registered as a registered limited liability partnership shall be authorized to transact business in the Commonwealth as a domestic or foreign business entity if so required by Title 13.1 or Title 50 of the Code of Virginia or as otherwise required by law. Any business entity described herein that enters into a Contract with the County pursuant to the Virginia Public Procurement Act 2.2-4300 *et seq.* shall not allow its existence to lapse or its certificate of authority or registration to transact business in the Commonwealth, if so required under Title 13.1 or Title 50 of the Code of Virginia, to be revoked or cancelled at any time during the term of the Contract. The County may void any Contract with a business entity if the business entity fails to remain in compliance with the provisions of this section.

6.33 No Smoking

Smoking in all County buildings is prohibited. The County may designate a smoking area outside County facilities. Contractor shall only use those

designated smoking areas. Certain County facilities, both inside and outside, may be entirely smoke free. Contractor shall inquire of the Contract Administrator or designee if a facility is entirely smoke free. Failure to adhere to the County's no smoking policies may lead to removal of Contractor employees and possible Contract termination.

#### 6.34 Background Checks

The Contractor shall obtain background checks on all personnel who will be assigned to County buildings working in any capacity including supervision. The background check **MUST** be completed and received by the County Contract Administrator before any personnel can work on County property.

The Contractor should have enough qualified people with current background checks so as to be able to provide a replacement within twenty-four (24) hours. It is recommended that the Contractor keep on file with the Contract Administrator a list of persons who may work at County properties so that replacements can be quickly made. Should a replacement take longer than twenty-four (24) hours, this may be cause for termination of the Agreement. Should the Contractor assign someone who has not had a background check, that person will be immediately ordered off of County property and the Contractor may not bill the County for any hours worked. No one with a felony conviction may be employed under this Agreement. The Contractor **MUST** remove any employee from County service who is convicted of a felony during his or her employment. After initial background checks have been made, they must be done annually for any person working at County sites after one (1) year. Failure to obtain background checks as specified can result in termination of the Agreement.

#### 6.35 Confidentiality

##### A. Contractor Confidentiality

The Contractor acknowledges and understands that its employees may have access to proprietary, business information, or other confidential information belonging to the County of Loudoun. Therefore, except as required by law, the Contractor agrees that its employees will not:

1. Access or attempt to access data that is unrelated to their job duties or authorizations as related to this Contract.
2. Access or attempt to access information beyond their stated authorization.
3. Disclose to any other person, or allow any other person access to, any information related to the County or any of its facilities or any other user of this Contract that is proprietary or confidential. Disclosure of information includes, but is not limited to, verbal discussions, FAX transmissions, electronic mail messages, voice mail communication, written documentation, "loaning" computer access codes and/or another transmission or sharing of data.

The Contractor understands that the County, or others may suffer irreparable harm by disclosure of proprietary or confidential information and that the

County may seek legal remedies available to it should such disclosure occur. Further, the Contractor understands that violations of this provision may result in Contract termination.

The Contractor understands that information and data obtained during the performance of this agreement shall be considered confidential, during and following the term of this Contract, and will not be divulged without the Purchasing Agent's written consent and then only in strict accordance with prevailing laws. The Contractor shall hold all information provided by the County as proprietary and confidential, and shall make no unauthorized reproduction or distribution of such material.

#### B. County Confidentiality

In addition, the County understands that certain information provided by the Contractor during the performance of this Agreement may also contain confidential or proprietary information. All information will be maintained in accordance with the Virginia Freedom of Information Act.

#### 6.36 Counterparts

This Contract and any amendments or renewals hereto may be executed in a number of counterparts, and each counterpart signature, when taken with the other counterpart signatures, is treated as if executed upon one original of this Contract or any amendment or renewal. A signature by any party to this Contract provided by facsimile or electronic mail is binding upon that party as if it were the original.

#### 6.37 Force Majeure

A party is not liable for failure to perform the party's obligations if such failure is as a result of Acts of God (including fire, flood, earthquake, storm, hurricane or other natural disaster), war, invasion, act of foreign enemies, hostilities (regardless of whether war is declared), civil war, rebellion, revolution, insurrection, military or usurped power or confiscation, terrorist activities, nationalization, government sanction, blockage, embargo, strikes at national level or industrial disputes at a national level, or strike or industrial disputes by labor not employed by the affected party, its subcontractors or its suppliers and which affect an essential portion of the contracted for works but excluding any industrial dispute which is specific to the performance of the works or this contract, interruption or failure of electricity or telephone service.

If a party asserts Force Majeure as an excuse for failure to perform the party's obligation, that party must immediately notify the other party giving full particulars of the event of force majeure and the reasons for the event of force majeure preventing that party from, or delaying that party in performing its obligations under this contract and that party must use its reasonable efforts to mitigate the effect of the event of force majeure upon its or their performance of the contract and to fulfill its or their obligations under the contract.

An event of force majeure does not relieve a party from liability for an obligation which arose before the occurrence of that event, nor does that event affect the

obligation to pay money in a timely manner which matured prior to the occurrence of that event.

The Contractor has no entitlement and County has no liability for: (1) any costs, losses, expenses, damages or the payment of any part of the contract price during an event of force majeure; and (2) any delay costs in any way incurred by the contractor due to an event of force majeure.

6.38 Survival of Terms

Upon discharge of this Agreement, Sections (Notice, Hold Harmless, Governing Law/Forum, Contractual Disputes) of these Terms and Conditions continue and survive in full force and effect.

6.39 Non-Waiver

No waiver of any provision of this Agreement shall constitute a waiver of any other provision nor shall any waiver of this Agreement constitute a continuing waiver unless otherwise expressly provided.

## **7.0 INSTRUCTIONS TO BIDDERS**

Bids or unsolicited amendments to bids received by the County after the acceptance date and time will not be considered. Bids will be publicly accepted and logged in at the time and date specified above.

7.2 Questions and Inquiries

Questions and inquiries, both oral and written, will be accepted from any and all bidders. However, when requested, complex oral questions shall be submitted in writing. The Division of Procurement is the sole point of contact for this solicitation unless otherwise instructed herein. Unauthorized contact with other Loudoun County staff regarding the IFB may result in the disqualification of the bidder. Inquiries pertaining to the Invitation for Bid must give the IFB number, time and date of opening and the title of the IFB. Material questions will be answered in writing with an Addendum provided, however, that all questions are received by 5:00 p.m. July 8, 2019. It is the responsibility of all bidders to ensure that they have received all Addendums and to include signed copies with their bid. Addendums can be downloaded from [www.loudoun.gov/procurement](http://www.loudoun.gov/procurement).

7.3 Exceptions/Additions

No exceptions or additions to the Specifications/Scope of Work or Contract Terms and Conditions shall be permitted. Any questions or concerns regarding any part of the IFB shall be submitted to the Division of Procurement prior to the date specified in the Questions and Inquiries section above. Bids containing any exceptions to the Specifications/Scope of Work or Contract Terms and Conditions or submitting additional Terms and Conditions shall be deemed non-responsive and rejected. Exceptions or additions proposed after bid submission by the successful bidder shall not be accepted.

7.4 Firm Pricing for County Acceptance

Bid price must be firm for County acceptance for a minimum of ninety (90) days from bid opening date. "Discount from list" bids are not acceptable unless requested.

7.5 Unit Price

Bid unit price on quantity specified, extend and show total. In case of errors in extension, unit prices shall govern.

7.6 Quotations to be F.O.B. Destination - Freight Prepaid and Allowed

Any goods to be delivered to a County location shall be coordinated with the Contract Administrator prior to delivery. Such goods shall be delivered F.O.B. Destination, freight prepaid, and allowed. COD deliveries shall be denied. The cost of freight, insurance, and all other delivery related costs shall be included in the cost of performing the work proposed in the price proposal.

7.7 Proprietary Information

Trade secrets or proprietary information submitted by a bidder in connection with this solicitation shall not be subject to disclosure under the Virginia Freedom of Information Act; however, **pursuant to Section 2.2-4342 of the Code of Virginia, the bidder must invoke the protections of this section prior to or upon submission of the data or other materials, and must**

**clearly identify the data or other materials to be protected and state the reasons why protection is necessary. Failure to abide by this procedure may result in disclosure of the bidder's information.** Bidders shall not mark sections of their bid as proprietary if they are to be part of the award of the contract and are of a "Material" nature.

7.8 Authority to Bind Firm in Contract

Bids MUST give full firm name and address of bidder. Failure to manually sign bid may disqualify it. Person signing bid will show TITLE or AUTHORITY TO BIND THE FIRM IN A CONTRACT. Firm name and authorized signature must appear on bid in the space provided on the pricing page. Those authorized to sign are as follows:

If a sole proprietorship, the owner may sign.

If a general partnership, any general partner may sign.

If a limited partnership, a general partner must sign.

If a limited liability company, a "member" may sign or a "manager" must sign if so specified by the articles or organization.

If a regular corporation, the CEO, President or Vice-President must sign.

Others may be granted authority to sign but the County requires that a corporate document authorizing him/her to sign be submitted with bid.

7.9 Correction or Withdrawal of Bids and Cancellation of Awards

Correction or withdrawal of inadvertently erroneous bids before or after award, or cancellation of awards or contracts based on such bid mistakes, may be permitted at the County's discretion. After bid opening, no changes in bid prices or other provisions of bids prejudicial to the interest of the County or fair competition shall be permitted. Except as otherwise provided by regulation, all decisions to permit the correction or withdrawal of bids, or to cancel awards or contracts based on bid mistakes, shall be supported by a written determination made by the Purchasing Agent. No bid may be withdrawn when the result would be to award the contract on another bid of the same bidder or of another bidder in which the ownership of the withdrawing bidder is more than five percent (5%). If a bid is withdrawn, the lowest responsive and responsible remaining bid shall be deemed to be the low bid. If the Purchasing Agent, the Using Agency, or a designee of such, denies the withdrawal of a bid, he shall notify the bidder in writing stating the reasons for his decision.

7.10 Subcontractors

All bidders shall include a list of all subcontractors with their bid. The County reserves the right to reject the successful bidder's selection of subcontractors for good cause. If a subcontractor is rejected, the bidder may replace that subcontractor with another subcontractor subject to the approval of the County. Any such replacement shall be at no additional expense to the County nor shall it result in an extension of time without the County's approval.

7.11 Use of Brand Names

Unless otherwise provided in this IFB, the name of a certain brand, make or manufacturer does not restrict bidders to the specific brand, make or manufacturer named; it conveys the general style, type, character, and quality of the article desired, and any article which the County, in its sole discretion, determines to be the equal of that specified, considering quality, workmanship, economy of operation, and suitability for the purpose intended, shall be accepted. Any catalog, brand name or manufacturer's reference used in the IFB is descriptive -- NOT restrictive -- it is provided to generally indicate the type and quality desired. Bids on brands of like nature and quality will be considered. If the bid is based on offering other than the referenced or specified items, the bid must show the name of the manufacturer, brand or trade name, catalog number, etc., of article offered. If other than the brand(s) specified is offered, illustrations and complete description must be submitted with bid. Samples may be required. Bidders must certify that item(s) offered meet and/or exceed specifications. If an item considered as being equal by the bidder is offered and not accepted, the bid shall be rejected. If a bidder makes no other offer and takes no exception to specifications or reference data, it will be required to furnish the brand names, numbers, etc., as specified.

#### 7.12 References

All bidders shall include, with their bids, a list of at least three (3) current references for whom comparable work has been performed. This list shall include company name, person to contact, address, telephone number, fax number, e-mail address, and the nature of the work performed. Failure to include references shall be cause for rejection of bid as non-responsible. Bidder hereby releases listed references from all claims and liability for damages that may result from the information provided by the reference.

#### 7.13 Samples

Samples, if required, must be furnished free of expense to County on or before the date specified; if not destroyed in examination, they will be returned to bidder, if requested, at bidder's expense. Each sample must be marked with bidder's name and address, IFB number and opening date. **DO NOT ENCLOSE SAMPLE IN OR ATTACH SAMPLE TO BID.**

#### 7.14 Quantities

The quantities specified in this Invitation for Bid are estimated only, and are given for the information of bidders and for the purpose of bid evaluation. They do not indicate the actual quantity which will be ordered, since such volume will depend upon requirements which develop during the contract period.

Quantities shown shall not be construed to represent any amount which the County shall be obligated to purchase under the contract, or relieve the Contractor of his obligation to fill all orders placed by the County.

**NO BID WILL BE CONSIDERED WHICH STIPULATES THAT LOUDOUN COUNTY SHALL GUARANTEE TO ORDER A SPECIFIC QUANTITY OF ANY ITEM.**

7.15 Delivery

Time is of the essence. Bid must show number of calendar days required to complete the services under normal conditions. A five (5) day difference in delivery promise may break a tie bid. Unrealistically short or long delivery promised may cause bid to be disregarded as nonresponsive. Delivery of materials shall be made during normal working hours only, 9:00 am to 5:00 pm, unless prior approval for an alternate delivery has been obtained from the County.

7.16 Incidental and Consequential Damages

No bidder may require contractual language limiting or eliminating liability for incidental and consequential damages.

7.17 Late Bids

LATE bids shall be returned to bidder UNOPENED, if IFB number, opening date and bidder's return address is shown on the container.

7.18 Rights of County

The County reserves the right to reject all or any part of any bid, waive informalities, and award the contract to the lowest responsive and responsible bidder to best serve the interest of the County. Informality shall mean a minor defect or variation of a bid from the exact requirements of the Invitation to Bid which does not affect the price, quality, quantity, or delivery schedule for the goods, services or construction being procured.

7.19 Prohibition as Subcontractors Under Competitive Sealed Bidding

No bidder who is permitted to withdraw a bid shall, for compensation, supply any material or labor to or perform any subcontract or other work agreement for the person or firm to whom the contract is awarded or otherwise benefit, directly or indirectly, from the performance of the project for which the withdrawn bid was submitted.

7.20 Vendor Preference in Tie Bids

The Division of Procurement and all other departments of the County making purchases of goods, services or construction shall give preference to goods, services or construction sold by County and state vendors, in that order, in all cases of tie bids, quality and service being equal.

7.21 Anti-Trust Violations

Tie bids may cause rejection of bids by the Division of Procurement and/or prompt an investigation for Anti-Trust violations.

7.22 Basis for Award

Contract award will be made to the lowest responsive and responsible bidder based on total cost.

Whenever the lowest responsive and responsible bidder is a resident of a state other than Virginia and such state under its laws allows a resident contractor of that state a percentage preference, a like preference shall be allowed to the

lowest responsive and responsible bidder who is a resident of Virginia and is the next lowest bidder. If the lowest bidder is a resident contractor of a state with an absolute preference, the bid preference shall not be considered.

7.23 Negotiation with the Lowest Responsible Bidder

Unless all bids are cancelled or rejected, the County reserves the right granted by § 2.2-4318 of the Code of Virginia to negotiate with the lowest responsive, responsible bidder to obtain a contract price within the funds available whenever such low bid exceeds the available funds. Negotiations with the low bidder may include both modifications of the bid price and the specifications/scope of work to be performed.

7.24 Notice of Award

A Notice of Award will be posted on the County's web site ([www.loudoun.gov/procurement](http://www.loudoun.gov/procurement)) and on the bulletin board located in the Division of Procurement, 4<sup>th</sup> floor, One Harrison St, SE, Leesburg, Virginia 20175.

7.25 Protest

Bidders may refer to Sections 2.2-4357 through 2.2-4364 of the Code of Virginia to determine their remedies concerning this competitive process. Protests shall be submitted to the Director, Management and Financial Services.

7.26 Debarment

By submitting a bid, the bidder is certifying that bidder is not currently debarred by the County, or in a procurement involving federal funds, by the Federal Government. A copy of the County's debarment procedure in accordance with Section 2.2-4321 of the Code of Virginia is available upon request.

7.27 Proof of Authority to Transact Business in Virginia

A bidder or offeror organized or authorized to transact business in the Commonwealth pursuant to Title 13.1 or Title 50 of the Code of Virginia shall include in its bid or proposal the identification number issued to it by the State Corporation Commission. Any bidder or offeror that is not required to be authorized to transact business in the Commonwealth as a foreign business entity under Title 13.1 or Title 50 of the Code of Virginia or as otherwise required by law shall include in its bid or proposal a statement describing why the bidder or offeror is not required to be so authorized. Any bidder or offeror described herein that fails to provide the required information shall not receive an award unless a waiver of this requirement and the administrative policies and procedures established to implement this section is granted by the Purchasing Agent or his designee. The SCC may be reached at (804) 371-9733 or at <http://www.scc.virginia.gov/default.aspx>.

7.28 Cooperative Procurement

As authorized in Section 2.2-4304 of the Code of Virginia, this procurement is being conducted on behalf of and may be used by public bodies, agencies, institutions and localities of the several states, territories of the United States, and the District of Columbia with the consent of the Contractor.

7.29 Acknowledgement of Contract

By submitting a bid, the bidder acknowledges that it understands and agrees to the Terms and Conditions contained herein.

7.30 W-9 Form Required

Each bidder shall submit a completed W-9 form with their bid. In the event of contract award, this information is required in order to issue purchase orders and payments to your firm. A copy of this form can be downloaded from <http://www.irs.gov/pub/irs-pdf/fw9.pdf>.

7.31 Insurance Coverage

Bidders shall include with their bid a copy of their current Certificate of Insurance that illustrates the current level of coverage the bidder carries. The Certificate can be a current file copy and does not need to include any "additional insured" language for the County.

7.32 Legal Action

No vendor or potential vendor shall institute any legal action until all statutory requirements have been met.

7.33 Certification by Contractor as to Felony Convictions

No one with a felony conviction may be employed under this Contract and by the signature of its authorized official on the response to this Solicitation, the Contractor certifies that neither the contracting official nor any of the Contractor's employees, agents or subcontractors who will work under this Agreement have been convicted of a felony.

#### **Format**

A lead agency format is used to accomplish this work. The Lead Agency in this procurement has included this MAPT Cooperative Rider Clause in this solicitation indicating its willingness to allow other public entities to participate pursuant to the following Terms and Conditions:

#### **1. Terms**

- 1.1 Participating entities, through their use of the Cooperative Rider Clause, agree to the terms and conditions of the resulting contract to the extent that they can be reasonably applied to the participating entity.
- 1.2 Participating entities may also negotiate additional terms and conditions specific to their local requirements upon mutual agreement between the parties.

#### **2. Other Conditions - Contract and Reporting**

- 2.1 The contract resulting from this solicitation shall be governed by and "construed in accordance with the laws of the State/jurisdiction in which the participating entity officially is located;
- 2.2 To provide to MWCOCG and/or BMC contract usage reporting information, including but not limited to quantity, unit pricing and total volume of sales by entity, as well reporting other participating entities added on the contract, on demand and without further approval of contract participants;
- 2.3 Contract obligations rest solely with the participating entities only;
- 2.4 Significant changes in total contract value may result in further negotiations of contract pricing with the lead agency and participating entities.

In pricing and other conditions, vendors are urged to consider the broad reach and appeal of MAPT with public and non-profit entities in this region.
