Frequently Asked Questions:

Q: What if we have more than 15 children?

A: You would pay admission for any number above 15, even if you pay for a larger room. The room capacity limits the number of attendees. You must ensure that you have enough adult supervision for the children in the party and the total number of all your guests must be within the fire code for the room you have rented.

Q: What if I have more guests than the room capacity?

A: For everyone's comfort and safety we encourage you to be mindful of not inviting more guests than the room allows. Unfortunately, any guests over the capacity limit would not be permitted to be in the room. You may purchase time in a larger room if it is available.

Q: Can I hang up decorations?

A: Yes, decorations may be hung on the walls and with painter's tape (please bring your own). Nothing may be hung from the ceilings per fire code.

Q: Can we bring our own food? Alcohol?

A: Alcohol is not permitted in any Loudoun County Park or Recreation Center. You may bring food that does not require reheating, or cooking, as long as all containers and utensils are disposable. A room with attached kitchen may be available for a higher price and is required if your food does not meet these criteria.

Q: Do parents or adults staying have to pay?

A: Payment for adults/parents' admission is only needed if your party is using the pool where adults are required to be in the water with any children 5 and under (in accordance with Pool Rules), or if any adult guests want to use other parts of the facility during their visit. We do include 3 adult admissions in your party package.

Q: Can we go into the pool after we have pizza or cake?

A: For everyone's safety and enjoyment and to avoid upset tummies, no swimming is allowed after food has been served.

Q: Do you provide someone to help us with our party?

A: Our staff will set up the room with our tableware or yours, but it is your responsibility to decorate/oversee your party.

Q: Can the kids climb the wall, go swimming and play basketball?

A: Yes, as long as they have adult supervision wherever they are. All swimming must take place before they go to the party room to eat. All activities take place in shared spaces with the public.

Q: Can we get into our party room before the time we have reserved?

A: Your room will be ready for you at the time you reserve. Setup time should be included in the 3 hours of room access. If the room is available earlier, you may pay for additional setup time. You will be provided with a birthday cart to help move your items to your room.

Q: Are kids 2 and under free?

A: Any child using the facility or sitting at the table is included in the party price and counts toward the room capacity.

Q: Do you have a cake cutting knife?

A: Only small plastic knives. If you would like a larger or nicer cake server, please bring one from home.

Q: Do you have matches or a lighter?

A: No, you should bring your own matches or lighter to light the candles.

Q: Can you add extra pizzas or additional toppings to our order?

A: For an additional \$10.00 each, we can add extra one-topping pizzas. Orders must be made at least one week prior to party. If you would like a different type of pizza, you may order extras from anywhere to be delivered to you separately.

Q: When is the latest I can reserve a party?

A: To ensure you have the best experience possible during your reservation, we require paperwork to be turned in at least 10 days in advance of your requested party reservation date. Please note that the reservation is not guaranteed until payment is made. We cannot hold dates without payment.
