

## Parks, Recreation, and Community Services

The Department of Parks, Recreation, and Community Services (PRCS) provides recreational, educational, wellness, cultural, and supportive opportunities to County residents. Facilities are located throughout the County and include recreation centers, community centers, athletic fields, swimming pools, senior centers, adult day care centers, the Central Kitchen, parks, trails, historic properties, and after school care programs. Offerings include sports activities for youth and adults, instructional and interpretive classes, programs for senior citizens, visual and performing arts, childcare, preschool, after school activities, trips, camps, special events, volunteer opportunities, educational and prevention programs for youth, and programs for individuals with disabilities.

### Parks, Recreation, and Community Services' Programs

#### Adaptive Recreation

Provides accessible leisure and recreational opportunities for County residents with cognitive and physical disabilities.

#### Administration

Provides human resources management, facility management, planning and development, training, public relations, communications and marketing, procurement, emergency management, and financial services for the Department.

#### Aging Services

Plans, implements, and promotes programs and services to enhance well-being, independence, and quality of life for older adults and their caregivers.

#### Children's Programs

Provides after school programs that build leisure, social, and physical skills through diverse and developmentally appropriate recreational and educational programs.

#### Community Centers

Provides recreational, educational, and cultural services for all abilities and age levels in childcare and pre-school programs, special events, classes and activity programs.

#### Facilities Planning and Development

Supports the Department through facility planning and design, proffer management, recreational trail development, and project management activities.

#### Maintenance Services

Maintains and repairs Department property, facilities, vehicles, and equipment and provides services in emergency response situations.

## **Parks, Recreation, and Community Services**

### **Parks**

Provides high quality outdoor park facilities, open space, cultural programs and services, and management of park facilities.

### **Recreation Centers**

Provides land and aquatic-based recreational programming and activities for youth and adults of Loudoun through three facilities, including two full-service recreation centers.

### **Sports**

Provides youth and adults with opportunities to participate in athletics in both a competitive and recreational environment and to learn and develop lifelong skills.

### **Youth Services**

Provides middle school and high school age youth with opportunities in recreational, educational, and cultural events that promote leadership development and positive choices.

## Parks, Recreation, and Community Services

### Budget Analysis

#### Department Financial and FTE Summary<sup>1</sup>

	FY 2018 Actual	FY 2019 Actual	FY 2020 Adopted	FY 2021 Proposed	FY 2022 Projected
<b>Expenditures</b>

<sup>1</sup> Sums may not equal due to rounding.

<sup>2</sup> Beginning in FY 2019 with the full implementation of the Human Capital Management module of Oracle, all single incumbent positions with authorized weekly hours of 37.5 or greater are now assigned an FTE value of 1.00. In prior years, authorized weekly hours greater than 37.5 were assigned FTE values greater than 1.00.

## Parks, Recreation, and Community Services

### Revenue and Expenditure History

#### Revenue/Local Tax Funding

As shown, the Department of Parks, Recreation, and Community Services (PRCS) is funded almost equally by local tax funding and program-generated revenue. Program-generated revenue consists of charges for services, programs, and facility rentals.

#### Expenditure

The majority of PRCS's expenditure budget is dedicated to personnel costs. Increases in personnel costs have been driven by additional staffing as outlined in the Staffing/FTE History section, a 3 percent market-based salary adjustment and a 3.5 percent merit-based increase in FY 2019, a 2 percent market-based salary adjustment and a 3 percent merit-based increase in FY 2020, and adjustments in FY 2020 to reflect new pay plans approved by the Board in November 2019.

### Staffing/FTE History

FY 2018: 63.90 FTE Dulles South Recreation and Community Center and Dulles South Senior Center, 1.00 FTE Administration, 1.00 FTE Children's Programs, 1.97 FTE Pre-School Programs, and 0.47 FTE Aging Services

FY 2019: 3.00 FTE Administration, 1.00 FTE Facilities Planning and Development, 0.47 FTE Aging Services, 1.00 FTE Franklin Park Arts Center, 3.00 FTE Parks Maintenance Technicians, 2.98 FTE Children's Programs

FY 2020: 5.00 FTE Administration, 1.00 FTE Adaptive

Recreation, 0.93 FTE Aging Services, 8.18 FTE Children's Programs, 5.00 FTE Maintenance Services, 6.04 Recreation Centers, 2.87 FTE Sports, 3.80 FTE Youth Services

The Department of Parks, Recreation, and Community Services (PRCS) provides recreational, educational, wellness, cultural, and supportive opportunities to County residents through a broad array of programs and services. PRCS's expenditures have risen primarily due to personnel costs. Personnel costs make up over 75 percent of the Department's expenditures. PRCS's revenues are driven by the Department's programs and facilities including fees associated with childcare and children's programs, adult programs, aging programs, sports, and facility rentals.

In FY 2020, PRCS added a total of 33.83 FTE associated with capital facility openings, community outreach and education, internal support, span of control, and FTE authority. A total of 2.00 FTE were added for a special events coordinator and specialist to coordinate special events at the new Loudoun United stadium at Bolen Park and other PRCS-sponsored events. Additionally, outdoor maintenance staff (4.00 FTE) were added to address the need for field and park maintenance in new County parks and schools and a maintenance manager (1.00 FTE) was added to coordinate maintenance and projects with the Department of General Services (DGS). A landscape specialist (1.00 FTE) was added to manage the

## Parks, Recreation, and Community Services

growing inventory of County sites requiring landscaping. Additionally, a landscaping technical team of 2.00 FTE was added to perform highly technical tasks at high priority County facilities.

Also in FY 2020, a volunteer services assistant (0.47 FTE) was added to manage additional workload associated with new volunteers, who support the Area Agency on Aging's (AAA) home delivered meals among other programs. The Board added 3.80 FTE to expand the Youth After School (YAS) Program. A financial assistant (1.00 FTE) was added to manage additional financial workload associated with PRCS's expanding programs and facilities. The remaining requests approved in FY 2020 (18.56 FTE) required no local tax funding and addressed growing needs in PRCS's County After School (CASA), Senior Trips, Recreation Centers, Adaptive Recreation, and Sports programs.

PRCS's operating and maintenance budget has increased due to the increased cost of contracts and materials necessary to deliver programs and services. The FY 2021 Proposed Budget includes a base adjustment of approximately \$280,000 for increases in contract prices for outdoor maintenance, supply costs, and contract costs associated with a federal requirement to provide nutrition counseling to high-risk older adults through PRCS's AAA program.

For FY 2021, the Department's budget requests focus on the thematic areas of capital facility openings, internal support, and FTE authority.

### Capital Facility Openings

PRCS is preparing to open its fifth senior center, Ashburn Senior Center, in spring 2021. As with the other senior centers, this site will provide administrative and program space for staff, older adults age 55 and above, and volunteers. Activities planned for this approximately 16,000 square foot facility include arts and fitness classes, pickleball, social engagement programs, card games, billiards, cooking classes, day trips, special events, and other learning opportunities. Staffing requested for this facility is consistent with other senior centers including one manager, assistant manager, café supervisor, recreation programmer, customer service assistant, part-time facility supervisor, and two passenger vehicle operators.

### Internal Support

The Proposed Budget includes a request for additional human resources (HR) staff. Two HR assistants (2.00 FTE) are requested to manage the routine workload associated with hiring and managing PRCS positions. Employee actions (EAs), are required for changes to employee assignment, costing, supervisor, and other human resource related changes. The total number of employees on-boarded annually is approximately 2,800. The existing PRCS HR staff is strained to manage this volume along with other responsibilities including employee retention and recognition, customer service, other personnel actions, and projects. Additionally, PRCS requests an HR specialist (1.00 FTE) to serve as a recruiter focused on outreach for key, hard to fill PRCS positions including temporary and permanent part-time staff for PRCS programs.

In FY 2019, PRCS contracted with GreenPlay LLC to conduct an organizational analysis and benchmarking study, which recommended changes to the Department's organizational structure. Included in the study was a recommendation to reduce the number of divisions and increase the number of assistant directors by 2.00 FTE as well as add an aquatic manager (1.00 FTE) to oversee all PRCS aquatic operations. These requested resources will increase the strength of PRCS operations and assist in short and long-term strategic planning efforts, which will enable the Department director to focus on the higher level demands of that role.

### FTE Authority

In addition to its CASA program, which PRCS provides at Loudoun County Public School (LCPS) school sites with large waiting lists, PRCS also offers after-school programs (K-5th grade) at recreation and community centers throughout the County. Within this program, there is currently inconsistency in licensing where some, not all, are licensed. Licensed programs ensure consistency in training (including CPR, first aid, medication administration [MAT], and annual continuing

## Parks, Recreation, and Community Services

education) and student/teacher ratios. The Department's Proposed Budget includes additional staffing for three sites (2.86 FTE) to ensure that all after-school programs offered by PRCS demonstrate consistency, continuity, and suitability to the public for this programming area. This request is fully offset by revenue.

PRCS also requests an additional children's program manager (1.00 FTE) to assist in overseeing operations of a growing number of CASA sites and summer camps. Currently there are 47 CASA sites serving approximately 2,900 students throughout the County with only one program manager. The requested position will oversee facility usage, budget, accident and incident response, family response for the CASA program, and monitor quality and consistency of programming. This position is fully offset by program-generated revenue.

New licensing requirements (issued July 1, 2019) require all pre-school age summer camps to increase student-teacher ratios for programs if children are in the care of the facility six or more hours per week or more than 1.5 hours per day. PRCS's Proposed Budget includes additional summer camp leader and supervisor hours (4.69 FTE) to bring PRCS summer camps into compliance with licensing standards. This request is fully offset by program-generated revenue.

PRCS's final FTE Authority request is for two licensed program assistants (2.00 FTE) to facilitate improvements of licensed programs offered at PRCS recreation centers. Claude Moore and Dulles South Recreation Center pre-school programs anticipate significant growth in the next few fiscal years. Along with growth comes the need to keep up to date with paperwork, manage parental interaction, give tours, and handle other non-routine tasks. During FY 2019, these responsibilities have been dispersed to other program staff, but this detracts from their ability to focus on the delivery of programs. This request adds an additional licensed program assistant per site to manage these tasks and is fully offset by program-generated revenue.

### Percent Change from Adopted FY 2020 to Proposed FY 2021

#### Reasons for Change:

**Personnel:** ↑ 24.08 FTE, general pay changes ||  
**O&M:** ↑ base adjustments for supplies and contractual increases || **Revenue:** ↑ revenue associated with the new facility and program fees

### Percent Change from Proposed FY 2021 to Projected FY 2022

#### Reasons for Change:

**Personnel:** ↑ 3 percent, 1.50 FTE associated with the opening of Scott Jenkins Memorial Park (capital facility) || **O&M:** ↑ 1 percent, new capital facility expenditures || **Revenue:** ↔

## Parks, Recreation, and Community Services

### Key Measures<sup>1</sup>

**Objective:** Maintain 95 percent or above customer satisfaction by providing high quality programs and services through the senior centers and senior trips program.

**Measure:** Number of Senior Center Activities.

*The Ashburn Senior Center is expected to increase the number of senior center activities that PRCS is able to provide to the Loudoun County residents age 55 plus.*

**Objective:** Provide excellence in executing the hiring process with anticipated growth of programs and facilities supported in the CIP.

**Measure:** Number of Employee Actions (EAs) Processed.

*As the number of County and PRCS programs has increased so has the number of employee actions, such as those to hire, terminate, and change assignments, supervisors, or costing. This growth has put a strain on existing PRCS HR staff.*

**Objective:** Meet the demand for programs and services by providing programs for all age groups at a 90 percent or above utilization rate.

**Measure:** Satisfaction Rate of Center Participants.

*The requested aquatics manager will oversee all PRCS aquatic operations, leading to more streamlined operations and is expected to increase satisfaction of PRCS recreation and community center participants. Data for FY 2018 is not available.*

<sup>1</sup> For key measures that relate to resources included in the Proposed Budget, FY 2021 and FY 2022 data reflect the estimated impact of these resources.

## Parks, Recreation, and Community Services

**Objective:** Meet the demand for programs and services by providing successful programs for all ages.

**Measure:** Number of Participants in the Licensed After-School Program at PRCS Facilities.

*With the requested resources in after-school program, licensing standards will be consistent across three sites (Dulles South, Claude Moore, and Philomont Community Center) serving a total of 90 participants. Data for FY 2018 and 2019 are not available.*

**Objective:** Provide County After-School Activities by maintaining countywide 95 percent program enrollment of capacity.

**Measure:** Number of CASA Participants Annually.

*The number of CASA participants is expected to continue increasing in future fiscal years. Thus, additional program management staffing is needed to support the program.*

**Objective:** Support the development of pre-school age children in Loudoun County by ensuring 100% of eligible PRCS pre-school students graduate from pre-school annually.

**Measure:** Number of Children Served by PRCS preschool programs.

*The number of children served by PRCS preschool is expected to continue increasing in future fiscal years. Thus, additional staffing is needed to support the program.*
