STEP 1: Flatten tube and cut a 2.5" section. Save the rest for later

STEP 2: Gently push down one side, creating a semi-circular crease from one corner to the other. Repeat with other side.

STEP 3: Using remaining part of the roll, flatten and draw out your wing shape. Leave a tab on the inside edge for glue.

STEP 4: Cut out and fold tabs towards the back.

STEP 5: Glue top flaps together,

and wing tabs to body.

STEP 6: Paint, decorate, and flap away into the night!
