## Distinguished Budget Presentation Award

The Government Finance Officers Association of the United States and Canada (GFOA) presented an award for Distinguished Budget Presentation to Loudoun County, Virginia, for the annual budget for the fiscal year beginning July 1, 2019. In order to receive this award, a government unit must publish a budget document that meets program criteria as a policy document, as an operation guide, as a financial plan and as a communication device.

The award is valid for a period of one year. The County believes that its current budget continues to conform to program requirements, and this budget will be submitted to GFOA to determine its eligibility for another award.

## **Loudoun County Board of Supervisors' Vision**

By honoring its rich heritage as well as embracing the robust opportunities of a new day, Loudoun County maintains the high quality of life it has achieved, shapes a future that represents the best of both worlds, and creates a place where its residents are proud to live, work, learn, and play.

## History of Loudoun County

Loudoun County constitutes a part of the five million acre Northern Neck of Virginia Proprietary granted by King Charles II of England to seven noblemen in 1649. This grant, later known as the Fairfax Proprietary, lay between the Potomac and Rappahannock Rivers. Between 1653 and 1730, Westmoreland, Stafford, and Prince William Counties were formed within the Proprietary, and in 1742 the remaining land was designated Fairfax County.

The Town of Leesburg has served continuously as the County Seat since 1757 and is believed to derive its name from Francis Lightfoot Lee, a signer of the Declaration of Independence.

Settling of the Loudoun area began between 1725 and 1730 while it was still owned by Lord Fairfax. Permanent settlers came from Pennsylvania, New Jersey, and Maryland. During the same period, settlers from eastern Virginia came to lower Loudoun and established large tobacco plantations.

During the War of 1812, Loudoun County served briefly as temporary refuge for the President and important state papers. The Constitution and other state papers were brought to Rokeby, near Leesburg, for safekeeping when the British burned Washington. President Madison established headquarters at Belmont, where he was the guest of Ludwell Lee.

For more than two centuries, agriculture was the dominant way of life in Loudoun County, which had a relatively constant population of about 20,000. That began to change in the early 1960s, when Dulles International Airport was built in the southeastern part of the County.

Today, Loudoun County is a growing, dynamic county of approximately 414,000 people. Loudoun is known for its beautiful scenery, rich history, comfortable neighborhoods, and high quality public services.

## County Profile

Loudoun County is located in the Washington Metropolitan Area, 25 miles west of Washington, DC. Since the construction of the Dulles International Airport, new business and residential development have dominated the County's historically agricultural economy. Loudoun County was the sixth fastest growing county in the United States between 2000 and 2010, with its population increasing 84 percent. Between 2010 and 2018, Loudoun County continued to be one of the fastest growing counties, ranking nineteenth in the nation. The County's economy continues to grow and is responsible for a considerable share of Northern Virginia's job growth during the past few years. Several major companies in the telecommunications, information, and airline industries are located in the County. Known for its outstanding public school system, the County provides a mix of suburban and rural living to its residents.

### County Facts

County Population <sup>1</sup>	433,065	Land Area (square miles)	520
Per Capita Personal Income <sup>2</sup>	\$74,834	Unemployment Rate <sup>3</sup>	2.5%

# Guide to the FY 2021 – FY 2026 Adopted Capital Improvement Program

This section provides the reader with an overview of the structure of the six-year Capital Improvement Program (CIP) and insight into the capital budget development process. The CIP is one of the definitive products of the County's process for forecasting and planning its future capital facility growth, in conjunction with department service plans, the Capital Needs Assessment, and the 2019 Comprehensive Plan. This planning process addresses the County's projected capital needs associated with new development together with the CIP funding plan and budget.

The CIP provides a six-year forecast of the County Government and Schools' land, facility, and equipment needs, with a financing plan to implement each need. The CIP plans for the land acquisition, design, construction, and capital equipment procurement for each project. Potential projects are evaluated in relation to each other and compared to Board priorities to ensure that the highest priority projects receive funding, with essential improvements planned in a manner commensurate with the County's ability to pay.

The CIP is developed biennially, with the six-year period moving out an additional two years every other fiscal year. The current six-year CIP planning period extends from FY 2021 through FY 2026. The CIP is a multi-year plan that does not constitute or require an appropriation of funds beyond those for the adopted fiscal year, FY 2021. The FY 2022 to FY 2026 timeframe contains projects with planned funding that should be considered for future appropriations in subsequent fiscal year CIP budgets. Funding decisions concerning the CIP are made in conjunction with decisions regarding the County's operating budget. Final authority to spend funds for purposes specified in the County's operating and capital budgets is accomplished through the adoption of an appropriations resolution by the Board of Supervisors.

The FY 2021 Adopted CIP abides by all County fiscal policies and debt ratios. Planning years FY 2022 to 2026 provide projections of future amendments to the annual debt issuance guideline to provide flexibility in the CIP planning and to adjust for future increases in construction costs due to inflation while maintaining adherence to all County debt ratios. The FY 2021 – 2026 Adopted CIP includes prior board approved projects with very limited new debt-financed projects; primarily related to public safety. Projects approved for FY 2021 will receive funding appropriations as part of the FY 2021 Adopted Budget; projects proposed for the FY 2022 to FY 2026 timeframe provide only planned appropriations and are subject to change in subsequent budget development processes.

## Concepts

### Structure of this Document

The CIP is divided into four sections: Previously Authorized Projects, County Projects, Transportation Projects, and School Projects. Project pages provide additional and pertinent information in an easy-to-read format.

### Capital Budget Development Calendar

Slightly different than the overall budget development calendar, the CIP development calendar incorporates additional work sessions with the Finance/Government Operations and Economic Development Committee (FGOEDC).

### Summary of CIP

The CIP Executive Summary includes a high-level discussion, supported by charts, of year-over-year changes and other relevant information.

## Guide to the FY 2021 – FY 2026 Adopted CIP

### Structure of this Document

#### Previously Authorized Projects Section

This section provides a general overview of projects that had prior year funding that are still considered “active.” This section provides a brief overview of each previously authorized project and refers the reader to the last budget document in which an individual project page appeared for this project. In this way, the reader will have greater access to information about these projects by referring to previous budget documents.

#### County Projects

- **Administration & Information Technology** includes land and information technology systems acquisition projects.
- **General Government** includes general capital projects such as government offices, warehouses, support space, storm water management, projects at the County Landfill, and the County’s Renovation Program.
- **Health and Welfare** includes capital projects for program space and group residences for the Department of Family Services and the Department of Mental Health, Substance Abuse, and Developmental Services.
- **Parks, Recreation, and Culture** includes recreational capital projects such as libraries, parks, recreation centers, community centers, senior centers, and teen centers.
- **Public Safety** includes capital projects in support of the Loudoun County Sheriff’s Office, the Department of Fire and Rescue Services, the Loudoun County Courts, and the Department of Animal Services.
- **Town** projects includes all capital projects for which the County contributes funds to incorporated towns. This subsection is new; previously, town projects were scattered throughout the other sections of the CIP.

#### Transportation Projects

These projects include preliminary engineering, right-of-way acquisition, utility relocation, and construction of roads, interchanges, roundabouts, trails, sidewalks, traffic signals, park and ride lots, and the procurement of transit buses. The Transportation section of the document is divided into the following programs: road projects; sidewalks, signals, and traffic calming projects; and transit projects. Additionally, this section includes road and transit projects that are located in Loudoun County but are being administered by the Virginia Department of Transportation (VDOT). Project pages in this category are for reference purposes only and do not display financial tables since the project funding is received and administered by VDOT.

#### School Projects

These projects include design and construction funding for Loudoun County Public Schools (LCPS). The School section of the document is divided into the following programs: elementary schools, middle schools, high schools, and other school projects.

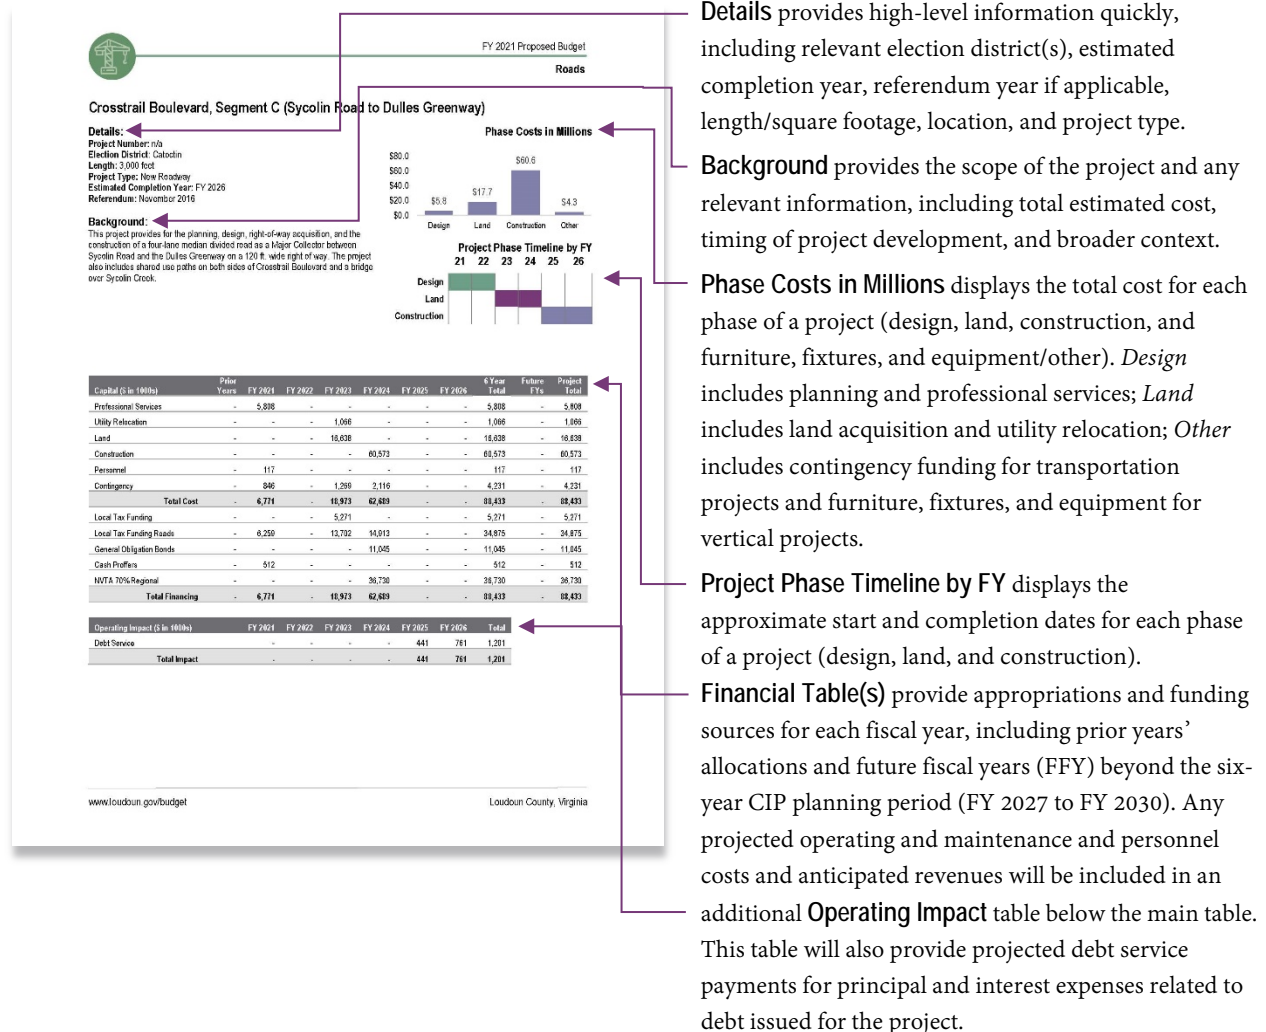

## Guide to the FY 2021 – FY 2026 Adopted CIP

### Informative Project Pages

Each capital project has its own project page with planned timing of appropriations, estimates of funding sources and expenditures, narratives with background information, phase costs and duration by fiscal year, and identifies anticipated operating impacts in future years. Due to the wide variety of project types, these project pages differ slightly throughout the document, but the overall structure remains consistent with the description below.

New to the project pages in FY 2021 is the addition of expanded expenditure categories, including planning; professional services; land acquisition; utility relocation; construction; furniture, fixtures, and equipment (FF&E); owner costs; and contingency. This expanded categorization improvement serves a twofold benefit: it will provide additional transparency to the CIP document, and it will allow staff to build and manage project budgets at a more refined level.

## Guide to the FY 2021 – FY 2026 Adopted CIP

### Definitions

The following pertain to Phase Costs, Project Phase Timeline, and Table information:

- **Planning:** Includes activities, such as initial scoping, high-level cost, and schedule estimation, that occurs prior to a project beginning design
- **Design:** Preliminary and final design of the facility or improvements are programmed in the financial table in the professional services budget line
- **Land:** Acquisition of land and right-of-way and utility relocations
- **Construction:** Site preparation and construction of the improvement
- **Furniture, Fixtures, and Equipment (FF&E):** Purchase of furniture, equipment, and fire apparatus (for fire stations) related to the opening and initial operation of the facility
- **Other:** Transfer of payments to other entities and County staffing costs

For year-over-year escalations due to inflation, the following factors are generally used in the FY 2021 Adopted CIP:

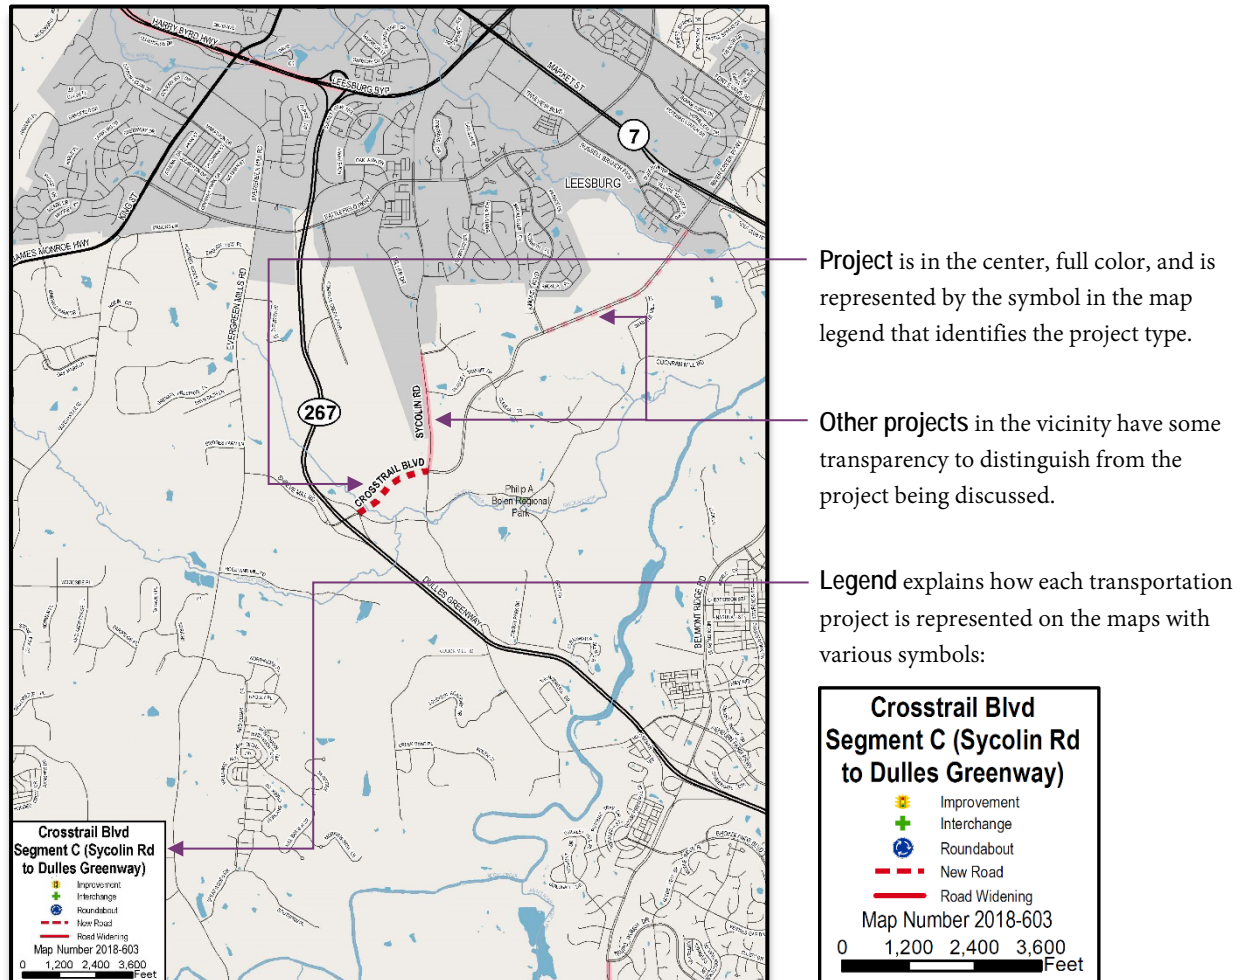

Project Phase	Inflation Factor	Project Phase	Inflation Factor
Planning	3%	Furniture, Fixtures, and Equipment	5%
Design	3%	Owner Costs	3%
Land Acquisition	5%	Personnel	3%
Utility Relocation	5%	Operations and Maintenance	1%
Construction	5.5%		
Contingency	For projects less than \$10 million, 10% of total project. For projects greater than \$10 million, 5% of total project. Up to 40% for transportation projects.		

## Guide to the FY 2021 – FY 2026 Adopted CIP

### Transportation Maps

For transportation projects, corresponding maps show the location of planned transportation improvements. The map displays the project's surrounding area and includes other projects and major landmarks and roads.

## Guide to the FY 2021 – FY 2026 Adopted CIP

## Budget Development Calendar

The calendar describes the County's internal capital budget process, which highlights the monthly activities required of County departments, as well as the external (or public) process, which highlights the role of the Board of Supervisors, its standing committees, and the public in the development process.

	Internal Process		External (Public) Process
2019	Departments begin <b>evaluating project needs</b> using capital planning tools.	July	FGOEDC receives <b>FY 2021 economic outlook</b> information.
	DFB and DTCI <sup>1</sup> <b>prioritize project requests, build cost estimates and funding schedules</b> for County Administrator's review.	August – November	FGOEDC and Board provide <b>preliminary budget guidance</b> .
	DFB develops <b>preliminary funding scenarios</b> for County Administrator's consideration.	December	FGOEDC provides <b>final budget guidance</b> recommendation for Board consideration.
2020	Staff finalizes <b>funding scenario(s)</b> and produces budget document.	January	Board issues <b>final budget guidance</b> .
	Departments <b>prepare for work sessions</b> with Board.	February	County Administrator <b>presents FY 2021 Proposed Budget</b> . FGOEDC begins <b>work sessions</b> on CIP.
	Departments participate in <b>work sessions</b> on the operating and capital budgets.	March	Board holds <b>work sessions</b> to discuss FY 2021 Proposed Budget.
	DFB produces <b>adopted budget and budget story</b> documents.	April	Board <b>adopts</b> FY 2021 Budget.

<sup>1</sup> DFB is the Department of Finance and Budget, and DTCI is the Department of Transportation and Capital Infrastructure.

## Summary of the Capital Budget

The FY 2021 – FY 2026 Adopted CIP includes expenditures totaling \$2.9 billion during the six-year planning period. Transportation projects total \$1.2 billion, school construction and renovation projects total \$805.4 million, and County capital projects total \$954.6 million.

### Six-Year Total Expenditures by Function (in millions)

Overall expenditures in the six-year planning period have generally increased over the last five capital budgets, most notably in the area of transportation. The graph below displays the six-year funding levels for the FY 2021 – FY 2026 Adopted CIP with the four previously adopted CIP totals.<sup>1</sup>

<sup>1</sup> Previously, Town projects were scattered between various sections of the CIP, including *Transportation*. Beginning with the FY 2021 Adopted CIP, all Town projects, including those related to transportation, are included in the *County* category.

## Summary of the Capital Budget

### Projects within the Six-Year Program

New project requests are eligible to be added to the six-year CIP timeframe if they can be accommodated using available financial resources and represent high priorities that should be addressed in the six-year timeline. Typically, new projects are included in the later years of the CIP unless otherwise prioritized. Projects in FY 2021 are adopted for funding appropriations; projects in the later years are considered for planned appropriations in future budget development processes.

#### County and Transportation Projects

County projects total \$2.1 billion over the six-year planning period. The majority of funding is dedicated to transportation projects, which include roads, sidewalks, signals, traffic calming, and transit projects.

#### School Projects

School projects total \$805.4 million over the six-year planning period. Within the *Other School Facilities* category, funding for school renovation and renewal projects is included.

## Summary of the Capital Budget

### Funding Sources within the Six-Year Program<sup>2</sup>

#### Local Tax Funding and Fund Balance

The Board of Supervisors' fiscal policy establishes a goal of 10 percent "pay-as-you-go" cash funding in the CIP. This 10 percent cash funding can be comprised of local tax funding, which denotes funds transferred from the General Fund or the use of the prior fiscal year's fund balance for one-time expenditures in the Capital Projects Fund. By policy, \$0.02 of the real property tax rate is dedicated to the CIP for roads projects.

	FY 2021	6 Year Total
Local Tax Funding	\$89,910	\$520,567
Local Tax Funding – Roads (\$0.02)	18,638	128,626
<b>Total</b>	<b>\$108,548</b>	<b>\$649,193</b>

#### Debt Financing

The CIP relies on the strategic use of debt financing to fund important projects. Projects using general obligation bond financing must be authorized through voter referendum questions during the election before bonds can be sold and funding secured. The County uses other debt financing instruments for capital projects that do not require voter approval. Projects with the ability to charge user fees can use revenue bonds as a financing source, where the user fees help offset the principal and interest costs of the debt used to construct the facility.

	FY 2021	6 Year Total
General Obligation Bonds	\$83,243	\$1,521,139
Lease Revenue Financing	43,905	325,970
<b>Total</b>	<b>\$127,148</b>	<b>\$1,847,109</b>

#### Intergovernmental Assistance

The CIP leverages intergovernmental funds to reduce the tax burden on tax payers in the form of Smart Scale, Revenue Sharing, and federal pass-through grants for transportation and transit projects from the Virginia Department of Transportation. The State passed HB 2313, which raised taxes in Northern Virginia in three main categories – sales tax, grantor's tax on home sales, and hotel taxes on overnight stays – to accumulate funds for regional road projects. The revenues are split 70 percent as regional funds, which are allocated at the discretion of Northern Virginia Transportation Authority (NVTA) towards regional road projects, and 30 percent as local funds to be used at the discretion of the County for local road or transit projects within the County. A portion of the County's 30 percent local funds are allocated to the Towns of Leesburg and Purcellville based upon the estimated percentage of revenues generated within the towns.

	FY 2021	6 Year Total
Revenue Sharing	\$5,000	\$30,000
NVTA 70%	54,000	193,129
NVTA 30%	13,596	84,202
Smart Scale	3,250	77,410
Federal Grants	0	7,000
CMAQ	0	5,000
<b>Total</b>	<b>\$75,846</b>	<b>\$396,741</b>

<sup>2</sup> All numbers shown in tables are in thousands.

## Summary of the Capital Budget

### Other

The CIP uses cash proffers during the six-year capital plan. Proffers typically consist of cash, dedicated land, and/or in-kind services that are voluntarily granted to the County by the development community to partially offset the future capital facility costs associated with new development. Proffer contributions are typically gained from rezonings (e.g., a change of land use, typically resulting in the allowance of higher residential densities). This change in development of land may result in land use patterns that generate new capital facility costs to the County. A detailed description of these proffer related expenditures is provided in the Public Facilities Fund page of the Other Funds section of the document.

User fees help offset capital project costs. User fees are typically related to revenues generated from the fees collected at the County landfill to pay debt service on debt issued for landfill cell development and/or closures or to acquire capital vehicles in support of landfill operations.

	FY 2021	6 Year Total
Proffers (Cash)	\$21,153	\$43,758
Local Gasoline Tax	0	0
Landfill Fees	2,942	2,942
<b>Total</b>	<b>\$24,095</b>	<b>\$46,700</b>

### Six-Year Total Funding Sources

Strategic use of non-local tax funding sources as well as debt lessens the impact of capital facility construction on taxpayers. The County has also been successful in leveraging state and federal funds.

# Factors Affecting the FY 2021 – FY 2026 Adopted CIP

## Project Cost Changes and Cost Estimation Methodology

As part of the annual CIP development process, staff regularly reviews and updates cost estimation methodologies, including assumptions for inflation in future years and amounts for project contingencies. Initial cost estimates are based on historical data plus additional costs for any known unique characteristics of a project. The cost of land acquisition, design, and other professional services, and furniture, fixtures and equipment are typically calculated as a general percentage of the “hard” costs when the project is at the beginning stages of development. As the first year of appropriation approaches, that cost is refined. During the project’s planning phase (before design or engineering begins), cost estimates are highly uncertain and can vary from 50 percent to 200 percent compared to the final project cost. Estimates are more accurately refined once the design phase begins. Consultants assist in validating or updating cost estimates for projects new to the CIP. For the FY 2021 – FY 2026 Adopted CIP, several key changes have been made.

1. Refining the estimation parameters for select types of projects, using more specific expenditure categories for budgeted projects (for those that have been re-estimated for FY 2021). The benefit of this change is twofold: it provides additional transparency to the CIP document and allows staff to build and manage more refined project budgets. The revised expenditure categories add important specificity; they include planning; professional services; land/right-of-way acquisition; utility relocation; construction; furniture, fixtures and equipment; owner costs; and contingency. Further categorization includes personnel and payments to other entities.
2. Enhancing year-over-year inflation estimation assumptions. Year-over-year inflation summaries are as follows: 3 percent for planning, professional services, and owner costs; 5 percent for land acquisition, utility relocation, and furniture, fixtures and equipment; and 5.5 percent for construction. To better adjust for material cost inflation throughout each phase, escalation costs are also averaged at the mid-point in each phase’s duration.
3. Increasing project-level contingency budgets. Contingency estimates for transportation-related projects are calculated to be as much as 40 percent of the overall project budget, especially for those projects still in the reconnaissance or planning phases. For non-transportation projects, a contingency of at least 10 percent is assumed where the total budget is under \$10 million, and a contingency of at least 5 percent is assumed where the total budget is over \$10 million.

The result of the re-estimation effort was a significantly increased overall cost for some projects and limited the ability to add new projects within the six-year period. Staff continues to focus on programming as many additional revenue sources as possible, such as NVT A 70 percent, Smart Scale, and cash proffers, but the overall stress on available local tax funding and debt capacity continues to make it difficult to accommodate new County or School projects or to accelerate existing projects.

## County and School Renovation, Alteration, and Renewal Program

As County and LCPS facilities age and new building construction slows, the County will need to budget greater amounts for renovation, alteration, and renewal of existing structures. To address this need, LCPS and County Government staff have collaborated to develop appropriate budget amounts and methodologies. Although these longer-term projections are based on general industry standards or estimates, staff anticipates that new construction driven by school population growth will likely taper off over the long term and that renovations will continue to increase as a larger share of future LCPS CIP requests. After FY 2030, LCPS anticipates that renovation needs will outpace new construction. Similarly, as new County facilities become operational and are built out, the renovation needs of existing facilities will continue to grow. Loudoun is just beginning to enter this phase of capital planning. Toward the end of the six-year CIP planning period, the need to accommodate continued growth will overlap with the increasing demand for renovation, placing additional pressure on available resources.

## Factors Affecting the Adopted CIP

While long-term capital maintenance (such as replacements of roofing and other building-related systems, repaving, and mechanical, electrical and plumbing work) is funded through the County and LCPS's respective Capital Asset Preservation Programs (CAPP), more extensive renovations and facility alterations have typically been budgeted as individual projects in the CIP. To maintain, upgrade, or expand existing facilities, projections indicate that approximately \$60 million of appropriations will be needed per year for Schools and \$12 million per year for County projects.

LCPS and County staff have worked to consolidate various existing and planned renovation and alteration projects, which increase the usability and longevity of existing facilities, into a renovation, alteration, and renewal program. A combination of cash and short- and long-term debt – structured to enable projects to be executed quickly and efficiently – fund this program.

For many years, as the data center industry has grown in Loudoun, business personal property tax (BPPT) revenue has grown significantly and currently accounts for approximately 13 percent of the County's total revenues. This makes the County highly dependent on this revenue source, and so accurate projections of the revenue are critically important. BPPT revenue growth exceeded forecasts for the past several years and while staff anticipates the excess to be less beginning in FY 2020, generally this trend is expected to continue. To address this, and to bring budget more in line with revenue, staff recommended to the Board in advance of the FY 2020 budget process that a portion of this revenue be used in the capital budget. The main reason for this is that if the staff's forecast is too aggressive in any given year or should revenues decline, staff are better able to address the decline in the capital budget than in the operating budget.

In continuing with the strategy that began in FY 2020, the six-year CIP reflects programming of a portion of BPPT revenue in the capital budget to fund the renovation, alteration, and renewal program. Renovation projects generally have much shorter project timelines as well as some components that do not have the longer-term life cycle of a new build project, so this type of program generally requires more cash and different, more flexible, financing vehicles. This dedicated source of cash funding will provide the flexibility needed and allow for leveraging of more short-term financing and leases. For FY 2021, this program will provide approximately \$15.4 million for renovation projects.

Dedicating a portion of BPPT revenues for land acquisitions, which also have shorter timelines, also provides an opportunity to program an incremental amount of BPPT while providing maximum flexibility. In FY 2021, \$1 million of BPPT revenue has been programmed for County land acquisition. As with renovation project programming, if BPPT revenue declines due to market or economic changes, staff could more readily scale expenditures tied to this revenue, programmed for one-time purposes of land acquisition and renovations rather than for ongoing operating expenditures in the General Fund. Staff believes this is a prudent and conservative use of the additional expected incremental increase in BPPT revenue and builds on last year's decision to conservatively program its use in the CIP. In total, \$16.4 million of BPPT revenue has been programmed in the CIP for the renovation, alteration, and renewal program and for County land acquisition.

### LCPS Funding Requests

The Loudoun County School Board's Adopted CIP for FY 2021 – FY 2026 requested funding totaling \$931.0 million. Of this amount, the County's FY 2021 – FY 2026 Adopted CIP includes funding totaling \$805.4 million in the six-year CIP timeframe, with funding requests totaling approximately \$888.1 million in future fiscal years. The LCPS Board's request included the acceleration of ES-32 (Dulles South) from FY 2026 to FY 2023, while ES-34 (Dulles North) has moved from FY 2024 to FY 2026. The LCPS School Security Improvements project, which will provide significant modifications of interior space and enhanced entry security systems for all schools, has been expanded, with \$64.3 million added between FY 2021 – and FY 2023. Other changes include: 1) a reduction for HS-14 land, budgeted at \$20.0 million in FY 2022, based on potential co-location on recently purchased land for MS-14; 2) removal of the Support Services Warehouse project with design scheduled in FY 2026, since existing warehouse space has been identified; 3) the FY 2025 – FY 2026 renewal and renovation budget has been reduced by \$10.0 million each year for future discussion on accommodating the increasing renovation needs in future CIP budgets; and 4) \$80.0 million for land banking (\$20.0 million each year beginning in FY 2023) has been deferred for additional discussion regarding the inclusion of this request in future CIP budgets. Based on the County's 2019

## Factors Affecting the Adopted CIP

Comprehensive Plan, LCPS has accelerated new school construction with most new construction scheduled between FY 2021 and FY 2030. This acceleration of construction requires accelerated land acquisition funding to acquire school sites. Finding developable land at a reasonable cost in areas of high growth is a challenge. The County's Land Acquisition Fund includes additional funding of approximately \$46.9 million in the six-year period to acquire land for future school construction.

### Staff and Contractual Support to County Projects

The FY 2021 – FY 2026 Adopted CIP continues to incorporate County staffing and consulting costs related to the development, implementation, and monitoring of the CIP. For County staff, who work directly on projects, such as design engineers, land acquisition managers, project managers, and construction/civil engineers, charges are funded through individual project budgets, thereby more accurately reflecting the true cost of a project. Staffing charges for projects beginning in FY 2021 total over \$3 million. Support positions, including staff who provide more indirect or general CIP support such as budgeting or procurement, are budgeted through a central project, Capital Support Positions, in the CIP with funding from the General Fund.

Furthermore, program management contractual support will be procured in FY 2020 to assist in capital project scheduling, project development performance, engineering support, design quality assurance, project oversight (including cost estimating), and providing general staff augmentation to meet schedule and budget goals. As with direct staff costs, the cost of the program management contract will be charged to individual project budgets.

In previous capital budgets, CIP-related staff costs were funded through a transfer of local tax funding from the General Fund. For FY 2021, appropriations for new and prior appropriated individual project budgets include proffer interest for CIP-related direct staff costs, thereby reducing local tax funding transfers from the General Fund to the CIP.

## New and Deferred, Removed, or Reprogrammed Projects

This section provides a summary of Board Member, department, and town requested new projects included in the FY 2021 – FY 2026 Adopted CIP. In addition, this section describes deferred, removed, or reprogrammed projects.

New and Accelerated Project Requests	Total Project Estimate
Adult Detention Center Expansion, Phase III	\$113,926,000
Backup Emergency Communications Center	7,835,000
Broad Run Farms Waterline Extension	9,885,000
Courts Evidence Storage Facility	15,218,000
Enterprise Data Warehouse	4,636,000
Linear Parks and Trails System	350,000
Purcellville Library	43,655,000
Remote Site Connectivity	4,810,000
Route 7 Eastbound Widening (Loudoun County Parkway to Route 28)	6,160,000
Scoping and Preliminary Engineering	33,963,000
Shellhorn Road & Central Station Drive/Hartley Place Intersection Improvements	243,626
Town of Leesburg – Town-wide Bus Shelters	60,000
Town of Purcellville – Loudoun Valley High School Street Lighting	200,000
<b>Total</b>	<b>\$240,941,626</b>

### Board Member Requests for New Projects included in the FY 2021 – FY 2026 Adopted CIP

- Broad Run Farms Waterline Extension: The United States Environmental Protection Agency has proposed using federal funds to extend water service to serve 142 (out of 453) Broad Run Farms parcels that are closest to the area impacted by the Superfund Site. The Board's proposal will extend water line mains to the remaining 311 parcels.
- Linear Parks and Trails System: This project includes land acquisition, design, and construction for various sections of the Trails and Linear Parks System Initiative in Loudoun County.
- Route 7 Eastbound Widening (Loudoun County Parkway to Route 28): Design funding is provided for in FY 2025, with Land and Construction programmed beyond FY 2025.
- Shellhorn Road & Central Station Drive/Hartley Place Intersection Improvements: Design, land, and construction funding is provided for in FY 2025.

### Department Requests for New Projects included in the FY 2021 – FY 2026 Adopted CIP

- Adult Detention Center Expansion, Phase III: This project provides funding to design and construct 100,000 – 150,000 square foot addition and partial remodel to the existing Adult Detention Center.
- Backup Emergency Communications Center: The existing Backup Emergency Communications Center facility is aging and has been identified, on the County's Technology Roadmap, as a key backup facility that must be migrated to a modern data center due to the critical nature of the work performed in that facility. Design funding is provided for in FY 2023, with Furniture, Fixtures & Equipment programmed beyond FY 2023.
- Courts Evidence Storage Facility: The Courts Evidence Storage Facility project will provide an approximately 12,000 square feet facility at a location to be determined for the long term storage of evidentiary material. The project will provide environmentally controlled storage areas to include special hoisting and personal lifts, refrigerated storage, and administrative offices. This has been placed in a future fiscal year.

## New and Deferred, Removed, or Reprogrammed Projects

- **Enterprise Data Warehouse:** This project provides an appropriate hosting structure that is a protected, high quality environment for all County departments to access and analyze data according to established security and privacy policies. Design funding is provided for in FY 2022, with additional design programmed beyond FY 2022.
- **Purcellville Library:** At the request of the Library Board of Trustees, a public library will be constructed in Purcellville, VA. In addition to a broadly focused collection for all ages in all formats, the library will have ample seating and study space; numerous meeting rooms of varying sizes for programs and community groups. It will offer state-of-the-art technology and equipment, allowing patrons to participate in hands on learning.
- **Remote Site Connectivity:** This project will provide broadband infrastructure connectivity to private carriers in western Loudoun County and to these specific locations: Bluemont Community Center; Philomont Community Center; Philomont Fire & Rescue; Loudoun Heights Fire & Rescue, and Loudoun Heights Public Safety Radio Tower. Design funding is provided for in FY 2022, with Construction programmed beyond FY 2022.
- **Scoping and Preliminary Engineering:** This project provides funding to initiate advanced project scoping and preliminary engineering of transportation projects. This advanced engineering effort is used to initiate engineering and environmental analysis of transportation projects that are funded for design in future years.

### Town Requests included in the FY 2021 – FY 2026 Adopted CIP

- **Town of Leesburg – Town-wide Bus Shelters:** The multi-year project for design and construction of bus shelters at existing bus stops throughout Leesburg. The goal of the project is to improve conditions for bus transit users and to encourage greater use of the bus system.
- **Town of Purcellville – Loudoun Valley High School Street Lighting:** The funding requested is for the Town of Purcellville to pay Dominion Energy to engineer and install lighting along the east side of N. Maple Avenue, adjacent to Loudoun Valley High School.

### Deferred, Removed, or Reprogrammed Projects

- **Fields Farm Park:** Design of this project is deferred from FY 2021 to FY 2022 for sequencing with the Western Loudoun Park and Ride rezoning that includes the park use.
- **Franklin Park to Purcellville Trail:** This project was deferred to a Future Fiscal Year while the realignment of the trail is under review.
- **Juvenile Detention Center – Phase II:** Design of this project was previously programmed for FY 2023. This project was deferred beyond the planning period pending a future analysis of when this project will be needed.
- **Route 50 Widening - Tall Cedars Parkway to Loudoun County Parkway:** Design of this project is deferred from FY 2025 to FY 2027 due to a scope change and sequencing with other road projects in the area.
- **Stem Library:** Design of this project was previously programmed in FY 2024. This project was deferred beyond FY 2026 at the request of the Library Board of Trustees to redirect funding for the Purcellville Library.
- **Sycolin Road – Loudoun Center Place to Crosstrail Boulevard:** Design of this project is deferred from FY 2023 to FY 2025 due to sequencing with other road projects in the area.
- **Teen Center:** Design of this project was previously programmed for FY 2025. Based on available capacity in the CIP, this project was deferred beyond FY 2026.

## Schedule of Appropriations

# Schedule of Appropriations

The following tables include appropriations and revenue information for each project within the each CIP category.

- Total Capital Improvement Program
- County Projects
  - Administration and Information Technology
  - General Government
  - Health and Welfare
  - Parks, Recreation, and Culture
  - Public Safety
  - Towns
- Transportation Projects
  - Roads
  - VDOT Administered Roads
  - Sidewalks, Signals, and Traffic Calming
  - Transit
  - VDOT Administered Transit
- School Projects
  - Elementary Schools
  - Middle Schools
  - High Schools
  - Other School Projects

## Schedule of Appropriations

### Concepts

#### Appropriated v. Planned

The FY 2021 budget year will be the only appropriated year of funding for the six-year period. The other years are planned appropriations and are shown for illustrative purposes only; the Board appropriates one fiscal year at a time.

#### Future Fiscal Years

Beyond the six-year period (FY 2021 through FY 2026), the CIP includes a four-year planning period referred to as *future fiscal years*. These years are not shown individually because they are so far into the future; they are used for high-level, future-year planning only.

#### Prior Years

The appropriations schedule includes a column of data labeled *Prior Years*. The data contained within this column represents the original budget from the inception of the project and includes the revised budget (original appropriation plus any budget amendments) through December 2019.

## Schedule of Appropriations

## Operating Impact Analysis

The cost of opening and operating facilities is evaluated during the development of a capital project. The County identifies personnel, operating, utility, and maintenance expenditures to staff and open a new facility. This section details the estimated operating impacts related to facilities scheduled to open during the six-year CIP planning period. The table provides an analysis of:

- The number and cost of personnel required to staff new or expanded facilities for each CIP category;
- Recurring operating costs related to new or expanded facilities, including utility and maintenance costs for both the program department and centralized maintenance expenditures within the Department of General Services; and
- Annual debt service payments related to the facility (as applicable).

The Operating Impact Analysis table presents the gross impact of opening, expanding, or renovating capital facilities. The table presents the staffing and operational cost estimates for new construction. The table does not take into account any additional FTE that may be required to centrally manage an expanding County facility inventory by the Department of General Services.

For new facilities, the impact of staffing and operating the facility is presented. For facility renovations and expansions, where the facility was already in operation prior to being expanded or renovated, the personnel, operating and FTE estimates, if any, represent the incremental increase above current staffing levels and costs required to operate the facility. The estimated number of new personnel (FTE) required to operate a facility is shown in the year in which the personnel are projected to be hired. In some cases, personnel may be hired prior to a facility's opening date in order to provide training, set up operations, and other pre-opening activities. To provide a greater level of accuracy in estimating future operating costs, personnel costs are escalated annually by 3 percent and operating costs are escalated annual by 1 percent for every year after FY 2021.

Each capital project page in the CIP budget document includes a summary table that reports the project's estimated gross operating and personnel cost impacts on the County's operating budget. An operating impact table is not provided if the capital project has no net impact on the County's operating budget. FY 2021 and FY 2022, operating impacts are included in the FY 2021 Adopted and FY 2022 Projected columns in the financial summary tables for program departments' narratives in Volume 1.

## Comparison Tables (FY 2020 Adopted and FY 2021 Adopted)

The following tables compare the FY 2021 Adopted CIP to the FY 2020 Adopted CIP for projects within the each CIP category. Yellow highlights in the FY 2021 section indicate a change from FY 2020. The comparison is shown in terms of revenue sources.

### County Projects

- Administration and Information Technology
- General Government
- Health and Welfare
- Parks, Recreation, and Culture
- Public Safety
- Towns

### Transportation Projects

- Roads
- Sidewalks, Signals, and Traffic Calming
- Transit

### School Projects

- Elementary Schools
- Middle Schools
- High Schools
- Other School Projects

## Schedule of Financing and Referenda

### General Obligation Bond Financing

The following projects are scheduled for general obligation bond financing requiring referendum in the FY 2021 – FY 2026 capital planning period. The referendum requires voter approval for the use of general obligation bond financing of public facilities. Following this table is a summary of previously authorized bond referenda by Loudoun County voters.

#### General Obligation Bond Financing

Referendum Date	Project	Amount
<b>November 2020</b>		
General Government	Braddock Road, Segment 1B Whitman Farm to Paul IV Entrance	\$2,000,000
	Braddock Road, Segment 1 Royal Hunter Drive to Gum Spring Road	\$1,832,000
	Fire Rescue Training Academy Expansion	7,880,000
	Fire and Rescue – Station #08 - Philomont Fire Rescue Station Replacement	21,636,000
	Loudoun County Parkway Widening (Ryan Road to Shellhorn Road)	2,708,000
	Philip A. Bolen Park Phase II	2,046,000
	River Creek Parkway - Sidewalk	2,362,000
	Route 15 Improvements-Montesor Road and Point of Rocks - Improvements	36,407,000
	Route 50/North Collector Road (Tall Cedars Parkway to Route 28)	67,137,000
	Route 50/Trailhead Roundabout	4,275,000
	Scott Jenkins Park Phase III	515,000
	Sidewalk and Trail Program	34,489,000
	<b>Subtotal – General Government</b>	<b>\$186,091,000</b>
<b>Schools</b>		
	Douglass School Renewal	9,320,000
	LCPS Facilities and Renewals	49,280,000
	School Security Improvements	64,295,000
	Student Welcome Center at Sterling ES	860,000
	<b>Subtotal – Schools</b>	<b>\$123,755,000</b>
<b>Total</b>		<b>\$309,846,000</b>

#### November 2021

General Government	Arcola Mills – Phase I – Belmont Ridge to Stone Springs	\$10,000,000
	Evergreen Mills Road (Reservoir Road and Watson Road)	\$6,780,000
	Farmwell Road Intersection Improvements	7,005,000
	Fire Rescue - Basic Training Facility	287,000
	Fire and Rescue – Station #28 - Leesburg South Station	3,466,000

## Schedule of Financing and Referenda

Referendum Date	Project	Amount
	Route 7 Improvements Phase 2 - 7 & Route 690 Interchange	16,061,000
	Route 9/Route 287 Roundabout	7,767,000
	Waxpool Road/Loudoun County Parkway Intersection Improvements	3,517,000
	<b>Subtotal – General Government</b>	<b>\$54,883,000</b>
Schools	ES-32 Dulles South	\$63,540,000
	LCPS Facility Renewal and Alterations - Undesignated	25,770,000
	<b>Subtotal – Schools</b>	<b>\$89,310,000</b>
<b>Total</b>		<b>\$134,193,000</b>

## November 2022

General Government	Arcola Mills Drive (Stone Springs Boulevard to Loudoun County Parkway)	\$11,000,000
	Broad Run Stream Valley Linear Park	500,000
	Dulles South Community Park	1,699,000
	Fire and Rescue – Station #04 – Round Hill Station Replacement	7,436,000
	Intelligent Transportation System, Phase 1	1,277,000
	Intersection Improvements	23,900,000
	Route 15/Braddock Road Roundabout	1,129,000
	Route 50/Everfield Roundabout	1,765,000
	Ryan Road (Evergreen Mills Road To Beaver Dam Road)	4,788,000
	Shellhorn Road (Loudoun County Parkway to Randolph Drive)	38,455,000
	Sterling Boulevard/W&OD Trail -- Overpass	9,843,000
	Trailhead/Braddock Roundabout	3,015,000
	<b>Subtotal – General Government</b>	<b>\$104,807,923</b>
Schools	LCPS Facility Renewals and Alterations	\$42,985,000
	Valley Service Center Traffic Signal	655,000
	<b>Subtotal – Schools</b>	<b>\$43,640,000</b>
<b>Total</b>		<b>\$148,447,000</b>

## November 2023

General Government	Arcola Mills – Phase I – Belmont Ridge to Stone Springs	\$10,000,000
	Croson Lane Widening – Claiborne to Old Ryan Road	9,643,000
	Dulles West Boulevard – Northstar Boulevard to Arcola Boulevard	6,545,000

## Schedule of Financing and Referenda

Referendum Date	Project	Amount
	Fire and Rescue - Station #05/#17 - Hamilton Station Replacement	4,103,000
	Loudoun County Parkway - Shared-Use Path	1,494,000
	Purcellville Library	5,625,000
	Route 7 Eastbound Widening (Loudoun County Parkway to Route 28)	813,000
	Sterling Neighborhood Park	9,915,000
	Sycolin Road (Loudoun Center Place to Crosstrail Boulevard)	2,469,000
	<b>Subtotal – General Government</b>	<b>\$50,607,000</b>
Schools	High School (HS-14) Dulles North	192,090,000
	LCPS Facility Renewals and Alterations	40,000,000
	<b>Subtotal – Schools</b>	<b>\$232,090,000</b>
<b>Total</b>		<b>\$282,697,000</b>
<b>November 2024</b>		
General Government	Adult Detention Center	\$80,000,000
	Fire & Rescue – Station #29 - Old Ox Road (Route 606) Station	19,888,000
	Route 15 Widening – Battlefield Parkway to Montresor Road	50,332,000
	<b>Subtotal – General Government</b>	<b>\$150,220,000</b>
Schools	ES-34 Dulles North	\$76,860,000
	LCPS Facility Renewals and Alterations	50,000,000
	Middle School (MS-19)	113,205,000
	<b>Subtotal – Schools</b>	<b>\$240,065,000</b>
<b>Total</b>		<b>\$390,285,000</b>
<b>Total</b>		<b>\$1,265,468,000</b>

## Schedule of Financing and Referenda

## Previously Approved General Obligation Bond Financing

Referendum Date	Project	Amount
<b>November 2019</b>		
General Government	Fields Farm Park	\$13,390,800
	Fire and Rescue Basic Training Facility	5,270,000
	Leesburg South Fire & Rescue Station	17,600,000
	Lovettsville District Park Phases I & II	7,180,000
	Philip Bolen Park Phase II	6,175,000
	Route 7 Improvements Phase 2-7 & Route 690 Interchange	17,220,000
	Route 50/Trailhead Roundabout	8,570,000

### Lease Revenue Financing

The following projects are planned to be financed through lease revenue financing during the FY 2021 – FY 2026 planning period. Lease revenue financings do not require a referendum. Following this table is a summary of anticipated and previously authorized lease revenue financings.

#### Anticipated Lease Revenue Financing

Appropriation Date	Project	Amount
FY 2021	Ashburn Recreation & Community Center	\$5,438,000
	Broadband Infrastructure	875,000
	Children's Science Center	13,928,000
	Consolidated Shops and Warehouse Facility	3,500,000
	County Renovation Program- Government Center	500,000
	Courts Complex Phase III	8,111,000
	DS Group Residence - Eastern Loudoun	560,000
	Fire and Rescue Storage Sheds	75,000
	Landfill Sequence 1A Cap	1,790,000
	Philip Bolen Park Phase II	1,264,166
	School Bus Replacement & Acquisition	7,865,000
	<b>Subtotal – FY 2021</b>	<b>\$43,906,000</b>
FY 2022	Broad Run Stream Valley Linear Park	\$500,000
	County Renovation Program- Government Center	\$535,000
	County Renovation Program-Waterford Space Renovation	2,000,000
	DS Group Residence - Eastern Loudoun	1,665,000
	Dulles South Community Park	1,699,000
	Fire and Rescue Storage Sheds	525,000
	Land Acquisition (Various LCPS Projects)	5,275,000

## Schedule of Financing and Referenda

Appropriation Date	Project	Amount
	Landfill Reclamation – Cell R2 Liner	7,920,000
	School Bus Radio Replacements	10,420,000
	School Bus Replacement & Acquisition	8,300,000
	<b>Subtotal – FY 2022</b>	<b>\$38,839,000</b>

## Schedule of Financing and Referenda

### Notice of Intent

*Notice evidencing the intent to reimburse certain capital improvements expenditures incurred in anticipation of financing such costs with the issuance of bonds pursuant to Income Tax Regulation Section 1.150-2 (the "Reimbursement Regulations").*

The Board of Supervisors of the County of Loudoun, Virginia (the "County"), has determined in connection with adoption of the County's Capital Improvement Program that it is necessary and desirable to undertake certain capital improvements consisting of the projects and estimated costs described in this Capital Improvement Program with financing as indicated on the **Schedule of Major Financing — Fiscal Years 2021 – 2026** in the maximum amount of \$1,663,244,979. This schedule is provided for convenience in this section and in the Debt Service Fund Section of this document.

- **Statement of Intent.** The County presently intends, at one time or from time to time, to finance the indicated projects with either tax-exempt or taxable bonds (the "Bonds") and to reimburse itself, if needed, under the Reimbursement Regulations, for capital expenditures paid by the County (including expenditures previously paid by the County to the extent permitted by law) for the projects with its own funds prior to the date the Bonds are issued. The County intends that adoption of this Notice as part of the adoption of the Capital Improvement Program be considered as "official intent" within the meaning of the Reimbursement Regulations promulgated under the Internal Revenue Code of 1986, as amended.
- **Effective Date.** This intent shall be in full force and effect with adoption of the Capital Improvement Program, and shall apply to all projects described in the Capital Improvement Program as of the date of adoption thereof, as well as any projects added to the Capital Improvement Program as part of any amendments thereto.
- **Public Inspection.** The Director of Finance and Budget shall keep this intent continuously available for inspection by the general public during the County's normal business hours.

## Capital Improvement Program Previously Authorized Projects

## Previously Authorized Projects

### Previously Authorized Projects<sup>1</sup>

Health and Welfare	Oracle Project Number	Final Year in Adopted Budget	Page Number
<b>Developmental Services Group Residence – Purcellville</b>	C02171	FY 2018	10-25
This project provides funding to demolish the existing Group Residence in the Town of Purcellville and designs and constructs a new 3,400 square foot facility which is intended to serve four to five clients, and associated staff needs.			
Parks, Recreation, and Culture	Oracle Project Number	Final Year in Adopted Budget	Page Number
<b>Ashburn Senior Center</b>	C02105	FY 2020	10-39
This project provides funding to construct a senior center on a five acre proffered site in the Ashburn Planning Subarea.			
<b>Bles District Park Facility Improvements</b>	C02230	n/a	n/a
This project provides funding for park improvements including: additional parking spaces, safety netting, and updated playground with new equipment, a picnic pavilion, and a canoe/kayak launch.			
<b>Hal and Berni Hanson Regional Park</b>	C00089	FY 2020	10-49
This project funds the development of the Hal and Berni Hanson Regional Park. In addition to the renovation of the Hanson House, funding includes the construction of active and passive recreational amenities.			
<b>Lovettsville Community Center Replacement</b>	C00245	FY 2018	10-44
This project provides for the design and construction of a new community center building in the Town of Lovettsville to replace the existing building.			
<b>Moorefield Station Community Park</b>	C02096	FY 2016	10-39
This community park, on the same site as the Moorefield Elementary School site, will contain two rectangular fields, one diamond field, field lighting, trail and sidewalk network, public restrooms and concessions, and parking.			
<b>Potomac Green Community Park</b>	C00244	FY 2016	10-40
This project provides funding to provide furnishings and equipment at the Potomac Green Community Park. The park is being constructed by a developer as an in-kind proffer and the 28-acre park site was proffered to the County.			
<b>Sterling Community Center Renovation</b>	C00094	FY 2016	10-43
This project provides for the renovation of the community center building including the expansion of community center programming in the current Sterling Library space.			
<b>Waterford Mill Restoration</b>	C00112	n/a	n/a
This project provides for structural stabilization of the Waterford Mill and addition of accessible facilities to allow use of the Mill for educational and cultural enrichment programs.			

<sup>1</sup> Previously Authorized Projects are CIP projects that are being administered by Loudoun County, were fully funded in fiscal years prior to FY 2021, have a construction phase in the scope, and are currently in development. Previously authorized projects do not include projects that are administered by the Towns or projects administered by VDOT. Additional project status information can be obtained in the CIP Project Status Report, which is provided to the Board of Supervisors' Finance/Government Operations and Economic Development Committee meeting on a quarterly basis.

## Previously Authorized Projects

Public Safety	Oracle Project Number	Final Year in Adopted Budget	Page Number
<b>Aldie Fire &amp; Rescue Station #7</b>	C00140	FY 2019	10-58
This project provides funding to design and construct a new Aldie Fire Station on a County owned site to replace the Aldie Fire & Rescue Company #7 Station.			
<b>Animal Services Facility</b>	C00240	FY 2019	10-46
This project provides funding for the design and construction of a 25,000 square foot animal shelter to replace the existing County Animal Services facility in Waterford.			
<b>Lovettsville Fire &amp; Rescue Station #12 Replacement</b>	C02103	FY 2018	10-59
This project provides the funding to design and construct an approximately 18,500 square foot fire station to replace the Lovettsville Fire and Rescue Company #12 Station.			
<b>Lucketts Fire &amp; Rescue Station #10 Replacement</b>	C00239	FY 2018	10-58
This project provides the funding to design and construct a new Lucketts Fire Station in the Route 15 North Planning Subarea of the County, in the vicinity of the Village of Lucketts, for Lucketts Fire and Rescue Company #10.			
<b>Public Safety Firing Range</b>	C00148	FY 2016	10-65
This project designs and constructs an indoor firing range facility to provide firearms training for public safety staff. The indoor facility will be constructed on a developer proffered land site owned by the County.			
<b>Sterling Fire &amp; Rescue Station #11 Replacement</b>	C02042	FY 2016	10-67
This project provides funding to design and construct a new 22,000-square-foot replacement station for the Sterling Volunteer Fire and Rescue Companies.			
Transportation	Oracle Project Number	Final Year in Adopted Budget	Page Number
<b>Belmont Ridge Road – Truro Parish Drive to Croson Lane</b>	C02043	FY 2020	11-15
This project provides for the planning, design, right-of-way acquisition, and construction of two additional lanes to Belmont Ridge road between Truro Parish Drive to Croson Lane.			
<b>Braddock/Summerall/Supreme</b>	C02121	FY 2018	11-22
This project provides for the installation of a traffic signal and turn lanes at the intersection of Braddock Road (Route 620) and Supreme Drive / Summerall Drive. The missing half-section of Braddock Road near the subject intersection will be widened from two lanes to four lanes.			
<b>Crosstrail Boulevard – Kincaid Boulevard to Russell Branch Parkway</b>	C02127	FY 2020	11-25
This project provides for the planning, design, right-of-way acquisition, and construction of segments of Crosstrail Boulevard in the vicinity of Philip A. Bolen Memorial Park and the Leesburg Airport.			
<b>Local Fixed-Route Bus Stop Improvements</b>	C02237	FY 2020	11-144
This project funds design and construction of bus stop improvements across the County to bring bus stops into ADA compliance.			
<b>Loudoun County Parkway – Dulles West to Route 50</b>	C02234	FY 2020	11-51
This project provides for the planning, design, right-of-way acquisition, and construction of a southbound turning lane along Loudoun County Parkway from Dulles West to Route 50, continuing onto Route 50 westbound.			

## Previously Authorized Projects

Transportation	Oracle Project Number	Final Year in Adopted Budget	Page Number
<b>Metro Parking Garages</b>	C02040	FY 2016	11-86
This project designs three Metro parking structures to serve the two Metro Silver Line stations in Loudoun County.			
<b>Northstar Boulevard – Route 50 to Tall Cedars Parkway</b>	C02082	FY 2020	11-57
This project provides for the planning, design, right-of-way acquisition, and construction of a minor arterial roadway from John Mosby Highway (Route 50) to Tall Cedars Parkway (Route 2200). The project entails the construction of a controlled-access, four-lane divided roadway, within a 120-foot right-of-way.			
<b>Northstar Boulevard – Shreveport Drive to Route 50</b>	C02044	FY 2020	11-59
This project provides for the planning, design, right-of-way acquisition, and construction of a minor arterial roadway between Shreveport Drive (Route 621) and Route 50. The project entails the construction of a controlled-access, four-lane divided roadway, within a 120-foot right-of-way, and intersection improvements at the future Dulles West Boulevard.			
<b>Oakgrove Road – Pedestrian Improvements</b>	C02264	FY 2020	11-121
This project provides for the planning, design, right-of-way acquisition, and construction of traffic calming measures and new sidewalk on the west side of Oakgrove Road between Trefoil Lane and Caraway Terrace.			
<b>Riverside Parkway Loudoun County Parkway to Lexington Drive</b>	C02004	FY 2016	11-46
This project funds the design and construction of a four-lane divided road segment between Loudoun County Parkway and Lexington Drive, as well as a new Loudoun Water main along Smith Circle and a temporary traffic signal at Loudoun County Parkway and George Washington Boulevard.			
<b>Round Hill to Franklin Park Trail</b>	C00007	FY 2014	10-11
This project involves the construction of sidewalks and a shared-use trail to provide pedestrian and bicycle connectivity between the Town of Round Hill and Franklin Park.			
<b>Seneca Ridge Drive – South Cottage Road to Augusta Drive</b>	C02106	FY 2020	11-101
This project provides for the planning, design, right-of-way acquisition, and construction of roadway and intersection improvements along Seneca Ridge Drive (Route 1760) between South Cottage Road (1724) and Augusta Drive (Route 2700) to reduce congestion and improve pedestrian movements			
<b>Sterling Boulevard Extension</b>	C02046	FY 2018	11-86
This project provides for the design, right-of-way acquisition, and construction of Sterling Boulevard from Pacific Boulevard and Moran Road.			
<b>Shaw Road</b>	C02116	FY 2018	11-82
This project provides for the design and construction of improvements to Shaw Road from the Sterling Technology property to the Dulles Electric Supply property in order to widen the road from two to four lanes and to solve existing roadway drainage issues.			
<b>Waxpool Road at Pacific Boulevard &amp; Broderick Drive</b>	C00178	FY 2014	11-27
This project designs and constructs intersection improvements and turn lanes at Waxpool Road and Pacific Boulevard and at Broderick Drive.			
<b>Woodgrove High School/Fields Farm Park Road</b>	C02037	FY 2018	11-92
This project provides funding to design and construct a two-lane road connecting Woodgrove High School to Route 690 through the County-owned Fields Farm park property.

## Administration

## Backup Emergency Communications Center

## Details:

Project Number: n/a

Election District: Countywide

Square Feet: n/a

Location: n/a

Estimated Completion Year: FY 2025

Referendum: n/a

## Phase Costs in Millions

## Background:

This project provides funding for relocating the Backup Emergency Communications Center (ECC) to a modern, technically redundant, and secure facility. This migration could be a step whereby the technology and operations are moved to a data center.

The existing ECC facility is aging and has been identified on the County's Technology Roadmap as a key backup facility that must be migrated to a modern data center due to the critical nature of the work performed in the facility.

## Data Center and Fiber Plant Relocation

## Details:

Project Number: C02246

Election District: Countywide

Square Feet: n/a

Location: Countywide

Estimated Completion Year: FY 2023

Referendum: n/a

## Background:

Existing data center facilities are aging and present a significant risk to continuity of operations. This project begins the process to migrate the County's data center facilities to a private, fit-for-purpose data center within Loudoun County. This will allow DIT to collapse the existing, aging data center facilities into a primary fit-for-purpose location.

## Enterprise Data Warehouse

## Details:

Project Number: n/a

Election District: Countywide

Square Feet: n/a

Location: Countywide

Estimated Completion Year: FY 2025

Referendum: n/a

## Background:

This project provides funding for establishing and implementing modern data management practices, and the resultant infrastructure and tools that are necessary to utilize the data. Key activities include establishing data governance that clearly establishes authoritative sources of data and data stewards; strengthening data security, privacy, and confidentiality models; cataloging and consolidating data repositories across the County; and applying advanced analytics to an integrated data environment to extract insights to support County leadership for policy and decision support. The outcome is to enhance citizen-centric services while concurrently enhancing operational efficiency and effectiveness.

The effort will culminate in the establishment of the first Loudoun County Data Warehouse in an appropriately structured, protected, high quality environment for all County departments to access and analyze according to established security and privacy policies.

## Fiber Backbone Replacement/I-Net

## Details:

Project Number: C02328

Election District: Countywide

Square Feet: n/a

Location: Countywide

Estimated Completion Year: FY 2021

Referendum: n/a

## Background:

This project provides funding for replacing the current Comcast I-Net fiber network in the Leesburg area. Funding will replace the 20-plus year-old fiber with leased fiber.

The Loudoun County fiber backbone provides connectivity to approximately 20 sites in the Leesburg area, including the Government Center, Shenandoah Office Building, Emergency Communications Center (ECC), Backup ECC, Emergency Operations Center (EOC), and the Courts Complex.

## Major Computer Systems

## Details:

Project Number: n/a

Election District: Countywide

Square Feet: n/a

Location: Countywide

Estimated Completion Year: Ongoing

Referendum: n/a

## Background:

This program plans for the acquisition or replacement of major computer systems that cost more than \$500,000 per system, and includes a contingency fund for information technology (IT) projects.

FY 2021 funding includes \$3.169M programmed for the Land Management Information System replacement; \$5M programmed for Oracle system upgrades for module integration; and \$1.545M programmed for the IT contingency account.

The annual cost for incremental operations and maintenance as a result of these projects will be incorporated into the Department of Information Technology's base operating budget.

## Public Safety - 911 Phone Switch Replacement

## Details:

Project Number: n/a

Election District: Countywide

Square Feet: n/a

Location: Countywide

Estimated Completion Year: FY 2023

Referendum: n/a

## Background:

This project provides funding to replace the County's current E-911 phone switch. All emergency communications in the County transmit through the E-911 phone switch which makes it an essential piece of equipment for the health and safety of Loudoun's citizens.

The current E-911 phone switch was installed in the Emergency Communications Center and became fully operational in July 2015. The existing switch is Next-Gen 911-compatible. The estimated lifespan for this mission-critical system is seven years.

## Public Safety - Handheld Radio Replacements

## Details:

Project Number: n/a

Election District: Countywide

Square Feet: n/a

Location: Countywide

Estimated Completion Year: FY 2022

Referendum: n/a

## Background:

This project provides funding to replace approximately 1,600 handheld radios, and includes the replacement of 115 radios for the Town of Leesburg, and over 800 battery chargers currently in use by Fire and Rescue and the Sheriff's Office.

Handheld radios have an estimated lifespan of seven years; the replacement of the battery chargers is due to technology updates requiring replacement.

## Public Safety - Radio Tower Expansion Program

## Details:

Project Number: C02218

Election District: Countywide

Square Feet: n/a

Location: Countywide

Estimated Completion Year: Ongoing

Referendum: n/a

## Phase Costs in Millions

## Background:

Due to population growth within the County, it is expected that additional public safety radio towers are needed to provide the required radio coverage for first responders. The Phase I coverage study identified that nine additional towers are needed in various locations in the County.

Phase II: Installation of the new towers as identified in the coverage study starting in FY 2021 and every two years after that. Future funding for this program will be re-evaluated based on updated requirements.

## Public Safety Redundant Master/Prime Site

## Details:

Project Number: C02174  
 Election District: Countywide  
 Square Feet: n/a  
 Location: Countywide  
 Completion Year: FY 2022  
 Referendum: n/a

## Background:

In 2016, the County's public safety radio system experienced a system failure caused by an external electrical malfunction that destroyed critical infrastructure.

In an effort to ensure similar failures are minimized and mitigated in the future, this project provided \$1.625 million in local tax funding from the Major Equipment Replacement Fund in FY 2018, and \$1.450 million in lease revenue financing in the Capital Projects Fund in FY 2019 to build a geographically-redundant master/prime site. This work will allow the radio system to operate normally in the event of a failure at a single master/prime site. A new location for a redundant site is recommended in leased commercial data center space, which is an operating expense included in DIT's base budget.

## Public Safety – School Radio Coverage Program

## Details:

Project Number: C02217

Election District: Countywide

Square Feet: n/a

Location: Countywide

Estimated Completion Year: FY 2024

Referendum: n/a

## Background:

This project provides funding to purchase Bi-Directional Amplifiers (BDAs). BDAs will be installed in public school buildings to provide public safety radio coverage for the school resource officers.

Phase II: Funding in FY 2020 and FY 2021 is for the initial installation and replacement of 12 BDAs as identified by LCPS.

Phase III: Installation and replacements of BDAs as identified in the Phase I study. Funding for this phase will be evaluated in a future CIP.

The coverage study included in this project identified the location of schools needing boosters and determined the proper replacement schedule of existing BDAs.

## Broad Run Farms Waterline Extension

## Details:

Project Number: C02323

Election District: Algonkian District

Square Feet: n/a

Location: Broad Run Farms subdivision

Completion Year: FY 2021

Referendum: n/a

## Background:

The Hidden Lane Landfill is an Environmental Protection Agency (EPA) Superfund Site in the Broad Run Farms community in Sterling. The Board of Supervisors has authorized an extension of public waterlines throughout the Broad Run Farms subdivision in response to groundwater contamination from the Hidden Lane Landfill.

The EPA has proposed using federal funds to extend water service to serve 142 (out of 453) Broad Run Farms parcels that are closest to the area impacted by the Superfund Site. This project will extend water line mains to the remaining 311 parcels in Broad Run Farms.

## Background:

The Capital Project Management account provides funding for County resources in the Department of Transportation & Capital Infrastructure, Department of Finance and Budget, and the Department of Information Technology to support the County's capital projects. Types of support include budget development, procurement, accounting, and program oversight. The staffing costs for these support positions are included in this account.

Direct project-related staffing costs, such as land acquisition, design engineering, and construction management are included in project budgets.

Due to the high volume of design and construction projects, this account includes annual allocations of local tax funding to hire consulting services from private firms to assist with project planning, such as scoping, cost estimation, and scheduling.

## General Government

## Consolidated Shops and Warehouse Facility

## Details:

Project Number: C02071

Election District: Catoclin

Square Feet: 176,250

Location: 750 &amp; 751 Miller Drive

Estimated Completion Year: FY 2021

Referendum: n/a

## Background:

This project provides funding for the development of a Consolidated Shops and Warehouse Facility that will provide storage and warehouse space for all County Government departments in one location. This will eliminate the use of leased warehouse, shop, and storage space spread throughout the County. Based on the County's current Space Plan, the facility located at 751 Miller Drive will provide functional and secure warehousing space for Fire and Rescue Self-Contained Breathing (SCBA) Apparatus, Apparatus up-fitting, Candidate Physical Ability Testing (CPAT), and it will provide enough space for the future Wellness Center and Apparatus Storage.

The 750 Miller Drive facility will continue to serve Voter Registration and other County departments in addition to providing additional space that can be used by County departments that undergo renovations.

## County Renovation Program

## Details:

Project Number: C02268, C02342

Election District: Countywide

Square Feet: Varies

Location: Multiple Locations

Completion Year: Ongoing

Referendum: n/a

## Phase Costs in Millions

## Background:

In FY 2020 the County's ongoing renovation funding was moved from the Capital Asset Preservation Program (CAPP) Fund to an expanded Renovation Program in the CIP. This Program has both project-based renovations, which tend to be larger in scale and require longer-term planning, and smaller renovation projects resulting from changes in program/department requirements. Projects in the six-year planning period include:

**Government Center:** Ongoing renovations to the Loudoun County Government Center. Total funding for this project is \$9.5 million.

**Waterford Space:** Renovation of up to 11,000 square-feet at the former Animal Shelter in Waterford as office space for Extension Services and Economic Development's Agricultural Business program. The expected completion date is FY 2022. Total funding for this project is \$2 million.

**Shenandoah Office Building:** Three-year phased renovations to each floor of the building with completion expected in FY 2024. Total funding for this project is \$12 million.

## General Government

## Eastern Services Center

## Details:

Project Number: n/a

Election District: n/a

Square Feet: 60,000

Location: n/a

Estimated Completion Year: FY 2025

Referendum: n/a

## Phase Costs in Millions

## Background:

This project provides funding to acquire and renovate office space to serve as an Eastern Community Services Center.

The Board directed staff to develop a Government Office Space Transition Strategy, which includes the construction of new County government facilities and/or the acquisition of existing office or commercial buildings in specific areas of the County that provide synergy between the County seat in Leesburg and population densities in eastern Loudoun. The Board direction also provided for the acquisition of an appropriate Community Service Center in eastern Loudoun sufficient to deliver satellite public services to include the Commissioner of Revenue; Treasurer; Family Services; Health Department and Human Services; and Mental Health, Substance Abuse, and Developmental Services.

## Project Phase Timeline by FY

The development and acquisition of new County government office space will allow the County to move current operations out of leased space, at a significant long-term cost savings to the County, and develop additional space required to accommodate future growth.

## General Government Office Space – Sycolin Road Phase I

## Details:

Project Number: n/a

Election District: Catoclin

Square Feet: 150,000

Location: Government Support Center site on Sycolin Road

Estimated Completion Year: FY 2030

Referendum: n/a

## Phase Costs in Millions

## Background:

Phase I of the project proposes to provide funding to design and construct a new County government office space at the Government Support Center site along Sycolin Road in the Leesburg Planning Subarea in FY 2023 and FY 2024.

The Board directed staff to develop a Government Office Space Transition Strategy, which includes the construction of new County government facilities and/or the acquisition of existing office or commercial buildings in specific areas of the County that provide synergy between the County seat in Leesburg and population densities in eastern Loudoun.

The development of new County government office space will allow the County to move current operations out of leased space, at a significant long-term cost savings to the County, and develop additional space required to accommodate future growth.

## General Government

## Landfill – Construction Demolition Debris Cell A2 Liner

## Details:

Project Number: C02231

Election District: Catoclin

Acreage: approximately 8

Location: Loudoun County Landfill

Estimated Completion Year: Ongoing

Referendum: n/a

## Background:

This project funds the engineering, design, and permitting of the Construction Demolition Debris (CDD) Unit at the Loudoun County Solid Waste Management Facility. This project also includes preparation of bidding documents and construction of the first 8-acre CDD-only Cell Area 2 (Cell A2) of an approximate total 48-acre CDD Unit area. The CDD Unit is intended to divert CDD waste from the municipal solid waste disposal unit, thus extending the life of the landfill and providing continued long-term support for County growth.

The Department of General Services manages the Loudoun County Solid Waste Management Facility (Landfill). Operating costs for landfill disposal operations are offset by fees collected for service at the facility in keeping with the Loudoun County Board of Supervisors' policy of revenue neutrality for landfill operations. No additional operational resources are required for the CDD Unit permitting and Cell Area 2 construction project.

## General Government

## Landfill Reclamation – Cell R2 Liner

## Details:

Project Number: C00214

Election District: Catoclin

Acreage: approximately 9

Location: Loudoun County Landfill

Estimated Completion Year: Ongoing

Referendum: n/a

## Background:

This reclamation project is a voluntary remediation of the oldest, unlined portion of the County Landfill, which is located in the middle of the existing landfill between Phases I and II.

This existing, unlined area is the accepted source of pollutants in facility groundwater and poses a future remediation liability. This project consists of removing solid waste and cover soil from the earliest disposal areas within the facility. Following the removal and relocation of the waste to other lined areas of the landfill, the reclaimed site would then be lined per current regulatory standards and used for new disposal operations. Fees generated by the additional capacity gained from the reclamation will offset the majority of costs associated with the project.

The anticipated benefits of executing this project are to: 1. remove the source of groundwater contamination at the landfill; 2. remediate current groundwater contamination; and 3. gain cost effective, new landfill capacity without expanding the disposal footprint or constructing new infrastructure. This project is anticipated to be phased over a multi-year period utilizing contracted services. The Department of General Services manages the Loudoun County Solid Waste Management Facility (Landfill).

Operating costs for landfill disposal operations are offset by fees collected for service at the facility in keeping with the Loudoun County Board of Supervisors' policy of revenue neutrality for landfill operations. No additional operational resources are required for the reclamation project.

## Landfill Sequence IA Cap

## Details:

Project Number: C02249

Election District: Catoctin

Acreage: approximately 20

Location: Loudoun County Landfill

Estimated Completion Year: FY 2022

Referendum: n/a

## Background:

This project consists of design and construction of erosion and sediment controls, fine grading, and installation of a temporary synthetic cap over Cell 1A of the landfill once it is filled to capacity, per approved permit conditions.

The Department of General Services manages the Loudoun County Solid Waste Management Facility (Landfill). Closure operations and maintenance costs include maintenance of closed, lined and capped disposal space, erosion control structures and environmental monitoring in accordance with approved permit conditions, closure plan requirements and state regulations. No additional operational resources are required for the closure project.

## Scoping and Preliminary Engineering

## Details:

Project Number: n/a

Election District: n/a

Completion Year: Ongoing

Referendum: n/a

## Background:

This project provides funding to initiate advanced project scoping and preliminary engineering of transportation projects. The advanced engineering effort is used to initiate engineering and environmental analysis of transportation projects that are funded for design in future years.

This advanced engineering will be used to better position projects for federal, state and regional transportation funding opportunities that require "shovel ready or near ready" status. This project serves as a funding source account. Once specific project locations are identified, the funds will be transferred to the specific project account.

## Storm Water Management

## Details:

**Project Number:** C00003  
**Election District:** Countywide  
**Square Feet:** n/a  
**Location:** Countywide  
**Completion Year:** Ongoing  
**Referendum:** n/a

## Background:

As part of its standard operating regimen, the County routinely updates its storm water infrastructure inventory as facilities are added through new development. The County has developed and implemented an overall storm water management program to meet the Environmental Protection Agency's (EPA) Phase II storm water discharge permit requirements that mandate the repair, maintenance, and restoration of County-owned storm water infrastructure.

These capital funds support the restoration and management of storm water infrastructure the County identified in the storm water management strategic plan. This project provides funding to meet storm water management programmatic needs, partially restore the older sections of the system, address ongoing growth, and administer the repair and maintenance of the entire system countywide.

Beginning in FY 2019 and extending over a ten-year period, additional funding is required to support the County's State and Federal Total Maximum Daily Load (TMDL) and Municipal Separate Storm Sewer System (MS4) Chesapeake Bay requirements. The TMDL was issued by the EPA and is a mandate for all states in the Chesapeake Bay watershed. In 2012, the County completed a study that estimated the County's costs for meeting the Chesapeake Bay TMDL reduction requirements will be \$20 million (2012 dollars) in storm water retrofit projects by 2028.

## Water/Wastewater Fund

## Details:

Project Number: C02091

Election District: Countywide

Location: Countywide

Completion Year: Ongoing

Referendum: n/a

## Background:

In 2015, the Board of Supervisors approved the Water and Wastewater Projects Funding Policy which established the Water/Wastewater Fund (Fund). The Fund supports communities experiencing issues with inadequate water and/or wastewater systems by funding feasibility studies, designs, construction costs, and utility connections for at-risk communities throughout the County, based on a community's ability to pay. No operating expenses will be incurred during the six-year CIP planning period.

## Details:

Project Number: n/a

Election District: Catoctin

Square Feet: 9,000

Location: Government Support Center off Sycolin Road

Estimated Completion Year: FY 2028

Referendum: n/a

## Background:

This project provides funding to construct or acquire a facility that will have a 12-bed capacity to serve clients between the ages of 16 through 21 who have no realistic expectation of being able to return to their home.

Future programming will place an emphasis on preparing these clients to be able to live independently within the community. The future program will address key areas such as: housing, vocational/educational services, independent living skills, and/or community networking. Clients participating in this program will be referred primarily from Foster Care, Child Protective Services, and the Family Connections program.

The facility will be operated by the Department of Family Services.

## DS Group Residence – Eastern Loudoun

## Details

Project Number: C02201

Election District: TBD

Square Feet: 3,400

Location: Eastern Loudoun

Estimated Completion Year: FY 2023

Referendum: n/a

## Background:

This project provides funding for the design and construction of a single level house in eastern Loudoun to serve four to five clients, and provides staff office space in the dwelling.

The Department of Mental Health, Substance Abuse, and Developmental Services' Residential Services Division provides long-term, residential support including training, supervision, and individualized assistance with daily living and community access. The residential group home system is a mix of County-owned and operated and private vendor-operated residences. The group home team develops and implements a person-centered support plan with input from the individual resident, family, and/or guardian and friends, while providing coordination of all medical, behavioral, mental health, and therapeutic services as needed. Each program is operated 24 hours a day, 7 days a week. Much of the funding for the residential group home system comes from the Medicaid Home and Community-Based Waiver program.

Land acquisition funding in the amount of \$480,000 for a site in eastern Loudoun was moved in FY 2019 from the Land Acquisition Fund to this project.

## Parks, Recreation, and Culture

## Ashburn Recreation and Community Center

## Details:

Project Number: C02142

Election District: Ashburn

Square Feet: 115,000

Location: Broadlands Boulevard

Estimated Completion Year: FY 2024

Referendum: November 2016

## Background:

This project provides funding to design and construct a recreation and community center on a 20.9 acre parcel along Broadlands Blvd.

The project combines recreation and community center program space to include meeting rooms, classrooms, administrative office space, a gymnasium, a kitchen, a fitness center, multi-purpose rooms, and a running track. The facility will also include an aquatics center with a 50-meter sized pool, a leisure pool, spectator seating areas and wet spa, splash play area, playground, two wet classrooms, and associated locker rooms.

## Brambleton West Park Improvements

## Details:

Project Number: C02252

Election District: Blue Ridge

Square Feet: n/a

Location: Brambleton West District Park

Estimated Completion Year: FY 2024

Referendum: n/a

## Background:

This project provides funding for the design and construction of a press box and stadium seating for a field at the Brambleton West Park. Modifications to existing fields are necessary to accommodate the press box and seating upgrade.

## Dulles Adult Day Center

## Details:

Project Number: n/a

Election District: Dulles

Square Feet: 7,000

Location: n/a

Estimated Completion Year: FY 2030

Referendum: n/a

## Background:

This project will provide funding for an adult day center within the Dulles area.

This facility provides a safe and engaging environment through professionally designed programs that meet the specific needs of each participant. Services include: physical activities and exercise, medication administration, nutritious meals, health monitoring, mentally stimulating activities, assistance with personal care needs, and some transportation.

Facility amenities include: a kitchen, dining room, quiet room, restrooms, small and large activity rooms, a clinic, staff offices, storage, screened porch, and an enclosed courtyard.

## Dulles South Community Park

## Details:

Project Number: n/a

Election District: Dulles

Acreage: 34.3

Location: Co-located with Lightridge High School

Estimated Completion Year: FY 2030

Referendum: November 2022

## Phase Costs in Millions

## Background:

This project provides funding for a community park in the Dulles South area.

The Park will include passive and/or active (programmed or un-programmed) recreation. Passive areas may include playgrounds, picnic areas, trails, wooded areas, and streams. Active areas may include a baseball/softball starplex (four fields) or three large rectangle fields. In addition, the Park will include field lighting, fencing, site utilities, parking, and site access from the public road. It will also include landscaping, public restrooms, concessions, groundwater wells, irrigation, playground, storage, picnic pavilions, bleachers, and signage.

## Parks, Recreation, and Culture

## Fields Farm Park

## Details:

Project Number: C00098

Election District: Blue Ridge

Square Feet: n/a

Location: Route 7 and Hillsboro Road (Route 690)

Estimated Completion Year: FY 2025

Referendum: November 2019

## Background:

This project provides funding to develop a park facility within a County-owned tract of land, known as Fields Farm in the Route 7 West Planning Subarea.

The Park includes up to ten athletic fields – four diamond fields and six rectangular fields. Supporting amenities will include athletic field lighting, fencing, public utilities, parking, access from a public road, landscaping, public restrooms, concessions, groundwater wells irrigation, staff offices, meeting rooms, storage, scorekeeper and umpire areas, a maintenance facility, picnic pavilions, and bleachers.

## Parks, Recreation, and Culture

## Franklin Park to Purcellville Trail

## Details:

Project Number: C02036

Election District: Blue Ridge

Length: n/a

Location: n/a

Estimated Completion Year: FY 2030

Referendum: n/a

## Background:

This project provides funding for construction and easement acquisition to complete sidewalks and trails needed to connect Franklin Park to the Town of Purcellville.

This project is part of a larger Purcellville to Round Hill Trail project. The larger project involves the design and construction of sidewalks and mixed-use asphalt trails to provide pedestrian and bicycle connectivity between the Town of Round Hill, Franklin Park, and the Town of Purcellville.

The other portion of the larger project constructs a trail from the intersection of Main and West Loudoun Streets in Round Hill to Franklin Park using Virginia Department of Transportation (VDOT) Transportation Enhancement grant funds (TEA-21), now known as MAP-21.

## Parks, Recreation, and Culture

## Lovettsville District Park – Phase II

## Details:

Project Number: C02322

Election District: Catoclin

Acreage: 91

Location: Broad Way and Milltown Road

Estimated Completion Year: FY 2023

Referendum: November 2019

## Background:

This project provides funding to complete the Lovettsville District Park project. The Park is located on a 91-acre property owned by the County but partially located within the Town of Lovettsville.

The Park will include up to seven athletic fields – four diamond fields and three rectangular fields. Supporting amenities will include athletic field lighting, fencing, public utilities, parking, and access from a public road. It will also include landscaping, public restrooms, concessions, an equestrian area, walking trails, irrigation system, a pond, storage, maintenance facility, picnic pavilions, and bleachers.

In FY 2021, funding is included to complete the remaining three to four athletic fields and install field lighting. Additional improvements include enhanced parking, equestrian, and maintenance facilities which were not built in Phase I of the project.

## Parks, Recreation, and Culture

## Philip A. Bolen Memorial Park – Phase II

## Details:

Project Number: C02152

Election District: Catoclin

Square Feet: 8,100

Location: Sycolin Road

Estimated Completion Year: FY 2024

Referendum: November 2020

## Phase Costs in Millions

## Background:

This project provides for funding to construct four permanent restroom and concession facilities. Bolen Park was originally developed using E-LOO restrooms facilities, which are designed to be composting toilets, due to the lack of public water and sewer connections in the vicinity of the Park. Given the large volume of athletic use and tournaments held at the Park, the E-LOOs have been on pump and haul, requiring permanent restroom and concession facilities. The Town of Leesburg developed a pump station in the vicinity of the Park that provides access to public water and sewer.

<sup>1</sup> On July 1, 2020, a budget adjustment will be executed to re-categorize the revenue source for this project from Lease Revenue Financing to General Obligation Bonds.

## Parks, Recreation, and Culture

## Potomack Lakes Sportsplex – Field Improvements

## Details:

Project Number: C02233

Election District: Algonkian

Square Feet: n/a

Location: Potomack Lakes Sportsplex

Completion Year: FY 2025

Referendum: n/a

## Phase Costs in Millions

## Background:

This project provides for the conversion of two Bermuda athletic fields into synthetic turf at the Potomack Lakes Sportsplex. Additional improvements includes building a covered structure for existing bleachers and Americans with Disabilities Act (ADA) accessible parking. The Department of Parks, Recreation, and Community Services is transitioning to synthetic turf for athletic fields. This material is more weather resistant and requires less routine maintenance than traditional turf.

## Purcellville Library

## Details:

Project Number: n/a

Election District: n/a

Square Feet: 40,000

Location: n/a

Estimated Completion Year: FY 2031

Referendum: November 2023

## Background:

This project provides funding to design and construct a public library in the Town of Purcellville. In addition to a broadly focused collection for all ages in all formats, this Library will have ample seating and study space; numerous meeting rooms of varying sizes for programs and community groups.

This Library will offer state-of-the-art technology and equipment, allowing patrons to participate in hands on learning and to form learning communities and maker's space and possible recording studio. The Purcellville Library will have several multipurpose rooms where students and other customers can collaborate.

## Parks, Recreation, and Culture

## Scott Jenkins Memorial Park – Phase III

## Details:

Project Number: C02325

Election District: Catoclin

Square Feet: n/a

Location: Old Colonial Highway; co-located with Harmony Park and Ride

Estimated Completion Year: FY 2023

Referendum: November 2020

## Background:

The Park includes five athletic fields – four diamond fields and one rectangular field. Supporting amenities include athletic field lighting, fencing, public utilities, parking, and access from a public road. It also includes landscaping, public restrooms, concessions, irrigation, pavilions, and bleachers. This phase of the project, Phase III, proposes funding in FY 2021 to light all five athletic fields.

Phase I and Phase II received funding previously. Phase I of the project graded the entire site, constructed the 250-space Harmony Park and Ride Lot, public restrooms and one large baseball field with associated parking. Phase II of the project constructed a rectangular athletic field, three diamond fields, concessions, and associated parking.

## Parks, Recreation, and Culture

## Sterling Neighborhood Park

## Details:

Project Number: n/a

Election District: Sterling

Acreage: 12

Location: n/a

Estimated Completion Year: FY 2028

Referendum: November 2023

## Background:

This project provides funding for land acquisition, design, and construction of a neighborhood park in the Sterling area.

The Park will include passive and/or active (programmed or un-programmed) recreation. Passive areas may include playgrounds, picnic areas, trails, wooded areas, and streams. Active areas may include a baseball/softball starplex rectangle fields. In addition, the Park's facilities may also include a pool, field lighting and restrooms, fencing, parking, and site access from the public road. It will also include landscaping, concessions, irrigation, staff offices, a playground, storage, scorekeeper and umpire areas, maintenance facilities, picnic pavilions, bleachers, and signage.

## Parks, Recreation, and Culture

## Teen Center

## Details:

Project Number: n/a

Election District: n/a

Square Feet: 20,000

Location: n/a

Estimated Completion Year: FY 2030

Referendum: n/a

## Phase Costs in Millions

## Background:

This project provides funding for the creation of a teen center.

The Center would provide a large multi-purpose room, fitness room, two meeting rooms, a multi-media room, a computer lab, and a digital arts studio. It would also provide a kitchen, snack bar, game area, restrooms, indoor and outdoor congregation areas, storage, and staff/support space.

Co-locating the facility with a community center or a recreation center would offer program benefits and potential cost savings through shared program space.

## Western Loudoun Recreation Center

## Details:

Project Number: n/a

Election District: Blue Ridge

Square Feet: 83,000

Location: n/a

Estimated Completion Year: FY 2030

Referendum: n/a

## Background:

This project provides funding for land acquisition, design, and construction of a new recreation center in the Route 7 West planning subarea. A location for the facility has not yet been identified.

The recreation center will include meeting/classrooms, administrative office space, a gymnasium, a kitchen, a fitness center, multi-purpose rooms, and a running track. The facility would also include an aquatics center with a competition pool, leisure pool, spectator seating areas, two wet classrooms, and associated locker rooms. Site amenities may include sports courts.

## Courts Complex – Phase IV

## Details:

Project Number: C02329

Election District: Leesburg

Square Feet: 58,700

Location: Courts Complex in the Town of Leesburg

Estimated Completion Year: FY 2025

Referendum: n/a

## Background:

This project funds the renovation of the existing courthouse facility. The renovation will improve approximately 58,700 square feet of space including modifications to the Circuit Court courtrooms, shared hearing rooms, small courtroom, Circuit Court Judicial offices, Circuit Court support areas, Juvenile and Domestic Relations (J&DR) courtrooms, J&DR Court Clerk, Court support areas, Juvenile Court services, Court Administrator, and the Circuit Court Clerk.

Additionally, enhancements will be made to building support areas such as the Community Room, Public Training Room, Commonwealth Attorney's Victim Witness Suite, entry screening, and holding areas.

## Courts Evidence Storage Facility

## Details:

Project Number: n/a

Election District: n/a

Square Feet: 12,000

Location: TBD

Estimated Completion Year: FY 2030

Referendum: n/a

## Background:

The Courts Evidence Storage Facility project will provide an approximately 12,000 square foot facility at a location to be determined for the long-term storage of evidentiary material. The facility will include environmentally controlled storage areas to include special hoisting and personal lifts, refrigerated storage, and administrative offices.

## Public Safety

## Fire and Rescue – Basic Training Facility

## Details:

Project Number: C02214

Election District: Catoctin

Square Feet: n/a

Location: Government Support Center off of Sycolin Road

Estimated Completion Year: FY 2025

Referendum: November 2021

## Background:

This project provides funding to design and construct a recruit training facility on the existing Fire-Rescue Training Center property. The facility, to be located in proximity to the current structural burn building, training props, and high bay building, would provide climate-controlled garaging for the Training Division, Ready Reserve, and other specialized apparatus, as well as provide support facilities for drill grounds-centric training exercises/programs.

The Basic Training Facility will be designed similar to a typical Loudoun County Fire and Rescue station, but it will include classrooms instead of sleeping quarters. The facility will have apparatus bays, restrooms, lockers, and other ancillary spaces.

## Public Safety

## Fire and Rescue – Capital Apparatus

## Details:

Project Number: C02338

Election District: Countywide

Estimated Completion Year: Ongoing

Referendum: n/a

## Background:

This project provides for the procurement of new ambulances and heavy fire and rescue apparatus for the Loudoun County Combined Fire and Rescue System (LC-CFRS), as well as the County contributions toward Volunteer Fire Department purchases. The percentage of the County contributions determine whether or not the County or Volunteer Department will hold the title. Capital vehicle ownership dictates the party responsible for apparatus repair and maintenance and is determined by LCFR guidelines.

Apparatus procurement planned for FY 2021 include:

Volunteer

Rehabilitation Support Unit	Arcola	\$147,500
Engines (2)	Sterling Fire	\$967,578
EMS Transport	Sterling Rescue	\$189,602
<b>FY 2021 Total</b>		<b>\$1,304,680</b>

## Public Safety

## Fire and Rescue - Station #04 - Round Hill Station Replacement

## Details:

Project Number: C02215

Election District: Blue Ridge

Square Feet: 19,800 ( New Fire station #4), 3,500 (Sheriff station renovation)

Location: n/a

Estimated Completion Year: FY 2026

Referendum: November 2022

## Phase Costs in Millions

## Background:

This project provides funding to design and construct a replacement 19,800 square foot Round Hill Fire Station. The facility will include apparatus bays, bunkroom facilities, training room, break room, restrooms, showers, food preparation and dining areas, laundry and decontamination areas, and supply storage. It will also include a gear and hose drying area, a breathing apparatus air compressor room, a fitness room, offices, and a repair shop. In addition, the project provides funding for the procurement of a brush truck.

The project also provides funding to include a 3,500 square foot addition to either the planned fire station or the Western Loudoun Sheriff's Station to provide a community meeting room and ancillary support for the community room (restrooms, vestibule access, and additional required parking).

## Public Safety

## Fire and Rescue – Station #05/#17 – Hamilton Station Replacement

## Details:

Project Number: n/a

Election District: Catoclin

Square Feet: 22,000

Location: Town of Hamilton

Estimated Completion Year: FY 2029

Referendum: November 2023

## Phase Costs in Millions

## Background:

This project provides funding to replace the current Hamilton Fire Station with a larger facility since the needs of the area have outgrown the capacity of the current facility. In addition, the project provides funding for the procurement of a brush truck.

The new facility will include amenities such as restrooms, showers, lockers, exercise area, food preparation/dining facilities, apparatus bays, bunkrooms, training/break room, laundry/decontamination area, supply storage, gear/hose drying area, breathing apparatus air compressor room, offices, and a repair shop.

Coverage is provided by career staff 24 hours a day, seven days a week with possible combined coverage by career and volunteer staff.

## Public Safety

## Fire and Rescue - Station #08 - Philomont Station Replacement

## Details:

Project Number: n/a

Election District: Blue Ridge

Square Feet: 18,500

Location: Snickersville Turnpike, in the Village of Philomont

Estimated Completion Year: FY 2026

Referendum: November 2020

## Phase Costs in Millions

## Background:

This project provides funding to design and construct a new Fire Station to replace the current Philomont Volunteer Fire and Rescue Company #8 Station. The new Station is currently planned to be built on a site of approximately seven acres owned by the Philomont Volunteer Fire Company, and will require a special exception.

The Station will include: apparatus bays, bunkroom facilities, a training/break room, restrooms, showers, food preparation and dining areas, laundry and decontamination areas, supply storage, and a gear and hose drying area. It will also include a breathing apparatus air compressor room, a fitness room, offices, and a repair shop.

## Project Phase Timeline by FY

Staffing for the fire and rescue Station will be 24 hours, seven days a week for a pumper and tanker, with the potential for additional resources as service demands dictate.

## Public Safety

## Fire and Rescue - Station #28 – Leesburg South Station

## Details:

Project Number: C02321

Election District: Catoclin

Square Feet: 29,000

Location: Adjacent to Sycolin Elementary School

Estimated Completion Year: FY 2025

Referendum: November 2021

## Phase Costs in Millions

## Background:

This project provides funding to design and construct a Fire and Rescue Station to improve local response times and fire protection coverage.

The facility will include: apparatus bays, bunkroom facilities, a training room, break room, restrooms, showers, food preparation and dining areas, laundry and decontamination areas, supply storage, a gear and hose drying area, a breathing apparatus air compressor room, a fitness room, offices, and a repair shop. It will also include space for the Hazardous Materials Response Team.

The Hazardous Materials Response Team is currently located at Fire Station 19 which is a less central geographic location. The re-location of this program to the new Station will more effectively ensure timely response to high risk events involving the release of hazardous materials.

Staffing for the station will be 24 hours, seven days a week for a pumper, ambulance, tanker and the Hazardous Materials Team.

## Phase Costs in Millions

## Background:

This project provides funding to design and construct a new Old Ox Road (Route 606) Fire and Rescue Station on a 5-acre proffered site in the Sterling Planning Subarea. In addition, the project provides funding for the procurement of an engine and a medical unit.

The Station will include: apparatus bays, bunkroom facilities, a training room, break room, restrooms, showers, food preparation and dining areas, laundry and decontamination areas, supply storage, a gear and hose drying area, a breathing apparatus air compressor room, a fitness room, offices, and a repair shop.

## Fire and Rescue – Station Storage Sheds

## Details:

Project Number: C02320

Election District: Various

Square Feet: 4,800

Location: Countywide

Estimated Completion Year: FY 2022

Referendum: n/a

## Background:

This project provides for the design and construction of storage facilities at three Fire Stations. The storage facilities will be constructed as a free-standing building, and will be utilized for general storage and the storage of utility vehicles.

## Fire and Rescue – Training Academy Expansion

## Details:

Project Number: n/a

Election District: Catoctin

Square Feet: 22,000

Location: Government Support Center off of Sycolin Road

Estimated Completion Year: FY 2025

Referendum: November 2020

## Background:

This project provides funding to design and construct an addition to the Fire and Rescue Training Academy. The expansion will include approximately 12,000 square feet of administrative support space and approximately 10,000 square feet of additional learning space.

The Fire and Rescue Training Center Master Plan details the need for additional classroom space and training props by establishing the location of the buildings and props at the existing Training Academy campus. The Government Support Center Master Plan Special Exception (SPEX) was approved by the Board of Supervisors on December 2, 2015, and includes the training campus uses.

Election District: Catoclin

Square Feet: 5,000

Location: Government Support Center off of Sycolin Road

Estimated Completion Year: n/a

## Phase Costs in Millions

\$1.5

\$1.0

\$0.5

\$0.0

## Background:

This project provides funding to construct an addition to the Juvenile Detention Center (JDC). The addition will include program areas and a Juvenile Assessment Center.

The JDC is a secure residential program for court ordered juveniles ages 11 up to 18 awaiting court disposition. The final concept of the JDC, which has been approved by the Virginia Department of Juvenile Justice, meets state requirements for construction of this type of facility. The JDC is managed by the Department of Family Services. This project has been deferred beyond FY 2026 pending an ongoing analysis of when this project will be needed.

Location: 37098 Charles Town Pike, Purcellville, VA 20132

Estimated Completion Year: n/a

Referendum: n/a

## Phase Costs in Millions

## Background:

Each year, the County solicits capital project funding requests from Towns within the County for facilities owned by or located within the Town; or for local pedestrian/transportation related improvements that benefit the County or Loudoun County Public Schools. As a capital expense, the funding for the projects are shown in the County's CIP.

This project provides funding for the upgrade of the kitchen in the Old Stone School to commercial standards, construction of a foyer welcome center, installation of a security system, and provides for other investments to ensure the long-term structural integrity of the building.

The 140-year-old Old Stone School serves as the Town Hall as well as community center/cultural center and event venue for the Town of Hillsboro. The Town has made extensive investments to preserve the building and generate revenue from daily rentals and special events. Prior County funding has helped to expand a heating and cooling system to the second floor, repair water damage, repainting exterior brick, expand the capacity of the restrooms, redesign the kitchen, and provide for other interior upgrades.

## Town of Leesburg – Evergreen Mill Road Widening

## Details:

Project Number: C02197

Election District: Leesburg

Length: 1.3 miles

Estimated Completion Year: FY 2029

Referendum: n/a

## Phase Costs in Millions

## Background:

Each year, the County solicits capital project funding requests from Towns within the County for facilities owned by or located within the Town; or for local pedestrian/transportation related improvements that benefit the County or Loudoun County Public Schools. As a capital expense, the funding for the projects are shown in the County's CIP.

This project will add two lanes to the two existing lanes on Evergreen Mill Road from South King Street (Route 15) to Battlefield Parkway. A sidewalk will be constructed on one side of the road with a shared use path on the other.

All proposed uses of the Northern Virginia Transportation Authority (NVTA) 30 percent local funding on County road projects are subject to allocation of the funds to the County by NVTA.

## Towns

## Town of Leesburg - NVTA Local Distribution

## Details:

Project Number: C02016

Election District: Leesburg, Catoctin

Length: n/a

Estimated Completion Year: Ongoing

Referendum: n/a

## Background:

This project reports funding transfers made to the Town of Leesburg from the County's share of NVTA 30 percent local funds. The Town of Leesburg is entitled to a portion of the NVTA 30 percent local funds received by the County based upon the percentage of revenues generated within the Town to fund NVTA regional transportation initiatives.

The amounts depicted represent the estimated portion of the County's 30 percent local NVTA revenues due to the Town of Leesburg for use on Town related transportation projects. All estimates are subject to change based on actual revenue collected each year.

## Towns

## Town of Purcellville – Berlin Turnpike Traffic Signal

## Details:

Project Number: n/a

Election District: Blue Ridge

Length: n/a

Estimated Completion Year: n/a

Referendum: n/a

## Phase Costs in Millions

## Background:

Each year, the County solicits capital project funding requests from Towns within the County for facilities owned by or located within the Town; or for local pedestrian/transportation related improvements that benefit the County or Loudoun County Public Schools. As a capital expense, the funding for the projects are shown in the County's CIP.

This project will provide for the design and construction of a traffic signal at the Berlin Turnpike, Eastgate Drive, and Patrick Henry Circle Intersection.

All proposed uses of the Northern Virginia Transportation Authority (NVTA) 30 percent local funding on County road projects are subject to allocation of the funds to the County by NVTA.

## Towns

## Town of Purcellville – Bush Tabernacle &amp; Fireman's Field

## Details:

Project Number: C02331

Election District: Blue Ridge

Square Feet: 8,500 (total building)

Location: Town of Purcellville

Completion Fiscal Year: 2021

Referendum: n/a

## Phase Costs in Millions

## Background:

Each year, the County solicits capital project funding requests from Towns within the County for facilities owned by or located within the Town; or for local pedestrian/transportation related improvements that benefit the County or Loudoun County Public Schools. As a capital expense, the funding for the projects are shown in the County's CIP.

This project provides for the replacement of the hardwood floor of the skating rink, minor structural repairs of the subbase, and a renovation of the public restroom facilities at Bush Tabernacle and Fireman's Field.

## Towns

## Town of Purcellville – Hirst Road to W&amp;OD Shared Use Path

## Details:

Project Number: n/a

Election District: Blue Ridge

Length: n/a

Estimated Completion Year: n/a

Referendum: n/a

## Phase Costs in Millions

## Background:

Each year, the County solicits capital project funding requests from Towns within the County for facilities owned by or located within the Town; or for local pedestrian/transportation related improvements that benefit the County or Loudoun County Public Schools. As a capital expense, the funding for the projects are shown in the County's CIP.

This path will provide a shared-use path connection from the W&OD Trail to Hirst Road in Purcellville expanding access between the Trail and Town.

All proposed uses of the Northern Virginia Transportation Authority (NVTA) 30 percent local funding on County road projects are subject to allocation of the funds to the County by NVTA.

## Towns

## Town of Purcellville – NVTa Local Distribution

## Details:

Project Number: C02017

Election District: Blue Ridge, Catoclin

Estimated Completion Year: Ongoing

Referendum: n/a

## Background:

This project reports funding transfers made to the Town of Purcellville from the County's share of NVTa 30 percent local funds. The Town of Purcellville is entitled to a portion of the NVTa 30 percent local funds received by the County based upon the percentage of revenues generated within the Town to fund NVTa regional transportation initiatives.

The amounts depicted represent the estimated portion of the County's 30 percent local NVTa revenues due to the Town of Purcellville for use on Town related transportation projects. All estimates are subject to change based on actual revenue collected each year.

## Towns

## Town of Purcellville – Pedestrian Linkages

## Details:

Project Number: C02199

Election District: Blue Ridge, Catoclin

Length: 180 feet

Estimated Completion Year: n/a

Referendum: n/a

## Phase Costs in Millions

## Background:

Each year, the County solicits capital project funding requests from Towns within the County for facilities owned by or located within the Town; or for local pedestrian/transportation related improvements that benefit the County or Loudoun County Public Schools. As a capital expense, the funding for the projects are shown in the County's CIP.

This project provides funding for the Pedestrian Linkages Project in the Town of Purcellville. This project will entail the construction of a five-foot-wide walkway along south 32nd Street from West Main Street to the beginning of the Ball Property line.

All proposed uses of the Northern Virginia Transportation Authority (NVTA) 30 percent local funding on County road projects are subject to allocation of the funds to the County by NVTA.

## Arcola Boulevard – Route 50 to Route 606

### Details:

Project Number: C02182

Election District: Blue Ridge

Length: 1.7 miles

Project Type: New Roadway

Estimated Completion Year: FY 2025

Referendum: n/a

### Background:

This project provides funding to accelerate the construction of Arcola Boulevard, a major collector roadway, between Arcola Mills Drive and Old Ox Road (Route 606) through an agreement with Arcola Center, or for the County to construct the road and seek cash in-lieu contribution from Arcola Center. The project includes a four-lane median divided roadway within a 120 feet right of way. Although this section of roadway is proffered for construction by Arcola Center, the proffer trigger is not expected to be reached for several years.

## Arcola Mills Drive – Belmont Ridge Road to Stone Springs Boulevard

### Details:

**Project Number:** TBD

**Election District:** Blue Ridge

**Length:** 0.5 miles

**Project Type:** Reconstruction and Widening with Intersection Improvements

**Estimated Completion Year:** FY 2030

**Referendum:** November 2021

### Phase Costs in Millions

### Background:

This project provides for the planning, design, right-of-way acquisition, and widening of Arcola Mills Drive (Route 621) from two lanes to four lanes between Belmont Ridge Road and Stone Springs Boulevard as a suburban minor collector within a 90 foot right-of-way. Construction includes improvements at the intersections of Belmont Ridge Road and Stone Springs Boulevard and a new bridge to carry Belmont Ridge Road over the South Fork of Broad Run. The project includes the construction of a sidewalk on one side of the road and a shared use path on the other.

## Arcola Mills Drive – Stone Springs Boulevard to Loudoun County Parkway

### Details:

Project Number: n/a

Election District: Blue Ridge

Length: 1.1 miles

Project Type: Reconstruction and Widening with Intersection Improvements

Estimated Completion Year: FY 2027

Referendum: November 2022

### Background:

This project provides for the planning, design, right-of-way acquisition, and widening of Arcola Mills Road (Route 621) from two lanes to four lanes from Stone Springs Boulevard to Loudoun County Parkway (Route 607) as a Minor Collector in a 90 ft. wide right of way. It includes modifications to the intersections at Arcola Boulevard, Yardley Ridge Terrace and Loudoun County Parkway. Pedestrian facilities consist of a shared use path on one side of the road and a sidewalk on the other. This project combines two projects from the FY 2018 Adopted CIP: Stone Springs Boulevard to Arcola Boulevard and Arcola Boulevard to Loudoun County Parkway.

## Braddock Road, Segment 1 – Royal Hunter Drive to Gum Spring Road

### Details:

**Project Number:** C02263

**Election District:** Blue Ridge and Dulles

**Length:** 0.3 mile

**Project Type:** Roadway Widening

**Estimated Completion Year:** FY 2024

**Referendum:** November 2018

### Phase Costs in Millions

### Background:

This project provides for the planning, design, right-of-way acquisition, and widening of a major collector roadway between Royal Hunter Drive and Gum Spring Road.

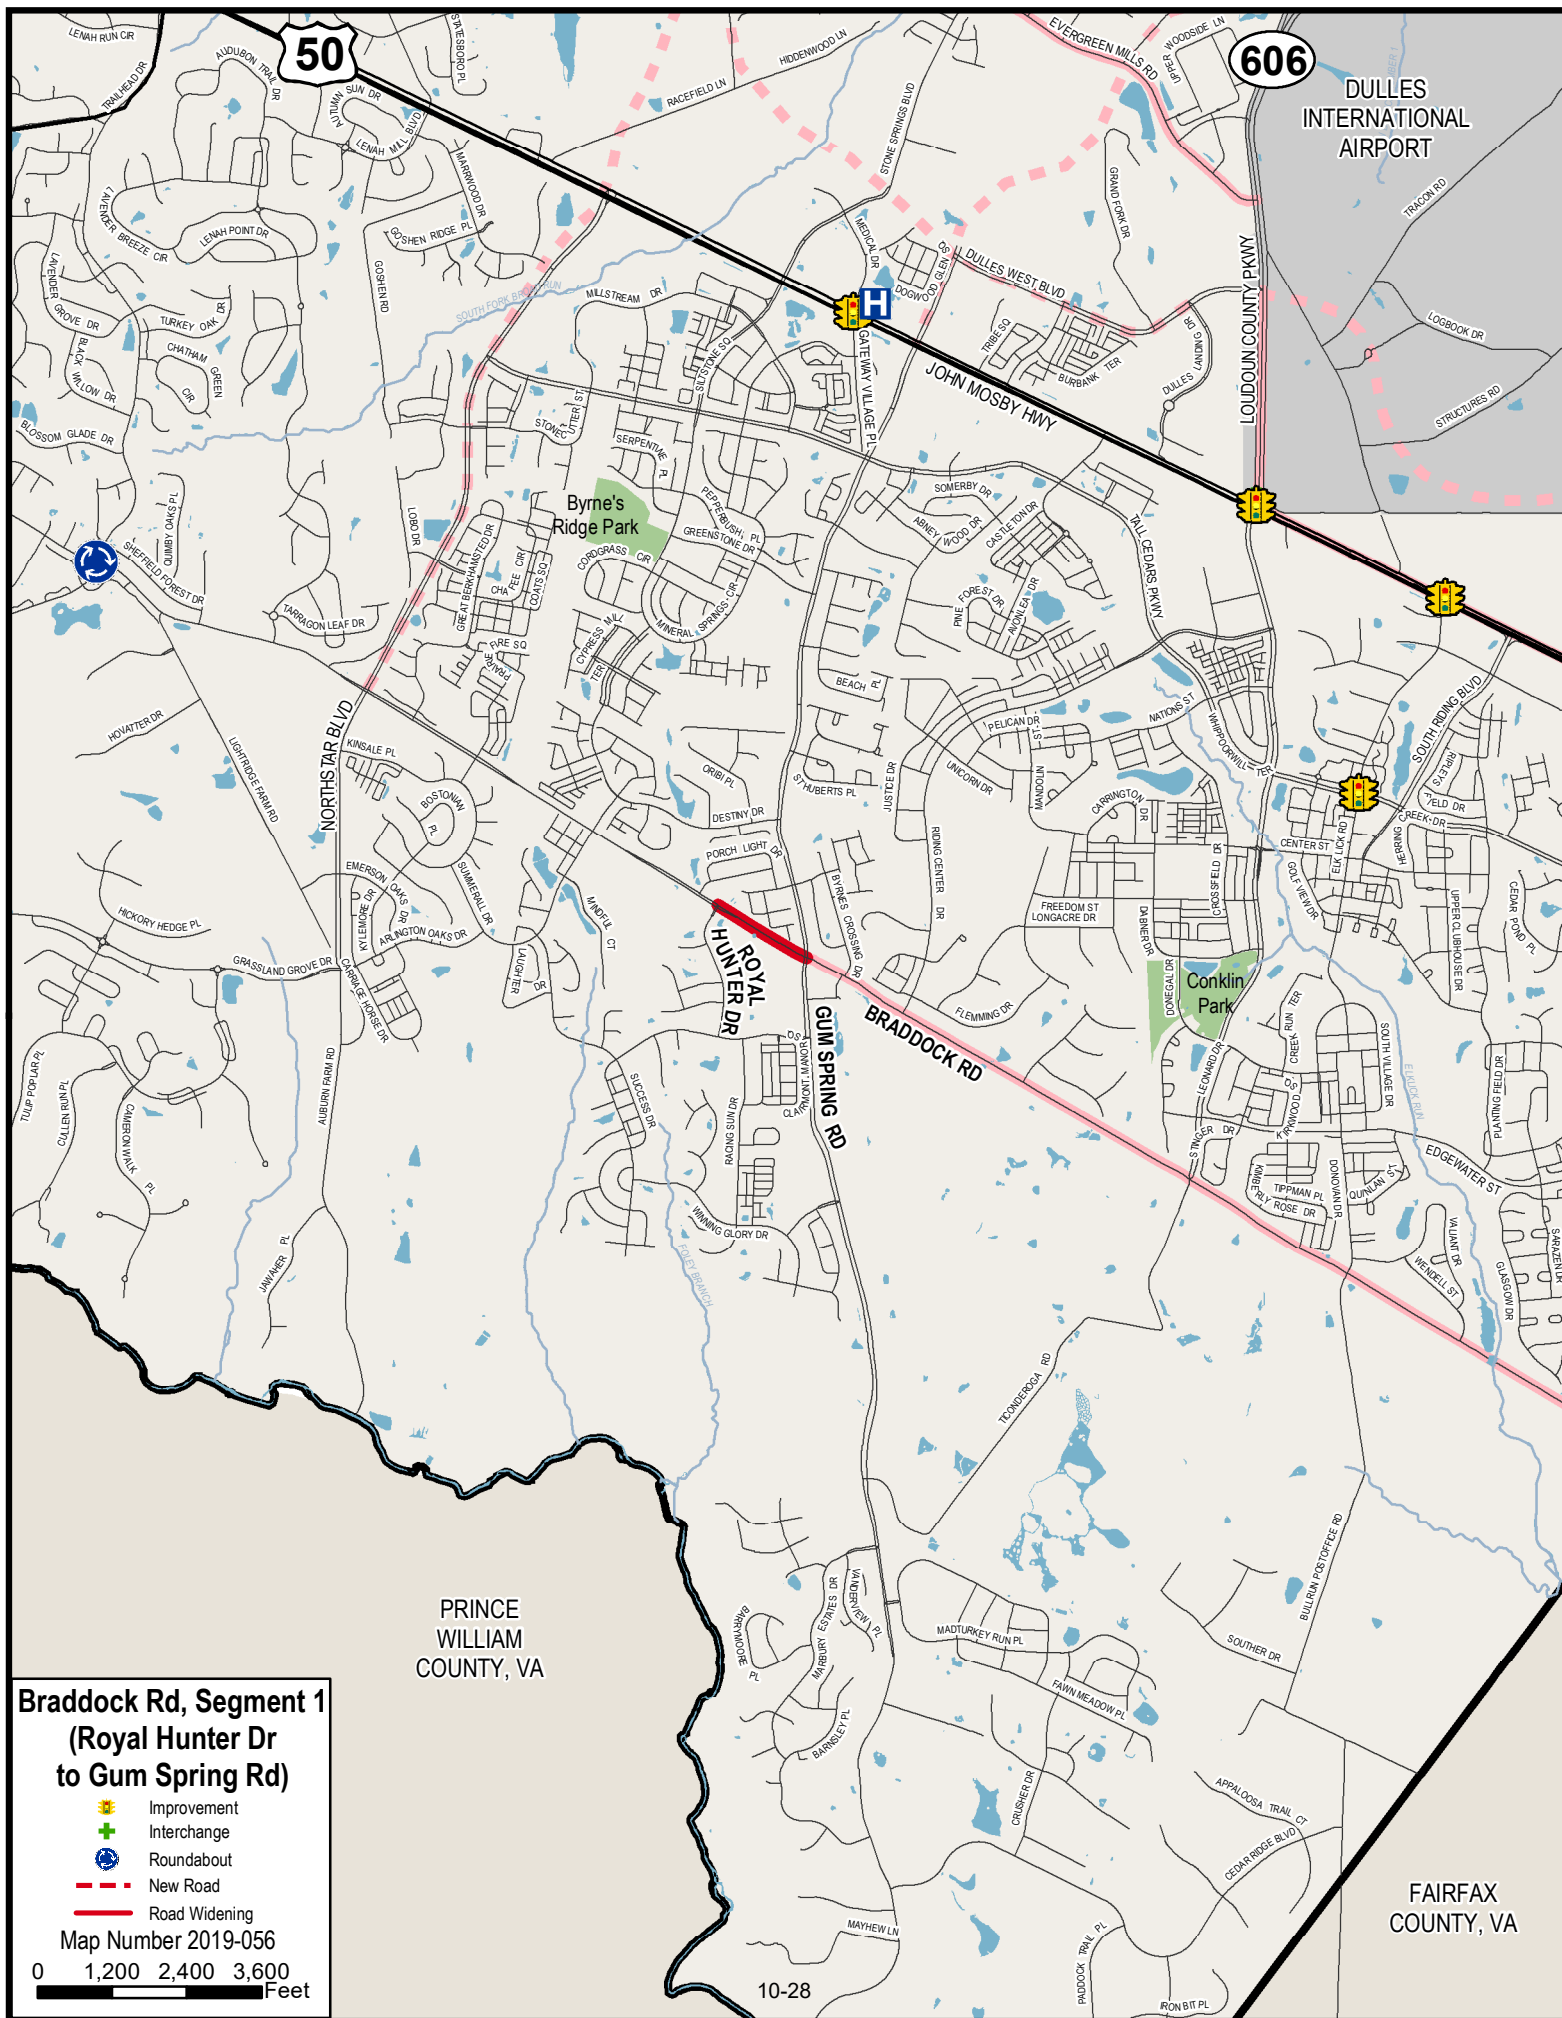

The project entails the construction of a four-lane, median-divided roadway and shared use paths on both sides of the road within a 90-foot right-of-way. A developer has proffered the completion of the Braddock Road and Gum Spring Road traffic signal modifications as a separate project.

## Braddock Road, Segment 1B – Whitman Farm to Paul VI Eastern Entrance

### Details:

Project Number: C02318

Election District: Blue Ridge and Dulles

Length: .55 miles

Project Type: Roadway Widening

Estimated Completion Year: FY 2023

Referendum: November 2020

### Phase Costs in Millions

### Background:

This project provides for the planning, design, right-of-way acquisition, and widening of Braddock Road (Route 620) from the intersection at Gum Spring Road (Route 659) to the eastern entrance of Pope Paul VI High School. The project entails the construction of a four-lane, median-divided roadway and a sidewalk on one side of the road and a shared use path on the other side. This scope of work was originally included in the Braddock Road – Royal Hunter Drive to Paul VI East Entrance project in the FY 2020 Adopted CIP, but is now being developed as a separate project. A developer is constructing the improvements under the furtherance of a proffer.

## Braddock Road, Segment 3 – Bull Run Post Office Road to Fairfax County Line

### Details:

Project Number: n/a

Election District: Dulles

Length: 1.1 mile

Project Type: Roadway Widening

Estimated Completion Year: 2033

Referendum: n/a

### Phase Costs in Millions

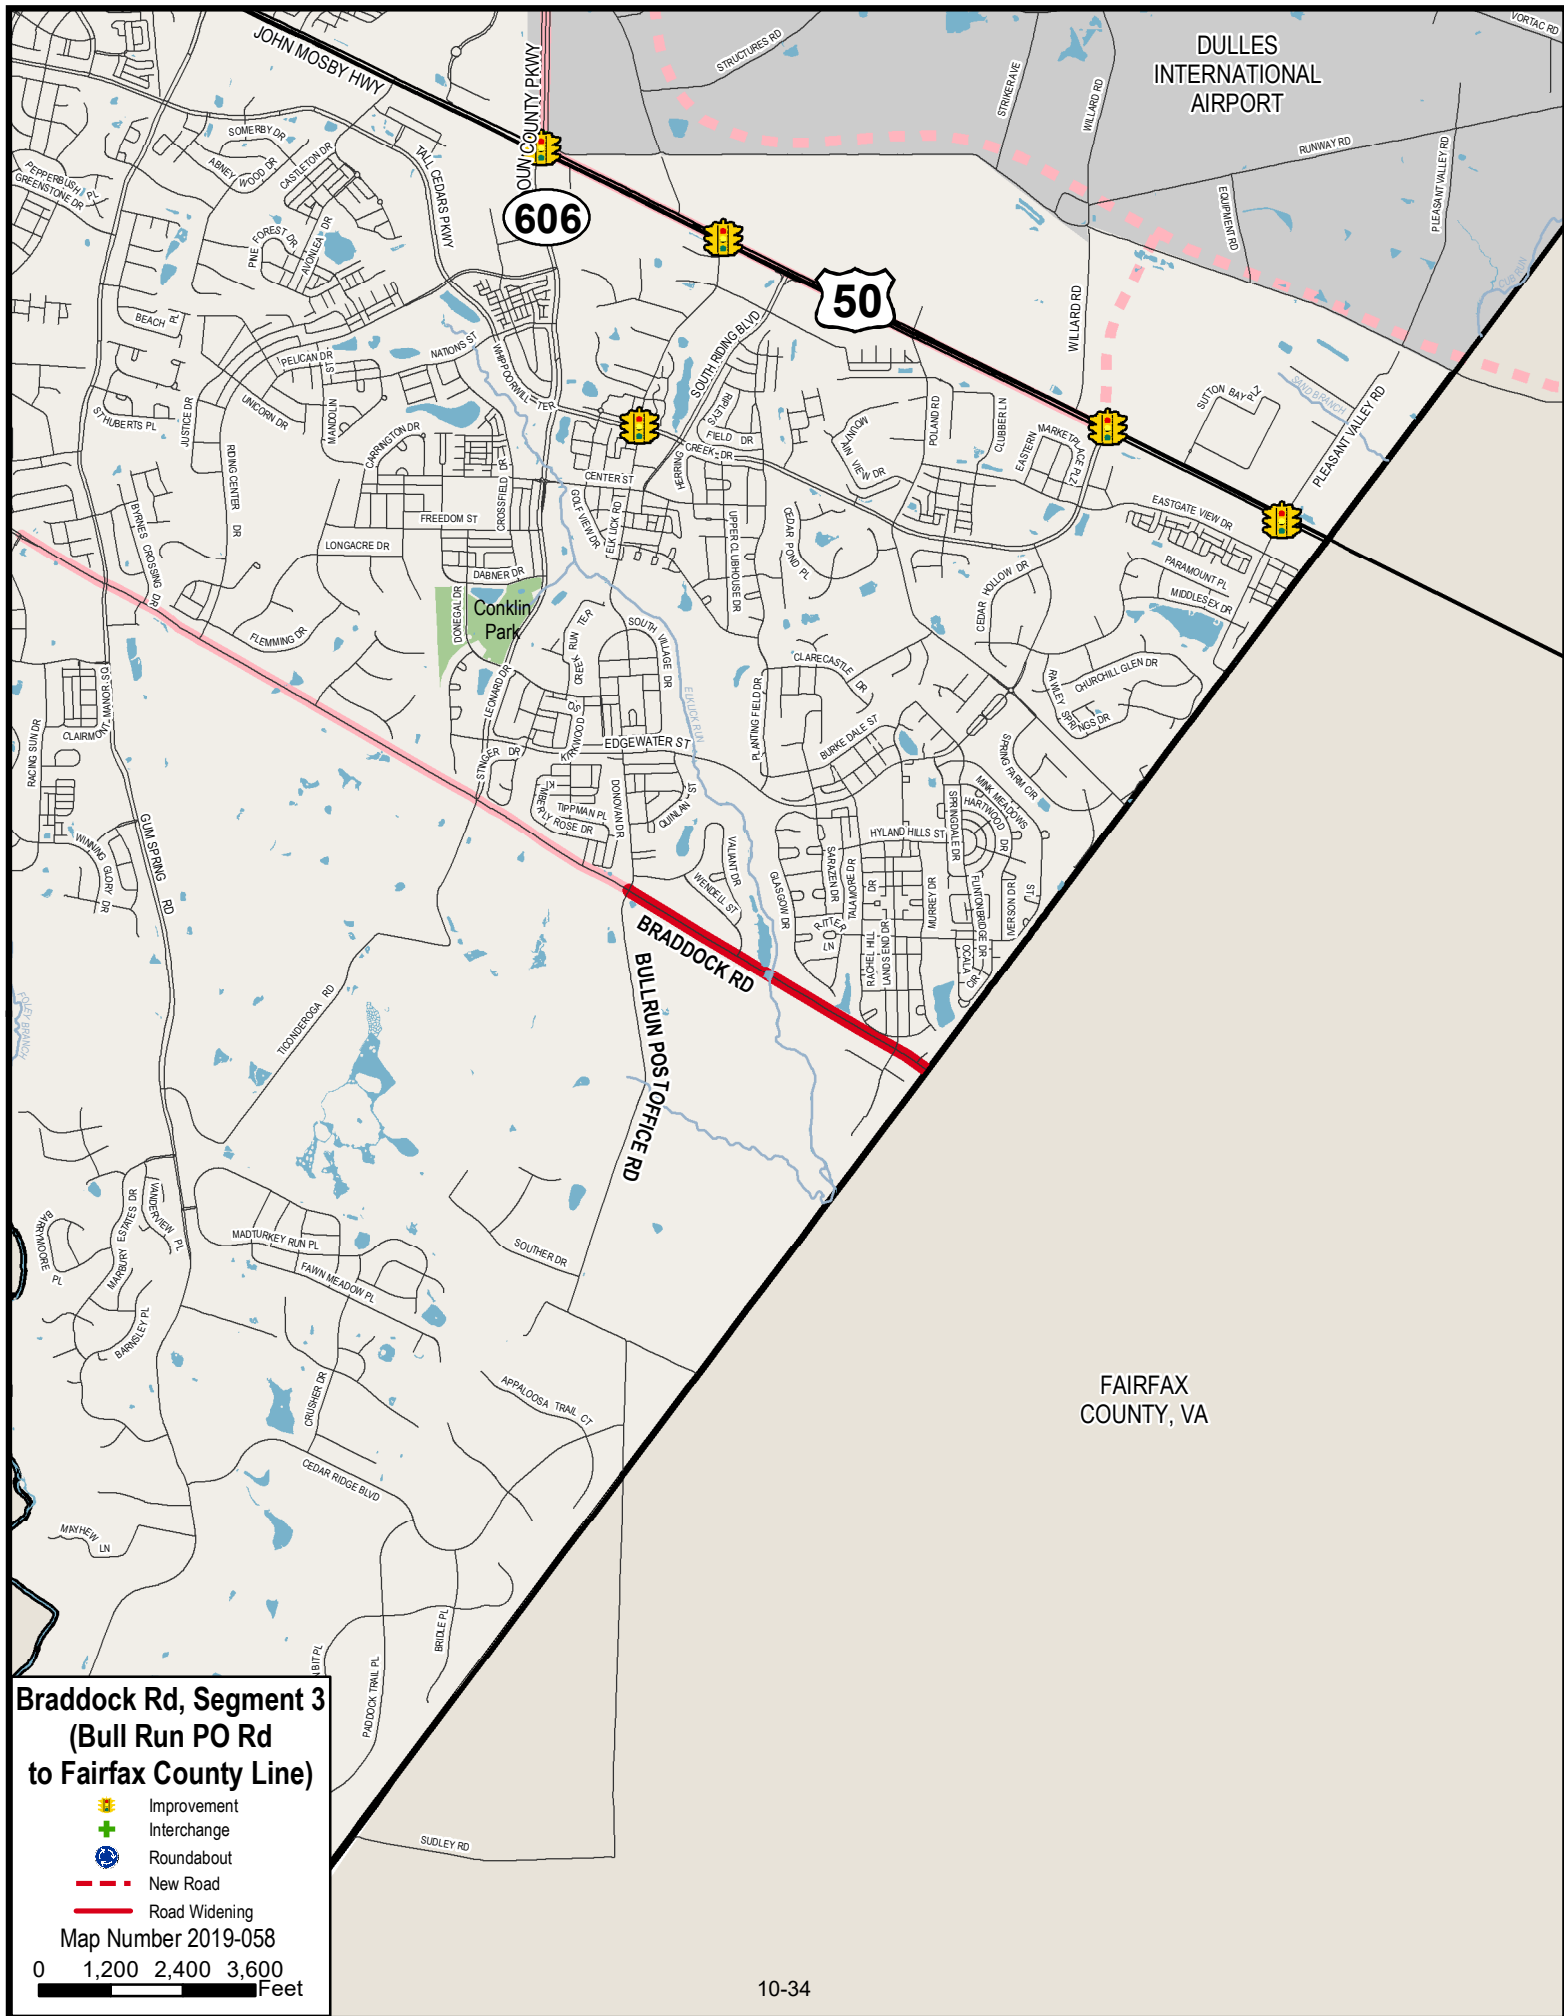

### Background:

This project provides for the planning, design, right-of-way acquisition, and construction to widen Braddock Road (Route 620) to four lanes between Bull Run Post Office Road and the Fairfax County line. The project entails the construction of a four-lane, median-divided roadway within a 120-foot right-of-way, and includes the construction of a sidewalk on one side of the road and a shared use path on the other side.

## Croson Lane Widening – Claiborne Parkway to Old Ryan Road

### Details:

**Project Number:** C02315

**Election District:** Broad Run, Dulles

**Length:** 0.9 miles

**Project Type:** Roadway Widening

**Estimated Completion Fiscal Year:** FY 2027

**Referendum:** November 2023

### Background:

This project provides for the planning, design, right-of-way acquisition, and construction to widen Croson Lane (Route 645) to four lanes between Claiborne Parkway (Route 901) and Old Ryan Road (Route 722). The project entails the construction of a four-lane, median-divided roadway within a 120-foot right-of-way, and includes the construction of a sidewalk on one side of the road and a shared use path on the other side.

## Davis Drive Bridge

### Details:

Project Number: n/a

Election District: Broad Run

Length: Approximately 0.5 mile

Project Type: New Bridge and Roadway

Estimated Completion Year: n/a

Referendum: n/a

### Background:

The project provides for the planning, design, right-of-way acquisition, and construction of a new four-lane divided bridge and approaches over the Dulles Toll Road between Sunrise Valley Drive in Fairfax County and Innovation Avenue in Loudoun County as an urban Major Collector within an 80 ft. wide right-of-way. The project is expected to include sidewalks on both sides of the roadway and on street bike facilities. A payment of \$500,000 was made to VDOT in April of 2019 from the General Fund, which is not reflected in prior years.

## Dulles Greenway Interchange at Loudoun County Parkway Improvements

### Details:

Project Number: n/a

Election District: Dulles, Broad Run

Length: 3000 feet

Project Type: New Roadway and Improvements

Estimated Completion Year: FY 2036

Referendum: n/a

### Background:

This project provides for the planning, design, right-of-way acquisition, and construction of a new loop ramp from westbound Dulles Greenway to southbound Loudoun County Parkway, and reconfiguration of the existing maintenance facility and ramps in the northwest quadrant of the interchange. This scope of work was originally included in the Loudoun County Parkway – Ryan Road to Shellhorn Road project in the FY 2020 Adopted CIP, but is now being developed as a separate project.

## Dulles West Boulevard – Northstar Boulevard to Arcola Boulevard

### Details:

**Project Number:** C02213

**Election District:** Blue Ridge

**Length:** 1.9 miles

**Project Type:** New Roadway

**Estimated Completion Year:** FY 2027

**Referendum:** November 2023

### Phase Costs in Millions

### Background:

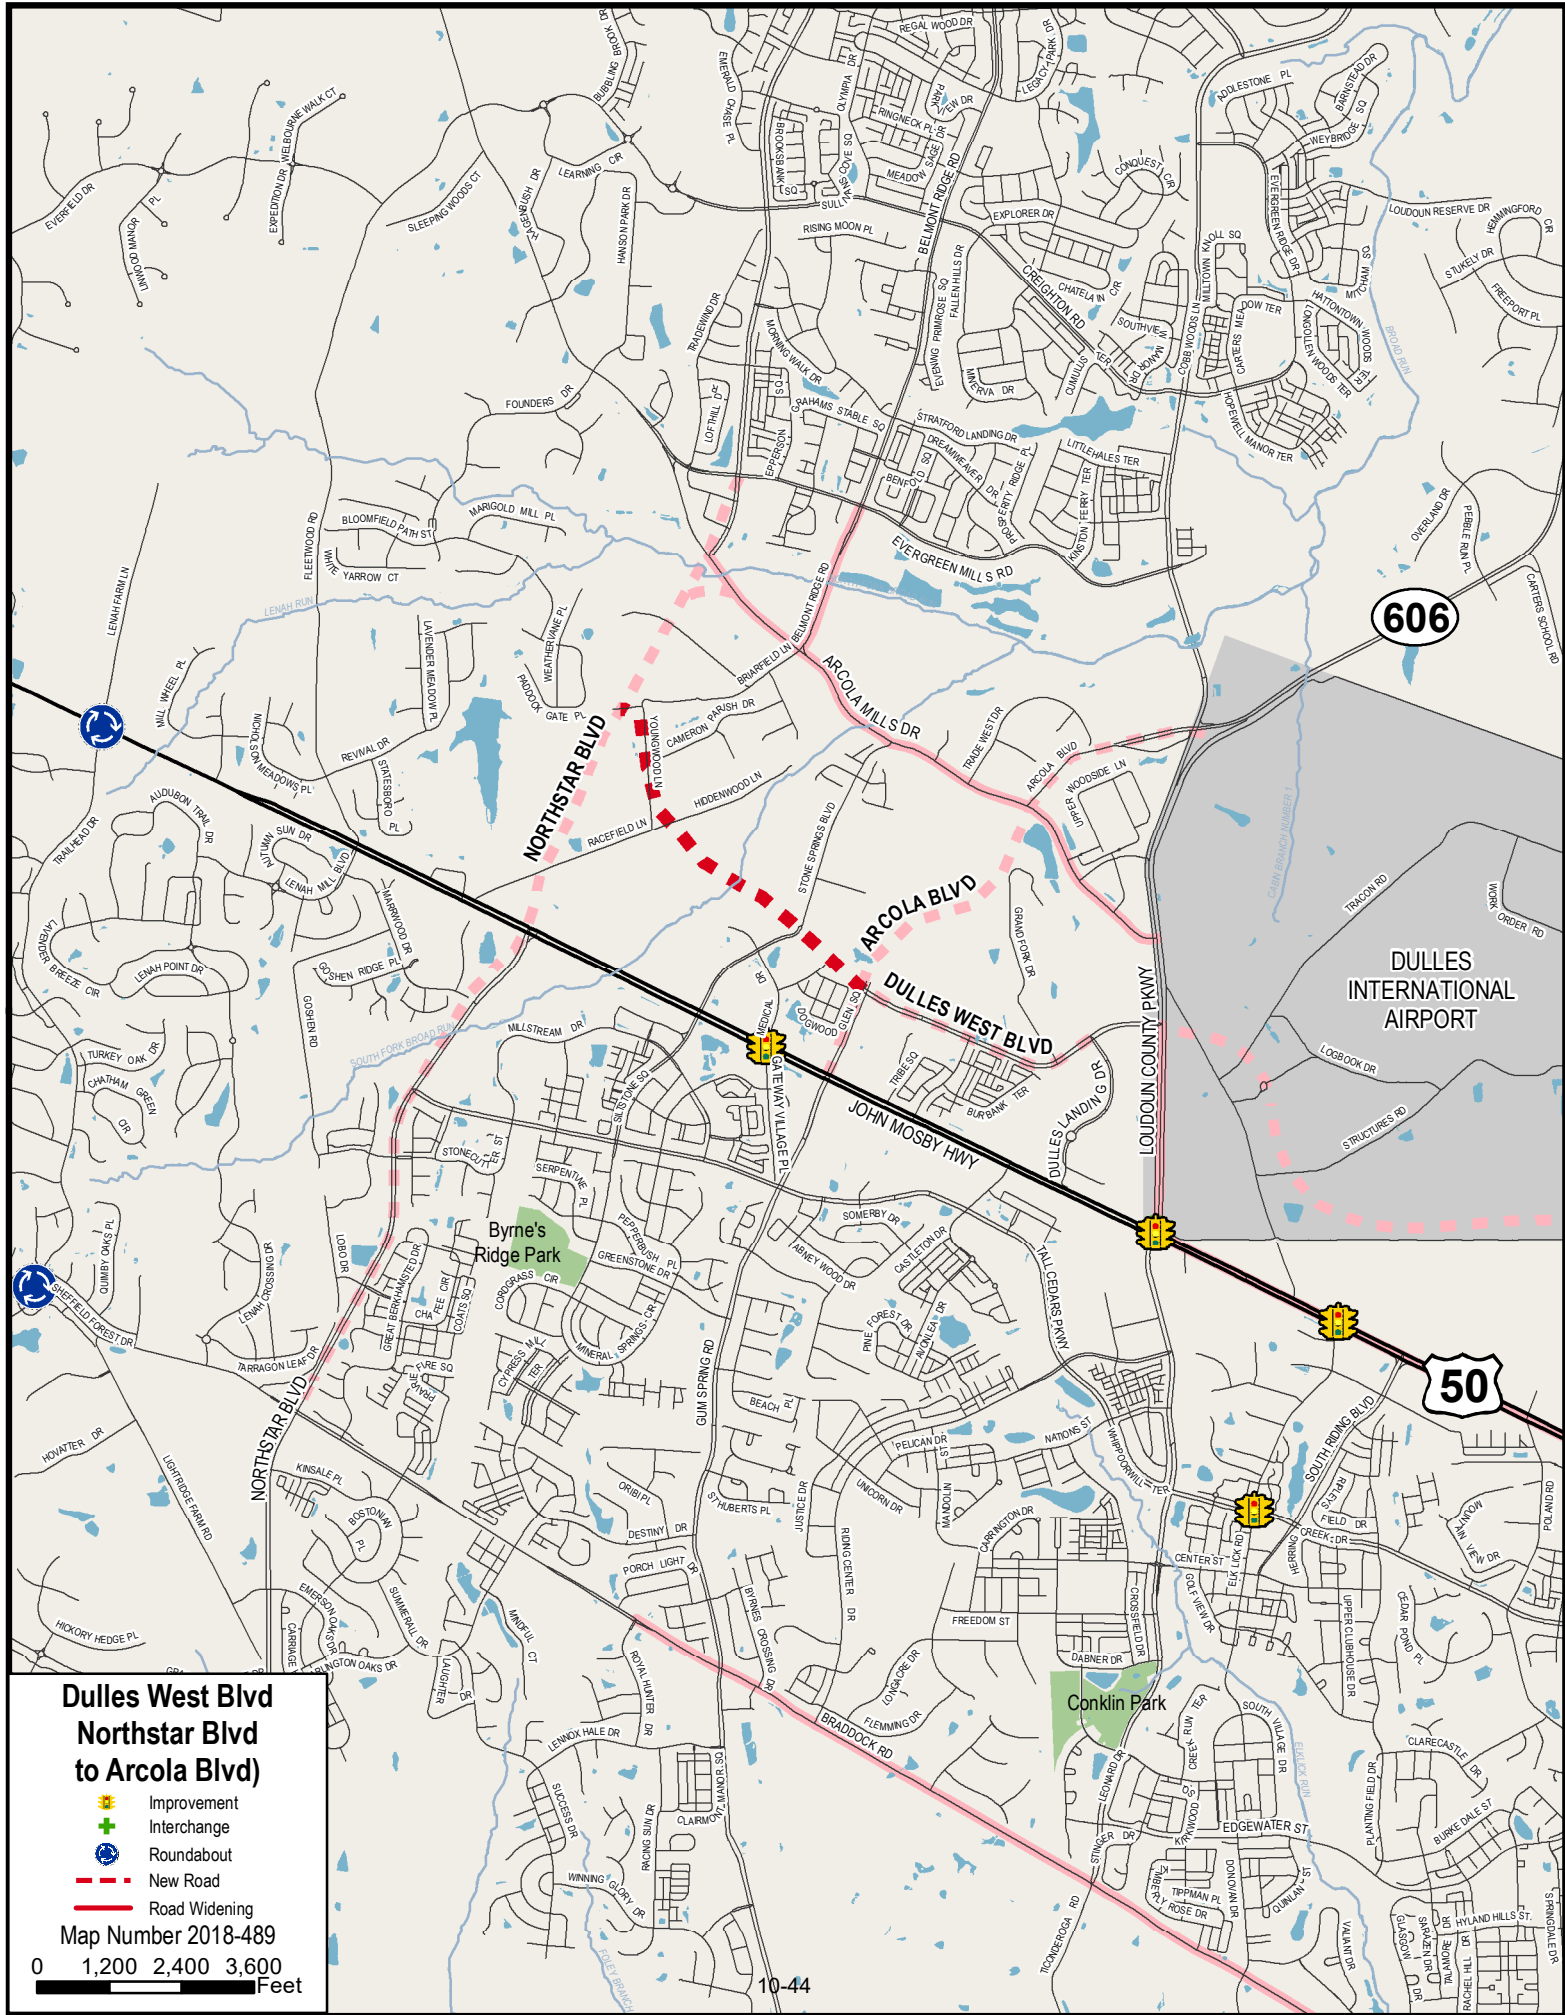

This project provides for the planning, design, right-of-way acquisition, and construction of Dulles West Boulevard between Northstar Boulevard and Arcola Boulevard as a suburban four-lane median-divided Major Collector with shared use paths on both sides of the road and a 120 ft. wide right-of-way, including a bridge over the South Fork of Broad Run. The project limits presented in the FY 2020 CIP have been updated to remove the section of Dulles West Boulevard between Arcola Boulevard and Dulles Landing Drive which is being built by a developer as part of a proffer.

## Loudoun County Parkway – Ryan Road to Shellhorn Road

### Details:

**Project Number:** C02319

**Election District:** Dulles, Broad Run

**Length:** 1.9 miles

**Project Type:** Roadway Widening

**Estimated Completion Year:** FY 2024

**Referendum:** November 2020

### Background:

This project provides for right-of-way acquisition for the widening of Loudoun County Parkway (Route 607) from four to six lanes between Ryan Road (Route 772) and Shellhorn Road (Route 643), and the construction of turn lanes at the intersection. Construction of the roadway improvements are proffer conditions of the Silver District West development. The proffer requires the County assist the developer in acquiring right-of-way.

## Moorefield Boulevard Improvements

### Details:

**Project Number:** C02205

**Election District:** Broad Run

**Length:** n/a

**Project Type:** Intersection Improvements

**Estimated Completion Year:** FY 2023

**Referendum:** n/a

### Background:

This project provides for the planning, design, right-of-way acquisition, and construction of Moorefield Boulevard improvements at the Moorefield Fire and Rescue station entrance/Old Ryan Road. The improvements include the installation of traffic light poles for future traffic light installation, and the installation of a flashing light signal which can be activated by emergency personnel which will stop the flow of traffic to allow emergency vehicles to respond. In addition, it provides for access control gates between the Moorefield Station development and Vinegar Hill Drive. The improvements at the Fire and Rescue Station entrance to Mooreview Boulevard will tie into Mooreview Boulevard roadway improvements proffered by the Broadlands Ashburn Metro development.

## Northstar Boulevard – Tall Cedars Parkway to Braddock Road

### Details:

Project Number: n/a

Election District: Dulles

Length: 1.1 miles

Project Type: Roadway Widening

Estimated Completion Year: FY 2028

Referendum: n/a

### Phase Costs in Millions

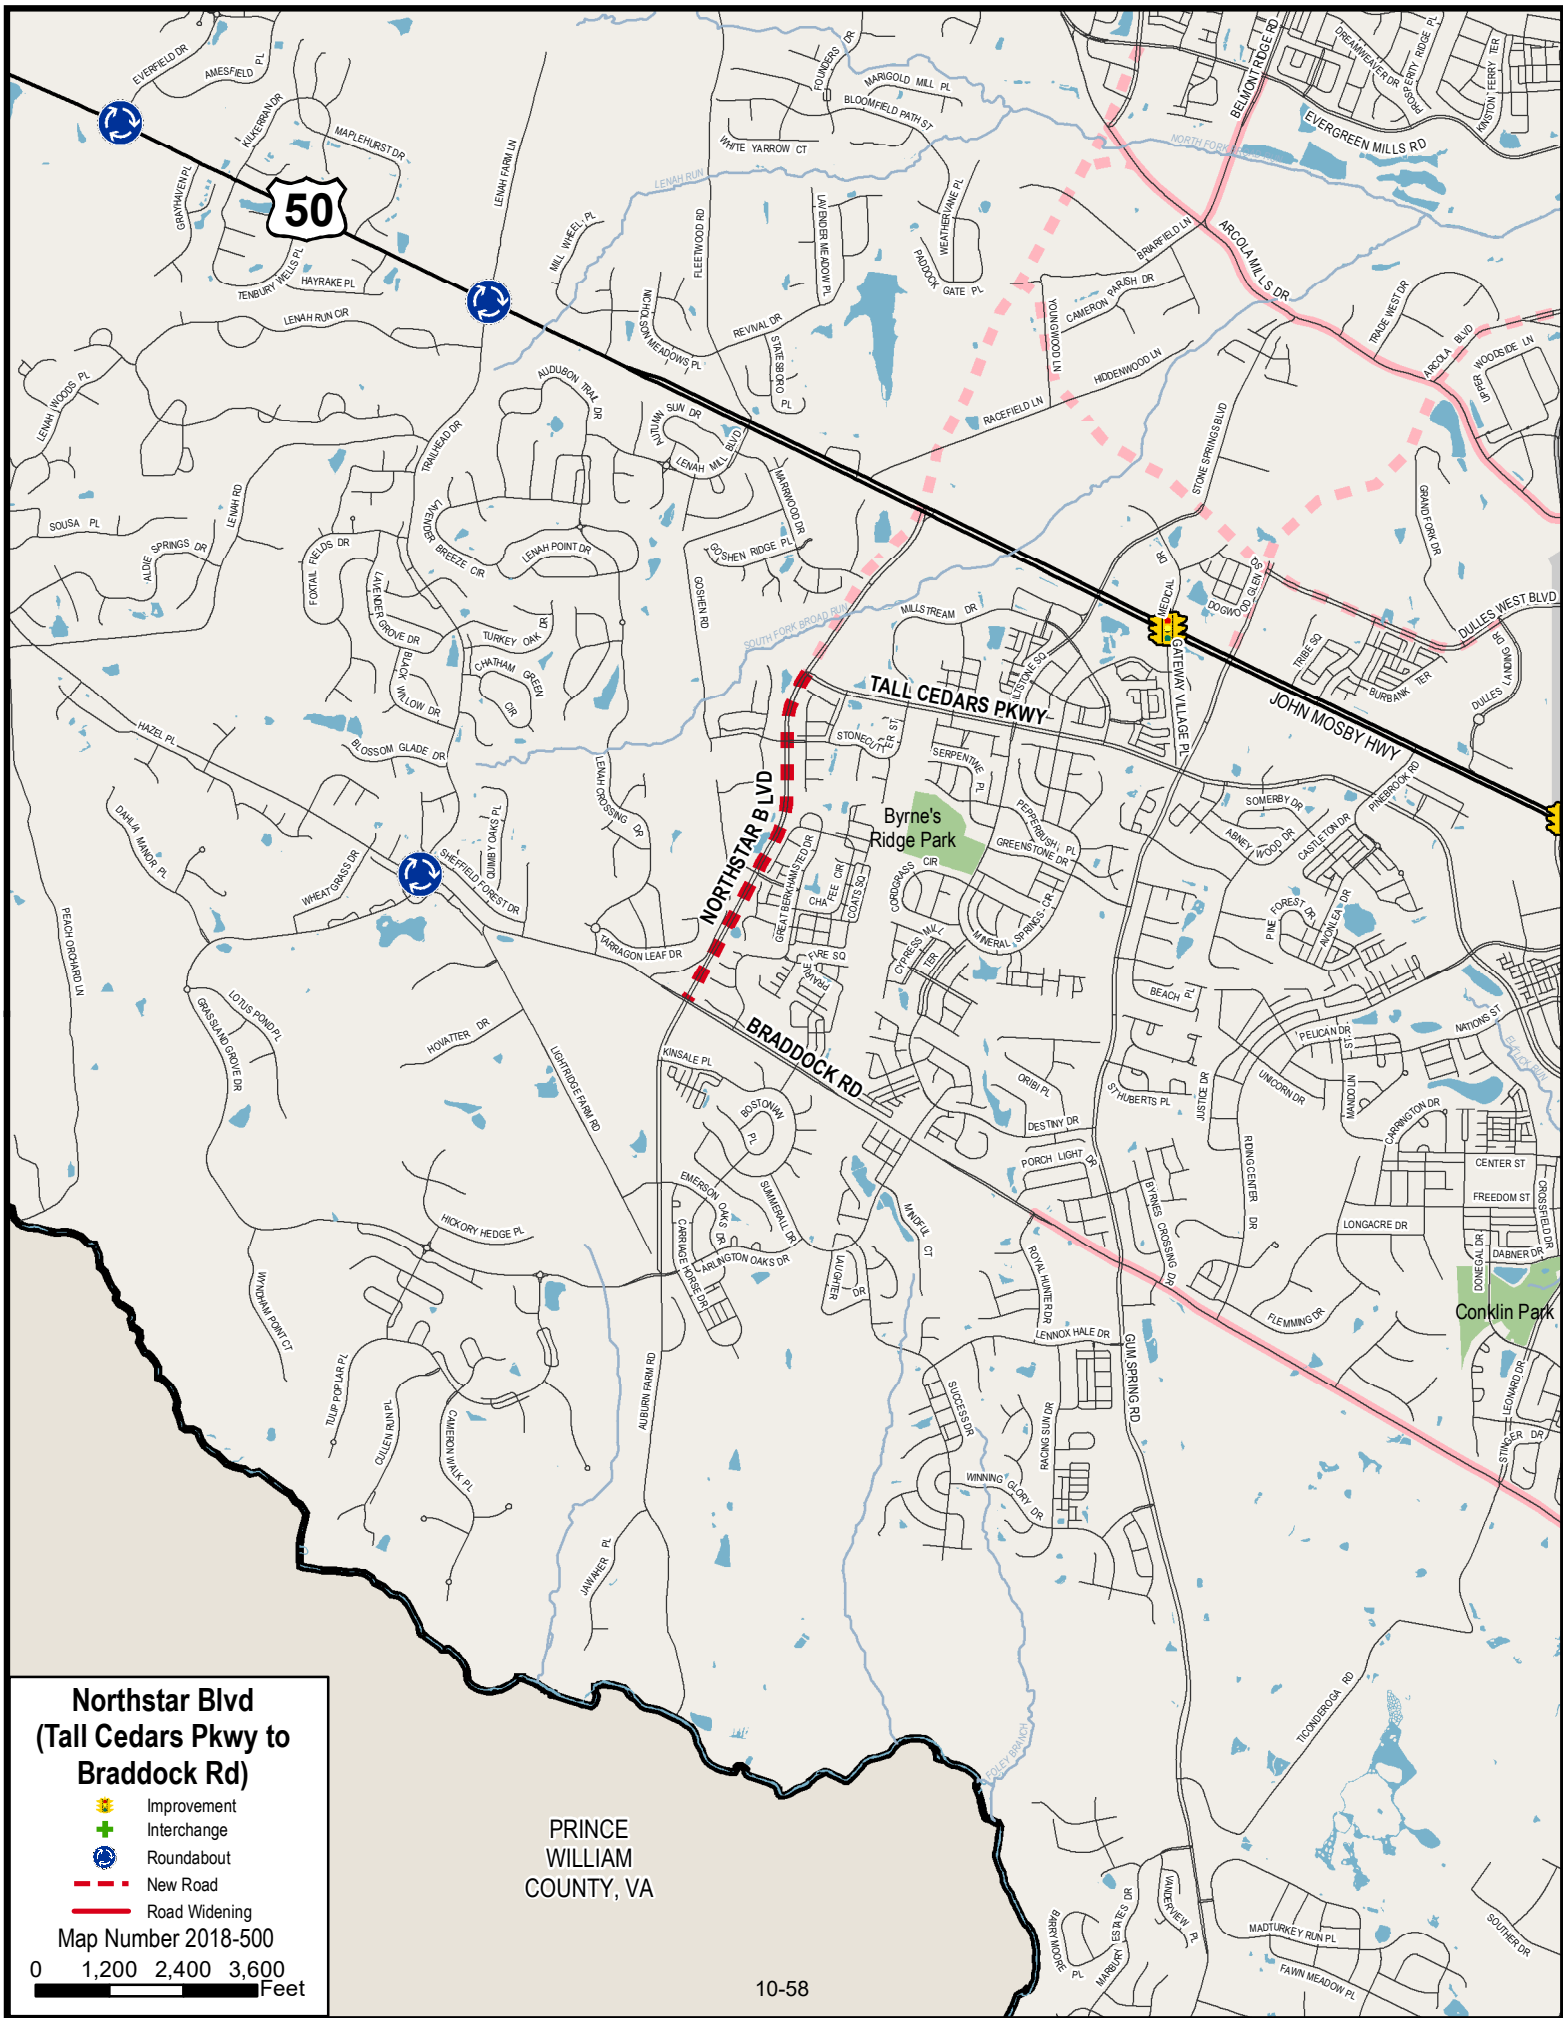

### Background:

This project provides for the planning, design, right-of-way acquisition and construction of the remaining two lanes of Northstar Boulevard between Tall Cedars Parkway (Route 2200) and Braddock Road (Route 620). The project will include a shared use path along the new travel lanes, modifications to an existing traffic signal and new traffic signals where warranted.

## Prentice Drive - Loudoun County Parkway to Lockridge Road

### Details:

**Project Number:** C02316

**Election District:** Broad Run

**Length:** 1.1 miles

**Project Type:** New Roadway and Improvements

**Estimated Completion Year:** FY 2027

**Referendum:** November 2023

### Background:

This project provides for the planning, design, right-of-way acquisition, and construction of Prentice Drive (Route 1071) from Loudoun County Parkway (Route 607) to Lockridge Road (Route 789). This scope of work was originally included in the Prentice Drive – Lockridge Road to Shellhorn Road & Waxpool Road project in the FY 2020 Adopted CIP, but is now being developed as a separate project.

The project was recommended as an essential road to provide connectivity to the Ashburn Metro station. Both roadways will be designed as four-lane urban major collectors, with associated turn lanes and bicycle and pedestrian facilities.

## Prentice Drive – Loudoun County Parkway to Shellhorn & Lockridge West from Prentice to Waxpool

### Details:

Project Number: C02124

Election District: Broad Run

Length: 1.1 miles

Project Type: New Roadway and Improvements

Estimated Completion Year: FY 2027

Referendum:

### Background:

This project provides for the planning, design, right-of-way acquisition, and construction of Prentice Drive (Route 1071) from Loudoun County Parkway (Route 607) to Shellhorn Road (Route 643) at its intersection with Metro Center Drive and a new road, Lockridge West, between Prentice Drive and Waxpool Road. This scope of work was originally in the Prentice Drive – Lockridge Road to Shellhorn Road and Waxpool Road project in the FY 2020 CIP, but will be developed separately as a new project.

The project was recommended as an essential road to provide connectivity to the Ashburn Metro station. Both roadways will be designed as four-lane urban major collectors, with associated turn lanes and bicycle and pedestrian facilities.

## Route 7 Improvements, Phase 1: Route 7 & Route 287 Interchange

### Details:

Project Number: C02206

Election District: Blue Ridge

Length: n/a

Project Type: Interchange Improvements

Estimated Completion Year: FY 2024

Referendum: n/a

### Background:

This project provides for the planning, design, right-of-way acquisition, and construction of improvements for Route 7 at Berlin Turnpike (Route 287) Interchange. The improvements were recommended in a 2012 interchange analysis completed by VDOT. Project elements include lengthened and widened ramps, channelized turn lanes, expanded turn lanes and through lanes along Route 287 between Eastgate Drive and the Westbound Route 7 exit / entrance ramps, expanded pedestrian access, and traffic signal modifications.

## Route 7 Improvements, Phase 2: Route 7 Route 690 (Hillsboro Road) Interchange

### Details:

Project Number: C00196

Election District: Blue Ridge

Length: n/a

Project Type: New Interchange

Estimated Completion Year: FY 2026

Referendum: November 2021

### Phase Costs in Millions

### Background:

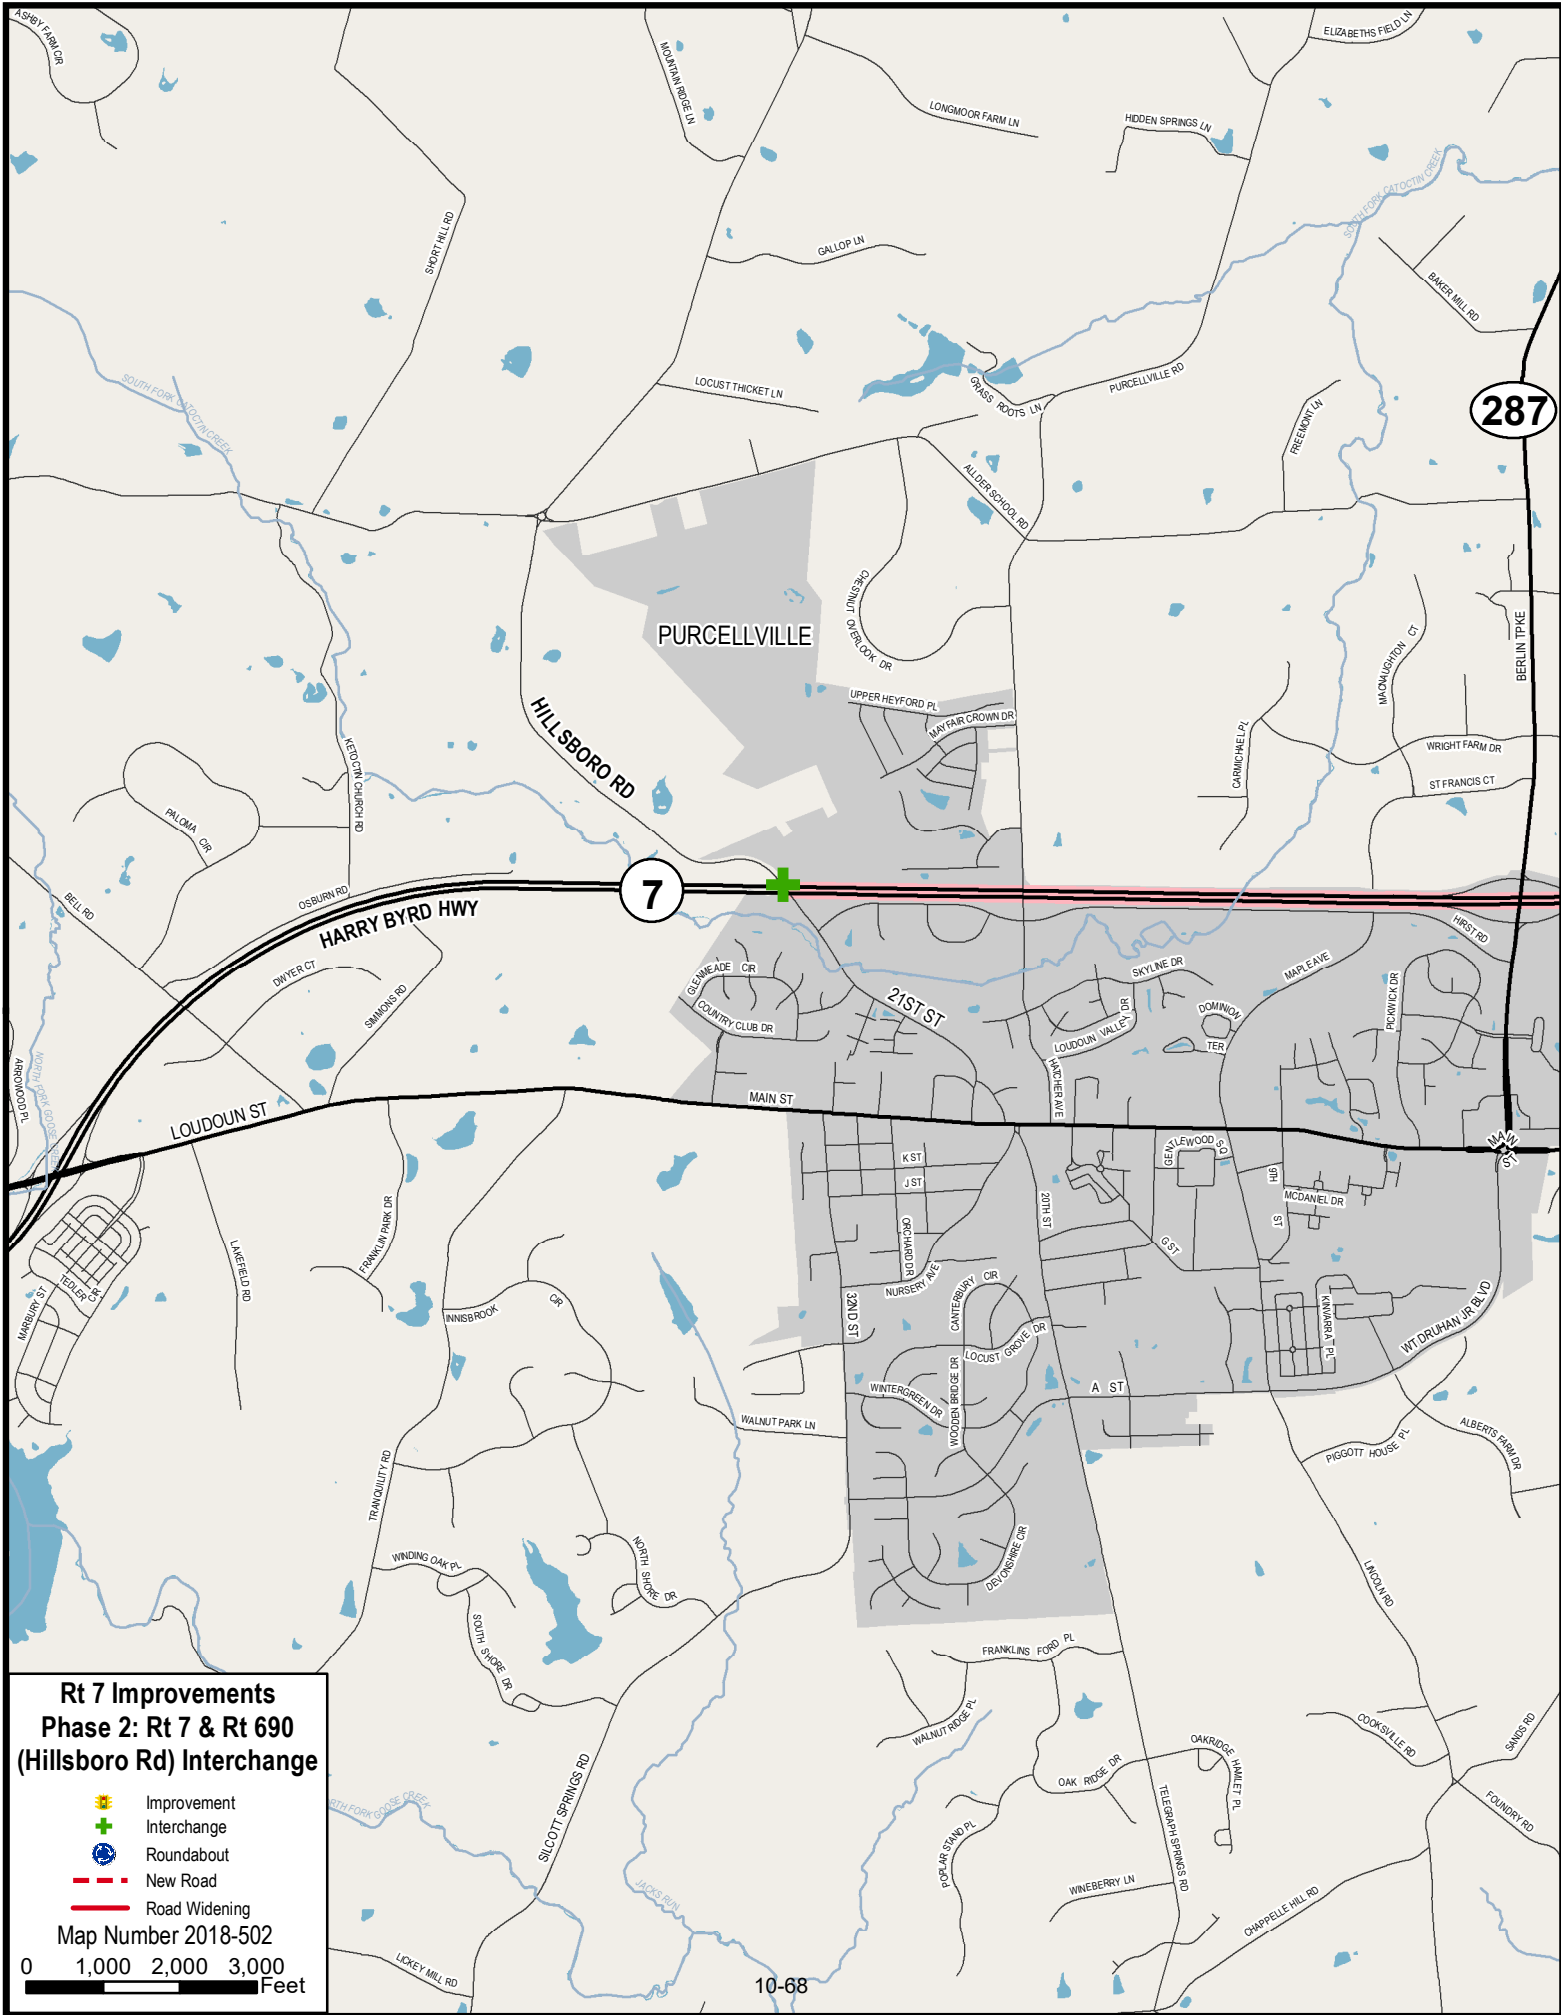

This project provides for design, land acquisition, utility relocation, and construction of a compressed urban diamond interchange at Route 7 at Hillsboro Road (Route 690) west of Purcellville with roundabouts at the ramp termini. Other project elements include improvements to the intersection of Hillsboro Road / North 21<sup>st</sup> Street with Hirst Road, and pedestrian accommodations as well as the construction of a shared use path along Hillsboro Road which will improve connectivity for 21<sup>st</sup> Street in Purcellville to Fields Farm Park Road.

## Route 7 Improvements, Phase 4: Route 9 to Route 704 (Hamilton Station Road)

### Details:

Project Number: n/a

Election District: Catoctin

Length: 2.5 miles

Project Type: Roadway Widening

Estimated Completion Year: FY 2031

Referendum: n/a

### Background:

This project provides for the planning, design, right-of-way acquisition, and construction for an additional travel lane on Route 7 both Eastbound and Westbound between Route 9 and Hamilton Station Road (Route 704). These improvements will be coordinated with other lane additions to Route 7 included in the Capital Improvement Program. This scope of work was originally included in the Route 7 Widening – Route 9 to Route 690 project in the FY 2020 Adopted CIP, but is now being developed as a separate project.

Referendum: n/a

### Background:

This project provides for planning, design, right-of-way acquisition, and construction for an additional travel lane on Route 7 both Eastbound and Westbound between Hamilton Station Road (Route 704) and Route 287. These improvements will be coordinated with other lane additions to Route 7 proposed in the Capital Improvement Program. This scope of work was originally included in the Route 7 Widening – Route 690 to Route 9 project in the FY 2020 Adopted CIP, but is now being developed as a separate project.

## Route 15 Montresor Road and Point of Rocks Bridge – Improvements

### Details:

**Project Number:** C02300

**Election District:** Catoclin

**Length:** n/a

**Project Type:** Intersection and Safety Improvements

**Estimated Completion Year:** FY 2031

**Referendum:** November 2020

### Phase Costs in Millions

### Project Phase Timeline by FY

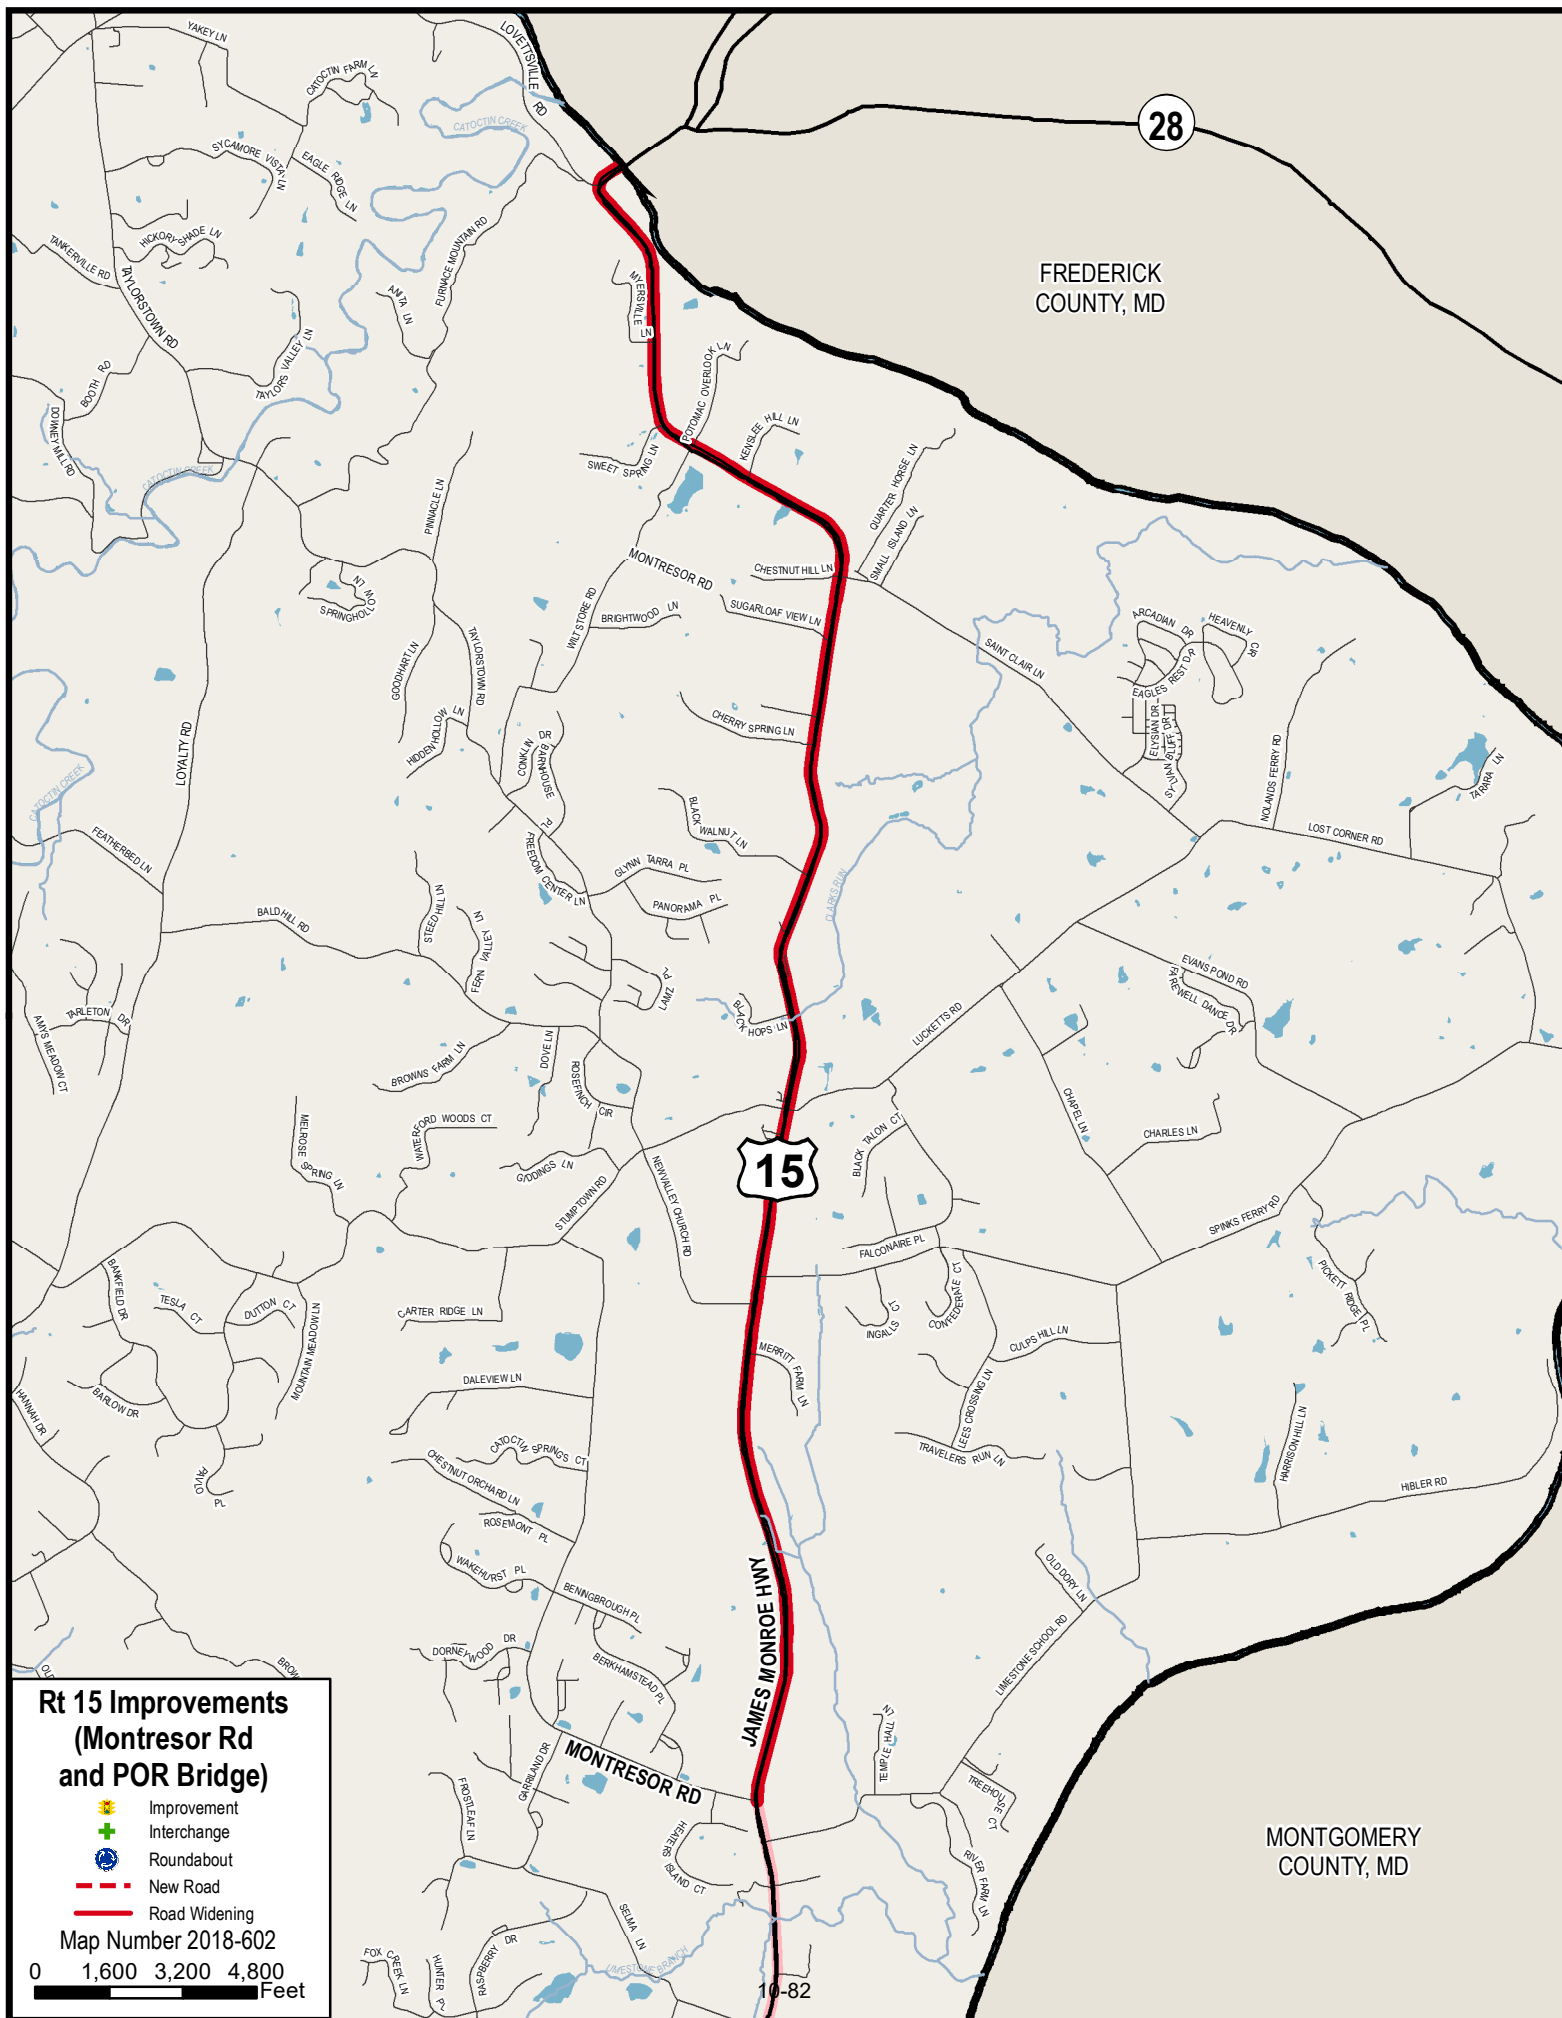

### Background:

This project provides for the design, right-of-way acquisition, utility relocation, and construction of the following: Widening to four lanes with median from Montresor Road to Stumpton Road / Lucketts Road; improved two lane roadway with median and shoulders from Stumpton / Lucketts Road to Saint Claire Lane; improved two lane roadway with shoulders from Saint Claire Lane to the Point of Rocks bridge; shared use path along the west side of Route 15 from Montresor Road to Saint Clair Lane; bypass around the village of Lucketts; roundabout at Spinks Ferry Road with realigned New Valley Church Road; roundabout at Stumpton Road / Lucketts Road; and traffic signal with turn lanes at Lovettsville Road.

The improvements may be phased.

## Route 15 Widening (Battlefield Parkway to Montresor Road)

### Details:

**Project Number:** C02212

**Election District:** Catoclin, Leesburg

**Length:** 3.5 miles

**Project Type:** Roadway Widening and Intersection Improvements

**Estimated Completion Year:** FY 2028

**Referendum:** n/a

### Phase Costs in Millions

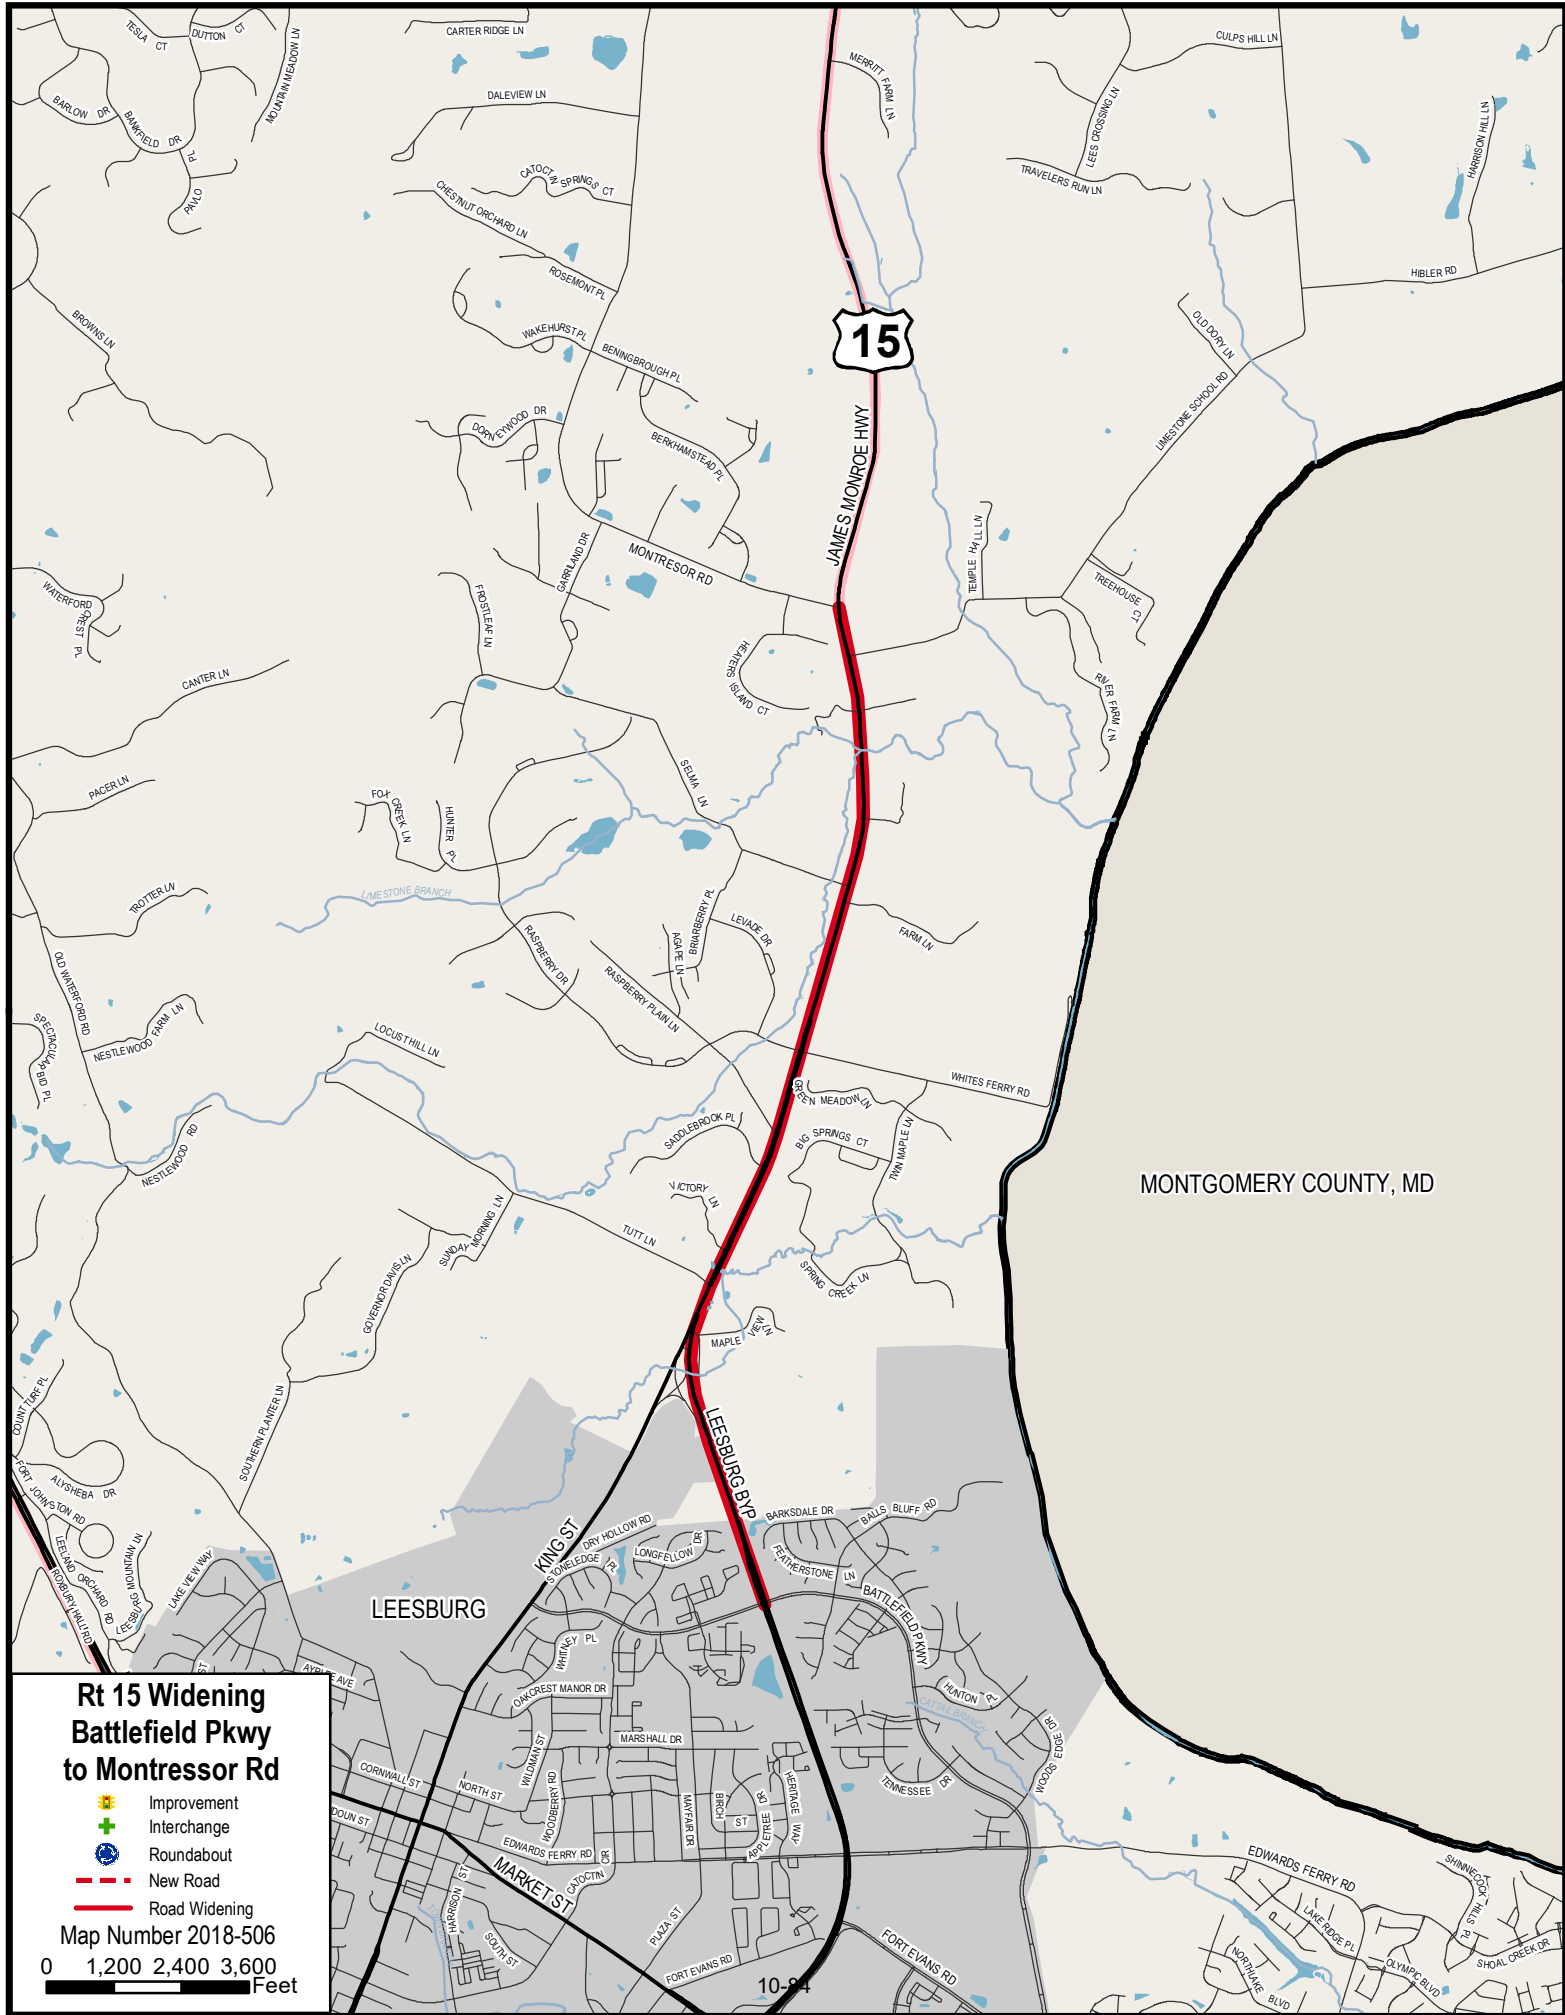

### Background:

This project provides funding for the planning, design, right-of-way acquisition, and widening of Route 15 from two to four lanes from Battlefield Parkway in the Town of Leesburg to Montresor Road (Route 661). This project also includes intersection improvements at North King Street, traffic signal modifications at Whites Ferry Road (Route 655) / Raspberry Drive, a four-legged roundabout at Montresor Road with a realigned Limestone School Road (Route 661), and the construction of a shared use path on the west side of Route 15 entry at the roundabout, just north of Montresor Road.

## Ryan Road - Evergreen Mills Road to Beaverdam Drive

### Details:

Project Number: n/a

Election District: Blue Ridge

Length: 0.7 miles

Project Type: Roadway Widening

Estimated Completion Year: FY 2030

Referendum: November 2022

### Phase Costs in Millions

### Background:

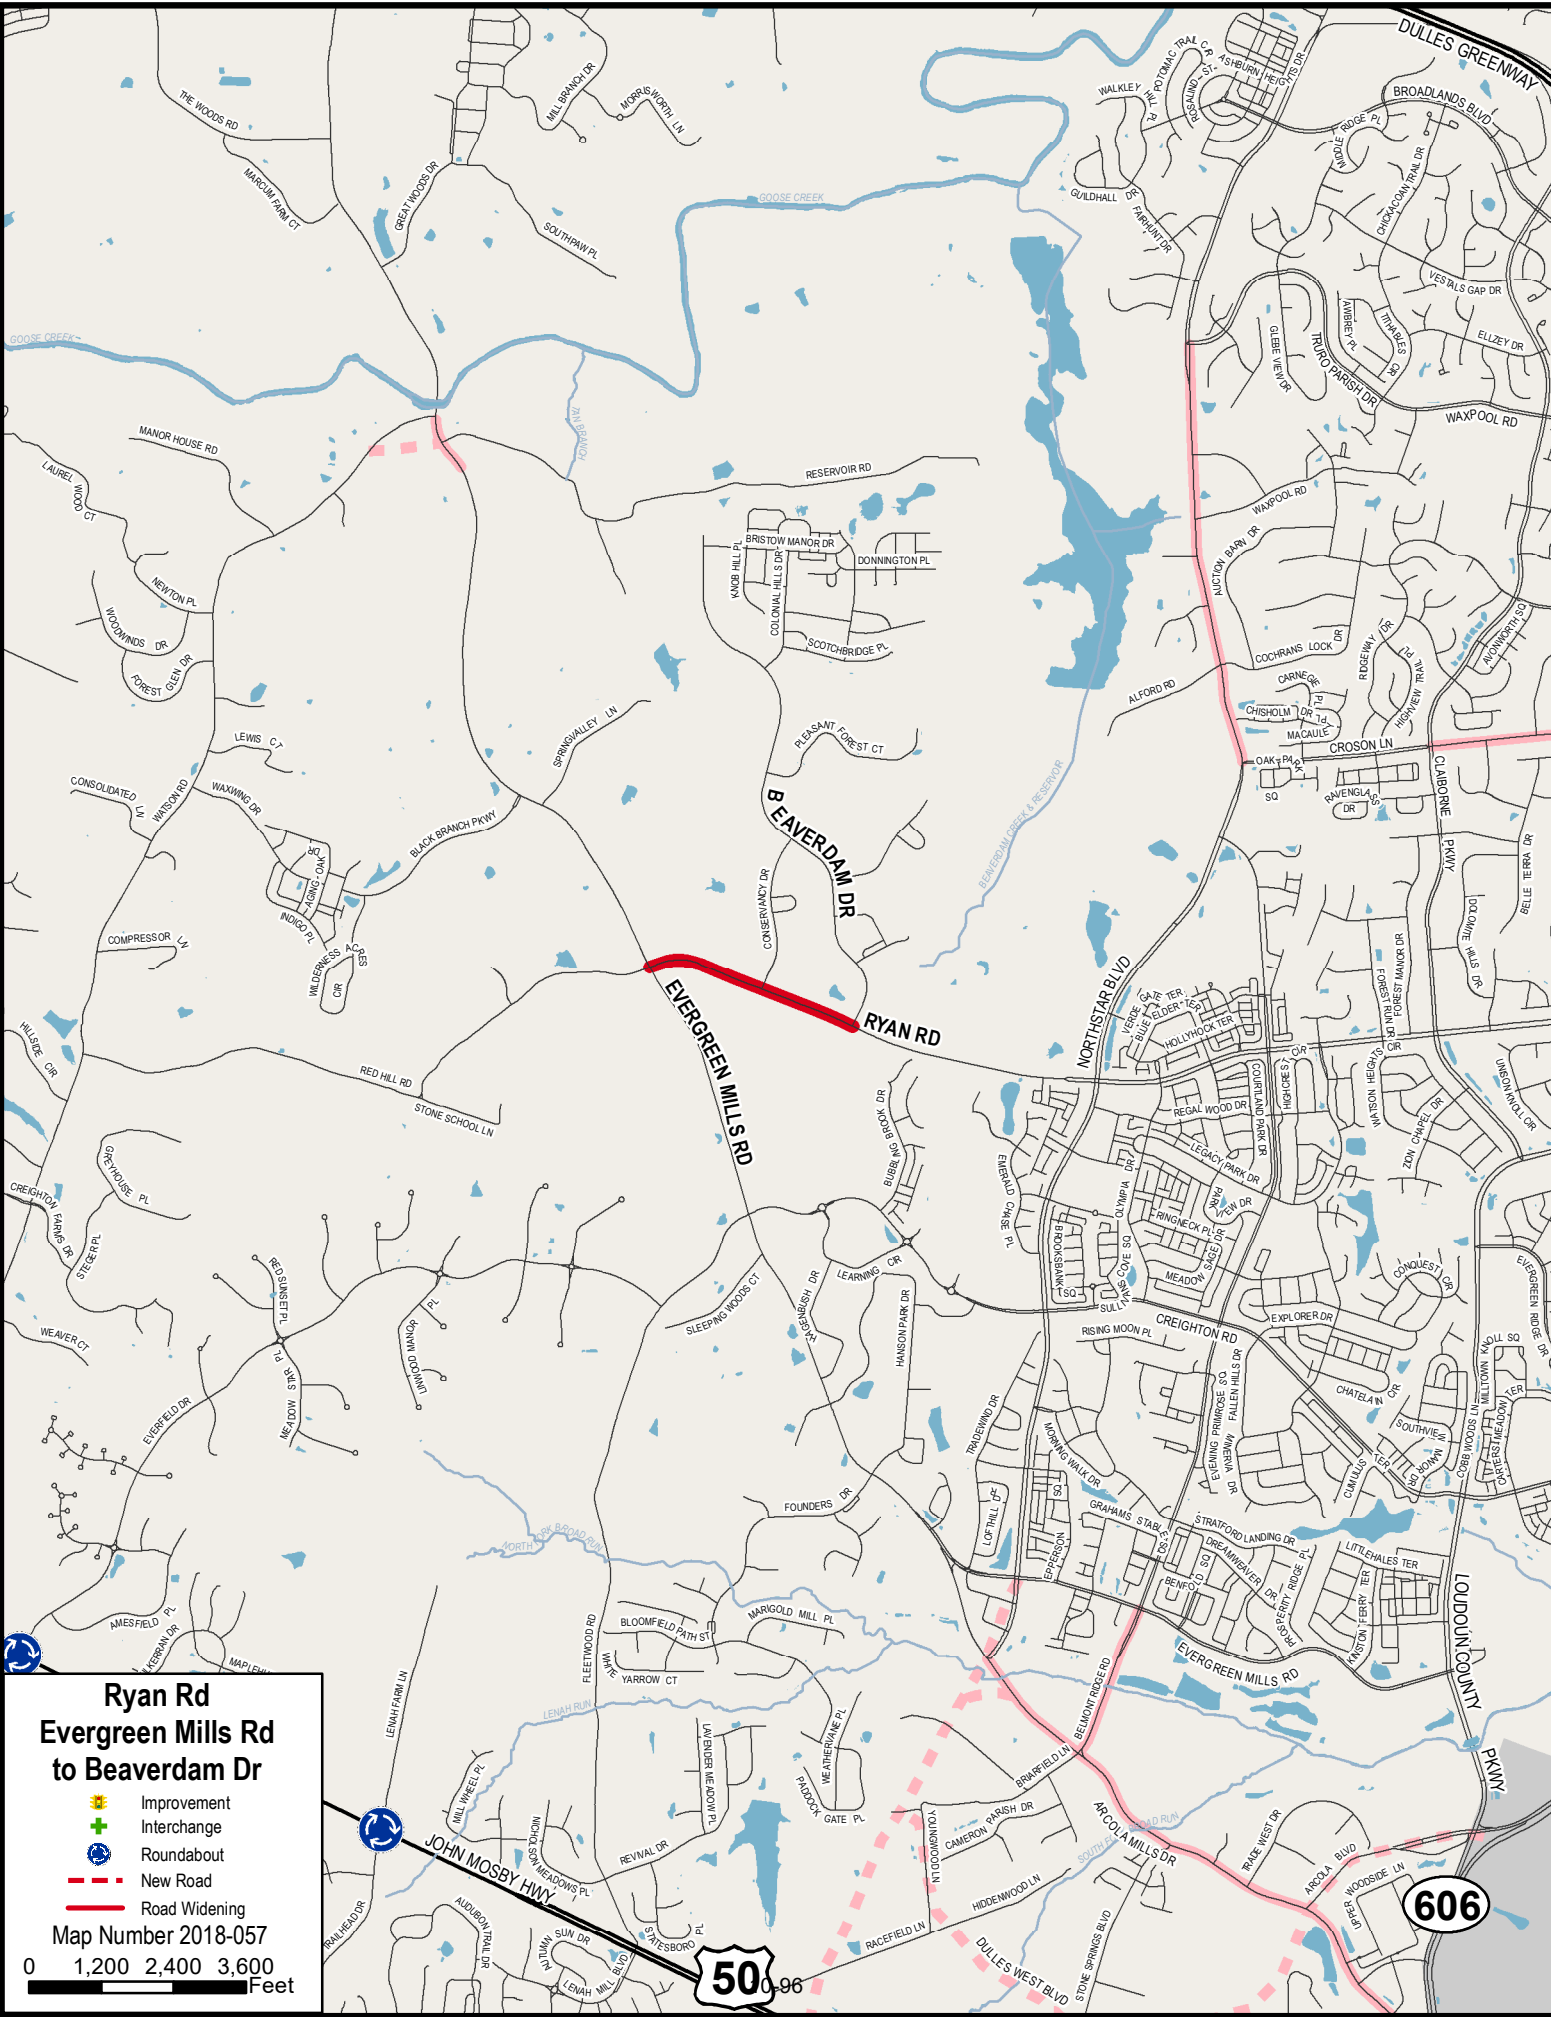

This project provides for the planning, design, right-of-way acquisition, and widening of Ryan Road between Evergreen Mills Road (Route 621) and Beaverdam Drive (Route 2475). Ryan Road will be improved as a Major Collector to a suburban, controlled access, four lane, median divided facility with shared use paths on both sides of the road within a 120 ft. wide right of way. Planning, design, and widening of the Ryan Road segment from Beaverdam Drive to Northstar Boulevard was proffered by a developer and began construction in FY 2019.

## Safety Audit and Improvements -Evergreen Mills Road and Arcola Mill Drive Corridor

### Details:

Project Number: TBD

Election District: Catoctin, Blue Ridge

Length:

Project Type: Safety Audit and Improvements

Estimated Completion Year:

Referendum:

### Phase Costs in Millions

\$1.0				
\$0.5				
\$0.0	\$0.0	\$0.0	\$0.0	\$0.0
	Design	Land	Construction	Other

### Background:

This project entails the design, land acquisition, utility relocation, and construction of Tier II and Tier III (Items 7 and 8) corridor improvements recommended from a Road Safety Audit completed for the Evergreen Mills Road (portions now named Arcola Mills Drive) presented to the Board at their March 5, 2019 Business meeting. Improvements include: turn-lane improvements, pavement enhancements, safety improvements, construction of enforcement areas, roundabout at Crimson Place and Red Cedar Drive, and Shreve Mill Road and Evergreen Mills Road. The project budget has not been developed.

## Shellhorn Road & Central Station Drive / Hartley Place Intersection Improvements

### Details:

Project Number: n/a

Election District: Broad Run

Length: n/a

Project Type: Intersection Improvement

Estimated Completion Year: FY 2025

Referendum: n/a

### Background:

This project provides for the planning, design, right-of-way acquisition, and construction of improvements at the intersection of Shellhorn Road, Central Station Drive, and Hartley Place. The work includes alterations to the existing median, concrete island channelization to limit turning movements at the existing median break, and additional signage.

## Sycolin Road – Loudoun Center Place to Crosstrail Boulevard

### Details:

Project Number: n/a

Election District: Catoctin

Length: 1.0 miles

Project Type: Roadway Widening

Estimated Completion Year: FY 2030

Referendum: November 2023

### Phase Costs in Millions

### Background:

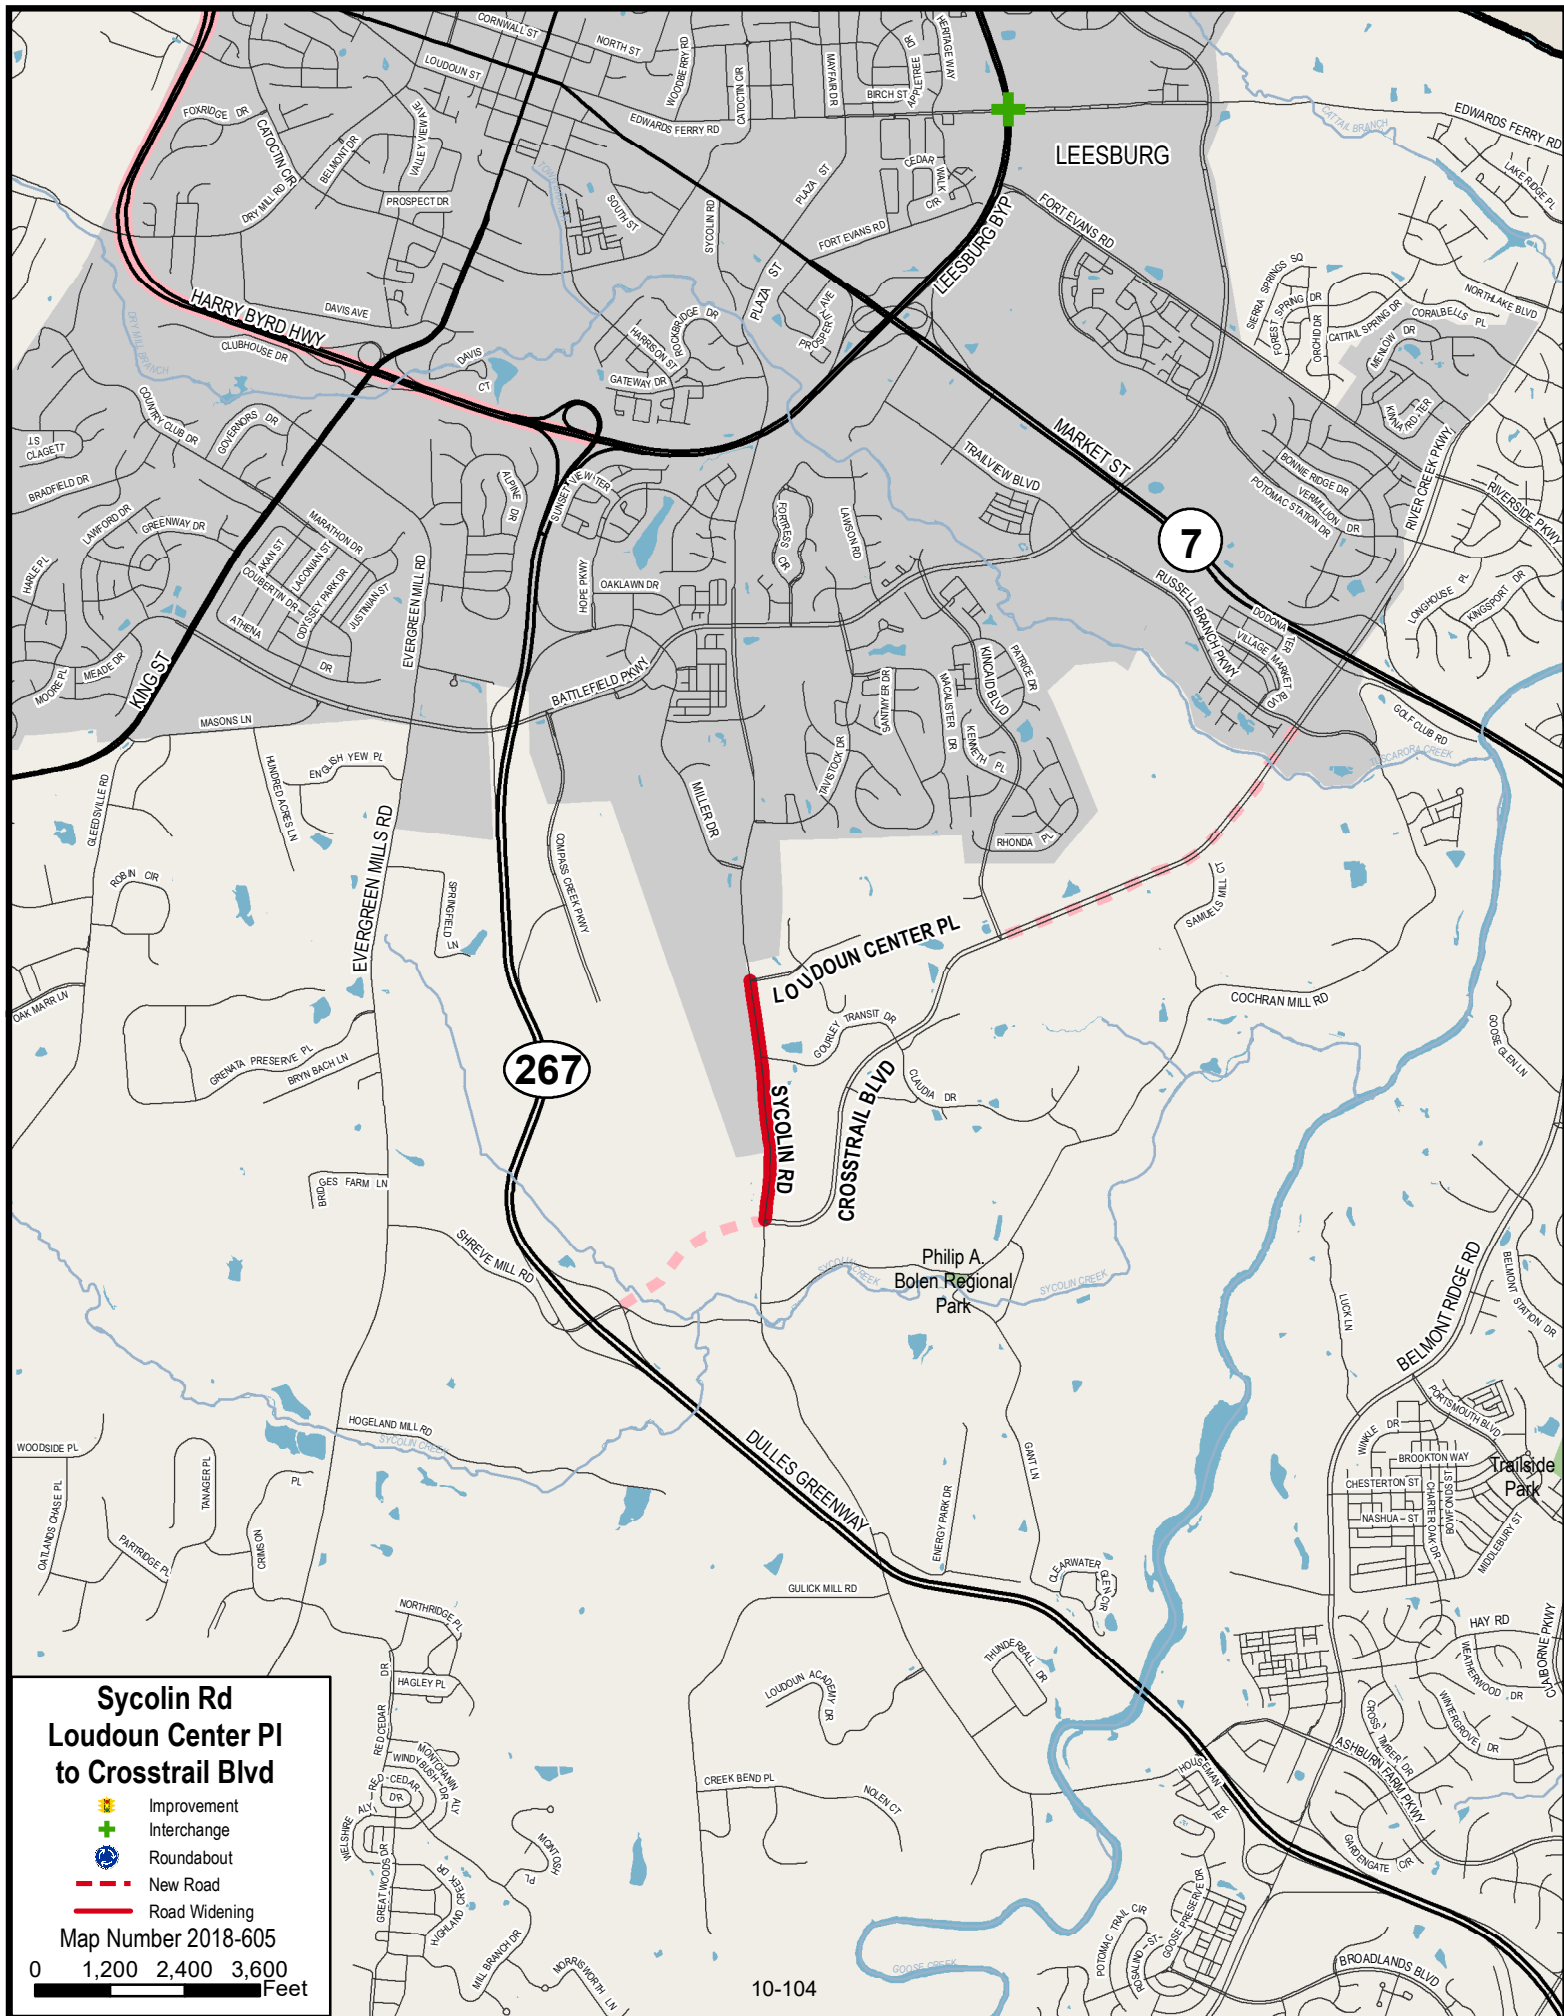

This project provides for the planning, design, right-of-way acquisition, and construction to widen Sycolin Road to a four-lane, median divided roadway between Loudoun Center Place and Crosstrail Boulevard. The new roadway will be developed as a suburban, controlled access facility per the JLMA and Transition area policies within a 90 ft. right of way, featuring shared use paths on both sides of the road.

## Waxpool Road / Loudoun County Parkway Intersection Improvements

### Details:

**Project Number:** C02089

**Election District:** Broad Run

**Length:** 0.5 miles

**Project Type:** Widening and Intersection Improvements

**Estimated Completion Year:** FY 2024

**Referendum:** November 2021

### Phase Costs in Millions

### Background:

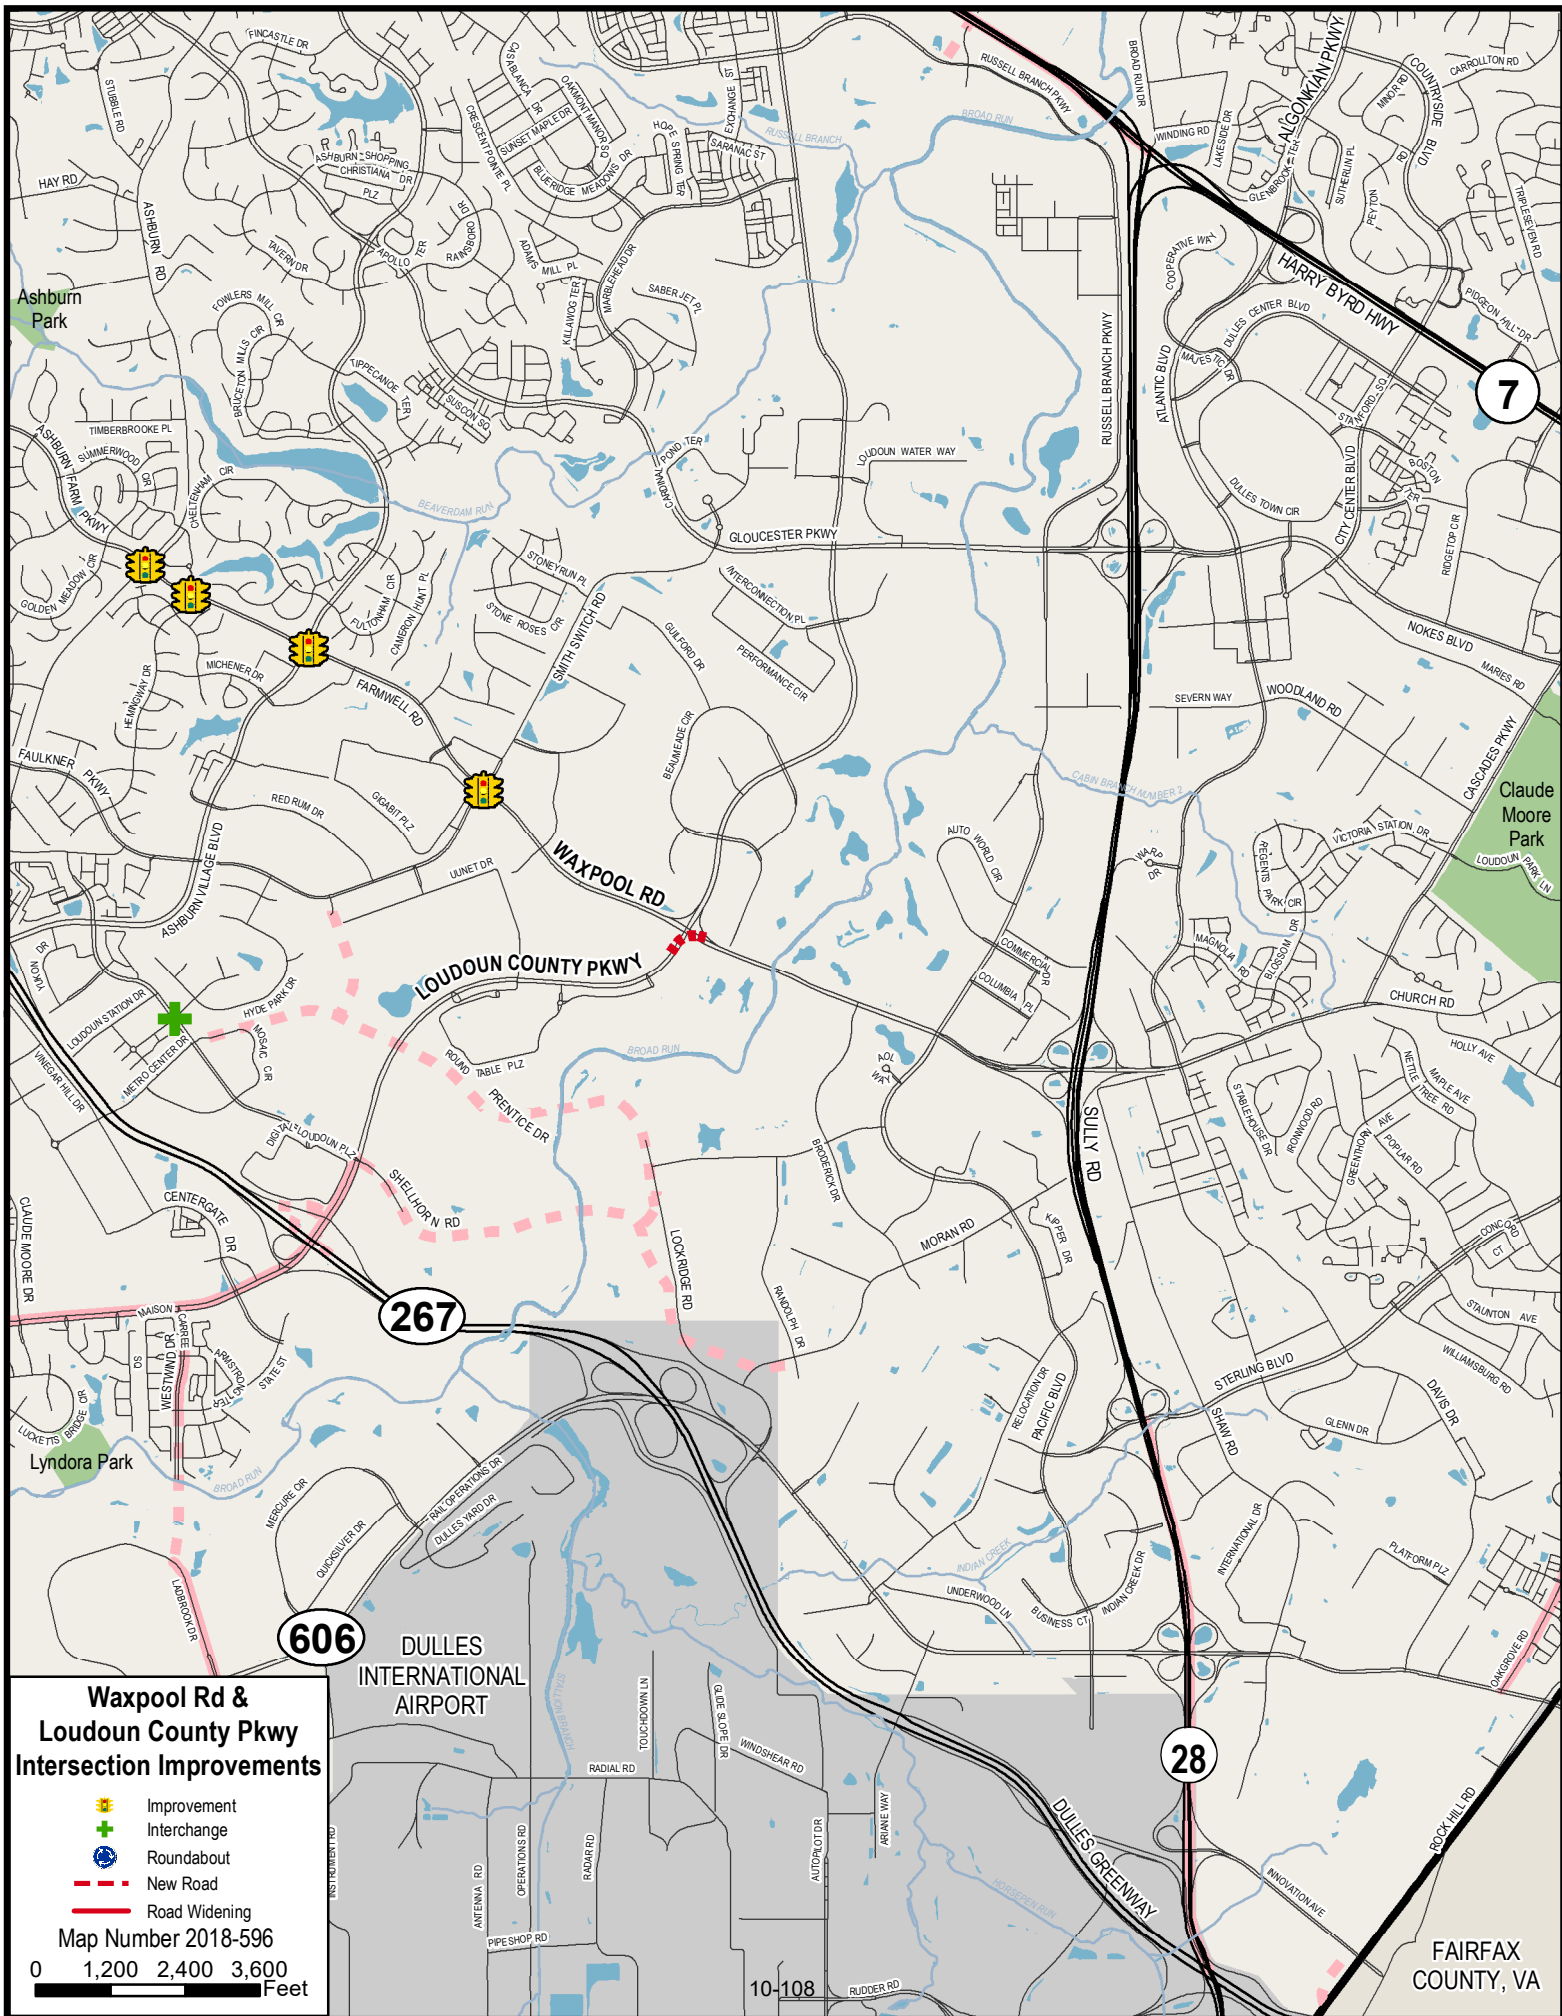

This project provides for the planning, design, right-of-way acquisition, and construction for widening and intersection improvements along Waxpool Road (Route 625) at Loudoun County Parkway (Route 607). The project entails developing triple left turn lanes from Westbound Waxpool Road onto Southbound Loudoun County Parkway and a channelized free flow right turn lane with an acceleration lane from Northbound Loudoun County Parkway onto Eastbound Waxpool Road. The project is designed to accommodate the Westbound Waxpool Road left turns onto Southbound Loudoun County Parkway, as well as the Eastbound right turn lanes from Loudoun County Parkway onto Waxpool Road.

## Route 50 Corridor Improvements

### Details:

Project Number: C02208

Election District: Dulles

Length: 5.0 miles

Project Type: Intersection Improvements

Estimated Completion Year: FY 2024

Referendum: n/a

### Phase Costs in Millions

\$1.0				
\$0.5				
\$0.0	\$0.0	\$0.0	\$0.0	\$0.0
	Design	Land	Construction	Other

### Background:

This project provides for the planning, design, and construction of two intersection improvements along Route 50. At Route 50 and Loudoun County Parkway, an Eastbound left turn lane will be added, and Route 50 at Pleasant Valley Road will be improved to increase capacity.

This project will be administered by the Virginia Department of Transportation (VDOT) under UPC 114827, and the project is funded with federal Highway Infrastructure Program (HIP) funding which is being administered by VDOT. The County does not manage the budget or schedule for the project.

### Project Phase Timeline by FY

	21	22	23	24	25	26
Design						
Land						
Construction						

The scope of work associated with the Route 50 Corridor Improvements – Loudoun & Fairfax was removed from this project, and a separate project was created to effectively administer the projects.

The County provided \$3,008,000 of funding in prior years. In addition, VDOT has programmed \$1,993,000 of HIP funding for this project. The current VDOT Six-Year Improvement Program (SYIP) estimate is \$5,000,000 for the project.

## Background:

This project provides for the planning, design, and construction of four intersection improvements along Route 50. Two intersections will be improved in both Loudoun and Fairfax County. The improvements are capacity enhancements to address congestion stemming from a November 2017 Route 50 Corridor study.

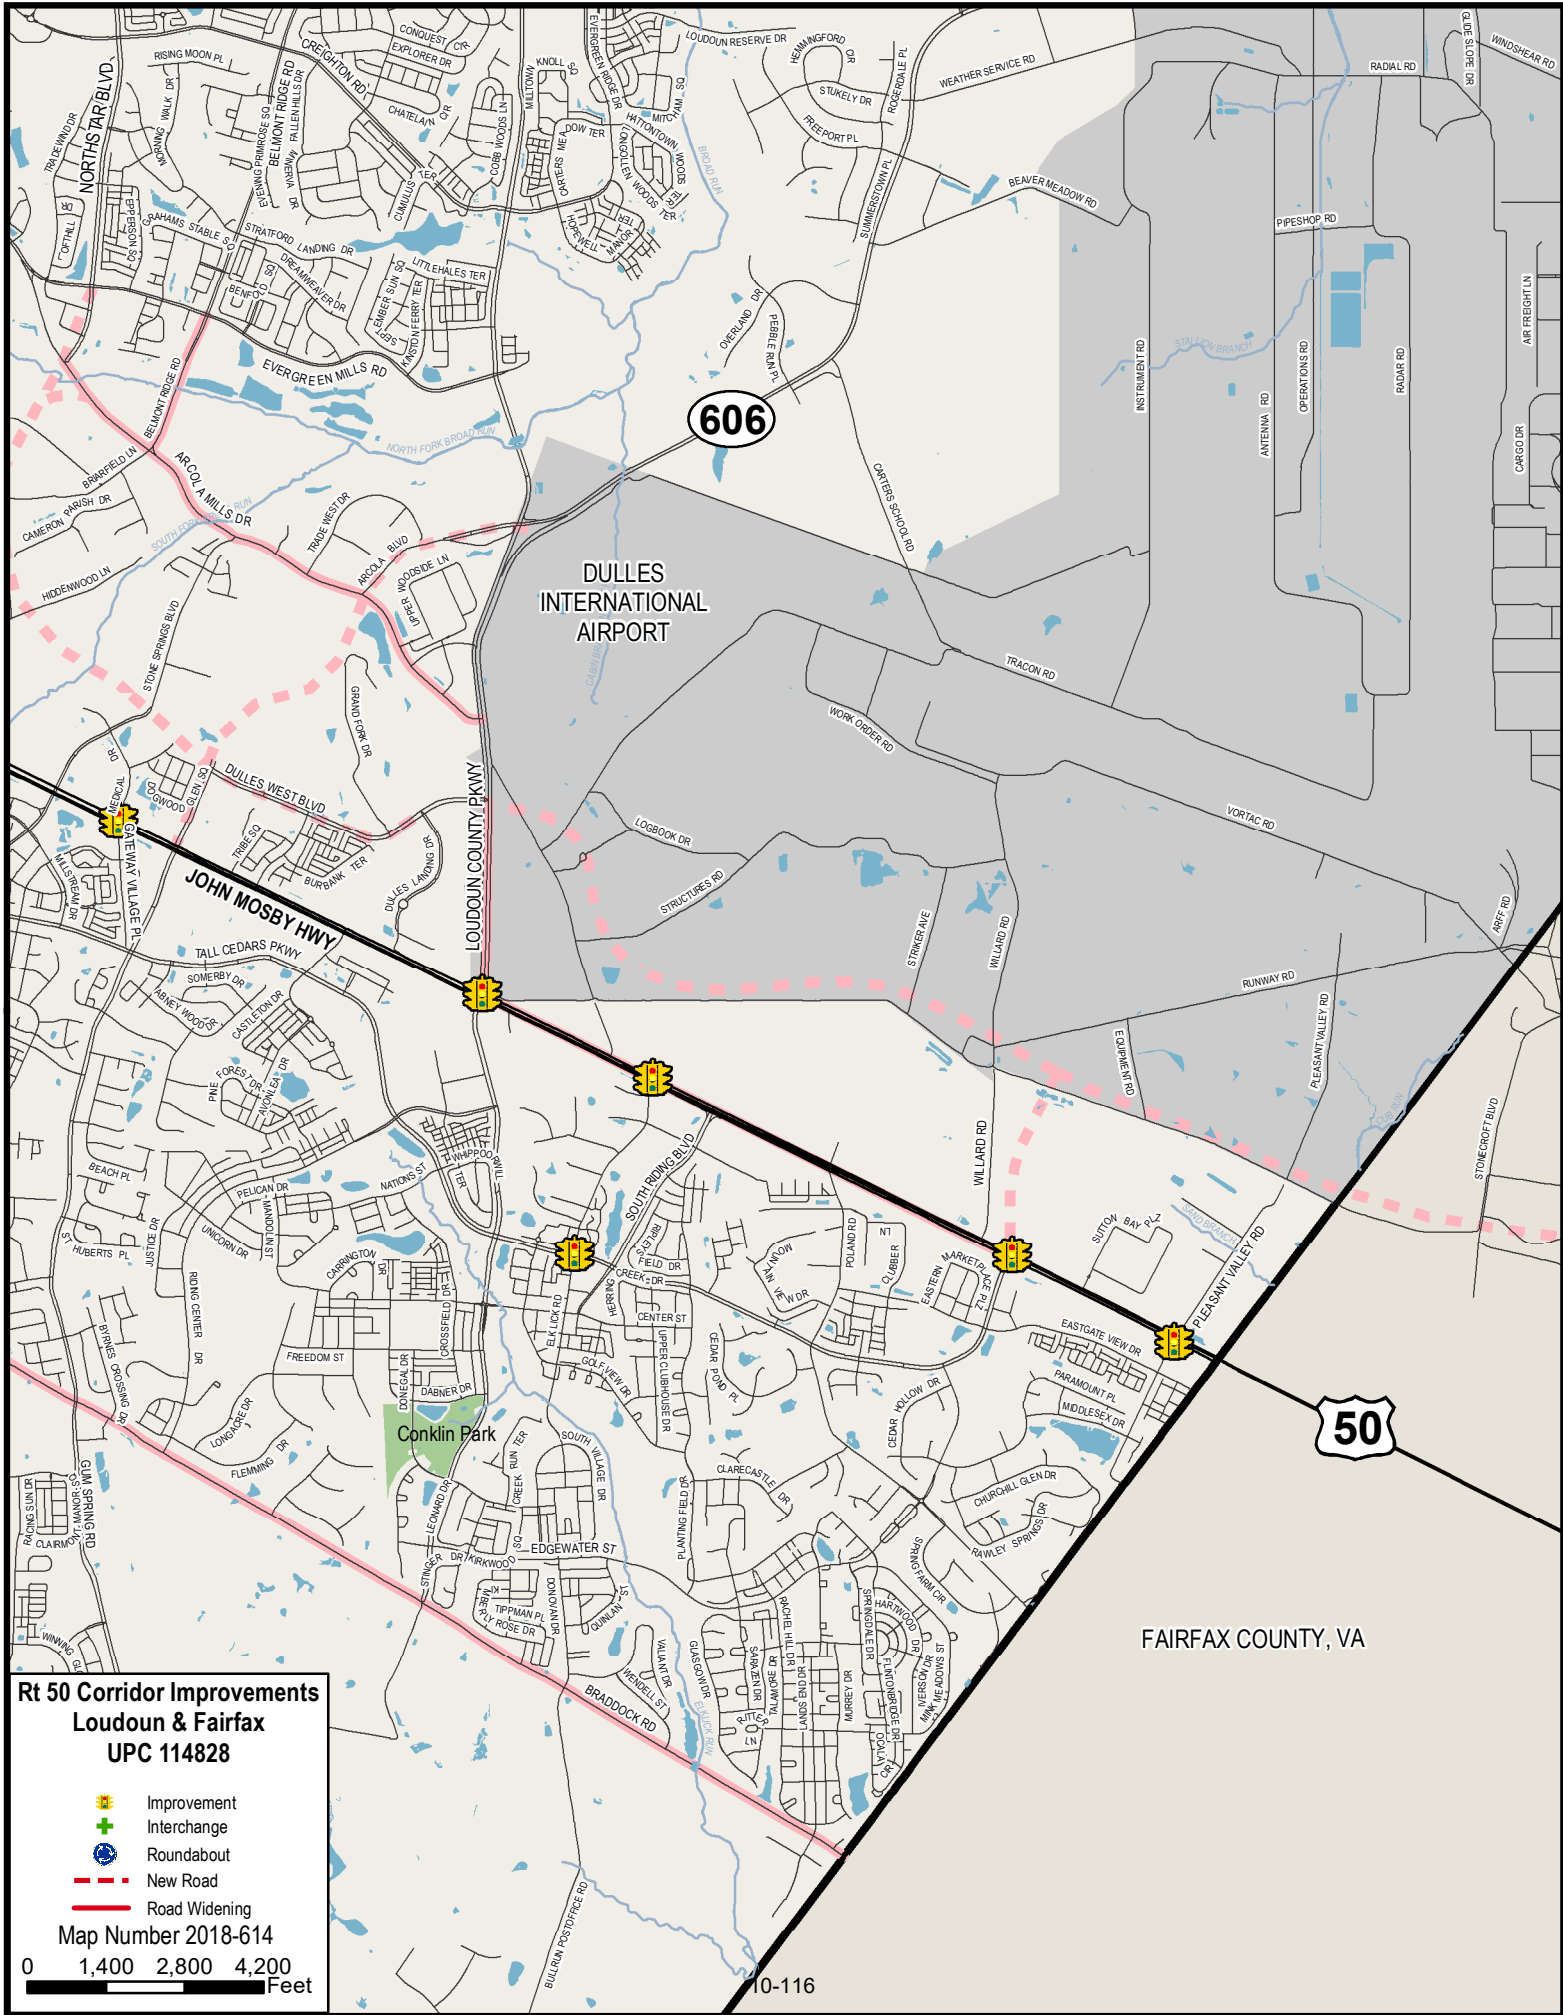

This project will be administered by the Virginia Department of Transportation (VDOT) under UPC 114828, and the project is funded with federal Highway Infrastructure Program (HIP) funding which is being administered by VDOT. The County does not manage the budget or schedule for the project.

## Project Phase Timeline by FY

	21	22	23	24	25	26
Design						
Land						
Construction						

The County provided \$2,457,000 of funding in prior years. In addition, VDOT has programmed \$3,273,000 of HIP funding for this project. The current VDOT Six-Year Improvement Program (SYIP) estimate is \$5,731,000 for the project. This scope of work was originally included in the Route 50 Intersection Improvements project in the FY 2020 Adopted CIP, but is now being developed as a separate project.

## Sidewalks, Traffic Signals, and Traffic Calming

## Belmont Ridge Road &amp; Legacy Park Drive – Traffic Signal

## Details:

Project Number: n/a

Election District: Blue Ridge

Project Type: Traffic Signal

Estimated Completion Year: FY 2028

Referendum: n/a

## Background:

This project provides for a warrant study, design, acquisition of easements, and construction of a traffic signal at the intersection of Belmont Ridge Road (Route 659) and Legacy Park Drive (Route 2551).

## Sidewalks, Traffic Signals, and Traffic Calming

### Contingency Accounts

#### Details:

**Project Number:** Sidewalk Contingency - C02009; Traffic Calming Contingency - C02008; Traffic Signal - C02010

**Election District:** Countywide

**Estimated Completion Year:** Ongoing

**Referendum:** n/a

#### Background:

This project provides funding for sidewalks, signals, and traffic calming contingency accounts:

#### Sidewalk Contingency

Provides \$1,000,000 in funding in each year of the FY 2021 - FY 2026 CIP planning period to be used Countywide for the design and construction of missing sidewalk segments.

#### Traffic Calming Contingency

Provides \$250,000 in funding in each year of the FY 2021 - FY 2026 CIP planning period to be used Countywide for the study, design, and construction of traffic calming measures.

#### Traffic Signal Contingency

Provides \$750,000 in funding in each year of the FY 2021 - FY 2026 CIP planning period to be used Countywide for the study, design, and construction of traffic signals.

## Sidewalks, Traffic Signals, and Traffic Calming

### Harmony Middle School Sidewalk

#### Details:

Project Number: n/a

Election District: Catoctin

Length: 1 mile

Project Type: New Sidewalk and Drainage Improvements

Estimated Completion Year: FY 2026

Referendum: n/a

#### Background:

This project provides funding to develop missing sidewalk segments and to make storm drainage improvements. In addition it provides funding to connect the existing sidewalk along Colonial Highway (Route 7 Business) in front of the Kenneth W. Culbert Elementary school from the existing shared use path located near Greentop Drive, just east of Route 287 in the Town of Purcellville to the existing sidewalk east of South Hughes Street (Route 709) in the Town of Hamilton.

## Sidewalks, Traffic Signals, and Traffic Calming

### Intersection Improvement Program

#### Details:

**Project Number:** C02204

**Election District:** Countywide

**Length:** n/a

**Project Type:** Traffic Signal Installation/Roundabout Construction

**Estimated Completion Year:** Ongoing

**Referendum:** November 2022

#### Background:

This program provides funding to initiate improvements for a minimum of one and a maximum of six intersection improvements each year based on the size and scope of the needed improvement (typically five signals, one roundabout).

Traffic signals typically require one year for design and one year for land acquisition, with construction starting in year three. Roundabouts typically require two years for design, one year for land acquisition, and two years for construction. Project development times vary by project location.

The proposed funding plan addresses the most urgent intersections in the first six years of the program. Prioritization of intersections will be based on a ranking of intersections that considers both frequency of accidents and traffic volume. Further prioritization and final selection of intersections in the program will be made by the Board of Supervisors. The project serves as a funding source account. Once specific project locations are identified, funds are transferred to the specific project account.

## Sidewalks, Traffic Signals, and Traffic Calming

### Loudoun County Parkway – Shared Use Path

#### Details:

Project Number: n/a

Election District: Dulles

Length: 1.30 miles

Project Type: New Shared Use Path

Estimated Completion Year: 2029

Referendum: November 2023

#### Background:

This project funds the construction of a ten-foot-wide shared use path on the west side of Loudoun County Parkway between Riding Center Drive and Route 50 and Dulles West Boulevard and Evergreen Mills Road. The section of the shared use path between Route 50 and Dulles West Boulevard is being developed as part of the scope of work included in the Loudoun County Parkway (Dulles West to Route 50) CIP project.

## Sidewalks, Traffic Signals, and Traffic Calming

### River Creek Parkway – Sidewalk

#### Details:

Project Number: n/a

Election District: Leesburg, Catoctin

Length: 1,800 feet

Project Type: New Sidewalk

Estimated Completion Year: FY 2026

Referendum: November 2020

#### Background:

This project provides funding to develop missing sidewalk segments along the east side of River Creek Parkway (Route 773) between Parkers Ridge Drive (Route 3054) and Potomac Station Drive (Route 3064).

### Route 7 Pedestrian Crossings

#### Details:

**Project Number:** C02202

**Election District:** Sterling

**Length:** n/a

**Project Type:** Intersection and Safety Improvements

**Estimated Completion Year:** FY 2026

**Referendum:** November 2019

#### Background:

This project provides funding for improvements to three pedestrian crossings on Route 7 at Bartholomew Fair Drive (Route 1792)/Campus Drive (Route 391), Potomac View Drive (Route 637), and Lakeland Drive (Route 821), and for the design, right-of-way acquisition, and construction of a shared use path between the crossings on the north side of Route 7.

## Sidewalks, Traffic Signals, and Traffic Calming

### Sidewalk and Trail Program

#### Details:

**Project Number:** C02236

**Election District:** Countywide

**Length:** 3 miles per year (average)

**Project Type:** New Sidewalk and Trail Construction

**Estimated Completion Year:** Ongoing

**Referendum:** November 2020

#### Background:

This project provides for planning, design, right-of-way acquisition, and construction of improvements for approximately three to five miles of sidewalks and trails per year. Construction and improvements will vary depending on the project. Annual mileage will vary based on degree of land acquisition and utility relocations the improvements require.

This project serves as a funding source account. Once specific project locations are identified, funds are transferred to the specific project account.

## Sidewalks, Traffic Signals, and Traffic Calming

### Sterling Boulevard/ W&OD Trail Overpass

#### Details:

Project Number: C02270

Election District: Sterling

Length: 1,950 feet

Estimated Completion Year: FY 2027

Referendum: November 2022

#### Background:

This project provides for the design, right-of-way- acquisition, and construction of a shared-use path overpass across Sterling Boulevard (Route 846) at the W&OD Trail. This project will serve walkers, bicyclists, joggers, horseback riders, rollerblading, and other users. The overpass will separate these activities from roadway traffic.

## Sidewalks, Traffic Signals, and Traffic Calming

### W&OD At-Grade Crossing Improvements

#### Details:

Project Number: n/a

Election District: Countywide

Length: n/a

Project Type: Shared Use Path Improvements

Estimated Completion Year: FY 2025

Referendum: n/a

#### Background:

This project provides funding for various improvements at several Washington and Old Dominion (W&OD) trail crossings spanning the length of the W&OD within the unincorporated areas of the County. Improvements may include the realignment of trail crossings, the construction of median refuge, the installation of flashing warning signs, tree trimming and clearing, and the restriction of parking.

Other W&OD trail crossing improvements are also being implemented as part of the Route 7 and 287 Interchange Improvement and the Sterling Boulevard/W&OD Trail Overpass projects in the CIP.

## Transit

## Metro Capital Contribution

## Details:

Project Number: n/a

Election District: Countywide

Estimated Completion Year: Ongoing

Referendum: n/a

## Background

As part of bringing the Silver Line Phase 2 to Loudoun County, the County has agreed to enter into a Capital Funding Agreement (CFA) with Washington Metropolitan Area Transit Authority (WMATA). The CFA outlines the obligations between the County and WMATA, including the annual contribution for system performance funds, fund contractual obligations WMATA makes during the term of the CFA, and long-term debt service beyond the expiration of the agreement.

This project provides an annual capital contribution to WMATA beginning in FY 2021.

## Transit Buses – Acquisition

## Details:

Project Number: C02161, C02219, C02324

Election District: Countywide

Estimated Completion Year: Ongoing

Referendum: n/a

## Phase Costs in Millions

## Background:

This project procures buses in support of the County's transit service. The first bus acquisition schedule was approved by the Board of Supervisors in FY 2004, and 22 buses were initially purchased. With the arrival of the Silver Line, the County is transitioning to transit-style buses, as recommended by the County's Transit Development Plan, to provide connections to Metro stations.

Transit buses will transport passengers to the most convenient Metro Stations on the Silver Line, initially the Wiehle-Reston East Station. Bus service will further transition to feeder service to Ashburn and Loudoun Gateway Metro stations within Loudoun County when they open for service in FY 2021.

### Background:

This project provides for sidewalks, shared-use trails, crosswalks, and intersection improvements to enhance pedestrian access to Silver Line Metro Stations in Loudoun County. The Virginia Department of Transportation (VDOT) will administer the design, construction, and funding of this project.

The County provided \$275,000 of funding in prior years. In addition, VDOT has programmed \$39,283,000 of grant funding for this project. The project is funded using Regional Surface Transportation Program (RSTP) and Congestion Mitigation and Air Quality (CMAQ) grant funds which will be received and administered by VDOT. The current VDOT Six-Year Improvement Program (SYIP) estimate is \$39,374,000 for the project.

## Elementary Schools

## Elementary School (ES-24) Central Loudoun

## Details:

Project Number: n/a

Election District: Catoclin

Square Feet: 106,323

Location: Tuscarora Crossing development off of Crosstrail Blvd

Estimated Completion Year: FY 2030

Referendum: TBD

## Phase Costs in Millions

## Background:

The elementary school will be built using a multi-story design. The estimated 106,323 square foot building will serve students in kindergarten through grade five. With an anticipated program capacity of 960, the elementary school will include classrooms, a media center, cafeteria, multipurpose room, and unlighted outdoor physical education fields.

## Elementary Schools

## Elementary School (ES-32) Dulles South

## Details:

Project Number: n/a

Election District: n/a

Square Feet: 106,323

LCPS Planning District: Dulles South

Estimated Completion Year: FY 2026

Referendum: November 2021

## Background:

The elementary school will be built using a multi-story design. The estimated 106,323 square foot building will serve students in kindergarten through grade five. With an anticipated program capacity of 960, the elementary school will include classrooms, a media center, cafeteria, multipurpose room, and unlighted outdoor physical education fields.

A site will need to be acquired for ES-32 in the Dulles South Planning District.

## Middle Schools

### Middle School (MS- 14) Dulles North

#### Details:

Project Number: n/a

Election District: n/a

Square Feet: 184,593

LCPS Planning District: Dulles North

Estimated Completion Year: FY 2025

Referendum: November 2019

#### Background:

The middle school will be built using a two-story middle school design. The estimated 184,593-square-foot building will serve students in grades six through eight. With an anticipated program capacity of 1,445, the middle school design will utilize the 'house' concept for each grade and will include classrooms, a media center, cafeteria, auditorium, gymnasium, auxiliary gymnasium, and unlighted outdoor physical education fields.

A site will need to be acquired for MS-14 in the Dulles North Planning District.

## Other School Projects

## Broadband Infrastructure

## Details:

Project Number: n/a

Election District: Countywide

Square Feet: n/a

LCPS Planning District: Countywide

Estimated Opening Year: Ongoing

Referendum: n/a

## Background:

To meet the increasing demands for bandwidth, Loudoun County Public Schools (LCPS) plans to upgrade its network infrastructure and improve services. LCPS will engage a contractor to install school-dedicated fiber connectivity to all LCPS locations. The project will be more cost effective, as the new networks will be a one-time purchase for installation with minimal yearly recurring costs for maintenance. The project will help ensure LCPS has the capacity to scale as bandwidth demands grow. By having dedicated critical fiber infrastructure between all LCPS locations, LCPS will be able to increase bandwidth as needed at a much lower operational cost.

### Douglass School Renewal

#### Details:

**Project Number:** n/a  
**Election District:** Leesburg  
**Square Feet:** 50,000  
**Location:** Central Loudoun  
**Estimated Opening Year:** 2023  
**Referendum:** November 2020

#### Background:

The Douglass School Renewal was originally part of a project, with the CS Monroe Center, to renovate both buildings. The CS Monroe building will be demolished and replaced, now known as the North Star School. This project provides funding for the renovation of the Douglass School through historic preservation, while providing a combination of needed educational programming and community uses. The building will provide space for the English Learners, Welcome Center, Head Start, Starting Towards Excellence in Preschool, and Child Find programs, as well as limited administrative office space.

The historic restoration, including systems infrastructure, will follow the Secretary of the Interior's Standards for the Treatment of Historic Properties, and will uphold the significance of the building through historic preservation. Careful consideration of materials, design, and layout will be balanced with respect to the historic property. Site improvements will continue to provide recreational uses, event and/or rental opportunities, and parking. Commemorative opportunities within the building and site will be considered based on input from the community.

The Douglass School was constructed in 1941 to serve as the first and only black high school in the county until the end of segregation in 1968. The land was purchased by the African American community and transferred to the Loudoun County School Board to secure a place for the secondary education of their children. The building is listed in the Virginia Landmarks Register and the National Register of Historic Places.

## Background:

This project provides funding for the design and construction of a transportation support facility, to be sited in the Eastern Loudoun planning area. The facility will provide an additional fueling location as well as vehicle maintenance and storage site for LCPS/County fleet vehicles. The facility in eastern Loudoun will reduce fleet mileage while creating operational efficiencies and saving money for vehicles serving eastern Loudoun County.

## Field House and Indoor Track Facility

## Details:

Project Number: n/a  
 Election District: n/a  
 Square Feet: n/a  
 LCPS Planning District: n/a  
 Estimated Opening Year: 2029  
 Referendum:

## Background:

This project provides funding to develop an indoor track facility for use by all high school track programs during the winter months and inclement weather, and potentially in partnership with the County or other athletic organizations in the County. The location of the facility is still being determined. The goal is to develop an indoor track facility, with associated athletic facilities, on land currently owned by LCPS or the County, potentially at a current high school to take advantage of existing parking infrastructure and co-location opportunities. The facility design could be a pre-engineered building or an inflatable bubble placed over top of an existing track or newly constructed track surface.

## Joint Use Dry Bulk Storage Facility

## Details:

Project Number: n/a

Election District: Catoclin

Square Feet: 26,000

LCPS Planning District: Central Loudoun

Estimated Opening Year: FY 2023

Referendum: n/a

## Background:

This project provides funding to develop a dry bulk storage facility, small engine repair shop, two pole barns, loader parking bays, and associated parking and storm water management on a County-owned site.

The dry bulk storage facility and two-bay garage will be used by both Loudoun County Public Schools (LCPS) and Loudoun County's Department of General Services. The facility will include dry storage for approximately 6,000 tons of winter road-mix materials and sand/manufactured sand, to be used on LCPS and County-owned facility parking lots and driveways, as needed, to improve traction during inclement weather. The facility will include a covered, lighted, and paved loading area for plow trucks with salt/sand spreaders.

The project also provides for a small engine repair shop and two pole barns to be used by LCPS. The location of the pole barns and small engine repair shop at this location frees up space at the Transportation Facility.

The facility is planned for the Loudoun County Government Support Center site off Sycolin Road in the Central Loudoun Planning District.

## John W. Tolbert, Jr. Elementary School / Keystone Drive

## Details:

Project Number: n/a

Election District: Leesburg

Square Feet: n/a

LCPS Planning District: Central Loudoun

Estimated Opening Year: FY 2021

Referendum: n/a

## Phase Costs in Millions

## Background:

The Town of Leesburg and the Virginia Department of Transportation (VDOT) are designing a grade-separated interchange at the intersection of Route 7 and Battlefield Parkway. Once constructed, access from Route 7 to the properties currently fronting on Route 7 will be eliminated and provided by a new road, Keystone Drive, which will traverse the western boundary of John W. Tolbert, Jr. Elementary School.

Keystone Drive was a proffered improvement for the elementary school, requiring Loudoun County Public Schools (LCPS) to design and construct the road. In lieu of developing the road, LCPS will provide a required cash contribution to VDOT for the Battlefield Parkway interchange project, which includes the development of Keystone Drive, to fulfill the proffer requirement.

## LCPS Facility Renewals and Alterations - Undesignated

## Details:

Project Number: n/a

Election District: Countywide

Square Feet: n/a

LCPS Planning District: Countywide

Estimated Opening Year: Ongoing

Referendum: Annually

## Phase Costs in Millions

## Background:

For capital maintenance expenditures, a percentage of the Loudoun County Public Schools' (LCPS) Current Replacement Value (CRV) may be appropriated each year to cover capital facility renewals and alterations. This funding is crucial to contain overall long-term facility costs for maintenance, system replacements, and facility renewals and alterations.

Replacements, repairs, and updates may be undertaken to critical systems (including heat, air conditioning, ventilation, boiler and water systems, in addition to pipes, lighting fixtures, switchgears, fire sprinklers, fire alarms, emergency generators, and other related infrastructure), along with renewals and restorations (typically surfaces, roofs, carpet, painting, windows, and similar aspects of a facility), as needed.

The purpose is to protect the capital investment in the school facility, avoid the loss of academic time due to critical system failure, reduce deferred maintenance costs, and create optimum learning environments for students and staff.

## School Bus Radio Replacements and UHF System Upgrade

## Details:

Project Number: n/a

Election District: Countywide

Square Feet: n/a

LCPS Planning District: Countywide

Estimated Opening Year: n/a

Referendum: n/a

## Phase Costs in Millions

## Background:

This project provides for updating the radio system to the latest standards, providing a warranty, and establishing a system that is serviceable by multiple vendors.

Loudoun County Public Schools' (LCPS) radio infrastructure is comprised of eight separate radio sites that provide countywide radio coverage for over 1,000 users. The radio system handles an average of 60,000 radio transmissions per month for school buses alone, provides communications for support staff, and provides alert radio transmissions for schools.

The current system is aging. Many of the tower antenna systems are more than 10 years old, and the last major system update was seven years ago. Technology infrastructure improvements will enhance the service and coverage at LCPS radio sites and for end users of the system.

## School Security Improvements

## Details:

Project Number: n/a

Election District: Countywide

Square Feet: n/a

LCPS Planning District: Countywide

Estimated Opening Year: Ongoing

Referendum: November 2020

## Background:

Prior appropriations were approved in FY 2019 and FY 2020 to provide secure vestibules, upgraded intrusion detection systems, and exterior-door, electronic access locks at 51 elementary schools, 11 middle schools, and 13 high schools throughout the County. This project provides funding for additional enhanced security improvements at the above-mentioned schools, and all remaining Loudoun County Public Schools.

Additional work not identified in the original project scope will provide enhanced security at school campuses to include: 1. enhanced door hardware, 2. electronics and controls at building entrances to manage visitor access, 3. additional cameras and Aipphones, 4. modified office configurations, 5. access deterrent measures, and 6. Interim secure vestibules to provide enhanced security until permanent work can be performed. Additional enhanced visitor management hardware, controls, and access deterrent measures also need to be applied to other facilities that already have the necessary vestibule configuration.

Significant interior modifications of office and media center spaces at nine (9) high schools are included to better align staff resources with enhanced entrance security systems.

## Student Welcome Center

## Details:

Project Number: n/a

Election District: Sterling

Square Feet: 7,500

LCPS Planning District: Eastern Loudoun

Estimated Opening Year: FY 2024

Referendum: November 2020

## Background:

This project provides funding to design and construct an addition at Sterling Elementary School to provide space for a Student Welcome Center.

The establishment of a Student Welcome Center in eastern Loudoun will provide for a more efficient and effective delivery of services to Loudoun's limited English-proficient public-school students.

The Welcome Center will provide a centralized location for various instructional program registration needs and provide a site for instructional and/or pupil services support staff.

The addition to Sterling Elementary School, for the Welcome Center, will total 7,500 square feet. The project also provides funding to renovate 5,000 square feet of existing space for school use that will not increase the base capacity of the school. Additional on-site parking will be expanded to accommodate the co-located uses.

Election District: Catoclin

Square Feet: 7,200

LCPS Planning District: Western Loudoun

Estimated Opening Year: FY 2026

Referendum: November 2021

## Phase Costs in Millions

## Background:

The Valley Service Center has been in operation with Loudoun County Public Schools (LCPS) for over a decade under a lease. The Loudoun County School Board purchased the property in FY 2018. LCPS bus maintenance utilizes a single bay repair garage in the facility.

This project provides for the replacement of the structure with a modern bus maintenance facility with multiple repair bays, and the site will be redesigned to more efficiently use the property. The new facility will include a vehicle maintenance and repair structure, LCPS/County fuel station, storage for LCPS and County materials and equipment, and bus parking. In addition, bus parking improvements at Kenneth W. Culbert Elementary School will be completed in conjunction with the project.

## Valley Service Center Traffic Signal

## Details:

Project Number: n/a

Election District: Catoclin

Square Feet: n/a

LCPS Planning District: Western Loudoun

Estimated Opening Year: FY 2025

Referendum: November 2022

## Background:

This project provides for the installation of a traffic signal at the intersection of the Valley Service Center entrance, West Colonial Highway, and the entrance to Harmony Middle School and Kenneth W. Culbert Elementary School. The funding for the traffic signal is programmed to coincide with the replacement of the Valley Service Center facility.

As part of the approved proffers for the rezoning completed for the purchase of the Valley Service Center property, a traffic signal warrant study was completed in 2017 for the intersection of the Valley Service Center entrance, West Colonial Highway, and the entrance to Harmony Middle School and Kenneth W. Culbert Elementary School. The study determined that a traffic signal is needed at the intersection.

# Debt Service Fund

## Debt Management and Capital Financing

Debt Management is the active implementation of a variety of strategies to manage the County's debt. These strategies include debt policies, issuance limits and guidelines, long-term capital planning, disclosure and compliance policies and procedures, and general management practices. The Board of Supervisors' (Board) adopted fiscal policy contains debt policies, which govern how and the extent to which the County issues debt. Throughout the development of the County's Capital Improvement Program (CIP), the proposed use of debt financing for projects must be evaluated to ensure compliance with the debt policies. These policies contain several important debt ratios, which are among the information analyzed by the bond rating agencies each time the County seeks to sell bonds. Loudoun is one of 47 counties to hold the highest rating (AAA) from all three bond rating agencies – ensuring access to the market at the most favorable rates. More information about these ratios is described in the following pages.

Financing for capital improvement projects can take the form of general obligation bonds, revenue bonds, lease purchase agreements, federal loans, and lease revenue bonds. The County issues debt for both the School Division and General Government capital projects, with the exception of lease purchase financing for vehicles and equipment entered into by the Loudoun County Public Schools. Of the above mentioned financing types, general obligation bonds are the only type of debt secured by a pledge of the County's full faith and credit. A County's authorization to issue this type of debt is governed by the Constitution of the Commonwealth of Virginia and the Public Finance Act. Taxpayers must approve the issuance of general obligation bonds by public referendum, except in limited circumstances, such as bonds issued by the Virginia Public Schools Authority. The governing body of the County is authorized and required to meet debt service payments on its general obligation bonds by levying sufficient ad valorem taxes on all taxable property within the County. Funding for debt service payments on all other types of debt, such as lease revenue bonds and lease purchase agreements, is subject to annual appropriation by the County's governing body.

The following pages provide information about the County's debt, including actual and projected debt service payments in the Debt Service Fund, debt policies, the impact of the CIP on debt ratios and guidelines, the planned schedule of financing for capital projects over the CIP period, and information about the County's outstanding debt and referendum authority.

## Debt Service Fund Budget

Local tax funding and other resources used for the payment of principal and interest costs (i.e., debt service) of all financed capital improvement projects reside in the Debt Service Fund. The FY 2021 Adopted Debt Service Fund expenditures are shown in Table 1 on the following page. Expenditures are comprised of the actual amount of principal and interest payments due on debt issued in prior years, the projected amount of principal and interest payments due in FY 2021 on debt scheduled to be issued in FY 2021, and certain costs of issuance incurred on that debt.

Expenditures in the Debt Service Fund budget are offset by fund balance, earned interest, and interest rebates from the federal government for Build America Bonds issued in FY 2011. Periodically, the Fund receives monies in the form of transfers from other funds such as the County and School Capital Project Funds as projects are closed out; landfill fees and rental income designated for debt service; or proceeds/premiums from the sale of bonds. Refunding proceeds, bond premiums, and transfers for project close-outs are unpredictable and are therefore not budgeted. If these resources become available, they become part of the Debt Service Fund balance and are used to make future debt service payments, or are used on other eligible projects to reduce future debt issuances in accordance with rules and regulations governing municipal borrowing.

<b>Total – Revenues</b>	<b>\$19,168,238</b>	<b>\$48,504,026</b>	<b>\$23,099,444</b>	<b>\$22,127,170</b>	<b>\$22,616,093</b>
<b>Local Tax Funding</b>	<b>\$172,375,386</b>	<b>\$169,677,286</b>	<b>\$188,487,591</b>	<b>\$198,846,198</b>	<b>\$212,579,961</b>

The distribution of debt service expenditures resulting from General Government and School capital project financings are shown below in Table 2 and Figure 1. Table 2 shows the actual debt service due on previously issued debt and projected debt service on anticipated issuances attributable to general government and schools for FY 2021 through FY 2026. Figure 1 presents this same information through 2048, when the last payment will be made on debt issued through FY 2026.

<sup>1</sup> Sum may not equal due to rounding.

<sup>2</sup> Transfers from the Debt Service Fund are primarily to the Capital Projects Fund or to the General Fund.

<sup>3</sup> Cost of Issuance and Other Fees includes Underwriter's Discount fees that are deducted directly from bond proceeds. These fees are recorded after the bond issuance and therefore are not part of the adopted budget.

<sup>4</sup> Per the lease agreement with DC Soccer, the team will make rental payments to the County for the use of facilities at Bolen Park, which will pay the debt service on the bonds issued to construct the facilities.

<sup>5</sup> Transfers into the Debt Service Fund are primarily from the Capital Project Fund for debt service associated with Landfill construction, the General Fund for facility lease fees, and the Transportation District Fund for Metrorail tax revenue to cover debt service associated with the construction of the Metrorail project.

<sup>6</sup> Represents bond premium received from issuances in FY 2018 and FY 2019.

**Figure 1: Total Debt Service Expenditure Forecast**

## Debt Management

While the Commonwealth of Virginia imposes no statutory limitation on the amount of debt a County may incur, Loudoun County establishes an overall limit of no more than 3.0 percent of its assessed value of taxable real and personal property as well as several other debt ratio guidelines through its Fiscal Policy.<sup>2</sup> On the following pages, the County's debt ratios are explained along with a graphic illustrating how the debt programmed in the CIP complies with each policy target.

<sup>1</sup> Sum may not equal due to rounding.

<sup>2</sup> The Fiscal Policy is provided in the Volume 1 of this document in the Executive Summary.

**Debt Service Fund****Loudoun County Debt Ratios**

(Revised on January 6, 2016)

The County's debt capacity shall be maintained within the following primary goals:

- *Annual debt issuance guideline of \$225 million. The debt issuance guideline will be adjusted every five years based on the Consumer Price Index five year rolling average beginning with FY 2017 and will be reviewed in FY 2022.*

This guideline represents the maximum amount of “new” debt that can be issued each year, excluding debt for the Dulles Metrorail project, Metrorail garages, the County Landfill, and major economic development projects. Establishing an annual debt issuance guideline allows the County to actively manage the annual growth of its debt burden. The FY 2021 Adopted CIP abides by all County fiscal policies and debt ratios. Planning years FY 2022 through FY 2026 provide projections of future amendments to the annual debt issuance guideline to provide flexibility in CIP planning and to adjust for future increases in construction costs due to inflation while maintaining adherence to all county debt ratios.

	FY 2021	FY 2022	FY 2023	FY 2024	FY 2025	FY 2026
Debt Issuance Guideline	\$225,000,000	\$250,000,000	\$250,000,000	\$250,000,000	\$260,000,000	\$260,000,000
Debt Issuance Projected	\$224,893,446	\$249,651,909	\$249,201,617	\$249,098,322	\$255,638,190	\$257,768,918
Remaining Debt Capacity	\$106,554	\$348,091	\$798,383	\$901,678	\$4,361,810	\$2,231,082

- *Net debt as a percentage of estimated market value of taxable property should not exceed 3.0 percent.*

This ratio means that the amount of outstanding debt cannot exceed 3.0 percent of the value of the County's taxable real and personal property. The assessed value of taxable property is an indication of the County's ability to generate revenue. This ratio ensures that the County's outstanding debt is not too high compared to the assessed value, which can lead to overburdening the tax base and reducing the County's flexibility to use revenues for operations, or to meet future capital needs. The bond rating agencies consider this ratio to be very important and often cite the County's adherence to this ratio in their ratings reports.

**Figure 2: Debt to Estimated Property Value**

## Debt Service Fund

- *Net debt per capita as a percentage of income per capita should not exceed 8.0 percent.*

This ratio means the amount of outstanding debt per person cannot exceed 8.0 percent of the estimated income for each person based on population and income projections. This indicator measures the community's ability to support existing and additional indebtedness.

**Figure 3: Debt to Per Capita Income**

- *Debt service expenditures as a percentage of governmental fund expenditures should not exceed 10.0 percent.*

This ratio means the amount of debt service (principal and interest payments) in each fiscal year cannot exceed 10.0 percent of total governmental funds expenditures. This ratio considers all appropriated funds, not just the General Fund. Because debt service is considered a fixed cost (i.e., not discretionary), the established ratio ensures that the County does not lose budgetary flexibility to maintain or increase service levels by having a significant portion of its budget dedicated to debt service payments. This ratio works in tandem with the debt to assessed value ratio. The bond rating agencies also consider this ratio to be very important and often site the County's adherence to this policy target as a measure of the County's ability to maintain an affordable debt burden.

**Figure 4: Debt Service to Expenditures**

**Debt Service Fund**

- *Ten year debt payout ratio should be above 60.0 percent.*

This ratio means the amount of principal paid off in a ten year period should be more than 60.0 percent of the projected debt outstanding. Per the Fiscal Policy, the County uses a level principal repayment structure for debt service whenever possible, thus allowing the County to pay down principal faster.

**Figure 5: Ten Year Debt Payout Ratio**

- *The affordability index, consisting of the weighted average of the net debt per capita (20 percent), net debt as a percentage of estimated market value of taxable property (45 percent), and debt to per capita income (35 percent).*

This index demonstrates the maximum amount of debt the County can afford to have outstanding without overburdening the taxpayers. Market value and per capita income are components that illustrate wealth of the County and therefore demonstrate the ability to generate revenue, which is an important factor in being able to repay debt.

**Figure 6: Affordability Index**

## Debt Service Fund

### Capital Improvement Program and the Impact on Future Debt Ratios

The development of the six-year CIP and the inclusion of new debt financed projects must be analyzed and evaluated against previously authorized debt financed projects and the existing required debt service to ensure the inclusion of the new projects complies with the County's fiscal and debt policies. The results are shown on Table 3, *Impact on Future Debt Ratios*.

Table 3 begins with the projected amount of tax supported debt outstanding and then shows the impact of adding the debt-financed capital projects contained in the Adopted FY 2021 – FY 2026 CIP to the existing debt for projects appropriated and financed in prior years. In addition, the table depicts vital demographic and economic indicators for Loudoun County that are necessary in assessing the County's ability to retire old debt and issue new debt.

#### Beginning Net Tax Supported Debt and Ending Net Tax Supported Debt

The Beginning Net Tax Supported Debt is the amount of principal projected to be outstanding at the beginning of each fiscal year. The Ending Net Tax Supported Debt is the amount of principal projected to be outstanding at the end of each fiscal year. The New Debt Issued, represents the amount of all new debt scheduled to be issued for the projects contained in the CIP. Retired Old Debt is the actual amount of principal on existing debt scheduled to be paid during that fiscal year. Retired New Debt is the projected amount of principal to be paid on the new debt that is issued during the fiscal year. Note that principal on new debt issued in the first year will not be paid in that year but will commence the following year. The Ending Net Tax Supported Debt represents the outstanding existing debt, plus new debt issued, less the retired debt.

#### Debt Service

Debt service represents the amount of principal and interest that is expected to be paid during the year. This includes debt related to general obligation bonds and appropriation-backed debt such as lease revenue bonds, lease purchase agreements and loans.

#### Ratios

The ratios section of the table shows the results of how the debt included in the CIP, coupled with the County's existing debt comply with the Board's fiscal policy targets. Throughout the development of the CIP, these ratios are constantly monitored to see how changes to project funding and timing impact the ratios. For more information on how the CIP is developed and the factors affecting the development of the CIP, see the Capital Improvement Program Executive Summary included in Volume 2 of the budget document.

#### Annual Debt Issuance Guideline

The Board's fiscal policy has an annual debt issuance guideline of \$225 million, excluding debt issued for Dulles Metrorail Project, Metrorail Garages, the County Landfill, and certain economic development projects. This section of the table shows the amount of debt projected to be issued each year and the remaining capacity under the guideline. As mentioned previously, planning years FY 2022 through FY 2026 provide projections of future amendments to the annual debt issuance guideline to provide flexibility in CIP planning and to adjust for future increases in construction costs due to inflation while maintaining adherence to all county debt ratios.

#### Affordability Index

This portion of the table shows the amount of outstanding debt projected in each year against the maximum amount of outstanding debt allowable per the affordability index calculation (described in preceding pages).

#### Overlapping Debt

The overlapping debt is the portion of tax-supported debt of an authority or special tax district sharing the County's geographical location such as the Dulles Town Center Community Development Authority and regional projects such as the

## Debt Service Fund

Route 28 special tax district. Per the Board's Fiscal Policy, the maximum amount of overlapping debt allowed is 0.75 percent of estimated property value. This guideline is set to limit the burden on taxpayers. The Overlapping Debt Projected amount represents the amount of overlapping debt expected to be outstanding each year based on the current debt payment schedules. This calculation is not driven by the development of the CIP; however, since it is calculated based on the estimated property value, it is included in this table for informational purposes.

Table 3: IMPACT ON FUTURE DEBT RATIOS Adopted FY 2021 - FY 2026						
	FY 2021	FY 2022	FY 2023	FY 2024	FY 2025	FY 2026

Overlapping Debt Guideline	\$858,045,000	\$903,607,500	\$946,672,500	\$991,650,000	\$1,037,205,000	\$1,084,650,000
Overlapping Debt Projected	\$114,602,793	\$108,179,529	\$101,609,481	\$94,864,591	\$87,992,158	\$80,987,788
1) Debt Includes general obligation bonds and appropriation-backed financing.						
(2) Affordability Index is the weighted average of Debt Per Capita (20%) / Debt to Estimated Property Value (45%) / Debt to Per Capita Income (35%).						
(3) Maximum Outstanding Overlapping Debt allowed per the Fiscal Policy is 0.75% of estimated property value.						
Note: The \$225 million annual debt issuance guideline includes projects in the CIP with the exception of the Dulles Corridor Metrorail Project, the three Loudoun County-based Metrorail garages, the County Landfill, and certain economic development projects.						

## Debt Service Fund

### Debt Issuance by Category

The Board places a major emphasis on transportation while developing a CIP that also addresses Loudoun's education, public safety, health and welfare, and recreational needs within its own self-imposed debt issuance guidelines. Table 4 shows the projected amount of debt to be issued each year within each of the major categories of the CIP. The General Government category contains the functional areas of Administration and Information Technology; General Government; Health and Welfare; Parks, Recreation, and Culture; and Public Safety. The Transportation category contains road, sidewalks, signals, traffic calming, and transit projects. The Schools category contains elementary, middle, and high schools projects as well as other school facility projects.

**Table 4: New Debt Issuance by Category**

Adopted New Debt Financing For FY 2021- FY 2026 Capital Improvement Program					
Fiscal Year	General Government	Transportation	Schools	Total County Adopted	Board Guideline
2021	\$ 93,040,804	\$ 23,278,800	\$ 108,573,842	\$ 224,893,446	\$ 225,000,000
2022	73,430,827	32,661,082	143,560,000	249,651,909	\$ 250,000,000
2023	48,168,964	73,575,153	127,457,500	249,201,617	\$ 250,000,000
2024	31,795,600	78,607,722	138,695,000	249,098,322	\$ 250,000,000
2025	48,422,787	100,119,403	107,096,000	255,638,190	\$ 260,000,000
2026	43,944,592	111,685,326	102,139,000	257,768,918	\$ 260,000,000
<b>Total</b>	<b>\$ 338,803,574</b>	<b>\$ 419,927,486</b>	<b>\$ 727,521,342</b>	<b>\$ 1,486,252,402</b>	<b>\$ 1,495,000,000</b>

### Schedule of Major Financings

The first set of tables on the following pages show the planned schedule of financing for capital projects. Information about each project is provided, including the name of the project, total project costs, total amount to be financed during the CIP period, planned start of construction, and referendum year and amount, if applicable. This schedule is a projected plan of issuance and is subject to change as various factors can impact the County's ability to adhere to the schedule, including project delays or advancements, structure of the debt issuance, and other rules and regulations governing municipal borrowing that may require a change in the planned issuance. The County works closely with Bond Counsel and financial advisors to achieve the most favorable results for the County from each issuance.

### Debt Service Projections

The second set of tables show the projected debt service due for each project based on when the debt is planned to be issued. Included in the table is the total amount of principal and interest due for each project and a breakout of the amount that will be due in each year from FY 2021 through FY 2026. The final table summarizes the debt service projections by functional area for the County and the Schools.

Notes on Amount to be Financed between FY 2021 - FY 2026											
A - Includes previously authorized, but unissued debt financing											
B - Remaining amount to be financed after FY 2026											
Notes on Potential Referendum Dates and Projects:											
(1) General obligation bond financing requires referendum approval. Expenditures prior to referendum approval will not use general obligation financing.											
(2) May be issued through Capital Leases, Lease Revenue Bonds, Other Financing Sources.

## Debt Service Fund

### Outstanding Debt and Referendum Authority

The charts and tables below summarize the outstanding debt attributable to the County and Schools by type. Outstanding debt represents the amount of existing debt (principal) the County is obligated to repay. The information in the following tables is as of May 31, 2020.

#### Outstanding Debt as of May 31, 2020<sup>1</sup>

Type of Debt	General Government	Schools	Total
General Obligation Bonds	\$133,429,707	\$797,910,293	\$931,340,000
VPSA General Obligation Bonds	0	41,825,000	\$41,825,000
Lease Revenue Bonds	364,652,500	2,342,500	366,995,000
Capital Leases	0	25,218,883	\$25,218,883
Federal Loans	203,699,245	0	\$203,699,245
<b>Total</b>	<b>\$701,781,452</b>	<b>\$867,296,677</b>	<b>\$1,569,078,128</b>

**Figure 7. Outstanding Debt**

The table on the next page displays the amount of general obligation bonds approved by voter referendum and the amount unissued. Referendum authority is valid for a period of eight years and may be extended to 10 years upon approval of a resolution by the Board requesting the Circuit Court to extend the period. This information is different from the table above because it represents general obligation debt the County has the authority to issue but has not issued; whereas the table above represents debt the County has issued and includes all types of debt. The table below is categorized by year and functional area.

<sup>1</sup> Sum may not equal due to rounding.

## Capital Asset Preservation Program Fund

The Board of Supervisors established the Capital Asset Preservation Program Fund (CAPP) in 1990 as a consistent means of planning and financing for major Loudoun County Public Schools (LCPS) and County General Government maintenance efforts. The CAPP affords the County the ability to extend the useful life of mature and aging facilities by repairing and replacing major facility components and systems.

The County uses nationally promulgated standards as guidelines for the maintenance of, and financial investment in, aging facilities. For example, the Association of Higher Education Facilities Officers recommends annual capital asset preservation funding ranges that are 1.5 to 3.0 percent of the total replacement value of an institution's physical plant. Similarly, the federal Internal Revenue Service has established a depreciation standard of 2.5 percent per year on fixed assets. The number of new facilities for the LCPS and County also influences the CAPP budget, as new facilities are added to the County's fixed asset inventory at a faster pace than the County's ability to increase funding to maintain the CAPP at optimal levels.

The CAPP is financed through local tax funding. The CAPP also receives additional revenue from surcharges collected by the Clerk of the Circuit Court on recordation taxes. This recordation tax surcharge is legally earmarked for the ongoing maintenance of Court-related facilities. Budget projections for FY 2021 through FY 2026 reflect the funding required to support capital asset preservation.

The County CAPP and the School Capital Asset Preservation Program Fund are separate funds and are separate appropriations in the Appropriations Resolution. While the programs focus on the long-term needs of the County, only the current year (FY 2021) is appropriated. The County's CAPP includes funding for long-term maintenance of general government and court facilities, as well as computer system replacements.<sup>1</sup>

---

<sup>1</sup> In prior year adopted budgets, computer system replacements were displayed as a separate Computer System Replacement Fund, while still being appropriated under the CAPP Fund. Beginning with the FY 2020 Adopted Budget, these system replacements are displayed within their parent fund.

### Adopted FY 2021 County CAPP

During FY 2019, the County conducted a series of building assessments to develop a long-term maintenance strategy for County facilities. These assessments resulted in a level funding plan for select General Government expenditure categories (Building, Roofing, Mechanical/Electrical and Plumbing). Current and planned appropriations for these expenditures have been updated in FY 2021 through FY 2026 and represent a long-term strategy to provide sufficient and consistent annual funding for these types of expenditures over time. The assessments also helped identify the need for establishing a contingency within the CAPP Fund. Contingency funding will be used to address needs that may be accelerated due to unforeseen circumstances.

## Children's Services Act Fund

The Children's Services Act (CSA), formerly the Comprehensive Services Act, is a state law that established a state and locally shared fund for the purchase of services for at-risk youth and their families. The CSA Fund, managed by the Department of Family Services (DFS), accounts for the revenues and expenditures of the program. State funds are matched with local funds at varying rates depending on the type of service being provided, from 23.82 percent (community-based services) to 59.54 percent (residential treatment services). The youth supported by CSA funds often struggle with behavioral or emotional problems; typical services include community-based services, residential facilities, and educational services.

CSA policy is set by a local Community Policy and Management Team (CPMT), which consists of appointed members from the community and the County including representatives from DFS; the Juvenile Court Services Unit; the Department of Mental Health, Substance Abuse, and Developmental Services; the Loudoun County Public Schools; County Administration; and the Health Department. The CPMT develops inter-agency policies and procedures to govern the provision of services, develops fiscal policies governing access to State pool funds, establishes quality assurance and accountability procedures, and coordinates long-range community planning for services. The Loudoun CPMT also oversees a Multi-Disciplinary Team (MDT) process which reviews all requests for CSA funded services.

## Children's Services Act Fund

### Revenue and Expenditure History

#### Revenue/Local Tax Funding

As shown, the CSA Fund is primarily funded by State revenue but receives a significant level of Local Tax Funding (LTF). LTF comprises 40% of the budget for the Fund. The FY 2021 budget leverages \$738,424 of CSA Fund Balance to reduce the impact on LTF.

#### Expenditure

The majority of expenditures in the CSA Fund are for the provision of services – 99 percent. These services are primarily driven by private day placements which comprise over \$3 million of the \$9.3 million budget for the fund.

The FY 2021 Adopted Budget for the CSA Fund reflects a \$500,000 reduction in the transfer from the County's General Fund as the budget continues to leverage CSA fund balance to reduce the annual impact on local tax funding.

### Key Measures

**Measure:** Number of children served.

*The number of children served indicates the demand for services mandated to be provided under the Children's Services Act.*

### Policies

The CPMT is responsible for developing interagency policies and procedures to govern the provision of services to children and families in the community. The CPMT is also responsible for developing interagency fiscal policies governing access to CSA funds by the eligible populations including immediate access to funds for emergency services and shelter care. Additional responsibilities of the CPMT are outlined in Virginia Code.

## County OPEB Trust Fund

In 2004, the Governmental Accounting Standards Board (GASB) issued Statement #45 (GASB #45), Accounting and Financial Reporting by Employers for Post-employment Benefits Other Than Pensions, to address how governmental entities should account for and report their costs and obligations related to “other post-employment benefits” (OPEB). OPEB refers to fringe benefits provided to retired and former employees other than pension benefits. In past accounting standards, entities recognized the cost of these benefits as they were paid. This standard requires recognition of the cost of the benefits over the service period of the employee. In 2015, GASB issued Statement #75 (GASB # 75), Accounting and Financial Reporting for Post-Employment Benefits Other Than Pensions, which required the County to record a liability on the government-wide financial statements for its net OPEB liability.

Currently, Loudoun County and Loudoun County Public Schools (LCPS) offer post-retirement benefits, which include healthcare coverage for eligible retirees and their families. The program includes coverage for both pre-65 and Medicare-eligible retirees with an appropriate medical and prescription drug plan and dental and vision coverage. The bond rating agencies have stated that they consider OPEB funding status in their evaluations of government financial condition. It is possible that bond ratings may suffer for governments with large and/or mounting liabilities that do not have a mechanism in place to manage these obligations. Following these guidelines, the LCPS and County’s actuarial firms have been conducting bi-annual analyses in accordance with GASB #45, and more recently, GASB #75.

In response to the reporting requirements, the County created a fiduciary fund in FY 2009 with a budget of \$10,000,000; \$7,000,000 for LCPS and \$3,000,000 for Loudoun County. The purpose of this fiduciary fund was to provide the County with a means to budget for the annual cost of public employee non-pension benefits related to OPEB in the same manner as pensions.

In September 2009, LCPS and Loudoun County joined the Virginia Municipal League (VML)/Virginia Association of Counties (VACo) Pooled OPEB Trust for the investment of County assets related to OPEB. This Trust was established as an investment vehicle for participating employers to accumulate assets to fund OPEB. The initial funding transfer occurred on September 8, 2009, with the County OPEB Committee (Local Finance Board) continuing its role of monitoring the funding and performance of the VML/VACo Pooled OPEB Trust. Additionally, LCPS and Loudoun County are currently represented by a Local Finance Board member on the VML/VACo Pooled OPEB Trust Board of Trustees. To better control the increasing cost of retiree health benefits and to mitigate future liabilities, LCPS and the County have continued to monitor the program, implementing a number of cost saving measures over the last several years. The changes, which include restructuring cost sharing and eligibility, have resulted in notable savings. The County and LCPS will continue to explore innovative solutions that will assist in future program cost management.

The FY 2020 Adopted Budget included an annual contribution of \$15,500,000 to the OPEB Trust; \$10,000,000 for the LCPS and \$5,500,000 for Loudoun County. Similarly, the FY 2021 Adopted Budget includes an annual contribution of \$15,500,000 – including 10,000,000 in contributions for the LCPS. LCPS’s FY 2021 budget amount of \$10,000,000, which represents a \$2 million reduction from FY 2018, reflects retiree health reforms previously approved by the School Board. The County FY 2021 Adopted Budget includes an amount of \$5,500,000 to be paid into the OPEB Trust, which represents a commitment to a full funding approach and will result in an ongoing annual reduction to the Net OPEB Obligation. Beginning in FY 2021, staff anticipates expenses of \$4,473,000, which represents benefits payments to beneficiaries from the OPEB Trust Fund. The County’s full funding approach has brought the funding level to 73 percent, allowing the County to start using the trust fund to pay full benefits.

Contributions to the OPEB Trust Fund are anticipated to continue at FY 2020 and FY 2021 levels in FY 2022 and possibly future fiscal years.

**County OPEB Trust Fund****Financial Summary**

	FY 2018 Actual	FY 2019 Actual	FY 2020 Adopted	FY 2021 Adopted	FY 2022 Projected
<b>Contributions</b>					
County	\$5,500,000	\$5,500,000	\$5,500,000	\$5,500,000	\$5,500,000
Schools	12,000,000	10,000,000	10,000,000	10,000,000	10,000,000
<b>Total OPEB Contributions</b>	<b>\$17,500,000</b>	<b>\$15,500,000</b>	<b>\$15,500,000</b>	<b>\$15,500,000</b>	<b>\$15,500,000</b>
<b>Expenditures</b>					
County	\$0	\$0	\$0	\$4,473,000	\$4,500,000
Schools	0	0	0	0	0
<b>Total OPEB Expenditures</b>	<b>\$0</b>	<b>\$0</b>	<b>\$0</b>	<b>\$4,473,000</b>	<b>\$4,500,000</b>

**Policies**

The County and LCPS participate in the Virginia Pooled OPEB Trust, administered by VML/VACo. Funds are pooled from participating jurisdictions and invested in the name of the Virginia Pooled OPEB Trust. The Board of Trustees of the Virginia Pooled OPEB Trust establishes investment objectives, risk tolerance, and asset allocation policies in light of market and economic conditions and generally prevailing prudent investment practices.

Effective January 1, 2013, cost-saving measures were implemented by the County. Employees were designated into groups based on years of service and/or age, which determine their retiree health benefit eligibility. With the designation of groups, the County's defined benefit OPEB plan is closed to new participants, and a defined contribution Retirement Health Savings Program ("RHSP") is used for new employees. Other cost saving measures, including caps on employer cost sharing and a 10 percent aggregate cost shift to retirees, were put into place to further mitigate future OPEB costs as well as to reduce the County's Annual Required Contribution. Employer contribution rates for retirees vary based on the designated group, type of retirement, years of service, plan type, and coverage level.

## Dulles Town Center Community Development Authority Fund

This Fund is used to account for the special assessment collections on real property for the purpose of paying debt service to finance and construct public infrastructure at the Dulles Town Center development. The Dulles Town Center Community Development Authority (CDA) was created by the Board of Supervisors (Board) in 1998 via Section 260.03 of the Loudoun County Codified Ordinances after petition from the owners of land comprising the district. The bonds issued by the CDA are not debts of Loudoun County.

In the initial years of the Fund, the Board did not appropriate for it during the annual budget process; instead, appropriations were made as they were needed. In an effort to standardize the process, the Fund is now included in the annual appropriation for the Adopted Budget.

## EMS Transport Fund

Adopted in FY 2014, Chapter 1097 of the Loudoun County Codified Ordinances established the Emergency Medical Services (EMS) Transport Reimbursement Program and Fund. The Fund was created as part of the FY 2015 Adopted Budget, and the Program became operational during FY 2016. Through the EMS Transport Reimbursement Program, “all patients and/or their financially responsible parties, insurers or carriers, will be billed for EMS transport provided by the system according to the Fee Schedule established herein, and shall be responsible for any co-payment or deductible amount not satisfied by public or private insurance.”<sup>1</sup> The transport fee schedule is adopted on an annual basis as part of the budget development process. Further, the revenue yielded through this program is distributed among the volunteer companies and the County based on the distribution formula established under the ordinance that accounts for services provided by the respective agencies.

---

<sup>1</sup> Loudoun County Codified Ordinances, Chapter 1097. The “System” refers to the Loudoun County Combined Fire and Rescue System.

Revenue estimates included in the FY 2020 Adopted Budget were based on previous estimates and have been updated for FY 2021 and beyond.<sup>5</sup> Beginning in FY 2020, the EMS Transport Fund supports costs associated with the 4.00 FTE approved in the FY 2019 Adopted Budget through a transfer to the General Fund as opposed to direct expenditures of the EMS Transport Fund. The FY 2020 Adopted Budget includes an additional 1.00 FTE funded through EMS Transport revenue. These positions are identified in the Staffing/FTE History section on the next page.<sup>6</sup> The personnel expenses associated with three program staff are budgeted in this fund. Total FTE for the Department as shown in Volume 1 of this document includes FTE budgeted in this fund.

## EMS Transport Fund

### Revenue and Expenditure History

#### Revenue/Local Tax Funding

Increased revenues beginning in FY 2020 were based on actual revenue collections in prior years and anticipated County population growth. These estimates are updated for FY 2021 and beyond. There is no local tax funding in the EMS Transport Fund.

#### Expenditure

The majority of the EMS Transport Fund's expenditure budget is dedicated to operating and maintenance, which includes transfers to volunteer fire and rescue companies based on the revenue-sharing formula. Other uses of funds includes transfers for EMS-funded positions in the general fund (see Staffing/FTE History).

### Staffing/FTE History

FY 2019: 2.00 FTE EMS supervisors, 1.00 FTE administrative assistant, 1.00 FTE EMS training officer

FY 2021: 1.00 FTE EMS clinical coordinator

The FY 2021 Adopted Budget for the EMS Transport Fund reflects a decrease of approximately \$500,000 from the FY 2020 Adopted Budget due to updated revenue estimates. EMS Transport Fund revenues enable the Loudoun County Combined Fire and Rescue System (LC-CFRS) to purchase and replace equipment without the need for additional local tax funding. The FY 2021 Adopted Budget includes a transfer to the General Fund to support the costs associated with the FTE discussed in the Staffing/ FTE History section above.

## EMS Transport Fund

### Percent Change from Adopted FY 2020 to Adopted FY 2021

#### Reasons for Change:

**Personnel:** ↑ 3 percent || **O&M:** ↓ lower anticipated payments to community and regional organizations ||

**Revenue:** ↓ updated estimates based on actuals from FY 2019

### Percent Change from Adopted FY 2021 to Projected FY 2022

#### Reasons for Change:

**Personnel:** ↑ 3 percent || **O&M:** ↑ 1 percent

**Revenue:** ↑ 2 percent in line with population growth

### Key Measures

**Objective:** Collect revenue from the EMS transport cost recovery program to support LC-CFRS operations, including distributions to volunteer companies.

**Measure:** Number of claims processed.

*The number EMS claims, along with overall EMS revenue, fell in FY 2019 but are expected to increase approximately 2 percent annually between FY 2020 and 2022 in line with projected County population growth.*

### Policies

Fees established by the Board of Supervisors (Board) for LC-CFRS EMS transports may be adjusted annually in accordance with the federally approved Medicare fee schedule and/or the Consumer Price Index (CPI), as recommended by the County Administrator in the annual budget proposal to the Board. Any change to the fee schedule shall be approved by the Board and included in the adopted appropriation. The applicable CPI used must be certified by the County Treasurer. No change is recommended for FY 2021.

## EMS Transport Fund

### FY 2021 Adopted Rate Schedule

	Type	Rate
<b>Service Reimbursement</b>	Basic Life Support, Emergency	\$467
	Advanced Life Support, Level 1	\$660
	Advanced Life Support, Level 2	\$770
<b>Mileage Reimbursement</b>	Per Mile Traveled (applies to all types of service)	\$11

### Policy Information (Excerpts)

The EMS Transport Reimbursement Program was established as a Chapter of the Codified Ordinance of Loudoun County in January 2014. The ordinance identifies the procedures for EMS transport reimbursement, and the administration of the EMS Transport Reimbursement Program and revenue sharing procedure. The EMS Transport Fund is a special revenue fund through which all of the revenue yielded from the EMS Transport Reimbursement Program will be appropriated. The administrative costs, contractual requirements, and other necessary costs associated with conducting the Program are derived directly from the EMS Transport Reimbursement revenue and are paid first prior to any distribution. As a result, no local tax revenues are to be used to fund any EMS Transport Reimbursement efforts. The net revenue is distributed to the respective volunteer companies and LCFR according to a revenue sharing formula reflecting each agency's role in EMS transport services provided. In addition, 25 percent of the net revenue is retained for the maintenance of County provided infrastructure of LC-CFRS.

### Revenue Sharing Formula

Service Provided by Type	Percentage Share
Apparatus (Transport Vehicle) Ownership	20%
Station Ownership	20%
EMS Provider for Highest Level of Treatment	25%
County-Provided Infrastructure	25%
First Responder (Units Assigned to First Response)	10%

## Greenlea Tax District Fund

In the 2008 Special Session, the Virginia General Assembly amended the Code of Virginia § 15.2-2404 to authorize the creation of a special district and an assessment to fund the improvement of a damaged bridge on Crooked Bridge Road in the Blue Ridge District. The enacted legislation required a petition to create the district of not less than 50 percent of the property owners of Greenlea abutting Crooked Bridge Lane, who also own not less than 50 percent of the property within the subdivision. The Greenlea subdivision residents met this standard with a signed petition to the County requesting that the Board of Supervisors (Board) authorize and direct the establishment of an assessment under Title 15.2, Chapter 24, Article 2 of the Code of Virginia. The assessment is levied against the properties in the Greenlea subdivision to pay for the construction of the new bridge.

On June 16, 2009, the Board adopted an ordinance imposing the special assessment for local improvements to fund the replacement of the damaged bridge. The bridge was completed by a construction company selected by the property owners through their homeowners association, the Greenlea Homeowners Association II, in November 2009. The cost for the bridge replacement required no local tax funds. The bridge was financed completely by the Greenlea Homeowners Association II in conjunction with a private lender. The County pays the proceeds from the special assessment directly to the lender(s) as directed by the Greenlea Homeowners Association II, and payments are to be made solely from the collection of the special assessment imposed. The Board and the County are only responsible for imposing the special assessment, collecting the semi-annual installments, and forwarding collected monies to the lender(s) solely from the special assessment revenues. The total amount of the assessments on the properties identified by the ordinance may not exceed \$660,575.18, which is the estimated project cost financed over 15 years at 6 percent interest per year. The 19 properties in the community will be taxed equally and will pay the assessment in semi-annual payments.

### Revenues, Expenditures, and Changes in Fund Balance<sup>1</sup>

## Housing Fund<sup>1</sup>

The Housing Fund, managed by the Office of Housing in the Office of the County Administrator, was established in August 1997 for the purpose of promoting and funding affordable housing in Loudoun County. One of the largest components of the Housing Fund is the Loudoun County Housing Trust.

The Housing Trust Agreement, last revised in July 2017, identifies the permitted sources and uses for the Trust which is targeted to households with incomes between 30 and 70 percent of Area Median Income (AMI). Sources (revenues) include cash proceeds received as the result of a fair market value sale of an Affordable Dwelling Unit (ADU) in accordance with Chapter 1450 of the Loudoun County Codified Ordinances, cash contributions paid by developers as consideration for ADU Program modifications granted by the Board of Supervisors (Board) pursuant to Article 7 of the Zoning Ordinance, cash received from any source for the purpose of furthering the provision of ADUs in Loudoun County, and any other funds designated by the Board for the Trust. Expenditures (uses) involve a variety of County programs and initiatives including the Down Payment and Closing Cost Assistance Program, the Public Employee Grants for Homeownership Program, the ADU Foreclosure Purchase Program, the ADU Purchase Program, and loans to help finance the development of affordable housing units in excess of the number of units required by Article 7 of the Zoning Ordinance as long as these programs meet the income eligibility requirements established by the Zoning Ordinance.

---

<sup>1</sup> Prior to FY 2021, this division was the Housing and Community Development Division in the Department of Family Services. As of July 1, 2020 the division has been transferred to the County Administrator's Office and renamed the Office of Housing.

<sup>4</sup> Unavailable Fund Balance includes loans to developers that have been approved by the Board but not yet disbursed. Future amounts will be determined on an annual basis by the Board as part of the Affordable Multi-Family Housing Loan program.

## Housing Fund

### Policies

There are no policies in place for the Housing Fund as a whole, however, the County of Loudoun Housing Trust – a component of the Housing Fund – is regulated by the Trust Agreement. The Housing Trust was last amended in July 2017 to authorize loans from the Trust to be used to help finance affordable housing units, to establish the minimum requirements for affordable housing units, and to update the recital and make other non-substantive clarifying edits to the twenty-year old trust. These changes also align the Trust agreement with the amendments to Article 7 of the Zoning Ordinance that allow for affordable housing units to be substituted for ADUs when a project verifies that it is financed with either the Low Income Housing Tax Credit (LIHTC) Program or the U.S. Department of Housing and Urban Development (HUD) 221 (d) 4 Affordable Program. Substituting affordable housing units that are funded either with LIHTC or HUD 221 (d) 4 Affordable Program eliminates the 30 percent AMI limitation on the lower end of income limits.

## Legal Resource Center Fund (Law Library)

The Legal Resource Center Fund's (Law Library) mission is to provide resources and reference services that address the legal information needs of the general public, Loudoun County government, court personnel, attorneys, and the local prison population. The Law Library, which is located in the Loudoun County Courts Complex, provides a collection of legal materials and electronic resources that are not generally available elsewhere in the County. A full-time legal resources specialist orders, shelves, and updates materials. The Law Library is open from 8:00 a.m. to 4:00 p.m. weekdays. During these hours, the legal resources specialist provides reference service, bibliographic instruction, copier service, online access, library cards, notary public service, etc. Attorneys and court personnel can also access the collection at other times if needed. The legal resources specialist responds to patrons' requests in person, by telephone, and via email as well as to prisoner requests submitted by the Loudoun County Sheriff's Office.

The Department of Library Services manages the Legal Resource Center Fund and the legal resources specialist.<sup>1</sup> Other Library Services staff provide assistance at the Law Library when the legal resources specialist is unavailable. In FY 2018, Library Services expanded the availability of legal resources throughout the County by providing access to Westlaw, a specialized online legal resource, at all library locations.

---

<sup>1</sup> In FY 2017, the Law Library was transferred from the Clerk of the Circuit Court's Office to Library Services, so its resources could have a greater impact on the community.

**Revenue and Expenditure History****Revenue/Local Tax Funding**

The Law Library's funding sources are charges for services, which relate to revenue collections by the Clerk of the Circuit Court and the Clerk of the General District Court, donations, and a transfer from the General Fund (local tax funding).

**Expenditure**

The majority of the Law Library's expenditure budget is dedicated to personnel costs.

As reflected in the table above, a transfer from the General Fund to the Legal Resource Center Fund is included in the budget to address projected shortfalls in the Law Library's revenue. It is anticipated that expenditures in this fund will continue to be

## Major Equipment Replacement Fund

The Major Equipment Replacement Fund allows for the scheduled and emergency replacement of major operational equipment over \$5,000 in value. The Fund was created in FY 2016. Prior to this, the County funded replacement of capital equipment on an as-needed basis through either allocation of local tax funding in the General Fund or through mid-year use of General Fund balance.

### Revenues, Expenditures, and Changes in Fund Balance<sup>1</sup>

	FY 2018 Actual <sup>2</sup>	FY 2019 Actual <sup>3</sup>	FY 2020 Estimated	FY 2021 Estimated	FY 2022 Projected

<b>Estimated Ending Fund Balance</b>	<b>\$6,844,114</b>	<b>\$6,844,114</b>	<b>\$6,844,114</b>	<b>\$4,844,114</b>	<b>\$4,844,114</b>

The FY 2021 Adopted Budget appropriates \$2,000,000 in local tax funding to the Major Equipment Replacement Fund to allow for replacement of select major equipment. Planned replacement needs for FY 2021 are estimated at \$4,000,000. Expenditures also include planning for \$1,000,000 of unplanned or emergency replacement needs and \$1,000,000 for Future Replacement Reserve.

For the FY 2021 Adopted Budget, planned expenditures are based on an asset replacement schedule developed by an independent consultant. The schedule identifies planned equipment replacements and the estimated cost for replacement over a 20-year period. Staff continually evaluates the asset replacement schedule to include additional assets and new equipment placed into service and will monitor and update funding and expenditure needs for the fund as more data becomes available.

<sup>1</sup> Sums may not equal due to rounding.

<sup>2</sup> Source: Loudoun County FY 2018 Comprehensive Annual Financial Report (CAFR).

<sup>3</sup> Source: Loudoun County FY 2019 CAFR.

<sup>4</sup> Transfers from the Major Equipment Replacement Fund to the Capital Fund provided for major equipment purchases associated with public radio systems, mobile radios, and self-contained breathing apparatus.

## Metro Parking Garages Fund

The Metro Parking Garages Fund was created in FY 2020 to manage the operations of the County-owned Metro Parking Garages, located at the Loudoun Gateway and Ashburn Stations. The Department of General Services administers this fund. The first two years of operations will be at least partially funded by a transfer from the Transportation District Fund (TDF), consisting of local gasoline tax, because revenue service of Phase Two of the Dulles Corridor Metrorail Project is not anticipated to begin until sometime in FY 2021. Subsequent years will be funded with revenues generated from parking garage operations. This fund will provide resources for day-to-day operations, preventative, and long-term maintenance.

### Revenues, Expenditures, and Changes in Fund Balance<sup>1</sup>

<sup>1</sup> Sums may not equal due to rounding.

<sup>2</sup> Transfer from TDF consists of prior year gas tax.

<sup>3</sup> The personnel expenses associated with two staff members are budgeted in this fund. One, previously approved, position (1.00 FTE) and one Adopted position (1.00 FTE) are also located in this fund.

## Metro Parking Garages Fund

### Revenue and Expenditure History

#### Revenue/Local Tax Funding

As shown, the Metro Parking Garages Fund will be funded by a combination of a transfer from the TDF and revenue from garage operations in FY 2021. Currently, the utilization of local tax funding is not anticipated in FY 2022.

#### Expenditure

The majority (65 percent) of the expenditures in the Metro Parking Garages Fund are dedicated to operating and maintenance costs, primarily to fund daily operations.

### Staffing/FTE History

FY 2020: 1.00 FTE contract manager.

FY 2021: 1.00 FTE metro parking operations manager.

The Metro Parking Garages Fund was created in the FY 2020 Adopted Budget. In FY 2018, the Board endorsed a hybrid option to manage the garages. This option involves a minimal County staff presence and a primary contract for the day-to-day management of the garages. The majority of expenditures budgeted in this fund are operating and maintenance costs, primarily to cover the cost of the operations contract, utilities, and ancillary contracts. Personnel costs comprise about four percent of total expenditures. In FY 2020 and FY 2021, the TDF provided revenues for operation, in the form of local gasoline tax, to operate the fund. In FY 2021, when Metrorail begins service in Loudoun, revenue from the garages is expected to cover much of the operations.

In the winter of FY 2020, one of two parking garages, Ashburn South, was turned over to Loudoun County. The second parking garage, Loudoun Gateway, is anticipated to be turned over to Loudoun County in the spring of FY 2020. Metrorail service is not projected to begin prior to Fall 2020. This provides an interim year where a baseline operations and safety presence is needed, but the full scope of the operations contract is not. In FY 2020, the primary driver of expenditures is an interim contract for baseline operations and security. This baseline contract provides basic day-to-day management services to the garages, including light staffing for janitorial, and onsite safety security determined necessary by the facilities interim status. In FY 2021, when Metrorail opens and revenue service begins, this contract will be expanded to provide parking ambassador services, routine and preventative maintenance, and full building and property management services.

## **Metro Parking Garages Fund**

The FY 2021 Adopted Budget includes one metro parking operations manager (1.00 FTE) to oversee daily operations and monitor customer service and responsiveness to issues.

### **Capital Facility Openings**

The FY 2021 Adopted Budget includes 1.00 FTE for an operations manager for the Metro Parking Garages. This position will oversee daily operations as well as closely monitor customer service and responsiveness to issues that arise. This includes the management of the maintenance program at the Metro Garages. This position will be responsible for working with various departments to ensure effective interoperability related to the success of the Parking Garage programs.

## Public Facilities Fund

Developer contributions, also known as proffers, provide resources to fund capital facilities in the Capital Improvement Program (CIP); developers contribute these resources to address the future impact of development. Proffers can be cash contributions, dedicated land, or in-kind services that are voluntarily granted to the County to partially offset future capital facility costs associated with specific developments. Proffer contributions are typically obtained through a rezoning or a change in the planned land use. When a developer is granted a rezoning that changes the land use to residential or that increases the density of existing residential uses, those new housing units generate a need for County capital facilities such as schools, parks, libraries, and public safety facilities.

The County maintains an inventory of all types of proffers. Cash proffers accrue to the Public Facilities Fund. As allowed in the Code of Virginia § 15.2-2299, the Zoning Administrator is vested with all necessary authority to administer and enforce proffers and, per statute, adjudicates the eligibility of proffers for public facility uses.

### FY 2021 – FY 2026 Public Facilities Fund

The FY 2021 – FY 2026 plan for the Public Facilities Fund includes the use of \$43,754,229 in cash proffers to fund capital improvement projects in the six-year CIP. While the plan for the Public Facilities Fund covers a period of six years to align with the six-year CIP, only one year is included in the annual budget appropriation. For the FY 2021 – FY 2026 Public Facilities Fund, only those amounts for FY 2021 are included in the FY 2021 Adopted Budget.

### Planned Proffer Expenditures<sup>1</sup>

	FY 2021	FY 2022	FY 2023	FY 2024	FY 2025	FY 2026	6-Year Total
<b>Revenues</b>							
Cash Proffers	\$15,456,657	\$1,797,000	\$1,423,235	\$3,173,790	\$848,772	\$0.00	\$22,699,454

<b>Total – Revenues</b>	<b>\$21,153,432</b>	<b>\$2,297,000</b>	<b>\$3,273,235</b>	<b>\$8,971,590</b>	<b>\$1,969,772</b>	<b>\$6,089,200</b>	<b>\$43,754,229</b>
<b>Expenditures</b>							
General Government	\$1,209,532	\$0	\$817,900	\$3,500,000	\$0	\$0	\$5,527,432
Parks and Culture	10,810,327	0	1,455,335	2,928,626	225,195	0	15,419,483
Roads and Sidewalks	9,072,776	2,297,000	1,000,000	2,542,964	1,744,577	6,089,200	22,746,517
Transit	60,797	0	0	0	0	0	60,797
<b>Total – Expenditures</b>	<b>\$21,153,432</b>	<b>\$2,297,000</b>	<b>\$3,273,235</b>	<b>\$8,971,590</b>	<b>\$1,969,772</b>	<b>\$6,089,200</b>	<b>\$43,754,229</b>

Proffers are legally restricted for use in compliance with the conditions applied to the proffer. The County's internal Proffer Management Team reviews approved proffers and conditions to determine whether they are in compliance. The Adopted FY 2021 cash proffer uses are contingent upon proffer determinations from the Loudoun County Zoning Administrator verifying that the uses are appropriate to the intent of the original proffer statements provided by the proffer contributors.

## Rental Assistance Program Fund<sup>1</sup>

The Rental Assistance Program Fund, managed by the Office of Housing in the Office of the County Administrator, accounts for the U.S. Department of Housing and Urban Development (HUD) programs including the Housing Choice Voucher (HCV) program, the Veterans Administration Supportive Housing (VASH) program, the Project Based Voucher (PBV) program, the Mainstream Voucher program, and the Family Unification program (FUP). HCV assists very low-income families, the elderly, and persons with disabilities to afford decent, safe, and sanitary housing in the private market. VASH combines rental assistance for homeless veterans and their families with case management and clinical services provided by the Department of Veterans Administration at its medical centers and in the community. FUP provides housing assistance to families involved in the child welfare system and youth ages 18 to 21 who have aged out of foster care.

Participants are free to choose any housing that meets the requirement of the program; however, it is the family's responsibility to find a unit where the owner agrees to rent under the guidelines established for the HCV program. Housing subsidies are paid by the County directly to the landlord; participants are responsible for paying the difference between the actual rent charged and the subsidy.

---

<sup>1</sup> Prior to FY 2021, this division was the Housing and Community Development Division in the Department of Family Services. As of July 1, 2020 the division has been transferred to the County Administrator's Office and renamed the Office of Housing.

<sup>1</sup> Sums may not equal due to rounding.<sup>2</sup> Source: Loudoun County FY 2018 Comprehensive Annual Financial Report (CAFR).<sup>3</sup> Source: Loudoun County FY 2019 CAFR.<sup>4</sup> The Rental Assistance Program Fund does not maintain a fund balance. The HCV Program is an advance-funded program, meaning revenues are received before expenditures are incurred. Any unspent funds at the end of a fiscal year are classified as unearned revenues.

## Rental Assistance Program Fund

### Revenue and Expenditure History

#### Revenue/Local Tax Funding

As shown, the Rental Assistance Program Fund is primarily funded by program-generated revenues, receiving less than 2 percent of its budget from local tax funding (Transfer from the General Fund).

#### Expenditure

The majority of the expenditures in the Fund are dedicated to rent subsidies. FY 2020 included a large number of Port-In vouchers, VASH vouchers, and FUP vouchers with that trend expected to continue.

Increases in LTF are due to the increase in personnel expenditures; HUD has not increased funding to cover personnel costs.

### Staffing/FTE History

The County has seen an increase in the number of Port-In vouchers in recent years, which are issued by other localities and then transferred to the County. The County receives reimbursement for these vouchers from the originating locality. The FY 2021 Adopted Budget for the Rental Assistance Program Fund includes an expected increase in miscellaneous revenue related to administrative fees earned and recovered costs related to the amounts received for all housing assistance and utility reimbursement payments, both of which are attributable to Port-In vouchers.

The FY 2021 Adopted Budget also maintains the level of local tax funding needed in support of administrative costs, as the Fund has seen a decrease in the amount of federal funding received for the administrative costs of the various HUD programs found in the Rental Assistance Program Fund. This occurs because as rent costs continue to increase in the County, the number of vouchers that can be supported with the existing funds decreases. The number of vouchers issued determines the level of reimbursement for administrative costs – thereby increasing the local tax funding necessary to continue supporting the programs at the current service level. Local tax funding is not used to support rental subsidies. Rising rental prices will continue to be a challenge in the future.

## Rental Assistance Program Fund

### Percent Change from Adopted FY 2020 to Adopted FY 2021

#### Reasons for Change:

**Personnel:** ↔ || **O&M:** ↑ VASH vouchers, FUP vouchers, Port-In vouchers || **Revenue:** ↑ VASH vouchers, FUP vouchers, Port-in vouchers

### Policies

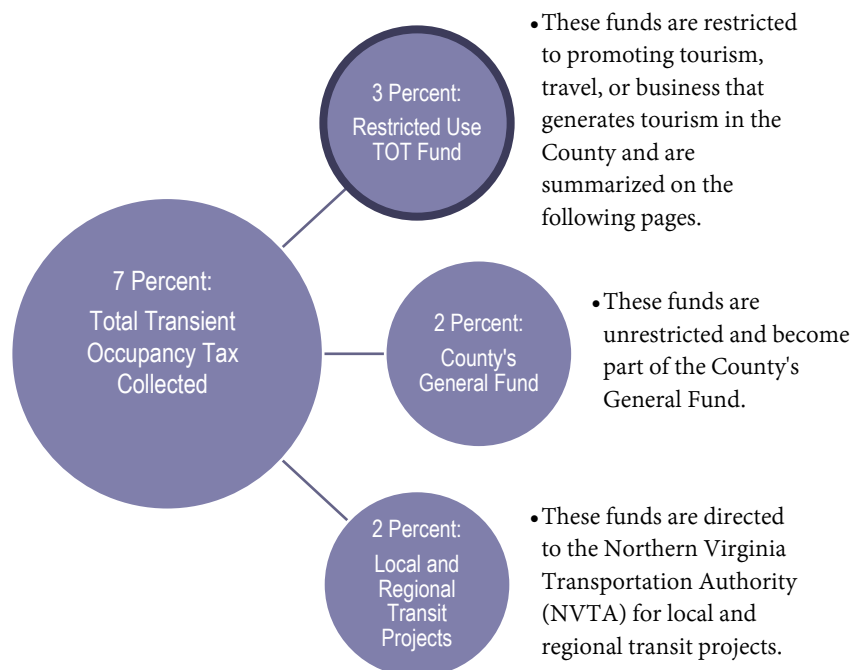

While the County does not have any policies in place regarding the Rental Assistance Program Fund, it is governed by the regulations of the HCV program (24 CFR Part 982). For the most up-to-date information related to the program, please refer to HUD's website.

## Restricted Transient Occupancy Tax Fund

Loudoun County levies a Transient Occupancy Tax (TOT) on hotels, motels, travel campgrounds, and other businesses offering guest rooms for rent. The application of this tax has several stipulations; for example, the business must meet certain room number requirements, and the rooms must be available for continuous occupancy, but for fewer than thirty consecutive days by the same individual. The tax is calculated at 7 percent of the lodging bill and is paid by the patrons of these businesses. The tax is collected by the business and remitted to the County Treasurer's Office on a quarterly basis.

### Breakdown of Total Transient Occupancy Tax Revenue Allocations

The Board of Supervisors adopted a Restricted Use TOT Funding Policy in July 2005, which was last revised in June 2016. The Funding Policy guides the Board of Supervisors in its efforts to strategically and proactively affect tourism in Loudoun County.

- **Core Tourism Services** to sustain Loudoun's tourism base. Core Tourism Services, based upon standards recommended by Destination Marketing Association International, are provided by Visit Loudoun, the primary programmatic element of the County's travel and tourism promotion efforts. Visit Loudoun is allocated 75 percent of the forecasted Restricted TOT revenues to implement these core services.
- **Strategic Tourism Growth Initiatives** to expand Loudoun's tourism base by implementing projects to sustain Loudoun County's Tourism Destination Strategy. The County's Tourism Destination Strategy guides the marketing, promotion, and product development of Loudoun's tourism sector. Of the remaining forecasted Restricted TOT revenues, 15 percent will be available to fund those uses as determined by the Board that best meet the goals of the Tourism Destination Strategy.

<sup>1</sup> Sums may not equal due to rounding.<sup>2</sup> Source: Loudoun County FY 2018 Comprehensive Annual Financial Report (CAFR).<sup>3</sup> Source: Loudoun County FY 2019 CAFR.<sup>4</sup> At the May 19, 2020 Board Business Meeting, due to the uncertain economic conditions and a revised Restricted TOT forecast, the Board voted (8-0-1) to reduce the FY 2021 payment to Visit Loudoun to \$2,561,625. Staff will return to the Board in the fall with updated revenue projections.<sup>5</sup> Mandated Reserve Policy – per the Restricted TOT Funding Policy, 10 percent of annual Restricted TOT revenue must be held as reserves.

## Restricted Transient Occupancy Tax Fund

### Revenue and Expenditure History

#### Revenue/Local Tax Funding

As shown, the Restricted Use TOT Fund is entirely funded by Transient Occupancy Tax revenue. This fund is comprised of no local tax funding.

#### Expenditure

The majority of the expenditures in the Restricted TOT Fund are dedicated to contributions to external organizations, primarily to Visit Loudoun (85 percent). A portion of annual expenditures are transferred to the General Fund (12 percent).

The FY 2021 Adopted Budget for the Restricted TOT Fund estimates revenue of \$4,071,700, a 6 percent decrease from FY 2020. This decrease is primarily due to lower occupancy rates than anticipated. Board policy mandates that 10 percent of projected revenue is to be held in reserve; the Adopted reserve for FY 2021 is \$407,170. Per the Memorandum of Understanding (MOU) with the Board, Visit Loudoun is provided 75 percent of projected Restricted TOT revenue to provide Core Tourism Services for the County, totaling \$3,053,775. Of the remaining 15 percent of projected revenues, \$50,000 is set-aside for the Sports Tourism program, and \$36,500 is budgeted for international travel for Visit Loudoun and the Economic Development Authority each.

The Restricted TOT Fund also includes the TOT Grant Program. Per the adopted Funding Policy, unallocated Restricted TOT funds may be granted to community organizations which provide tourism services or activities, consistent with the Board's funding guidelines. FY 2018 actuals reflect the first year of this program. FY 2019 saw a similar level of participation, and in FY 2020 and FY 2021 a significant number of additional organizations applied and received funding from the program. It is important to note, the grant program is not budgeted for each year, and is dependent on the available fund balance. Up to 50 percent of the unreserved, adopted fund balance may be used for this purpose.

Looking to FY 2022, revenue is forecasted to increase by 4 percent. This increase is attributed to slowly growing room and occupancy rates. With the projected increase in revenue, there will be an increase of approximately \$113,000 in the transfer to Visit Loudoun, per the MOU.

**Restricted Transient Occupancy Tax Fund****Expenditure Detail**

Department	FY 2018 Actual	FY 2019 Actual	FY 2020 Adopted	FY 2021 Adopted	FY 2022 Projected
<b>Transfer to the General Fund</b>					
Department of Economic Development	\$203,050	\$209,877	\$214,199	\$224,159	\$230,884
International cluster activities within the Department of Economic Development are funded through a transfer from the Restricted Use TOT Fund to the General Fund. The Department's funds are used to offset the cost of a position to support industry research analyses and cluster support service as part of the Department's international strategy. The growth of business throughout the clusters contributes to increased hotel occupancy due to associated business travel.					
Office of County Administrator (OEM)	\$83,215	\$88,260	\$80,140	\$92,700	\$95,481
Restricted Use TOT funding is used to offset the personnel cost of the Office of Emergency Management's (OEM's) Special Events Coordinator in the General Fund. This position serves as the conduit for collaborative work with event organizers to ensure compliance with permitting requirements; assists in the development of emergency contingency plans; aids in identifying ways to minimize the impact of events on the surrounding community; and, in many instances, provides onsite support during an event. Through the efforts of the Special Events Coordinator, OEM is able to work with event organizers to create safe and successful events benefiting the residents of and visitors to Loudoun County. Each year hundreds of special events in varying size, scope, and complexity occur at venues throughout the County, drawing thousands of participants. These events include community celebrations, parades, fairs and festivals, sporting events, runs and walks, concerts, and many charity events benefiting members of the community or organizations supporting the community. This economic activity promotes the core tourism principles that are part of the Restricted Use TOT Funding Policy.					
Department of Parks, Recreation, and Community Services	\$117,780	\$117,780	\$117,780	\$117,780	\$117,780
A portion of the Department of Parks, Recreation, and Community Services' (PRCS) athletic field maintenance expenditures are offset by Restricted Use TOT funding due to the relationship between the County's ability to facilitate sports tournaments and overnight hotel stays in the County. Quality maintenance of fields makes them more attractive venues for tournaments which bring economic activity. Field maintenance was completely funded through the General Fund until FY 2013 when a portion of Restricted Use TOT Funding was identified to offset some field maintenance expenditures. PRCS field maintenance services are under heavy pressure due to high usage of the County's athletic fields.					
<b>Total – Transfer to the General Fund</b>	<b>\$404,045</b>	<b>\$415,817</b>	<b>\$412,119</b>	<b>\$434,639</b>	<b>\$444,145</b>
<b>Total – Transfer to the Other Funds</b>	<b>\$404,045</b>	<b>\$415,817</b>	<b>\$412,119</b>	<b>\$434,639</b>	<b>\$444,145</b>

## Restricted Transient Occupancy Tax Fund

Department	FY 2018 Actual	FY 2019 Actual	FY 2020 Adopted	FY 2021 Adopted	FY 2022 Projected
<b>Contributions to External Organizations</b>					
Visit Loudoun	\$2,647,500	\$2,842,500	\$3,264,750	\$3,053,775	\$3,166,800
Visit Loudoun is Loudoun County's designated destination management organization and the primary programmatic element of the County's travel and tourism promotion efforts. Visit Loudoun receives 75 percent of projected Restricted TOT revenue appropriated by the Board each year per the County's Memorandum of Understanding with Visit Loudoun, dated June 23, 2016.					
Visit Loudoun Sports Tourism Grant Program	\$50,000	\$50,000	\$50,000	50,000	50,000
Sports tourism, which refers to travel to view or participate in a sporting event, is a fast growing sector in the global travel industry. Loudoun is well-positioned to take advantage of this segment, with quality facilities, professional sports, parks and recreation organizations, and a community that supports tourism. The Sports Tournaments Grant Program was established as one of the Strategic Growth Initiatives of the Tourism Destination Strategy adopted by the Board of Supervisors in March 2006. The program is designed to support bids on sports tournaments, including human and animal events that generate the greatest return on investment in terms of visitor spending in the County. A competitive application process encourages cooperation, ensures that the tournaments can be accommodated, and increases their success.					
Visit Loudoun International Travel Strategic Tourism Initiatives	\$22,100	\$22,100	\$36,500	\$36,500	\$36,500
This expenditure category was created in FY 2018. As a part of the June 2016 revision to the Restricted TOT Funding Policy, the County has the option to support Visit Loudoun's travel to and attendance on international economic development trips where tourism subject matter experts or Visit Loudoun staff may provide a strategic benefit.					
Economic Development Authority International Travel	\$22,100	\$22,100	\$36,500	\$36,500	\$36,500
This expenditure category was created in FY 2018. As a part of the June 2016 revision to the Restricted TOT Funding Policy, the County has the option to support travel to and attendance on international economic development trips where local representatives may provide a strategic benefit to County tourism efforts. Funding these trips is accomplished with a transfer to the Loudoun County Economic Development Authority.					
American Legion Leesburg Post 34	\$15,000	\$0	\$0	\$0	\$0
American Legion Leesburg Post 34 hosted the 2018 American Legion Baseball Senior Division Mid-Atlantic Regional Tournament in Purcellville. This was a weeklong event that brought teams and fans from outside of Loudoun to the County. In FY 2018, the Board approved a Board Member Initiative that provided a one-time grant of \$15,000 to cover the cost of the tournament bid fee.					
Restricted TOT Grant Program	\$19,500	\$25,000	\$0	\$0	\$0
The Restricted TOT Grant Program was created in FY 2018. Organizations can submit proposals that provide tourism services or activities consistent with the County's Restricted TOT funding policy and the Code of Virginia. In FY 2019, grants were provided to the following organizations/events:					
<ul style="list-style-type: none"> <li>• Aldie Heritage Association to support the Aldie Harvest, Wine, and Food Festival.</li> <li>• Friends of Leesburg Public Arts to support the inaugural Arts in the Alley event, which was a downtown street fair, featuring local artists and performers in the Town of Leesburg.</li> <li>• The Arc of Loudoun to support the Shocktober Halloween event at Paxton Manor.</li> </ul>					
<b>Total – Contributions to External Organizations</b>	<b>\$2,776,200</b>	<b>\$2,961,700</b>	<b>\$3,387,750</b>	<b>\$3,176,775</b>	<b>\$3,289,800</b>

## Restricted Transient Occupancy Tax Fund

### Policies

The Loudoun County Board of Supervisors adopted the Restricted Use Transient Occupancy Tax (TOT) Funding Policy on July 19, 2005. The Policy was last revised June 23, 2016 and details the guidelines and requirements for Restricted TOT funding.

The Restricted Use TOT Funding Policy identifies the purpose of the Fund as providing the Board with the opportunity to strategically and proactively affect tourism within the County, enabling targeted investment in high-priority tourism projects that advance the County's strategic tourism objectives, and maximizing tax relief to the General Fund by increasing Restricted TOT revenues. It specifies that the use of Restricted TOT Funds must meet the purposes designated by Section 58.1-3819 of the Code of Virginia (1950), as amended, which is:

“(Any) excess over two percent shall be designated and spent solely for tourism and travel, marketing of tourism or initiatives that, as determined after consultation with the local tourism industry organizations, including representatives of lodging properties located in the county, attract travelers to the locality, increase occupancy at lodging properties, and generate tourism revenues in the locality.”

As noted above, the priorities for funding through Restricted Use TOT revenue are Core Tourism Services and Strategic Tourism Growth Initiatives. Core Tourism Services sustain Loudoun's tourism base and competitively position Loudoun County to attract visitors. Core Tourism Services are defined and measured based upon standards recommended by Destination Marketing Association International. These services are provided by Visit Loudoun under a Memorandum of Understanding (MOU) with the County. Both the Restricted Use TOT Fund Policy and the MOU specify that 75 percent of Restricted TOT funds will be annually allocated to Visit Loudoun in order to deliver Core Tourism Services.

Strategic Tourism Growth Initiatives expand Loudoun's tourism base by implementing high priority projects that are compatible with the programmatic elements of the Loudoun County Tourism Destination Strategy, which the County develops and adopts with Visit Loudoun. Visit Loudoun serves as the primary programmatic element of the County's travel and tourism promotion activities. Projects funded as Strategic Tourism Growth Initiatives will be identified and prioritized as part of the County's annual budget process. Projects can be funded by Board direction, competitive procurement, grants to non-profit entities, or transfers to County Agencies or Visit Loudoun. Any unused funds will be carried over for use as reserve or for multi-year projects. The Policy also details the funding process for Strategic Growth Initiatives. The policy mandates a reserve of 10 percent of actual Restricted TOT Revenues, for use during years in which revenues received are less than projected.

The Policy calls for a 5-Year Tourism Destination Strategy, followed by a 4-Year Tourism Destination Strategy. The Tourism Destination Strategy is reviewed annually by the Board of Supervisors, Visit Loudoun, the Economic Development Advisory Commission, and industry partners to identify and prioritize Strategic Tourism Growth Initiatives.

## Route 28 Special Improvements Fund

Loudoun County, in partnership with Fairfax County, formed the Route 28 Highway Transportation Improvement District on December 21, 1987. Under Virginia law, such a district may be formed only upon the joint petition of owners of at least 51 percent of the land area in each County located within the boundaries of the District, and which has been zoned or is used for commercial or industrial purposes. The District was formed to provide improvements to State Route 28, which connects State Route 7 in eastern Loudoun County to U.S. Route 50 and Interstate Highway 66 in western Fairfax County, running approximately parallel to the County's eastern border. State Route 28 provides access to Dulles International Airport, along with the Dulles Access Road, which connects the Capital Beltway to Dulles Airport, and the Dulles Greenway, which provides highway access into central Loudoun County. This District was formed upon landowner petition to accelerate planned highway improvements which relied primarily on slower pay-as-you-go financing from the Northern Virginia region's share of the State Primary Road Fund allocation.

A Commission appointed by the Boards of Supervisors of both Counties administers the District, and the Commission may subject the owners of industrial and commercial property within the District to a maximum additional tax assessment of 20 cents per \$100 of assessed value. These funds, in addition to funds received through the State Primary Road Fund allocation formula, are to be used for the road improvements and debt service on bonds issued by the State. The initial debt issue for this project consisted of \$138.5 million in revenue bonds issued by the State in September 1988. In 2002, the County entered into an agreement with the State and Fairfax County to refund the existing debt and issue new bonds to construct six additional interchanges. The total cost of this additional project is estimated at \$190 million and will be completed under the auspices of the State Public Private Transportation Act.

Loudoun County and Fairfax County entered into a contract with the District on September 1, 1988, and agreed to levy additional tax assessments as requested by the District, collect the tax, and pay all tax revenues to the Commonwealth Transportation Board. The contract specified that: (1) the County Administrator shall include in the budget all amounts to be paid by the County under the District Contract for the fiscal year; (2) the County shall provide by February of each year the total assessed fair market value of the district as of January 1 of that year; and (3) the District in turn shall notify the County of the required payment and request a rate sufficient to collect that amount, up to a maximum of 20 cents per \$100 of assessed value. Initially, tax collections at the maximum amount were not sufficient to pay the debt obligation in full. Consequently, the shortfall was made up from the Northern Virginia State Highway allocation. The inter-jurisdictional agreement was subsequently amended to incorporate the revised financing plan for the new work program. Under the revised agreement, Fairfax and Loudoun Counties agreed to transfer funds necessary to pay debt service on the existing debt. The remaining amount will be held in a revenue stabilization fund to protect the counties against any fluctuations in revenue. Expected expenditures can be met in FY 2020 with a rate of 18 cents per \$100 of assessed value.

For Tax Year 2020, the tax rate for the Route 28 Special Improvements Fund was reduced from \$0.18 per \$100 of assessed value to \$0.17 per \$100 of assessed value. For FY 2021, the Route 28 Special Improvements Fund is projected to generate \$13,671,900 in current and delinquent tax revenue to offset its estimated \$13,671,900 in expenditures. There is no local tax funding in this fund.

### Revenue and Expenditure History

#### Revenue/Local Tax Funding

The Route 28 Special Improvements Fund is funded entirely by a special levy on commercial and industrial real property in the Rt. 28 District and receives no local tax funding (LTF). The tax rate for the District is \$0.17 per \$100 of assessed value. Revenues for FY 2021 are anticipated to increase largely due to construction of new data centers within the District.

#### Expenditure

All of the expenditures in the Route 28 Special Improvements Fund are dedicated to improvements of Route 28.

<sup>1</sup> Sums may not equal due to rounding.

<sup>4</sup> Net of estimated uncollectible accounts, deferred revenues, and refunds (assumed 0.35 percent).

## State and Federal Grant Fund

The State and Federal Grant Fund is used to account for the revenues related to grants and donations that are restricted for a specific use (expenditures). The most common sources are the Commonwealth of Virginia (state) and federal governments. Some private organizations provide grants to the County but they are often pass-through grants that originate at the state and federal levels. The restrictions on these funds are typically outlined in a grant agreement and include the type of expenditures and the timeframe in which expenditures can be made. Some grants are reimbursement based, such as the Urban Area Securities Initiative (UASI), and others are advance funded such as Four-for-Life funding and the Community Development Block Grant (CDBG).

Since the Fund accounts for a variety of grants throughout the County, both the budget and finance offices work closely together to manage the Fund. This also requires communication with the departments responsible for the grants themselves including Loudoun County Fire and Rescue (LCFR); the Office of the County Administrator (CA); the Department of Mental Health, Substance Abuse, and Developmental Services (MHSADS); and the Department of Transportation and Capital Infrastructure (DTCI).

However, this fund balance typically consists of grant funds which are restricted for a specific purpose.

## State and Federal Grant Fund

### Revenue and Expenditure History

#### Revenue/Local Tax Funding

As shown, the State and Federal Grant Fund is funded by state and federal revenue. There is no local tax funding in the State and Federal Grant Fund.

#### Expenditure

The majority of the expenditures in the State and Federal Grant Fund are dedicated to operating and maintenance costs.

### Staffing/FTE History

FY 2018: 6.00 FTE for the Early Intervention Program (MHSADS) via 2.00 FTE service coordinators, 1.00 FTE developmental specialist, 1.00 FTE clinical supervisor, 1.00 FTE speech pathologist, and 1.00 FTE administrative assistant

FY 2020: 2.00 FTE (CA) emergency preparedness specialists

FY 2021: 1.00 FTE (CA) emergency preparedness specialist

The size of the State and Federal Grant Fund is driven by the anticipated revenue from grants. The FY 2021 Adopted Budget includes FTE authority for the remaining temporary position emergency preparedness specialist in County Administration and an increase to the Four-for-Life grant. The Tele-psychiatry and Young Adult SMI programs are part of the annual performance contract with the State and have been received for several years. Details for each grant can be found in the Expenditure Detail table starting on the next page.

### FTE Authority

The Office of Emergency Management has three emergency preparedness specialist positions supported by grant revenue from the Urban Areas Security Initiative (UASI) program. The first position, created as a temporary position in 2006, supports training and emergency response exercise efforts. The second and third positions were both created in 2007 and support National Capital Region emergency management planning efforts and other emergency preparedness exercises. Since their inception, these positions have been funded with this federal revenue. Over the past decade as the region has made improvements to its emergency preparedness practices, these positions have become an integral part of the County's emergency management program. The FY 2020 Adopted Budget included FTE Authority for two of these three positions. In the FY 2021 Adopted Budget, the Board approved the creation of one regular, full-time authorized position (1.00 FTE) for the third UASI-supported emergency preparedness specialist.

## State and Federal Grant Fund

Funding is currently secured for all three positions through December 31, 2020. Continuation of funding is dependent on the overall grant allocation the National Capital Region receives from the Department of Homeland Security, as well as, the project being approved by the National Capital Region Homeland Security Executive Committee. At this time, it does not appear that UASI funding will cease in the coming fiscal year.

### Expenditure Detail

Grant / Department	FY 2018 Actual	FY 2019 Actual	FY 2020 Adopted	FY 2021 Adopted	FY 2022 Projected
<b>Four-for-Life (LCFR)</b>	\$104,211	\$357,290	\$331,230	\$357,290	\$357,290
The Four for Life grant is managed by the Loudoun County Fire and Rescue (LCFR). Program funding comes from a \$4 charge as part of the registration of certain vehicles. Twenty-six percent is remitted back to the originating locality to be used for specific purposes as outlined in the Code of Virginia. The grant is distributed to all of the volunteer fire companies and to LCFR. It has experienced yearly increases related to Loudoun County's growing population.					
<b>Community Development Block Grant (CA)<sup>1</sup></b>	\$1,457,514	\$739,099	\$1,334,301	\$1,334,301	\$1,334,301
The CDBG grant is managed by the Office of the County Administrator and is used for the program operating costs and personnel (1.75 FTE). Funding is part of the CDBG Entitlement Program, which provides annual grants on a formula basis to entitled cities and counties to develop viable urban communities by providing decent housing and a suitable living environment and expanding economic opportunities, principally for low and moderate-income persons.					
<b>Early Intervention (MHSADS)</b>	\$1,249,863	\$1,538,948	\$1,502,519	\$1,502,519	\$1,502,519
The Early Intervention Program is managed by the Department of Mental Health, Substance Abuse, and Developmental Services (MHSADS) and supports both operating and personnel costs (12.00 FTE). The program is mandated to provide early intervention services to infants and toddlers with developmental delays and to support their families in caring for their infant/toddler. The monies in the State and Federal Grant Fund only reflect a portion of the County's Early Intervention Program. In addition to these monies, which require no local match, funds are included in the General Fund for MHSADS. The General Fund monies reflect the County's maintenance of effort, a requirement of the grant.					
<b>Young Adult SMI (MHSADS)</b>	\$529,252	\$472,071	\$687,883	\$687,883	\$687,883
The Young Adult SMI Program is managed by MHSADS. The program is part of the annual Community Services Performance Contract with the Virginia Department of Behavioral Health and Developmental Services. The program provides services to individuals experiencing first episode psychosis and/or persistent serious mental illness. Services provided follow a Coordinated Specialty Care based model of delivery with a focus on individual resiliency training, education and employment support, peer-to-peer support and personal empowerment. All services are delivered by a third-party contracted provider.					
<b>Tele-psychiatry (MHSADS)</b>	\$0	\$99,783	\$49,769	\$49,769	\$49,769
The Telepsychiatry grant is managed by MHSADS. These funds are part of the annual Community Services Performance Contract with the Virginia Department of Behavioral Health and Developmental Services. Funds are used for the provision of psychiatric services.					
<b>Congestion Mitigation Air Quality (DTCI)</b>	\$82,364	\$42,207	\$0	\$0	\$0
The Congestion Mitigation and Air Quality Improvement Program (CMAQ) is managed by the Department of Transportation and Capital Infrastructure (DTCI). The funding supports the lease of the Broadlands Parking Lot.					

<sup>1</sup> As of July 1, 2020, the County's CDBG program transferred from Family Services to the Office of the County Administrator, as part of the transfer of the Office of Housing.

## State and Federal Grant Fund

Grant / Department	FY 2018 Actual	FY 2019 Actual	FY 2020 Adopted	FY 2021 Adopted	FY 2022 Projected
<b>Regional Surface Transportation Program (DTCI)</b>	\$27,300	\$27,300	\$27,300	\$27,300	\$27,300
The Regional Surface Transportation Program (RSTP) is managed by the Department of Transportation and Capital Infrastructure (DTCI). The funding supports the lease of the Lowes Island Parking Lot.					
<b>Miscellaneous Grants</b>	\$669,278	\$1,326,740	\$0	\$0	\$0
Grants that are not routine in nature, require ongoing competitive applications, whose annual award amounts are unknown, or whose funding stream is uncertain, are not part of the adopted budget for the State and Federal Grant Fund. These grants, as awarded, are brought forward to the Board of Supervisors, typically as part of the Administrative Items Report, for appropriation. Examples of these grants include the Urban Areas Security Initiative grants, the Securing the Cities program, the Edward Byrne Memorial Justice Assistance Grant, and the State Criminal Alien Assistance Program. The FY 2021 Adopted Budget creates one regular, full-time authorized position in the Office of the County Administrator under the UASI grant program.					
<b>Total</b>	<b>\$4,119,783</b>	<b>\$4,603,438</b>	<b>\$3,933,001</b>	<b>\$3,959,061</b>	<b>\$3,959,061</b>

### Percent Change from Adopted FY 2020 to Adopted FY 2021

#### Reasons for Change:

**Personnel:** ↔ || **O&M:** ↑ 1 percent Four-for-Life grant || **Revenue:** ↑ 1 percent Four-for-Life grant

## State and Federal Grant Fund

### Policies

While internal policies do not typically exist for the State and Federal Grant Fund, individual grant agreements—and the legal authorization for those funding streams—govern how funds can be spent. Information on the grants included in the Adopted Budget for the State and Federal Grants Fund are below.

#### Four-for-Life

The Four-for-Life grant is administered by the State and provides funding for the training of emergency medical service personnel and for the purchase of necessary equipment and supplies for use by the County in the Department of Fire and Rescue.

Per the Code of Virginia Section 46.2-694, a fee of \$4.25 is charged and collected at the time of registration of each pickup or panel truck and each motor vehicle under subdivisions 1 through 12. All funds collected from \$4 of the \$4.25 fee are remitted to the Virginia Department of the Treasury and set aside as a special fund to only be used for emergency medical services purposes.

Of the \$4 fee revenue, the State Department of Health receives 32 percent, the Rescue Squad Assistance Fund (RSAF) receives 32 percent, ten percent is available to the State Department of Health's Office of Emergency Medical Services, and the originating locality receives 26 percent, which are the source of funding for the Four-for Life grant. These funds cannot be used to supplant local funds.

#### Community Development Block Grant<sup>1</sup>

The Entitlement Program under the Community Development Block Grant is authorized under Title 1 of the Housing and Community Development Act of 1974, Public Law 93-383, as amended; 42 U.S.C.-4301 et seq. Eligible activities under this program include:

- Acquisition of real property
- Relocation and demolition
- Rehabilitation of residential and non-residential structures
- Construction of public facilities and improvements, such as water and sewer facilities, streets, neighborhood centers, and the conversion of school buildings for eligible purposes
- Public services, within certain limits
- Activities relating to energy conservation and renewable energy resources
- Provision of assistance to profit-motivated businesses to carry out economic development and job creation/retention activities.

Additional information on this grant can be found on the U.S. Department of Housing and Urban Development's website.

#### Early Intervention Program<sup>2</sup>

Congress enacted early intervention legislation in 1986 as an amendment to the Education of Handicapped Children's Act (1975) to ensure that all children with disabilities from birth through the age of two would receive appropriate early intervention services. This amendment formed Part H of the Act, which was re-authorized in 1991 and renamed the

## State and Federal Grant Fund

Individuals with Disabilities Education Act (IDEA). When the IDEA was re-authorized in 1998, Part H became Part C of the Act. Virginia's early intervention system is called the Infant & Toddler Connection of Virginia.

These funds are intended to supplement local funding, not supplant.

### **Young Adult Serious Mental Illness (SMI)**

Funds for the Young Adult SMI Program are received as part of the annual Community Services Performance Contract with the Virginia Department of Behavioral Health and Developmental Services. The program is funded with both state and federal resources. Federal resources originate under the Mental Health Services Block Grant. Restrictions regarding the use of these funds are outlined in the annual Community Services Performance Contract.

### **Tele-psychiatry**

The Tele-psychiatry grant is funded by the State via the annual Community Services Performance Contract with the Virginia Department of Behavioral Health and Developmental Services. Funds must be used in accordance with the guidelines in the performance contract.

### **Congestion Mitigation Air Quality (CMAQ) Improvement Program<sup>1</sup>**

The CMAQ program provides a flexible funding source to state and local governments for transportation projects and programs to help meet the requirements of the Clean Air Act. Funding is available to reduce congestion and improve air quality for areas that do not meet the National Ambient Air Quality Standards for ozone, carbon monoxide, or particulate matter (nonattainment areas) and for former nonattainment areas that are now in compliance (maintenance areas). The federal share of CMAQ funds is governed by 23 U.S.C. 149 and the FAST Act § 1114.

### **Regional Surface Transportation Program (RSTP)<sup>2</sup>**

At the federal level, RSTP is referred to as the Surface Transportation Block Grant Program (STBG). It promotes flexibility in state and local transportation decisions and provides flexible funding to best address state and local transportation needs. The federal share of RSTP funds is governed by 23 U.S.C. 133 and the FAST Act § 1109.

### **Urban Area Securities Initiative (UASI)<sup>3</sup>**

The UASI grant program is one of three programs that falls under the Homeland Security Grant Program (HSGP). HSGP programs fund a range of preparedness activities, including planning, organization, equipment purchase, training, exercises, and management and administration across all core capabilities and mission areas.

## Tall Oaks Water and Sewer Fund

The Board of Supervisors adopted the ordinance establishing the Tall Oaks Water and Sewer Fund pursuant to the Code of Virginia, Section 15.2, Chapter 24, on January 11, 2017. The ordinance also imposed a special assessment on the ten commercial properties whose owners petitioned for the creation of this special tax district to fund the installation of water and sewer lines by Loudoun Water. The ten commercial properties are located along the west side of Cascades Parkway, south of Maries Road, and north of Woodland Road.

Each of the property owners entered into the Special Assessment Agreement pursuant to which the cost of the water and sewer improvements is apportioned among the properties based upon parcel acreage. The special assessment is estimated to generate \$1,115,210 in revenue over 20 years which equals the initial estimate of the cost of the project. Consistent with past practice, this amount will be adjusted to reflect the actual cost incurred by Loudoun Water once the project is complete. The annual amounts shown are the current estimates.

## Transportation District Fund

The Transportation District Fund was created in FY 2013 for the purpose of accurately identifying transportation and transit-related revenues and expenditures. This fund includes real property tax revenue collected from the Special Tax Districts created to support the Dulles Corridor Metrorail Project, a transfer from the General Fund equivalent to \$0.02 of the real property tax rate, local gasoline tax revenue, and revenue resulting from the enactment of HB 2313 by the Virginia General Assembly in 2013.

### Metrorail Service Special Tax Districts

In December 2012, the Board established three special tax districts in concert with Phase II of the Dulles Corridor Metrorail Project: the Metrorail Service District, Loudoun Gateway – Airport Station Service District, and the Ashburn Station Service District (illustrated in the following map). Supplemental real property taxes are assessed on parcels within the boundaries of the three special tax districts at an effective rate not to exceed \$0.20 per \$100 of assessed value exclusive of all other applicable taxes and are collected by the Treasurer in the same manner the Countywide real property tax is administered.

## Transportation District Fund

The **Metrorail Service District** was established to provide public transportation systems serving each of the Station Service Districts. These districts allow for revenue to be utilized for the County's share of the cost of constructing any related facilities and structures including: parking facilities; rail lines and a rail yard; vehicular and pedestrian access; electrical facilities and equipment; studies, assessments, and analysis of environmental and other impacts; local, state, and federal government approvals; environmental preservation and mitigation; acquisition of real property or easements; relocation of roadways; and engineering and legal costs related to the Metrorail project. Additionally, the Metrorail Service District provides funding that pays debt service on the federal TIFIA loan (detailed below) and any other debt issued by the County for the construction of the Metrorail Project extension into the County.

Located within the Metrorail Service Tax District are the **Loudoun Gateway – Airport Station Service District** and the **Ashburn Station Service District**. The Tax Districts will provide revenue continuing beyond the term of the larger Metrorail Service Tax District to fund ongoing payments to the Washington Metropolitan Area Transit Authority (WMATA) to provide Metrorail transit service to each station. The Tax Year 2020 real property tax rate for the Metrorail Service District is \$0.20 per \$100 of assessed value. The individual station districts have not yet been activated.

### Transportation Infrastructure Finance and Innovation Act (TIFIA)

The Transportation Infrastructure Finance and Innovation Act of 1998 (TIFIA) is a federal credit assistance program administered by the United States Department of Transportation (USDOT) for eligible surface transportation projects of regional or national significance. Loudoun County submitted an application for TIFIA credit assistance in the form of a secured loan in the amount of \$195,072,507, plus deferred interest. On December 9, 2014, USDOT and Loudoun County closed on the loan.

MWAA estimates the total construction cost of the Dulles Corridor Metrorail Project will be \$5.8 billion. Per the Memorandum of Agreement executed in December 2011, Loudoun County is responsible for 4.8 percent of the total project cost which is now estimated at \$273 million. The County will fund its share of construction-related costs using the \$195 million TIFIA loan, \$56 million of lease appropriation-backed debt through the Loudoun County Economic Development Authority, and tax revenue generated from the Metrorail Service Tax District.

Beginning in FY 2021, Loudoun County will begin paying its portion of WMATA capital contributions for the Metrorail system. Based on WMATA's FY 2021 Proposed Capital Improvement Program (CIP), the County's FY 2021 capital contribution is estimated to be \$3 million. These funds are included in the County's FY 2021 – FY 2026 Adopted CIP. Beginning in FY 2022, contributions are expected to increase and the CIP includes funding for this increase to a level of \$22.4 million. While the ordinance establishing the Metrorail Service District allows the use of the revenues generated by the district for ongoing costs to WMATA, per the TIFIA loan agreement, the debt service on the TIFIA loan and any additional borrowing for the construction of the project have priority in drawing on those revenues until the debt is paid off, which is estimated to be in 2042. The FY 2021 Adopted Budget includes \$6,971,060 to make interest payments on the TIFIA loan and bond anticipation notes (BANs) issued in 2018 for Metrorail construction. Per the terms of the TIFIA loan agreement, principal payments are deferred until FY 2023. The BANs were issued as four-year, interest only notes maturing in 2022, when long-term bonds will be issued to pay them off. Deferred principal payments allow additional time for the Metrorail Service District to generate revenue to offset these and other costs.

### HB 2313 Statutory Requirements and Local and Regional Revenues

During the 2013 Virginia General Assembly legislative session, HB 2313 was enacted.<sup>1</sup> It established three revenue sources dedicated to transportation and transit for Northern Virginia and designated the Northern Virginia Transportation Authority (NVRTA) as the organization responsible for managing these revenue sources.

---

<sup>1</sup> Chapter 766, 2013 Acts of Assembly

## Transportation District Fund

HB 2313 included an incremental increase of 0.7 percent to the State Sales Tax; an increase of 2 percent to the Transient Occupancy Tax; and an additional \$0.15 congestion relief fee to the Grantor's Tax within the nine jurisdictions comprising the Northern Virginia Planning District. These revenues together made up the "local" 30%, or NVTAs 30%, provided to each Northern Virginia locality. In 2018, the General Assembly funding altered this funding. Beginning July 1, 2018, the grantor's tax and the regional transient occupancy tax (TOT) was diverted to WMATA for use in funding Metrorail capital expenses.<sup>1</sup> These revenues comprised approximately 20 percent of the regional tax revenue collected in Loudoun. As a result of this change, these revenues are no longer available to fund NVTAs-sponsored transportation projects and localities<sup>2</sup> will not have access to the 30-percent local share of these funds. Effective July 1, 2019, truck registration fees were increased as part of the Interstate 81 Corridor Improvement Fund and Program with a portion of these fees is distributed to NVTAs. These fees, along with the remaining 0.7 percent sales tax will be the sole source of revenue for both local and regional NVTAs allocations. The NVTAs 30% revenue can only be spent on urban or secondary road construction, capital improvements that reduce congestion, other projects that have been approved in the regional transportation plan, or for public transportation.

The remaining "regional" 70 percent (or NVTAs 70%) of the proportional State Sales Tax revenue collected in each jurisdiction is retained by the NVTAs for regional transportation projects that are included within the TransAction regional transportation plan or mass transit capital projects that increase capacity. Regional transportation projects are prioritized and adopted by the NVTAs Board annually with a philosophy that over time each jurisdiction will receive its equivalent proportional share of revenues. NVTAs updated the TransAction plan in 2017 to establish a Six-Year Program (SYP) to competitively prioritize NVTAs 70% funding for transportation projects in the FY 2018 – FY 2023 period. In June 2018, NVTAs approved funding for eight of the nine Loudoun County projects submitted. The total amount awarded to the County for the SYP was \$304,947,000; the full amount of the award for each project will be appropriated in the fiscal year in which the Standard Project Agreement between the County and VDOT will be executed.

HB 2313 also requires that the County maintain a level of funding dedicated for transportation and transit equivalent to the average amount of expenditures for transportation and transit as established for the three fiscal year period from FY 2011 to FY 2013, or approximately \$15.6 million; and that the dedicated revenue is separate from the anticipated HB 2313 revenues. In addition to the requirement of maintaining funding levels, the County is also required to enact a Commercial & Industrial (C&I) Property Tax at \$0.125 per \$100 valuation or dedicate an equivalent level of funding for transportation and transit purposes in order to receive the 30 percent share of HB 2313 revenue. It is estimated that a C&I tax levied in the County would yield approximately \$24.09 million in FY 2021.

The Board of Supervisors has taken no action to levy such a tax, and consequently the FY 2021 Adopted Budget includes appropriations for transportation and transit purposes which satisfy the C&I tax equivalent requirement. The C&I equivalent for FY 2021 includes an amount equivalent to \$0.02 of the real property tax rate, or \$18,637,573 and \$10,215,876 of cash proffer funding. In accordance with the requirements of the statute, this funding is shown within the Transportation District Fund.

### Local Gasoline Tax Revenue and Uses

Loudoun County began the collection of a 2 percent local gasoline tax in January 1989. Initially, gasoline tax funds were administered through the Loudoun County Transportation District Commission (LCTDC). In January 1990, the Board of

---

<sup>1</sup> Resulting from the enactment of HB 1539 by the Virginia General Assembly in 2018.

<sup>2</sup> Towns that have a population over 3,500 within are to be provided the proportional share of the NVTAs 30% revenue collected within the town limits. The towns of Leesburg and Purcellville are currently eligible for these funds. Per HB 2313, these revenue sources must be deposited into a separate, special revenue fund for which the Transportation District Fund serves.

## Transportation District Fund

Supervisors dissolved the LCTDC and elected to join the Northern Virginia Transportation Commission (NVTC), where local gasoline tax collections are received and administered in a separate account on behalf of the County.

Beginning in FY 2018, some County operations and transfers to towns previously funded with gasoline tax revenues were transitioned to local tax funding. In FY 2019, gasoline tax revenue transfers to the towns of Leesburg and Purcellville ceased and are no longer in effect in order to dedicate gasoline tax revenue to Metrorail capital and operating costs. As required, the County's FY 2021 Adopted Budget programmed funding to fund the Metrorail start-up operating costs totaling \$12,000,000 using available local gasoline tax revenues. The County also plans to begin paying its annual operating payment to WMATA beginning in FY 2021.

It is still expected that, over the long term, local gasoline tax revenue will likely not be sufficient to fully fund the County's obligations to WMATA. Additional sources of revenue will need to be identified to meet these requirements. Current gas tax revenue projections reflect an annual gap of \$3.5 to \$4.0 million between gas tax revenue and the County's anticipated operating obligation to WMATA. Existing reserves, in combination with annual gas tax revenue are anticipated to be sufficient to cover these costs for at least four years, potentially longer.

## Transportation District Fund

### Revenues, Expenditures, and Changes to Fund Balance (Reserves)

	FY 2020 Adopted	FY 2021 Adopted	FY 2022 Projected

## Demographic and Economic Trends

### Population<sup>1</sup>

Loudoun County has been one of the fastest growing counties in the nation since the late 1990s. Between 2010 and 2018 Loudoun was ranked the twentieth fastest growing county in the nation and number eight for jurisdictions with populations over 100,000. The County's forecasted 2020 population is 423,953.

Year	Source	Population	Avg. Annual % Change in Population
2000	U.S. Census Bureau	169,599	7.0%
2010	U.S. Census Bureau	312,311	6.3%
2011	Estimate	320,265	2.5%
2012	Estimate	329,110	2.8%
2013	Estimate	341,516	3.8%

<sup>1</sup> Sources: U.S. Census Bureau; Loudoun County, January 2018 Council of Governments Round 9.1 Forecast. Forecasts will be updated in the future based on development trends as well as the now adopted Loudoun County 2019 Comprehensive Plan, which allows more residential development.

## Demographics and Economic Trends

### Income

Incomes in Loudoun County are among the highest in the nation. Loudoun County's median household income was ranked first in the nation out of all jurisdictions according to the U.S. Census Bureau's 2018 American Community Survey five-year averages. Among jurisdictions with populations above 65,000, Loudoun County's median household income has ranked highest in the nation since 2007 according to the U.S. Census Bureau's American Community Survey one-year estimates. In 2018, Loudoun's median was \$139,915, more than twice the national median of \$61,937 and nearly twice Virginia's median of \$72,577. Compared to the Washington, DC, Metropolitan Statistical Area's (MSA) median of \$102,180 Loudoun was 37 percent higher.

Loudoun County's per capita income was ranked 18th in the nation out of all jurisdictions, according to the U.S. Census Bureau's 2014-2018 American Community Survey five-year averages. Among jurisdictions with populations above 65,000, Loudoun County's per capita income ranks 9th according to the U.S. Census Bureau's 2018 American Community Survey one-year estimates. Loudoun County's 2018 per capita income of \$56,998 was 68% higher than the national per capita income of \$33,831, 47% higher than Virginia's \$38,900, and 15% higher than the Washington D.C. MSA's \$49,436.

#### Per Capita Personal Income

Year	Per Capita Personal Income
2009	\$61,423
2010	\$63,324
2011	\$66,366
2012	\$68,468
2013	\$67,023
2014	\$68,286
2015	\$70,750
2016	\$73,295
2017	\$74,878
2018	\$78,070

## Demographics and Economic Trends

### At-Place Employment and Unemployed

At-place employment is the number of persons working at businesses and other organizations within the County. Loudoun's at-place employment increased 32 percent between 2010 and 2019. The number of unemployed residents peaked in 2010 and had consistently fallen until the COVID-19 pandemic of 2020. After declining in 2009, employment has consistently increased; the number of unemployed residents declined by 146 persons or 2.8 percent from 2018 to 2019. The pandemic will likely result in a decrease in at-place employment and an increase in the number of unemployed.

#### At-Place Employment and Unemployed

Source: Virginia Employment Commission.<sup>1</sup>

The number of employees in the County for each industry sector as of the second quarter of 2019 is:

Industry Sector	No. of Employees	Percentage
Natural Resources and Mining	631	0.4%
Construction	17,413	9.9%
Manufacturing	7,822	4.4%
Trade, Transportation, and Warehousing	36,987	21.0%
Information	7,183	4.1%
Financial Activities	6,072	3.5%
Professional and Business Services	32,785	18.6%
Education and Health Services	31,999	18.2%
Leisure and Hospitality	21,554	12.3%
Other Services (except Public Administration)	5,646	3.2%
Public Administration	7,118	4.0%
Unclassified	673	0.4%
<b>Total – All Industries</b>	<b>175,883</b>	<b>100.0%</b>

<sup>1</sup> The at-place employment data are for the second quarter of each calendar year. Unemployment data are annual values, based on residence in Loudoun County, not place of employment.

## Demographics and Economic Trends

### Residential Construction

In 2019, the County issued building permits for 2,923 new residential units, all of which were for housing units and not for group quarter units. Group quarters are places where people live in a group living arrangement, such as nursing homes, college dormitories, homeless shelters, and detention centers. Of the 2,923 housing units, 38 percent were for single-family detached, 33 percent for single-family attached, and 29 percent for multi-family units.

The number of building permits issued for new residential housing unit construction declined from 2005 to 2010 due to the effects of the nationwide housing boom and subsequent recession. The post-recession recovery of the housing market was evident in 2011 with the large increase in building permits from 2010 to 2011. The years 2012 to 2018 exceeded the recession levels and the 2011 level. The number of permits in 2019 was similar to the level in 2011, representing an 18.4 percent decline from 2018.

The County's relatively large amount of residential construction, bringing with it more residents, has created increased service demands.

## Demographics and Economic Trends

### Non-Residential Construction and Vacancy Rate

There has been an upward trend of non-residential square feet permitted since the 2008-09 recession. This has been driven by favorable economic conditions, especially from the rapid expansion of the data center industry. New permitting and construction has come at an especially rapid pace since 2015. The 2018 volume was the highest annual total permitted in one year, surpassing the previous peak of just under 8.0 million square feet permitted in 2000, followed by 5.0 million square feet in 2019.

#### New Non-Residential Construction – Thousands of Square Feet Permitted

## Demographics and Economic Trends

### Retail Sales

Population growth and new retail development in Loudoun County have generally contributed to increased annual retail sales of tangible goods over time. Retail sales growth resumed in 2010 after the financial crisis. Reported sales for 2012 include sales from prior years which were not included in the totals for those years, which caused the 2012 percentage change to be overstated (and the 2013 change understated) relative to the value that would have occurred in the absence of any reporting errors. The retail sales reported for localities by the Virginia Department of Taxation, which administers the collection and distribution of sales and use taxes, only includes items that are subject to the general sales tax. State law exempts a host of goods from the sales tax, including motor vehicles (which are subject to a motor vehicle sales and use tax), travel trailers, motor vehicle fuels, newspapers not sold in newsstands, and a number of others.

#### Annual Percentage Change in Actual Retail Sales<sup>1</sup>

Source: Virginia Department of Taxation.

<sup>1</sup> Reported sales for 2012 included a correction for under-reported sales from previous years. Consequently, the 12.4 percent increase for that year and the -3.6 percent for 2013 do not accurately reflect the economic growth trend.

## Demographics and Economic Trends

### Business Establishments

Since 2009, the number of business payroll establishments has grown each year, reflecting a growing population and economy. The number of establishments is used as a proxy for the number of businesses. An establishment is usually at a single location and engaged in one predominant activity. However, a company may be comprised of more than one establishment if they are at more than one location, or are engaged in multiple services or products that fall under different classifications. The annual growth in business establishments has been 3.3 percent per year over the past ten years.

#### Number of Business Establishments

Commission, Second Quarter Data.

## Demographics and Economic Trends

### Average Homeowner Tax Bill

The average homeowner tax bill is computed by applying the County's real estate tax rate to the average assessed value of a Loudoun home. Below is a summary of the average assessed value of a home in Loudoun. The table identifies the average value on January 1 of housing units that were 100 percent complete at the beginning of the prior year. In this way, the impact of proposed tax changes on existing homeowners can be assessed. Since the number of housing units changes each year as new units are completed, some of the change in value results from new housing units each year. For this reason, the data does not provide the trend in value for units built more than one year prior.

Calendar Year	Fiscal Year	Tax Rate	Average Assessed Home Value <sup>1</sup>	Average Tax Bill
2011	2012	\$1.285	\$397,300	\$5,105
2012	2013	\$1.235	\$401,710	\$4,961
2013	2014	\$1.205	\$405,975	\$4,892
2014	2015	\$1.155	\$422,985	\$4,885
2015	2016	\$1.135	\$429,100	\$4,870
2016	2017	\$1.145	\$434,800	\$4,978
2017	2018	\$1.125	\$447,700	\$5,039
2018	2019	\$1.085	\$465,200	\$5,047
2019	2020	\$1.045	\$488,000	\$5,100
2020	2019	\$1.035	\$509,400	\$5,272

#### Average Annual Homeowner Tax Bill

<sup>1</sup> Values for FY 2014 and FY 2015 are estimates.

## Demographics and Economic Trends

### County Government FTE Per 1,000 population

One full-time equivalent employee (FTE) equates to one employee who is authorized to work at least the normal 1,950 hours per year (or 37.50 hours per week). The FTE of County Government does not include School System personnel. The number of County Government FTE per 1,000 residents has generally declined since 2008 as the resident population of the County grew more rapidly than the number of FTE. As population growth begins to slow, this trend may reverse course. In 2020, estimated population growth is 2.7 percent, compared to 4.1 percent in 2014.

Fiscal Year	FTE per 1,000 Population
2012	10.51
2013	10.26
2014	9.95
2015	9.92
2016	9.95
2017	9.77
2018	10.07
2019 <sup>1</sup>	9.73
2020	9.79
2021	9.93

### County Government FTE per Capita<sup>1</sup>

Source: Loudoun County Department of Finance and Budget.

<sup>1</sup> Beginning in FY 2019 with the full implementation of the Human Capital Management module of Oracle, all single incumbent positions with authorized weekly hours of 37.5 or greater are now assigned an FTE value of 1.00. In prior years, authorized weekly hours greater than 37.5 were assigned FTE values greater than 1.00. This recalculation caused a reduction of total FTE, but not the number of personnel.

## Demographics and Economic Trends

### Passengers at Washington Dulles International Airport

The number of passengers at Washington Dulles International Airport, which is an important contributor to the County's economy, decreased in the early 2000s due to the terrorist attacks of September 11, 2001 and the subsequent economic recession. Both passenger and freight traffic rebounded in 2004 and freight traffic continued to increase through 2007. The drop in passenger traffic from 2005 to 2006 reflects the cessation of operations by Independence Air in January 2006. Total passenger volume fell from 2010 to 2014 as the increase in international travel did not offset decline in domestic traffic volume. The decline in domestic passenger traffic has coincided with authorization of more long-range domestic flights from Reagan National Airport. Passenger volume has increased steadily since 2015, with 2018 exhibiting a 5.1 percent increase. The air freight sector at Dulles competes with other airports (some of which offer shippers more scheduled daily flights) and with alternate forms of freight transport (e.g., water, rail, and truck). Year-to-year fluctuations in annual tonnage at Dulles are similar to those for the air freight industry as a whole. Volume declined in 2008 and 2009 as the economic recession reduced production and trade activity. Tonnage increased in 2010 with economic recovery, but rising fuel costs in subsequent years induced shippers to utilize alternate (more fuel efficient) shipping modes to a greater degree. The sharp decline in fuel prices since the summer of 2014 enabled air freight to regain some market share.

An underground train system for moving passengers between the airport's main terminal and the various gates was completed in 2010 and Phase II of the Dulles Corridor Metrorail Project includes long-planned integration into the Metro system. Capital investments such as these should improve the airport's ability to attract businesses to the County, thereby improving the future growth potential of the County's economy. In 2014, Frontier Airlines began passenger service between Dulles and eighteen other cities. In 2017, Air India, LAN Peru, and Air Canada commenced nonstop service to Delhi, Lima, and Toronto, respectively. Virginia's 2016-18 biennial budget included a \$50 million grant to the Metropolitan Washington Airports Authority (MWAA) for Dulles to assist with business attraction and retention initiatives by lowering airport fees.

## Assessed Value and Tax Rates

### Assessed Valuation of Residential Property

The fair market value of single-family homes and condominiums in Loudoun (reported as of each January 1st) increased every year from 1993 through 2006, before declining for four consecutive years as construction activity declined and market prices dropped in the 2008-09 recession. Assessed value growth resumed in 2011. Due to the COVID-19 pandemic, growth of assessed values is uncertain, however, the FY 2021 Adopted Budget was developed on the assumption of 4.9 percent growth. To address this uncertainty, the FY 2021 budget includes a reserve of \$100 million<sup>1</sup>. The active inventory of existing homes for sale was tight throughout 2019 which contributed to one of the highest rates of annual price appreciation since 2014. The values of multi-family rental properties have increased steadily since 2011.

<sup>1</sup> Further discussion about reserved funds in FY 2021 may be found in the Executive Summary in Volume 1 of this document.

## Assessed Value and Tax Rates

### Assessed Valuation of Other Real Property

The fair market value of commercial and industrial property in Loudoun (reported as of each January 1st) declined in 2010 but has grown steadily since 2011 and is forecasted to increase during 2020, as indicated by the higher value on January 1, 2020 compared to the 2019 value. Fair market values for agricultural property experienced a sharp decline in 2009 continuing through 2013, again in 2015, and every year since 2017. This is typical as properties are rezoned for other uses. A portion of agricultural property is taxed on its use value (as agricultural, horticultural, or open space) rather than its fair market value.

<sup>1</sup> Includes assessed values for public service corporations.

<sup>2</sup> Agricultural values reflect fair market value and may differ from other tables in this document that refer to taxable value.

## Assessed Value and Tax Rates

### Assessed Value Per Capita

The assessed fair market value of real property per capita increased sharply from 2000 through 2006, as the value of real property increased at a faster rate than population growth largely due to dramatic increases in home prices. The ratio peaked at \$224,086 in 2006 but declined for several years thereafter coincident with the 2008-2009 economic recession. That recession was preceded by several years of excessive lending in real estate markets and rapidly rising property prices, the end of which caused property values to fall. The subsequent economic recovery was slow by historic standards and provided little stimulus to real estate valuations. Since 2010, the ratio has steadily increased at varying rates as real estate prices and construction activity have improved. The comparatively large increase from 2013 to 2014 coincided with significant appreciation in both residential and commercial property values. Annual property appreciation during 2014, 2015, and 2016 was more modest, and most of the increase in the assessed value per capita during these years was due to development of new buildings and parcel improvements. The rate of growth accelerated again in 2017 and 2018 resulting in an estimated assessed value per capita of \$222,445 as of January 1, 2020. Forecasted values for January 1, 2021 anticipated a 2.1% increase in estimated assessed value per capita.

<sup>1</sup> Amounts provided for 2020 and 2021 are forecasted amounts.

## Assessed Value and Tax Rates

### Residential and Business Property – Share of Real Property Valuation<sup>1</sup>

From 2003 through 2006 rapidly rising residential property values caused the residential share of assessed property value to increase to 76 percent while the commercial and industrial share declined. This trend reversed in 2007, reflecting declines in residential valuation and construction while commercial and industrial development's share reached its peak in 2009. Increases seen in commercial and industrial properties over the last couple of years reflect growth particularly in the data center market and have resulted in January 1, 2020 values continuing to comprise 21 percent of the total value.

Year	Residential Property Value as a % of Total	Commercial and Industrial Property Value as a % of Total
2012	71%	19%
2013	72%	19%
2014	72%	18%
2015	72%	18%
2016	72%	18%
2017	72%	18%
2018	70%	19%
2019	70%	19%
2020	70%	21%
2021*	69%	21%

#### Residential and Commercial & Industrial Property Valuation as a Percentage of All Real Property

<sup>1</sup> Excludes real property associated with multi-family apartments, agricultural property, and the real property of public service corporations.

## Assessed Value and Tax Rates

### Property Tax Levy and Percentage of Tax Levy Collected<sup>1</sup>

The property tax levy, which includes both real and tangible personal property, has increased as the County has grown as shown in the chart below. The percentage of the tax levy actually collected within the fiscal year in which the levy occurs is also shown. This percentage averaged 98.8 percent in FY 2010 through FY 2015. The annual collection percentage has been somewhat lower since 2015, but most of the remaining levy that is not received in the year of the levy is eventually collected. Table I in the Comprehensive Annual Financial Report for FY 2018 shows the total collections to date for all fiscal years since 2009<sup>2</sup>. For the years prior to FY 2018, the percentage of the annual levy collected as of the end of FY 2018 was greater than 99.8 percent for all years.

<sup>1</sup> Both real property and personal property taxes are collected semiannually, with real property taxes due on December 5 and June 5. Personal property taxes are due on October 5 and May 5 (for residents) or June 5 (for businesses). The Collection Division of the Treasurer's Office does not pursue actions on delinquencies until 60 days after the due date. For tax year 2020, the deadline for personal property taxes was pushed from May 5 to June 5 due to the COVID-19 pandemic.

<sup>2</sup> The Comprehensive Annual Financial Report may be accessed at [www.Loudoun.gov/CAFR](http://www.Loudoun.gov/CAFR)

## Assessed Value and Tax Rates

### Real Property Assessed Values

There were large increases in taxable real property fair market values from 2002 through 2006, reaching a peak growth rate of 36 percent from January 1, 2005 to January 1, 2006. This increase was primarily the result of increased residential and commercial/industrial valuation. Residential valuation decreased from 2007 through 2010 but has increased since 2011. A decline in commercial/industrial property valuation occurred in 2010 and 2011 but began to increase again in.

**Taxable Real Property Assessed Values by Land Use Category for Loudoun County: January 1, 2010 – 2021<sup>1</sup>**

Year	Residential	Multi-family	Commercial & Industrial	Agricultural <sup>2</sup>	Public Utilities <sup>3</sup>	Total
2010	37,617,284,300	1,400,033,500	10,945,844,400	3,195,328,500	1,282,383,327	54,440,874,027
2011	39,331,363,800	1,472,186,300	10,547,064,600	3,074,079,800	1,401,969,600	55,826,664,100
2012	40,725,314,300	1,613,832,400	10,852,024,600	2,968,638,600	1,195,855,000	57,355,664,900
2013	43,025,984,224	1,748,953,710	11,195,149,190	2,862,747,040	1,203,311,039	60,036,145,203
2014	47,381,707,530	1,994,025,180	11,678,790,160	2,982,086,580	1,685,264,157	65,721,873,607
2015	50,865,710,531	2,110,058,410	12,381,928,857	2,940,245,016	1,929,654,077	70,227,596,891
2016	52,693,724,262	2,224,266,480	13,259,311,949	2,995,288,600	2,052,149,067	73,224,740,358
2017	55,641,737,850	2,506,755,740	14,354,056,937	2,803,499,312	2,379,943,893	77,685,993,732
2018	59,202,541,900	2,734,127,210	15,591,297,028	2,726,561,540	2,759,389,058	83,013,916,736
2019	63,077,352,020	3,037,416,090	17,138,730,190	2,655,783,620	3,072,880,245	88,982,162,165
2020	65,589,774,090	3,300,549,300	19,648,759,840	2,623,581,750	3,143,501,328	94,306,166,338
2021*	68,503,906,545	3,479,052,886	21,091,393,052	2,529,781,034	3,206,371,355	98,810,504,872

<sup>1</sup> Values shown for 2019 and earlier reflect final Land Book values; values for 2020 reflect the 01/24/2020 Assessment Summary from the Commissioner of the Revenue; values for 2021 reflect DFB estimates used to develop the FY 2021 budget.

<sup>2</sup> Agricultural values are fair market values, not the land use valuations upon which the tax levy is based.

<sup>3</sup> The State Corporation Commission provides valuations as of January 1<sup>st</sup> for public utility property in September of each year, which is after publication of the budget. For years 2014 and after, the value of public utility tangible personal property other than motor vehicles is included in the assessed value of public utility real property since the real property tax rate applies to both.

## Assessed Value and Tax Rates

### Real Estate, Personal Property, Machinery and Tools, and Heavy Construction Machinery Tax Rates

Tax rates for personal property, machinery and tools, and heavy construction machinery have remained stable for several years. The real estate tax rate has changed more frequently. The tax rates below are per \$100 of assessed value. Tax rates are set on a calendar year basis. The real estate tax rate is the general, countywide tax rate and does not include any special district real property levies such as that for the Metrorail Services District which are assessed on top of the countywide rate.

Calendar Year	Real Estate Tax Rate	Personal Property Tax Rate <sup>1</sup>	Machinery & Tools Tax Rate	Heavy Equipment Tax Rate
2011	1.285	4.20	2.75	4.00
2012	1.235	4.20	2.75	4.00
2013	1.205	4.20	2.75	4.00
2014	1.155	4.20	2.75	4.00
2015	1.135	4.20	2.75	4.00
2016	1.145	4.20	2.75	4.00
2017	1.125	4.20	2.75	4.00
2018	1.085	4.20	2.75	4.00
2019	1.045	4.20	2.75	4.00
2020	1.035	4.20	2.75	4.00

<sup>1</sup> The tax rate on real estate and non-motor vehicle personal property of public utilities is the same as the real estate tax rate. Public utility vehicles are taxed at the personal property tax rate.

## Revenues and Expenditures

### General Fund Revenue Sources

The table below shows budgeted General Fund revenues by source for fiscal years (FY) 2006 through 2021, excluding transfers to the General Fund from other funds and the use of prior-year fund balance. As shown in the table, local revenues continue to account for a greater share of the General Fund budget – 94.4 percent in FY 2021. State revenue accounts for 6.1 percent of the FY 2021 budget and federal revenue accounts for 0.5 percent.

#### General Fund Revenue Sources<sup>1</sup>

Fiscal Year	Local		Commonwealth		Federal	
FY 2006	702,137,875	91.0%	62,465,079	8.1%	7,262,132	0.9%
FY 2007	781,949,137	89.7%	82,299,765	9.4%	7,891,511	0.9%
FY 2008	858,286,689	90.8%	78,313,164	8.3%	8,717,268	0.9%
FY 2009	926,876,444	91.2%	80,374,319	7.9%	9,265,806	0.9%
FY 2010	891,319,419	91.1%	78,765,084	8.1%	8,044,202	0.8%
FY 2011	905,929,802	91.0%	80,709,202	8.1%	8,713,442	0.9%
FY 2012	964,225,764	91.5%	81,725,969	7.8%	8,278,765	0.8%
FY 2013	1,005,883,021	92.0%	82,064,459	7.5%	5,330,088	0.5%
FY 2014	1,047,679,643	92.3%	82,793,077	7.3%	4,686,657	0.4%
FY 2015	1,132,579,963	92.8%	83,967,403	6.9%	4,530,629	0.4%
FY 2016	1,187,852,759	93.1%	83,669,453	6.6%	4,646,992	0.4%
FY 2017	1,281,922,204	93.5%	84,555,679	6.2%	4,787,920	0.3%
FY 2018	1,373,934,668	93.8%	86,382,044	5.9%	4,926,815	0.3%
FY 2019	1,487,094,727	94.1%	85,997,323	5.4%	7,477,374	0.5%
FY 2020	1,641,113,602	94.4%	88,033,189	5.1%	9,139,790	0.5%
FY 2021	1,812,548,220	94.9%	88,415,916	4.6%	9,130,259	0.5%

<sup>1</sup> The FY 2008 budget includes the Fire and Emergency Medical Services Tax District which was supported by a levy on real property located within Loudoun County. The Board of Supervisors eliminated funding for the Fire and Emergency Medical Services Tax District during the FY 2009 budget process and included it in the General Fund where it had been previously.

## Revenues and Expenditures

### Total General Fund Revenue

General Fund revenue, excluding transfers from other funds and use of fund balance, in the FY 2021 Adopted Budget is 9.9 percent higher than that in the FY 2020 Adopted Budget.

### Total General Fund Revenue Per Capita<sup>1</sup>

<sup>1</sup> Prior-year values of budgeted revenue per capita for years not coinciding with the decennial census are subject to change as estimates of the County's population in those years are updated.

## Revenues and Expenditures

### Real Property Taxes

The FY 2021 budget for general real property taxes is 7 percent higher than the amount budgeted in FY 2020, primarily as a result of growth in the commercial and industrial sector of the County during 2019. The tax on real property is the County's largest revenue source. For FY 2021, budgeted real property tax revenue comprises 50.9 percent of General Fund revenue net of Other Financing Sources (i.e., transfers from other funds and use of prior-year fund balance). For tax year 2020, the general real property tax rate is \$1.035 per \$100 of assessed value.

### Real Property Taxes

## Revenues and Expenditures

### Personal Property Taxes

The FY 2021 budget for personal property tax revenue is 18.7 percent higher than the amount budgeted for FY 2020. The chart below includes the State's annual reimbursement to Loudoun for personal property tax relief on personal-use motor vehicles. This reimbursement began in the FY 2001 budget as part of the planned phase out of the personal property tax on personal-use motor vehicles. Beginning in 2006, the State imposed a limit on the phase out of the vehicle personal property tax, capping the annual reimbursement to Loudoun at \$48,070,701. The State's fixed-dollar reimbursement for the vehicle personal property tax has caused Loudoun vehicle owners to realize a smaller percentage discount on their vehicle tax bill (38 percent in calendar 2019) than is realized by residents in other jurisdictions with slower rates of growth.

The major contributors to the revenue increase shown below include data center development, with the attendant increase in taxable computer equipment, and higher motor vehicle values. For FY 2021, the budget for computer equipment taxes, which are primarily located in data centers, accounts for 70 percent of personal property tax revenue, or \$395 million. The general personal property tax rate has remained at \$4.20 per \$100 of assessed value since 1988. The Revenue Chapter in Volume I contains a table of personal property tax rates by class of property.

#### Personal Property Taxes<sup>1</sup>

<sup>1</sup> The State began providing a partial reimbursement for the personal property tax on personal-use vehicles in 1999. The Personal Property Tax Reduction Act reduced the bill on the first \$20,000 of assessed value per residential vehicle by an increasing amount through 2001, when the reimbursement rate was capped at 70 percent. The County continues to collect 100 percent of the personal property tax on the assessed value of a vehicle that is above \$20,000. Through calendar year 2005, the State reimbursed the County for the revenue lost by the 70 percent personal property tax reduction. The 2004 State General Assembly set a fixed dollar limit on the total reimbursement provided to localities beginning in 2006.

## Revenues and Expenditures

### Real and Personal Property Taxes Per Capita

The FY 2021 budgeted real property tax revenue per capita increased by \$102, or 4.7 percent, from FY 2020. The FY 2021 budgeted personal property tax revenue per capita, including the State's annual reimbursement for property tax relief, increased by \$195, or 16.2 percent, from FY 2020. As shown in the chart below, personal property tax revenue per capita has steadily grown over the years as Loudoun has become home to more data centers. Computer equipment taxes are the single largest source of personal property tax revenue at \$395 million in FY 2021.

#### Real Property Tax Revenue Per Capita

#### Personal Property Tax Revenue Per Capita

## Revenues and Expenditures

### Local and Commonwealth Revenues

Local revenue, which includes property taxes, other local taxes, permits, charges for services, etc., increased by 10.4 percent in FY 2021 compared to FY 2020. Revenue from the Commonwealth increased by 0.4 percent in FY 2021. Commonwealth revenue in the County's General Fund does not include state funds provided directly to the Loudoun County Public School System.

#### Revenue from Local Sources and the Commonwealth

## Revenues and Expenditures

### Federal Revenue

The FY 2021 budget for federal revenue, comprised mostly of program specific grants in a variety of different categories declined 0.1 percent compared to FY 2020, remaining at \$9.1 million. Total federal revenue shown in the chart below for FY 2019 and FY 2020 can be primarily attributed to the Department of Family Services, which receives federal reimbursement for staff support of mandated programs. The FY 2021 budget for federal revenue is generally consistent with the FY 2020 budget. Budgeted federal revenues per capita reached a peak of \$30 in FY 2009, declined to \$12 in FY 2015, and remained at this level until reaching \$18 in FY 2019. Federal revenues per capita in FY 2021 are 30 percent below the FY 2009 peak value.

#### Federal Revenue<sup>1</sup>

<sup>1</sup> Loudoun receives other federal funds that are not administered through the County's General Fund. For example, federal money for low-income rental assistance is administered through the Rental Assistance Program Fund (discussed in the Other Funds Section of this Volume). Federal revenue in the County's General Fund also excludes federal funds that go directly to the Loudoun County Public School System.

## Revenues and Expenditures

### Charges for Services and Permits, Fees, & Licenses

Budgeted revenues shown on this page result from fees charged for services provided (e.g., after school activities, commuter bus service, solid waste disposal) and from licenses and permits required for certain activities (e.g., land development, dog licenses, building permits, etc.). FY 2021 revenue from charges for services is \$4.8 million higher than in FY 2020, principally due to increased fee revenue from Parks, Recreation, and Community Services but also reflecting higher landfill fee revenue and bus fare revenue. Budgeted revenue from permits, fees, and licenses is 0.3 percent higher in FY 2021 than in FY 2020.

### Charges for Services

### Permits, Fees, & Licenses

## Revenues and Expenditures

### General Fund Operating Expenditures Per Capita

Budgeted per capita spending for county government operations (which excludes school spending and transfers to other funds) in constant dollars in FY 2021 is estimated to be 4.2 percent higher than its level in FY 2020.

#### General Government Expenditures per Capita

Fiscal Year	General Fund Operating Expenditures	Current Dollars	2021 Constant Dollars	Percent Change
2012	\$387,299,465	\$1,177	\$1,351	-0.2%
2013	\$399,790,354	\$1,171	\$1,324	-2.0%
2014	\$412,823,405	\$1,162	\$1,290	-2.6%
2015	\$438,354,522	\$1,188	\$1,318	2.1%
2016	\$454,436,027	\$1,197	\$1,311	-0.5%
2017	\$475,141,195	\$1,213	\$1,313	0.2%
2018	\$504,249,150	\$1,253	\$1,329	1.2%
2019	\$544,620,325	\$1,319	\$1,372	3.2%
2020	\$597,349,201	\$1,409	\$1,437	4.7%
2021	\$648,623,966	\$1,498	\$1,498	4.2%

#### Expenditures Per Capita in Current and 2021 Constant Dollars

## Revenues and Expenditures

### General Government Safety Expenditures<sup>1</sup>

Budgeted expenditures for general government departments are 19.9 percent higher in FY 2021 compared to the amount budgeted in FY 2020. Of this increase, 9.8 percentage points is attributed to the transition of the Office of Housing from Family Services to the Office of the County Administrator. General government departments include the Offices of the Board of Supervisors, the Commissioner of the Revenue, the County Administrator<sup>2</sup>, the County Attorney, and the Treasurer as well as the departments of Elections and Voter Registration, Finance and Budget, General Services, Human Resources, and Information Technology. Detailed information about the changes for each of these departments can be found in Volume 1 of this document.

### General Government Expenditures Per Capita

<sup>1</sup> Reflects the General Fund, State and Federal Grants Fund, and Rental Assistance Program Fund.

<sup>2</sup> Beginning in FY 2021, the Office of Housing has moved from the Department of Family Services (Health and Welfare) to the Office of the County Administrator (County Administration). This change increased General Government expenditures by \$13.1 million.

## Revenues and Expenditures

### Public Safety and Judicial Administration Expenditures<sup>1,2</sup>

Budgeted expenditures for public safety and judicial administration departments are 11.9 percent higher in FY 2021 compared to the amount budgeted in FY 2020. Public safety and judicial administration departments include the Offices of the Sheriff and Commonwealth's Attorney and the Departments of Juvenile Court Services Unit, Community Corrections, Animal Services, and Fire and Rescue. Detailed information about the changes for each of these departments can be found in Volume 1 of this document.

### Public Safety and Judicial Administration Expenditures Per Capita

<sup>1</sup> Reflects the General Fund, State and Federal Grants Fund, and Rental Assistance Program Fund.

<sup>2</sup> Beginning in FY 2021, the Juvenile Detention Center has moved from the Department of Family Services (Health and Welfare) to the Juvenile Court Services Unit (Public Safety). This change increased Public Safety expenditures by \$3.4 million.

## Revenues and Expenditures

### Health and Welfare Expenditures<sup>1,2</sup>

Budgeted expenditures for health and welfare departments are 6.9 percent lower in FY 2021 compared to the amount budgeted in FY 2020. This decline reflects the transfer of the Juvenile Detention Center from Health and Welfare to Public Safety and the transfer of the Office of Housing to General Government. Health and Welfare departments include the Departments of Extension Services; Health; Family Services; and Mental Health, Substance Abuse, and Developmental Services. Detailed information about the changes for each of these departments can be found in Volume 1 of this document.

### Health and Welfare Expenditures Per Capita

<sup>1</sup> Reflects the General Fund, State and Federal Grants Fund, and Rental Assistance Program Fund.

<sup>2</sup> Beginning in FY 2021, the Juvenile Detention Center and the Office of Housing moved from the Department of Family Services (Health and Welfare) to the Juvenile Court Services Unit (Public Safety) and the Office of the County Administrator (General Government), respectively. This change decreased Health and Welfare expenditures by \$16.5 million.

## Revenues and Expenditures

### Parks, Recreation, and Culture Expenditures<sup>1</sup>

Budgeted expenditures for parks, recreation, and culture departments are 9.6 percent higher in FY 2021 compared to the amount budgeted in FY 2020. Parks, recreation, and culture departments include the Department of Library Services and the Department of Parks, Recreation, and Community Services. Detailed information about the changes for each of these departments can be found in Volume 1 of this document.

### Parks, Recreation, and Community Services Expenditures Per Capita

<sup>1</sup> Reflects the General Fund, State and Federal Grants Fund, and Rental Assistance Program Fund.

## Revenues and Expenditures

### Community Development Expenditures<sup>1</sup>

Budgeted expenditures for community development departments are 12.4 percent higher in FY 2021 compared to the amount budgeted in FY 2020. Community development departments include the Departments of Building and Development, Economic Development, Mapping and Geographic Information, Planning and Zoning, and Transportation and Capital Infrastructure. Detailed information about the changes for each of these departments can be found in Volume 1 of this document.

### Community Development Expenditures Per Capita

<sup>1</sup> Reflects the General Fund, State and Federal Grants Fund, and Rental Assistance Program Fund.

## Revenues and Expenditures

### County Government and Schools Operating Budget

The county government's General Fund budgeted operating expenditures for FY 2021 are 8.6 percent above the budgeted FY 2020 amount, while the school system's operating budget increased by 2.9 percent. It's important to note that the School Operating budget excludes the \$60 million reserve established as part of the adoption of the FY 2021 budget in anticipation of revenue shortfalls from the COVID-19 pandemic. For the period from FY 2009 through FY 2021, the county government's General Fund operating budget increased at an average annual rate of 4.9 percent while the school system's operating budget increased at an average annual rate of 5.5 percent. The high growth rate in the County's school age population (see next page) has contributed to the school system's increased expenditures.

Fiscal Year	County Government General Fund Budget	School Operating <sup>1</sup> Budget	Total
2009	\$371,663,510	\$719,984,402	\$1,091,647,912
2010	\$347,469,536	\$695,597,732	\$1,043,067,268
2011	\$369,029,698	\$673,018,656	\$1,042,048,354
2012	\$387,299,465	\$720,004,559	\$1,107,304,024
2013	\$399,790,354	\$793,422,308	\$1,193,212,662
2014	\$412,823,405	\$813,746,163	\$1,226,569,568
2015	\$438,354,522	\$881,384,233	\$1,319,738,755
2016	\$454,436,027	\$960,191,449	\$1,414,627,476
2017	\$475,141,195	\$1,029,895,621	\$1,505,036,816
2018	\$504,249,150	\$1,113,478,387	\$1,617,727,537
2019	\$544,620,325	\$1,187,317,681	\$1,731,938,006
2020	\$597,349,201	\$1,282,162,892	\$1,879,512,093
2021	\$648,623,966	\$1,319,089,606	\$1,967,713,572

<sup>1</sup> Revised from values published in prior years to exclude Grant Fund expenditures and Lease/Purchase Fund expenditures.

## Revenues and Expenditures

### Loudoun County School System Enrollment

Public school enrollment has increased steadily, but the rate of growth is moderating from the rapid rates of the past decade. School enrollment is projected to increase 1.9 percent in FY 2021, following a 2.0 percent increase in FY 2020. The projected rate of school enrollment growth in FY 2021 is below to the County's 2020 projected population growth rate of 2.7 percent. School enrollment figures are reported as of September 30th of the fiscal year (e.g., September 30, 2019 for FY 2020).

Fiscal Year	Enrollment	% Change
FY 2009	57,009	5.5%
FY 2010	60,096	5.4%
FY 2011	63,220	5.2%
FY 2012	65,668	3.9%
FY 2013	68,289	4.0%
FY 2014	70,858	3.8%
FY 2015	73,461	3.7%
FY 2016	76,263	3.8%
FY 2017	79,001	3.6%
FY 2018	81,235	2.8%
FY 2019	82,485	1.5%
FY 2020	84,175	2.1%
FY 2021 <sup>1</sup>	85,755	1.9%

### School System Enrollment<sup>1</sup>

Source: Loudoun School Board FY 2021 – FY 2026 Adopted Capital Improvement Program

<sup>1</sup> Amounts for FY 2021 reflected forecasted school system enrollment.

## Revenues and Expenditures

### General Fund Transfer to Schools<sup>1</sup>

General fund transfers to the public school system have generally increased over time in order to keep pace with the continuing growth in school enrollment<sup>2</sup>. For FY 2021, the annual transfer will increase 1.4 percent. Due to the reserve of \$60 million that was established in response to the COVID-19 pandemic, the transfer per pupil will decrease by 0.5 percent in FY 2021. Including the reserve, the per pupil amount will increase 6.3 percent if all funds are released subject to revenue availability. The reserve amount is shown in the charts below as a shaded bar to indicate what the values will be if the \$60 million reserve is released in full before the end of the fiscal year.

#### General Fund Transfer to Schools

#### General Fund Transfer to Schools Per Pupil

<sup>1</sup> Amounts for FY 2021 reflect the budget as approved by the Loudoun County Board of Supervisors in the FY 2021 Appropriations Resolution. The LCPS has identified a potential decrease in state revenue of \$9.3 million is not accounted for here.

<sup>2</sup> The annual transfer amounts include funds for Other Post-Retirement Employee Benefits (OPEB).

## Revenues and Expenditures

### Actual Unrestricted/Unassigned General Fund Balance

Unrestricted/unassigned General Fund balance are unspent funds in the General Fund at the end of the fiscal year that are not reserved or designated for a specific purpose by the Board of Supervisors. A positive fund balance occurs when actual revenue for a fiscal year exceeds budgeted revenue or actual expenditures are less than the budgeted expenditures (or both). In FY 1994, the Board established the County's fiscal reserve and adopted a policy that the reserve (which is a portion of General Fund Balance designated as "committed") will always be maintained at 10 percent of operating revenues in the General Fund<sup>1</sup>.

### Actual Fiscal Reserve and Unrestricted/Unassigned General Fund Balance

Source: *Comprehensive Annual Financial Reports*. See "Notes to Financial Statements."

<sup>1</sup> Operating revenue for the General Fund excludes one-time revenue from the sale of County assets, if any, during a fiscal year. Operating revenue for a fiscal year appears as Total Revenue in the General category in Exhibit V of the Comprehensive Annual Financial Report for that year. The Comprehensive Annual Financial Report may be accessed at [www.loudoun.gov/CAFR](http://www.loudoun.gov/CAFR)

# Glossary and Index FY 2021 Proposed Budget

## Contents

Glossary	15-2
Index	15-12

## Glossary of Terms

<b>501(c)3</b>	Exempt tax status afforded to nonprofit organizations meeting certain criteria.
<b>Accrual Basis of Accounting</b>	A method of accounting that recognizes the financial effect of transactions, events, and interfund activities when they occur, regardless of the timing of related cash flows.
<b>Actual(s)</b>	Revenues and expenditures that occur in a prior fiscal year. Actuals differ from budgeted figures in that they represent the real disbursements and/or collections that take place subsequent to budget adoption.
<b>Adjusted Gross Income</b>	Adjusted Gross Income is the key before-tax definition of income used by the IRS to compute individual income tax liabilities and is defined as: "all income that is received in the form of money, property, and services and that is not explicitly exempt by law."
<b>Adopted Budget</b>	A plan of financial operations approved by the Board of Supervisors highlighting major changes made to the County Administrator's Adopted Budget. The Adopted Budget reflects approved tax rates and estimates of revenues, expenditures, transfers and departmental goals, objectives, and performance/workload indicators. This document is commonly referred to as the Adopted Budget.
<b>Annual Budget</b>	An itemized listing of the amount of all estimated support and revenue which an organization anticipates receiving, along with a listing of all estimated costs and expenses that will be incurred in the operation of the organization over one fiscal year.
<b>Appropriation</b>	A legal authorization granted by the Board of Supervisors to a specified organization, such as a unit of the County government or an affiliated regional organization, to make expenditures and to incur obligations for specific purposes. An appropriation is limited in dollar amount and as to when it may be spent, usually expiring at the end of the fiscal year.
<b>Appropriation Resolution</b>	A legally binding document prepared by the Department of Finance and Budget which delineates by fund and department all expenditures and revenues adopted by the Board of Supervisors which are reflected in the Adopted Budget.
<b>Assess</b>	To place a value on property for tax purposes.
<b>Assessed Valuation</b>	The appraised value of property for purposes of property taxation. The assigned valuation covers real and personal property at 100 percent valuation.
<b>Assessment</b>	A charge of money collected by the government from people or businesses for public use.
<b>Asset</b>	Owned resources, possibly held by Loudoun County, which have a monetary value.
<b>Audit</b>	A formal examination of an organization's or individual's accounts or financial situation.
<b>Basis Point</b>	Equal to 1/100 of one percent. For example, if interest rates rise from 6.50 percent to 6.75 percent, the difference is referred to as an increase of 25 basis points.
<b>Balanced Budget</b>	A financial plan in which total expenditures equal total revenue and/or fund balance.
<b>Base Budget</b>	The cost of continuing existing levels of service in the upcoming budget year.

## Glossary

<b>Benchmark</b>	A factor or standard used to assess the effectiveness of a service or program in comparison with other organizations or jurisdictions.
<b>Bond</b>	A written promise to pay a specified sum of money (called the principal) at a specified date in the future, together with periodic interest at a specified rate. In the budget document, these payments are identified as debt service. Bonds may be used as an alternative to tax receipts to secure revenue for long-term capital improvements. County debt, to which the full faith and credit of the County is pledged, is approved by voter referendum. The State Constitution mandates taxes on real property sufficient to pay the principal and interest of such bonds. The majority of bonds issued for County and School construction projects are known as general obligation bonds.
<b>Bond Rating</b>	The rating of bonds as a statement of a locality's economic, financial, and managerial condition. The bond rating represents the business community's assessment of the investment quality of a local government.
<b>Budget</b>	A specific plan which identifies a plan of operations for the fiscal year, states the expenditures required to meet that plan of operations, and identifies the revenue necessary to finance the plan. The annual County budget is established by the Board of Supervisors' Appropriation Resolution.
<b>Budget Calendar</b>	Schedule of key dates which a government follows in the preparation and adoption of the budget.
<b>Business, Professional, and Occupational License (BPOL)</b>	Refers to the license tax that is levied upon the privilege of doing business or engaging in a profession, trade, or occupation in the County.
<b>Capital Asset Replacement Fund</b>	A fund established to ensure a consistent means of financing and planning for Countywide major maintenance efforts. This fund provides a mechanism for the replacement and rehabilitation of major components of the School and County physical plant including structural, mechanical, electrical, plumbing and site-related efforts.
<b>Capital Expenditures</b>	Expenditures on all fixed assets with a value greater than \$5,000 and an expected life of 3 years or more.
<b>Capital Facilities</b>	Fixed assets, primarily buildings, acquired or constructed by the County.
<b>Capital Improvement Program</b>	The County's plan for future capital project expenditures. The six-year plan covers public facilities, resulting in the construction or acquisition of fixed assets, primarily buildings, but also including parks, land, landfills, etc.
<b>Capital Outlay</b>	Expenditures for items of a substantial nature that are expected to have a useful life of more than one year. Examples include personal computers, vehicles, radios, and furniture.
<b>Carryover Funds</b>	Unexpended funds from the previous fiscal year which may be used to make payments in the current fiscal year. This is also referred to as the beginning fund balance.

## Glossary

<b>Children's Services Act for At-Risk Youth (CSA)</b>	This is a joint project of the Departments of Family Services; Mental Health, Substance Abuse, and Developmental Services; Finance and Budget; Finance and Procurement; Juvenile Courts; the School System and community service providers and private citizens. CSA is funded jointly by the State and the County. The project goal is to maintain, strengthen and reunify at-risk youth and their families.
<b>Code of Virginia</b>	The titles, chapters, articles, and sections of this Code contain the laws of the State.
<b>Codified Ordinance</b>	Regulation related to a specific code, such as the Code of the Commonwealth of Virginia.
<b>Comprehensive Annual Financial Report (CAFR)</b>	This official annual report, prepared by the Department of Finance, presents the status of the County's finances in a standardized format. The CAFR is organized by fund and contains two basic types of information: (1) a balance sheet that compares assets with liabilities and fund balance, and (2) an operating statement that compares revenues and expenditures.
<b>Constituent</b>	A resident in an electoral district.
<b>Constitutional Officers</b>	Officers or agencies directed by elected officials (Clerk of the Circuit Court, Commissioner of the Revenue, Commonwealth's Attorney, Sheriff, and Treasurer) whose positions are established by the Constitution of the Commonwealth of Virginia or its statutes.
<b>Contractual Services</b>	Services rendered to a government by private firms, individuals, or other governmental agencies.
<b>County Seat</b>	An administrative center of a community. Leesburg is the County Seat of Loudoun County.
<b>County Zoning Map</b>	The unincorporated areas of Loudoun County are divided into districts indicated on the Zoning Map. It is the final authority as to the current zoning status of land and water areas, buildings, and other structures in the County.
<b>County Zoning Ordinance</b>	This zoning ordinance was adopted by the County in conformance with the provisions of Title 15.1, Chapter 11, Article 8, of the Code of the Commonwealth of Virginia. Its purpose is to promote the health, safety, and general welfare of the public. The zoning ordinance is a means of controlling land use. For example, zoning ordinances can help to prevent traffic congestion, protect historic areas, and control population density.
<b>Debt</b>	An obligation resulting from the borrowing of money.
<b>Debt Service</b>	Funding as defined by the State Auditor of Public Accounts that finances and accounts for the payment of principal and interest on bonds.
<b>Department</b>	Basic organizational unit of the County government which is functionally unique in its service delivery responsibilities.
<b>Depreciation</b>	Expiration in the service life of capital assets attributable to wear and tear, deterioration, action of the physical elements, inadequacy, or obsolescence.
<b>Division</b>	Major organizational subunits.

## Glossary

<b>Emergency Operations Center (EOC)</b>	The Emergency Operations Center (EOC) provides a central location to determine situational status, coordinate actions, and make critical decisions during emergency and disaster situations. Emergency Management staff maintains the EOC during routine operations. Personnel from various departments and agencies in the county along with key organizations outside the County comprise the EOC staff during activation.
<b>Encumbrance</b>	A reservation of funds for an anticipated expenditure prior to actual payment of an item. Funds are usually reserved or encumbered once a contract obligation has been signed, but prior to the actual disbursement of the cash payment.
<b>Enhancement</b>	“Enhancement” is a general term used for new initiatives that may consist of: (1) expansions or improvements to an existing program, (2) establishment of a new program, (3) a proposal to fund from local dollars a program which has previously been supported by non-local sources of revenue, or (4) an increase in revenue due to a new fee or an increase in fee rates.
<b>Enterprise Funds</b>	Funds used to account for operations (a) that are financed through dedicated user fees, or (b) where the Board of Supervisors has decided to appropriate funding for specific operations using a periodic determination of revenues earned, expenses incurred, and/or net income.
<b>Equalization</b>	An annual assessment of real estate to ensure that assessments accurately reflect current market values. Equalization revenue is the annual increase or decrease in collected revenue resulting from adjustments to the assessment of existing property in the County. This annual increase or decrease is due to value changes rather than to new construction.
<b>Expenditures</b>	Decreases in net financial resources not properly classified as other financing uses.
<b>Facilities Standards Manual</b>	A document by the Board of Supervisors which sets out specific regulations and design standards for such facilities as water/sewer service, roads and streets, soils review, etc.
<b>Fiduciary Fund</b>	Funding used to account for assets held by the County in a trustee capacity or as an agent for individuals, private organizations, other governments, and/or funds.
<b>Fire/Emergency Services Tax District</b>	A special revenue fund established by the Board of Supervisors in 2007 to provide a dedicated funding mechanism for career and volunteer fire and rescue operations in Loudoun County. The Fire/EMS District is primarily funded by a separate tax rate on real property.
<b>Fiscal Impact Model</b>	A 20-year model developed to help the County plan for future population growth. The fiscal impact model determines the financial impact of growth on the County Government, quantifying the need for services and projecting the related expenditures for providing these services.
<b>Fiscal Policy</b>	A statement of the guidelines and goals that will influence and guide financial management practices.
<b>Fiscal Trends</b>	The statistical section of the document that provides a broad range of trend data covering key financial indicators with historical and current data. The fiscal trends section also contains demographic and miscellaneous data useful in assessing the County government’s financial condition.

## Glossary

<b>Fiscal Year</b>	This is the period of time measurement used by the County for budgeting and accounting purposes. The fiscal year consists of the twelve months beginning on July 1st and ending June 30th.
<b>FTE</b>	Full-Time Equivalent, considering all full-time and part-time staff positions. One FTE consists of 1,950 work hours per year.
<b>Fund</b>	A fiscal and accounting entity with a self-balancing set of accounts recording cash and other financial resources, together with all related liabilities and residual equities, or balances and changes therein. Funds are segregated for the purpose of carrying out specific activities or attaining certain objectives in accordance with special regulations, restrictions or limitations.
<b>Fund Balance</b>	The amount of money or other resources remaining unspent or unencumbered in a fund at a specific point in time. This term usually refers to funding available at the end of the fiscal year.
<b>Fund Type</b>	A group of funds that have similar activities, objectives, or funding sources as defined by the State Auditor of Public Accounts.
<b>GAAP</b>	An acronym for Generally Accepted Accounting Principles, this term refers to uniform minimum standards for financial accounting and recording.
<b>General Fund</b>	The primary location of all financial activity associated with the ordinary operations of County government. Most taxes are accrued into this fund and transfers are made to the School, Debt Service, and Capital Projects funds as appropriate.
<b>General Obligation Bond Financing</b>	G.O. bonds are approved by voter referendum and carry the full faith and credit of Loudoun County.
<b>General Plan</b>	An official public document, which is the product of citizen participation, the Planning Commission, the Board of Supervisors, County staff, and consultants. The General Plan is a long-range guide for growth, land use, and development decisions in the County and provides a framework for consistent future decision-making.
<b>Geographic Information System (GIS)</b>	The Geographic Information System (GIS) is a computer system used to assemble, store, manipulate, and display information about land in the County. GIS is a multi-departmental resource integrated with several of the County's other computer systems. It is used to manage and analyze land information, produce maps in support of the assessment process, manage zoning and health information, assist with the planning process, addressing County residences, and landfill management.
<b>Goals</b>	A general statement of purpose. A goal provides a framework within which the program unit operates; it reflects realistic constraints upon the unit providing the service. A goal statement speaks generally toward end results rather than toward specific actions (e.g., "minimize unemployment among disadvantaged youth").
<b>Grant</b>	A contribution by one organization to another. The contribution is usually made to aid in the support of a specified function, such as health care, housing, crime prevention, etc.

## Glossary

<b>Intergenerational Equity</b>	This is one of the concepts that underlie the issuance of long-term debt for capital projects. If a facility has an expected useful life of 20-40 years, there is a rationale for linking the payment for the facility to the beneficiaries of the facility. In other words, future users of the facility will also pay their share of the construction cost of the facility through debt service payments.
<b>Intergovernmental Revenue</b>	Revenue from other governments, such as the State and Federal government, in the form of grants, entitlements, shared revenue, or payments in lieu of taxes.
<b>Landfill Fee Waiver</b>	The forgoing of the tipping fee charged for use of the County's landfill. Organizations which are granted fee waivers must meet the following criteria: (1) the organizations must apply for the exemption, (2) the organization must be a governmental or nonprofit entity with IRS 501 status, and (3) the organization must provide a service for the public good.
<b>Lease Purchase</b>	A method of financing that allows the County to construct or acquire property and pay for it over a period of time by installment payments rather than an outright purchase. The time payments include an interest charge, which is typically reduced because the lessor does not have to pay income tax on the interest revenue.
<b>Levy</b>	The imposition of taxes for the support of government activities.
<b>Liabilities</b>	Obligations incurred in past or current transactions requiring present or future settlement.
<b>Liquidity</b>	Funds consisting, or capable, of ready conversion into cash.
<b>Local Gasoline Tax</b>	This is a 2 percent tax on gasoline sold in the County. Local gasoline tax collections are directed to a special account maintained by the Northern Virginia Transportation Commission (NVTC).
<b>Local Tax Funding</b>	Represents funds that the Board of Supervisors may allocate from general tax revenues to supplement revenues received by a program.
<b>Long-Term Debt</b>	Debt with a maturity of more than one year after the date of issuance.
<b>Mission Statement</b>	A written description stating the purpose of an organizational unit (department or agency) and its function.
<b>Modified Accrual Basis of Accounting</b>	Basis of accounting according to which (a) revenues are recognized in the accounting period in which they become available and measurable and (b) expenditures are recognized in the accounting period in which the fund liability is incurred (if measurable). Under this approach, immature interest on general long-term debt and certain similar accrued obligations are recognized when due.
<b>Non-Revenue Receipt</b>	Assets received by the County which are not in the form of cash, such as federal food commodities received at the Juvenile Detention Home and donated land from developers in the form of proffers. These are entered in the County records at their fair market value at the time of receipt.
<b>Object Classification</b>	A grouping of expenditures on the basis of goods or services purchased, such as personal services, materials, supplies, equipment, etc.

## Glossary

<b>Objective</b>	A statement of purpose defined more specifically than a goal. Objectives describe specific measurable outputs within a designated timeframe (e.g., "increase the number of children qualifying as Level I swimmers by 20%"). Program objectives are identified for each program description in the budget document.
<b>Obligation</b>	A future expenditure requirement incurred by voluntary agreement or legal action.
<b>Overlapping Debt</b>	The debt issuer's (County's) proportionate share of the debt of other local governmental units such that the issuer (the County) is located either wholly or partly within the geographic limits of the other units. The debt is generally apportioned based upon relative assessed value. For example, debt issued by a regional organization with which the County is affiliated would be overlapping debt of the County.
<b>Overmatch</b>	The amount of local tax funding over and above the amount required to leverage federal and state grant revenue.
<b>Parcel Mapping</b>	The process of producing maps of land parcels in the County. These parcels serve as units for assessing taxes.
<b>Pay-As-You-Go</b>	A term used to describe the practice of financing certain capital expenditures using current revenue as opposed to borrowing.
<b>Pay-For-Performance</b>	An assessment system that provides a process for appraising the quality of work performed by County employees and linking potential pay increases with work performance. The Pay-for-Performance system is designed to establish a link between performance assessment and employee performance of job duties and responsibilities.
<b>Performance Measures</b>	Data collected to assess a program's progress toward achieving established objectives and goals.
<b>Personal Property</b>	A category of property other than real estate, identified for purposes of taxation, including personally owned items, corporate property, and business equipment. Examples include automobiles, motorcycles, trailers, boats, airplanes, business furnishing, and manufacturing equipment. Goods held for sale by manufacturers, wholesalers, or retailers (i.e., inventory) are <u>not</u> included.
<b>Policy</b>	A high-level overall plan embracing the general goals and acceptable procedures of the governing body.
<b>Private Contributions/Donations</b>	These donations are usually from private citizens, typically one-time, non-recurring donations of cash or property.
<b>Proffer</b>	An offer of cash or property. This usually refers to property, cash, or structural improvements, offered by contractors/developers to the County in land development projects. An example is a proffer of land from a developer to the County.
<b>Program</b>	This is a plan or unit under which action may be taken towards meeting an individual or set of goal(s) in the provision of a particular service. Examples of County government programs include fleet management, field services, outpatient services and the Loudoun Youth Initiative.

## Glossary

<b>Property Tax Rate</b>	The rate of taxes levied against real or personal property expressed as dollars or \$100 of equalized assessed valuation of the property taxed.
<b>Proposed Budget</b>	A plan of financial operations submitted by the County Administrator to the Board of Supervisors. This plan reflects estimated revenues, expenditures, transfers, and departmental goals, objectives, and performance/workload indicators. In addition, sections are included to show major budgetary/financial policies and guidelines used in the County's fiscal management. The document is commonly referred to as the Proposed Budget.
<b>Proprietary Fund Types</b>	Funds that account for County activities which are similar to private sector businesses. These funds measure net income, financial position and changes in financial position.
<b>Prorate Tax System</b>	A system in which taxes are assessed proportionally during the year.
<b>Public Service Property</b>	Property specifically designated for public service use, as determined by the State Corporation Commission. This category includes designated real property, such as land and buildings and other property, such as computers, copiers and cash registers.
<b>Rating Agencies</b>	The organizations which provide publicly available ratings of the credit quality of securities issuers. The term is most often used to refer to the nationally recognized agencies, Moody's Investors Service, Inc., Standard & Poor's Corporation, and Fitch Investors.
<b>Real Property</b>	Real estate, including land and improvements (building, fencing, paving), classified for purposes of tax assessment.
<b>Referendum</b>	The principle or practice of submitting to popular vote a measure passed on or Adopted by a legislative body or by popular initiative.
<b>Regional Organization</b>	Organizations to which the County is either a member or contributes as a funding source.
<b>Resolution</b>	A formal expression of opinion will, or intent voted by an official body or assembled group.
<b>Revenue</b>	An increase in assets or financial resources. Revenue types are from local sources, from the Commonwealth of Virginia, the Federal Government, and from Non-Revenue Receipts (other Financing Sources).
<b>Revolving Loan Fund</b>	A fund established by the Board of Supervisors for County government, School, and Fire and Rescue company capital projects. Loans from the fund must be repaid back into the fund.
<b>Rollback taxes</b>	Amount of the difference between the taxes calculated for a property with and without the exemption for the previous five years.
<b>Short-Term Debt</b>	Debt with a maturity of less than one year after the date of issuance.
<b>Special District</b>	An independent unit of local government organized to perform a single governmental function or a restricted number of related functions. Special districts usually have the power to incur debt and levy taxes; however, certain types of special districts are entirely dependent upon enterprise earnings and cannot impose taxes. Examples of special districts are the Fire/EMS Tax District, the Route 28 Special Improvement District, and the Dulles Industrial Park Water and Sewer District.

## Glossary

<b>State/Federal Grant Fund</b>	A governmental fund type used to account for the proceeds of specific revenue sources (other than for major capital projects) that are legally restricted to expenditure for specified purposes.
<b>State Compensation Board</b>	A State Board that determines the rate of State funding toward the total cost of office operations for Constitutional Officers.
<b>Task Force</b>	A group of individuals organized to discuss and research a particular topic. Task forces are often used as advisory groups on a given topic.
<b>Tax Base</b>	The aggregate value of taxed items. The base of the County's real property tax is the market value of all real estate in the County. The base of the personal property is the market value of all automobiles, trailers, boats, business equipment, etc., which are taxed as personal property by the County. The tax base of a sales tax is the total volume of taxable sales.
