- **What we are doing to keep campers safe?**
 - Campers will have their own set of craft supplies (crayons, pencils, erasers, etc)
 - Following mitigation strategies that allow us to monitor the campers and promote social distancing as well as leading activities
 - An area separate from the main group will be designated as the camper sick area
 - Lower threshold for sickness
 - Signage at site to promote handwashing and distancing
 - Floor markings to indicate correct distances for social distancing
 - Activities will be led with social distancing in mind, for both sit down activities and active games
 - Campers will be washing hand frequently, including upon arrival, before and after food, after the bathroom, before and after using any shared items, before departure.

- **Masks**
 - Effective Monday August 9th, all individuals at camp, Staff and Campers, must be masked while at camp. This applies to individuals who are vaccinated and unvaccinated. Masks may be removed when eating and drinking, or when outside.

- **Distancing**
 - While at camp, campers should maintain a distance of at least 3ft distance from others

- **Behavior management**
 - If campers cannot maintain social distancing or poses an imminent threat to others, they may be dismissed from the program

- **Sickness**
 - If your child is sick with any symptoms we ask that you keep them home. Camper should be symptom free for 24 hours before they may return to the program.

- **What if my camper has a fever?**
 - Please keep your camper home. Your child must be fever free without a fever reducer for 24 hours prior to their return.

- **Sickness at site**
 - If a camper presents symptoms consistent with Covid19 while at site, we will isolate them, and reach out to parent, guardian or emergency contacts in order to have the camper collected as soon as possible
 -

- **When can a camper return after a positive Covid test?**
 - If your camper has tested positive for Covid19 they can return with physician's note clearing them of Covid

- **How will I be informed if a camper or staff member at the site is found to have been diagnosed with Covid?**
 - If someone at the site has been diagnosed with Covid19, the Health Department will begin their contact tracing procedures, and you would be contacted by them if your child was found to be a close contact

- **If camp location has to close due to Covid**
 - If a camp location needs to close due to a Covid you will be notified as very soon as possible, and be issued a full refund.

- **Site cell numbers**
 - We ask that parents remain in their car for pick up and drop off, and text or call the site cell number. A staff member will then come out to greet you.

- **Drop off procedure**
 - Upon arrival at the camp location we ask that you remain in the car and pull alongside the cafeteria / gym of the school, when a camp sign will be located. We then ask that you call or text the site cell number. A staff will then come to the car to check your camper in
 - If you walk your camper to camp, we ask that you call or text once you are approximately 20 feet from the entrance to camp, and staff will come to you to collect the children.

- **Pick up procedure**
 - Upon arrival at the camp location we ask that you remain in the car and pull alongside the cafeteria / gym of the school, where a camp sign will be located. We then ask that you call or text the site cell number. A staff will then accompany your child/ren out to your car.
 - All parents / guardians will be asked to show Government Issued ID (such as a driving license) until the site staff are familiar with you.

- All people collecting your child should be listed as an emergency contact or authorized pick up
 - If you know you will be collecting your camper earlier than usual, feel free to text or call us so that we can have them ready for your arrival.
 - If you walk to collect your camper to camp, we ask that you call or text once you are approximately 20 feet from the entrance to camp, and staff will bring your child/ren to you.
- **Emergency contacts**
 - Please ensure the people you have listed as an emergency contact knows that they are an emergency contact, and that they will be expected to collect your camper if a parent or guardian cannot. Please also notify them that if they are collecting your child they MUST have a Government issued Photo ID with them.
- **Field and pool trips**
 - Because of the ongoing Covid19 situation, all field and pool trips are cancelled this summer

What should I send with my camper to camp?

- Please provide a spray sunscreen, so that if we need to assist your camper in application, we can do so with some distance.
- Lunch, two snacks and a refillable water bottle, labelled with your camper's name

Thank you for your patience and support during these unprecedented times. We are here to facilitate and support you with the transition back into the program. Please reach out to your child's center with any questions or concerns, or contact us at Camp@loudoun.gov
