

## 2021 Senior Cool Care Program

### What is Senior Cool Care?

This marks the 31st year that Dominion Energy has provided fans - and now room air conditioners - for eligible adults 60 and older who need additional cooling in their homes.

### General Information

- The program is sponsored by Dominion Energy.
- Assistance is offered from June 1 through the last business day in September.
- Area Agencies on Aging collaborate with their local retailers to purchase single-room air conditioners at the best price.
- Fans are available, if the qualified individual prefers.

### Program Guidelines

- Local Area Agencies on Aging administer Senior Cool Care by screening applicants and distributing air conditioners or fans.
- Adults must be 60 or older and need additional cooling at home.
- Adjusted gross income must be at or below 150% of the federal poverty level. (One person = \$1,610/month; two persons = \$2,178/month)
- Senior Cool Care funding may not be used for delivery or installation of air conditioners, fans or for bill payment assistance.
- If bill payment assistance is needed, the older adult may apply through EnergyShare's bill payment program. The customer may contact 2-1-1 for intake agency information.
