Service Alert Systems

Loudoun County Transit uses service alert systems to communicate service changes or disruptions to passengers. To find out more visit www.loudoun.gov/rideralerts.

SmarTrip®

A SmarTrip® card is a plastic, rechargeable farecard capable of holding up to \$300 in value. SmarTrip® cards may be purchased at several locations including www.wmata.com, select Metrorail stations and the Loudoun County Department of Transportation & Capital Infrastructure. Value can be added at machines located in every Metrorail station using various payment methods. To add value aboard Loudoun County Transit, use cash only and follow the instructions posted on the farebox. Avoid placing SmarTrip® cards near the target until instructed to do so. SmarTrip® in Apple Wallet or Google Pay allows you a contactless way to quickly purchase a transit card to pay for a train, bus, or parking wherever SmarTrip® is accepted. Adding SmarTrip® to your mobile device keeps all your cards in one place and allows you to skip the fare vending machines in stations when you are in a hurry. Manage purchases, tap, and go all from your phone. Loudoun County Transit fareboxes do not accept pennies, \$50 or \$100 bills. For SmarTrip® matters, call 888-762-7874.
