

How to Search Hydro. Studies Files on WWW.ONLINERME.COM

A new link to search for Hydro Studies files has been added to www.onlinerme.com. In order to search Hydro Studies files click on the highlighted green link called [Loudoun Hydro Studies Files-Search Here.](#)

The screenshot displays the 'onlineRME' website interface. The header includes the 'onlineRME' logo with the tagline 'RESPONSIBLE MANAGEMENT ENTITY' and navigation links for 'Help', 'Contact', and 'Login'. A 'Site Search' tab is active. The main content area features a 'Site Search' form with the following fields: 'Country' (dropdown menu set to 'United States'), 'State' (dropdown menu set to 'Virginia'), 'County' (dropdown menu set to 'Loudoun County'), 'Search For' (dropdown menu set to 'Site Address'), 'Street Number' (text input field), 'Street Name' (text input field), and a '(and/or)' label. Below these fields is a grey instruction box: 'For STREET NAME Do NOT enter Street Direction (E,W,N,S) or Street Suffix (St., Ave., Blvd., etc.)'. At the bottom of the form is an 'Exact Match Only' checkbox (unchecked) and a 'Submit Search' button. Below the form, there are four links: 'Loudoun Onsite Notices - Go Paperless! Sign up here' (yellow), 'Loudoun Scanned Records - Search here' (red), 'Loudoun Parent Files - Search here' (blue), and 'Loudoun Hydro Studies Files - Search here' (green).

[Loudoun Scanned Records - Search here](#)
[Loudoun Parent Files - Search here](#)
[Loudoun Hydro Studies Files - Search here](#)

You can search the list of folders by using the **search by pages** at the bottom of the page & clicking on the page numbers.

Page 1 of 9 1 2 3 4 5 6 » Last 220 Entries

Or if you would like to search a specific Hydro Study you can search by clicking on the **green magnify glass** and doing a blank search (meaning do not place any text in the search box) once you click on the **green magnify glass** it will take you to the screen shot on the next page.

The page below will show up when you do your blank search. To the left hand side, will be where you can do a specific Hydro Study search. Go to **Customize Search** choose **Name** and **Within Folder**. Type the name of the hydro study you are searching for under the **Name** section **Ex. Caskey Farm**. Then click the green **Search** button. The screen shot on the next page will appear once you do your search.

The screenshot displays the Laserfiche WebLink search interface. At the top, the header includes the 'Laserfiche WebLink' logo, a search bar with a magnifying glass icon, and navigation links for 'My WebLink', 'Help', 'About', and 'Sign Out'. On the left side, there is a sidebar with search options: 'Customize Search' and 'Records Management Search' (both with dropdown arrows), 'Within Folder' (selected and highlighted in blue with a close button), and 'General Search' (also with a close button). Under 'Within Folder', there is a text input field containing the path '\\Health Department\\Hydro Studies\\', a checked checkbox for 'Search subfolders', and a 'Search terms' input field. At the bottom of the sidebar are 'Search' and 'Reset' buttons. The main content area on the right displays the message 'No Results Yet' followed by 'Try performing a new search.' At the very bottom of the page, a small footer states: 'Document management portal powered by Laserfiche WebLink 9 © 1998-2015 Laserfiche. All rights reserved.'

Once you submit your search, the hydro study file folder you are searching for will appear to the right hand side. Double click the folder, and you will see all the files within the folder.
