HELPING YOU NAVIGATE MEDICARE

Medicare now requires that all beneficiaries searching for prescription drug plans must have a My Medicare account. In order for the Loudoun County VICAP counselors to provide a drug coverage analysis, you must respond to one of three options.

Check one of the following:

◯ I do not have a My Medicare Account, but I want a personalized search. I give permission for the Loudoun VICAP Counselors to create a My Medicare Account for me. Counselors will send me the account user name and password with my analysis.

◯ I have a My Medicare Account and I want a personalized search. Here is the account information:

User Name: _____

Password: _____

◯ I do not want a My Medicare Account. I understand that I will be given general Prescription Drug Plan/ Medicare Advantage Plan information that will not show my current drug plan information or my personalized costs.

I agree to counseling under provisions and guidelines of the Virginia State Health Insurance and Assistance Program (VICAP). I understand that counselors will use the information that I provide to assist me with my Part D or Part C coverage options, and will keep my personal information confidential.
