

AFFORDABLE MARKET PURCHASE PROGRAM (AMPP) PRE-SCREENING

The answers to the screening questions below will determine if you are eligible for the AMPP Program. Spouses must apply as Applicant and Co-Applicant. Household members appearing on the loan must have permanent residency in the United States (2-Year Green Cards are not accepted). Other household members must provide one form of identification.

1. Income and Family Size (Fill out A, B, & C)

A. Applicant Name: _____

B. Family Size: _____ (Includes adults and children who will be living in the home to be purchased.)

C. Total Annual Gross Income From All Sources: _____

(Income includes full-time, part-time jobs, overtime, shift differentials, child support, alimony etc.) Please be advised that you will be required to document all sources of income at application with a Verification of Employment Form, paystubs, proof of receipt of child support and stipend/allowance, if received, for the most recent three months and documentation of any other income received. Household members (except applicant and co-applicant) 18 years and older who are full-time students (12 credits or more) will not include their income since income for full-time students is not counted for the AMPP Program. If you are self-employed, please see the supplemental "Required Documentation for Persons who are Self-Employed" form for how to calculate annual income.

The Chart below indicates Family Size across the top of the chart and the minimum (70%) and the maximum (100%) income guidelines along the side of the chart. For example, if you are a three-person household, you must earn at least \$97,500 (70%) but not more than \$139,250 (100%).
